AGREEMENT

This Agreement made this 20 day of May, 2010 between the BOROUGH OF WOODLAND PARK ("Borough") and LOCAL 1158, INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, A.F.L. – C.I.O., (hereinafter referred to as the "Union").

WITNESSETH

WHEREAS, the Public Employment Relations Commission certified the Union as the exclusive representative for the purpose of collective negotiations with respect to wages, hours, and all terms and all conditions of employment for all Borough employees, excluding confidential employees and supervisors within the meaning of the Act, craft employees, professional employees, police employees (other than civilian dispatchers), casual employees, blue collar employees of the Department of Public Works, library employees, and firefighters and all employees represented in other collective negotiation units; and

WHEREAS, this certification requires the Borough to recognize the Union as the exclusive representative for the purpose of collective negotiations with respect to wages, hours, and all terms and conditions of employment for these Borough employees.

NOW, THEREFORE, the Borough and the Union mutually agree as follows:

ARTICLE 1 – MANAGEMENT RIGHTS

The Borough of Woodland Park hereby retains and reserves unto itself without limitation all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of New Jersey and of the United States including, but not limited to the following:

- A. The direction, management, and arrangement of the working forces including the right to hire, discipline or discharge for cause, promote, or lay off employees from duty because of lack of work or for other business reasons;
- B. The right to require employees to observe the Borough's established and documented rules and regulations, or the Borough's right to make new rules and regulations relating to the operation of its facilities not inconsistent with the terms of this Agreement;
- C. The processes, techniques, methods and means of business practices;
- D. The selection of employees for promotion;
- E. The union agrees that the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Borough, the adoption of policies, rules, regulations, and practices and furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only to the extent set forth in this Agreement.

ARTICLE 2 – RETENTION OF BENEFITS

Except as otherwise provided herein, all rights and benefits which the employees have heretofore enjoyed and are presently enjoying as contained in Borough ordinances, rules and regulations, or policies and procedures, shall be maintained and continued by the highest standards in effect at the commencement of these negotiations resulting in this Agreement.

The provisions of all applicable State statutes, rules and regulations, policies and procedures of the New Jersey Public Employment Relations Commission, Borough ordinances and resolutions, except as specifically modified herein, shall remain in full force and effect during the term of this Agreement and shall be incorporated in this Agreement as if set forth at length.

ARTICLE 3 – POLITICAL ACTIVITY

Employees shall not directly or indirectly use or seek to use their authority or the influence of their position to control or modify the political action of another person or persons. Employees during working hours shall not engage in political activity nor shall they at any other time participate in political activities so as to impair usefulness in the position in which they are employed.

Upon determination by the Borough Administrator of a violation on the part of any employee of this policy, the Borough Administrator shall initiate appropriate disciplinary action in accordance with this Agreement.

ARTICLE 4 – NO STRIKE PLEDGE

It is recognized that the need for continued and uninterrupted operation of the Borough is of paramount importance to the citizens of the community and that there shall be no interference with such operation.

The Union covenants and agrees that neither the Union nor any person acting in its behalf will cause, authorize or support nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of an employee from his/her position or stoppage of work or abstinence in whole or in part, from the full faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out, or other job action against the Borough. Should the above occur the Borough shall have the right to discharge all employees involved in such action.

The Borough shall consider such conduct as abandonment of the employee's employment with the Borough.

ARTICLE 5 – UNION ACTIVITIES AND VISITATION

The Union agrees that there shall be no solicitation for membership in the Union, signing up of members or collections of initiation fees, dues or assessments on Borough work time. Provided, however, that this shall not be construed to prohibit casual or personal conversation about the Union and its activities, and provided further this shall not be construed as permitting employees to quit work or delay their work for the purpose of such conversation.

The Borough agrees that the activities described in the above paragraph of this Article may be conducted on the Borough property on free time of Union members who are employees of the Borough.

The employees shall be permitted to distribute Union literature in non-working areas on Borough property provided the employees making the distribution are on non-working time.

There shall be no grievance investigation presented, discussed, processed or handled during working hours without an officer of the Employer or his/her representative being notified and his/her permission to do so obtained nor shall the investigation, presentation, discussion, processing or handling of a grievance interfere in any way with the normal and efficient operation of the facility.

An authorized agent of the Union shall be permitted to visit the facility during working hours after first notifying the Employer, for the purposes of investigating and settling grievances and insuring the proper administration of the contract; provided, however, that said representative shall conduct his/her business in such manner so as not to interfere with the normal and efficient operations of the facility. The Union shall keep the Borough currently advised, in writing, of the officer or representative of the Union who is authorized to deal with the Borough and no one shall be deemed such a representative unless he/she is so designated by the Union to the Borough.

ARTICLE 6 – UNION SECURITY

Employees shall have the right to self-organization, to form, join, or assist labor organizations, to bargain collectively through representatives of their own choosing and to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection and shall also have the right to refrain from any or all of such activities.

ARTICLE 7 – SHOP STEWARDS

The Union Business Manager or his /her designated Union Representative shall appoint a Union Shop Steward and an Assistant Shop Steward as well as any committee members. The Borough understands that the choice of and removal from office of Stewards, or committee members is a function of the Union. The Union shall notify the Borough within twenty-four (24) hours of any changes.

The Union Shop Stewards shall be free to conduct their Union duties at any time within their regularly scheduled working hours with the permission of their designated supervisor.

ARTICLE 8 – BOROUGH BOOKS

A duly authorized officer or representative of the Union shall have access only to the Employer's books pertaining to earnings of the employees covered under this Agreement. The authorized officer or representative of the Union shall be permitted access during working hours after first notifying the Employer; provided, however, that said representative shall conduct his business in such manner so as not to interfere with the normal and efficient operations of the facility. The Union shall keep the Borough currently advised, in writing, of the officer or representative of the Union who is authorized to deal with the Borough and no one shall be deemed such a representative unless he/she is so designated by the Union to the Borough.

ARTICLE 9 – BULLETIN BOARDS

The Borough shall provide space in the Employee's Lounge on existing bulletin boards for use by the Union, to enable employees of the bargaining unit to see posted notices. All notices shall be posted by the Business Manger of the Union or his/her designee and shall relate to the matters listed below:

1. Union recreational and/or social affairs;
2. Union appointments;
3. Union elections;
4. Results of Union elections;
5. Union meetings;
6. Reports of Union Committees;
7. Any other material authorized by the department head and the Business Manager of the Union or his/her designee. No political campaign literature or defamatory material shall be posted.

This Article does not prohibit the Department Head from assigning space for bulletin boards to other organizations in which employees hold membership.

ARTICLE 10 – HIRING POLICY

Whenever a new position or vacancy exists within any of the municipal departments, the Borough Administrator shall post a notice of the opening on the bulletin board located in the Employee's Lounge. The notice shall set forth the position, the classification and the salary

range. The notice shall also set forth the date by which all prospective applicants shall have submitted a letter asking that they be considered for the position.

The vacancy may also be advertised in the local newspaper. Professional associations or employment agencies may be utilized as required to obtain qualified applicants for the position.

ARTICLE 11 – EMPLOYEE STATUS DEFINITIONS

Full-Time: a permanent employee appointed to a Borough position who has served the requisite probationary period and who regularly performs assigned duties each week for thirty (30) hours or more and who receives all rights and benefits.

Hourly: an employee hired for seasonal or temporary work, either full-time for a fixed duration or part-time for a fixed duration, and who is not eligible for benefits.

Elected or Appointed Official – an employee of the Borough who is elected by the voters of the Borough or appointed for a fixed term by the elected officials of the Borough.

Part-Time: an employee working less than twenty (20) hours per week and who is not eligible for paid benefits.

Permanent Part-Time: a permanent employee appointed to a Borough position, working a minimum of twenty (20) hours per week on a regular basis. Permanent part-time employees are eligible for benefits available under this agreement to full-time employees only where the Agreement expressly states so.

ARTICLE 12 – CLASSIFICATION

Classification of job duties and responsibilities shall be governed by the State of New Jersey Civil Service Rules. In the event an employee performs work in a higher classification, the Borough shall pay that employee the higher rate of pay for all hours worked in the higher classification.

ARTICLE 13 – LAYOFFS AND DEMOTIONS

Layoff shall be defined as the involuntary separation of an employee for reasons other than delinquency or misconduct.

The Borough may layoff an employee for the purpose of efficiency or economy or other valid reason requiring a reduction in the number of employees in a given class. In the event of a layoff, the last person employed shall be the first person laid off in a given job classification.

The Borough shall in cases of layoff notify the Union at least seventy-two (72) hours in advance of such layoff and forward a copy of the names of those to be laid off to the Union. During a slack period the duly authorized representatives of the Borough shall decide upon an equitable method of distributing employment among the employees.

On recall after a layoff, employees shall be transferred and recalled in reverse order, according to the needs of the Borough.

ARTICLE 14 – SENIORITY

Seniority is defined as an employee's continuous length of service with the Borough beginning with his/her date of hire. Seniority for classified employees shall commence on the date of obtaining permanent status.

Reasons for termination of seniority and recall right forfeiture are as follows:

1. Failure to notify the Employer of intent to return to work within five (5) working days after the date recall notice is sent, by certified mail, to the employee's last address on record with the Employer or failure to report for work within five (5) working days after the date recall notice is sent, by certified mail, to the employee's last address on record with the Employer;
2. If the employee quits;
3. If the employee is discharged;
4. If the employee is absent from work for five (5) consecutive working days without advising the Borough and giving reasons satisfactory to the Borough for such absence, except in extreme and unforeseen circumstances; i.e., coma.
5. If the employee overstays a leave of absence without notifying the Borough;
6. If the employee gives a false reason for a leave of absence or engages in other employment during such leave.
7. If the employee is laid off for a continuous period of twelve (12) months.

ARTICLE 15 – PERSONNEL RECORDS

Confidential Nature and Review by Employees – Adequate personnel records shall be maintained for each employee of the Borough of Woodland Park. These records shall include: applications; dates of appointments and promotions; job titles; salaries; commendations; performance evaluations; disciplinary actions; amounts of leave accrued and used; and a record of the employee's education; training and other related matters. These records are considered to be of a confidential nature and are available only to the employee or to the supervising personnel on a need-to-know basis. Employees are entitled to review the contents of their own personnel folder but not those of other employees. Supervisors may review personnel records of their subordinates.

Employees wishing to see their personnel folders will arrange with the Borough Administrator for an appointment in advance. Any such review of a personnel folder by the employee will be done in the presence of the Borough Administrator or an authorized member of his/her administrative staff. Employees will not be permitted to take their personnel folder from the Administrator's Office nor may documents be removed from or added to the folder. Employees may obtain copies of material in their own file at a cost of \$.15 cents per page. Employees shall have the right to insert written rebuttals to any material in their Personnel File.

Employees wishing to access their personnel files will first sign and date a Sign-In sheet to be maintained by the Borough Administrator.

ARTICLE 16 – VITAL INFORMATION

It is the responsibility of each employee to notify the Administrator's Office of any change in vital information as listed below:

1. Name;
2. Address;
3. Telephone Number;
4. Marital Status;
5. Dependent Children;
6. Deductions on W-4 form;
7. Change in status for health programs;
8. Change in beneficiary on pension or life insurance policies;
9. Change in status of Deferred Compensation Plan;
10. Change in status of payroll deductions, if any.

Changes will be made and information will be updated when the employee notifies the Administrator's Office.

ARTICLE 17 – PROBATIONARY PERIOD

There is established a probationary period of ninety (90) calendar days during which time an employee learns the duties and responsibilities of the position. During this period supervisors will evaluate the employee's work performance and conduct to determine whether the employee merits permanent status.

An employee hired to fill a "non-competitive" position (as that term is defined by the State of New Jersey Department of Personnel) whose performance has been satisfactory after serving a ninety (90) calendar day probationary or working test period, will upon recommendation of his or her supervisor attain permanent status in that position. If the employee's performance is unsatisfactory during this working period, the Appointing Authority may dismiss the employee or in the case of promotion revert the employee back to the former position if that position is still open.

Halfway through the probationary period and again ten (10) calendar days prior to the expiration of the probationary period, the Department Head shall submit to the Borough Administrator a written evaluation of the employee's performance to date.

In all cases an employee appointed to any position will be subject to a minimum probationary period of ninety (90) calendar days. The Administrator may recommend to the Mayor to extend the probationary period or in the case of promotion, revert the employee back to the former position if that position is still open or dismiss the employee.

ARTICLE 18 – EMPLOYEE EVALUATION

The personnel and work record of all employees may be evaluated at least annually. The purpose of the review is to provide the employee's supervisor with an opportunity to discuss with the employee improvement and progress made during the year and any weak points or deficiencies in training or performance.

Evaluations of all employees will be made before the end of each calendar year unless otherwise required on evaluation forms. The Department Head will meet with all employees within the department individually. An evaluation form will be filled out and signed by both the Department Head and the employee. The evaluation will be use as a basis for merit increases in salary and salary increments, if any.

ARTICLE 19 - PROMOTIONS

Promotion is advancement in job class having a higher level of duties and responsibilities. When there is a change in the duties or responsibilities of a position resulting in its reclassification to a higher job category, the position shall be considered vacant and subject to filing under promotional procedures.

Promotional policy is based predominantly on potential, merit and evaluation. If appropriate, testing will be used as an additional basis for promotion. Seniority will be used as a basis for promotion only in instances where two or more individuals are considered equally qualified.

The Borough Administrator after evaluation will recommend to the Appointing Authority candidates for promotion. After promotions, the first ninety (90) calendar days in that position shall be considered as a probationary period. When an employee receives a promotional title change approved by the Mayor and Council, they shall receive a five (5) percent increase in salary.

When an employee is hired by the Borough into a title requiring Federal and/or State certification to perform the duties and responsibilities of that position, and the employee presently possesses such required certification, remuneration will be based on the employee's certification and ability to immediately fulfill all of the responsibilities of that position. If the new employee does not possess such certification, the employee will be hired into the position subject to the successful completion, in a reasonable timeframe, of the certification process including receipt of certification. Upon successful completion of each required course, the

Borough will reimburse the employee for course fees; mileage per the union contract; and fees for testing. If courses are offered during normal working hours, time off will be provided to attend such courses. If courses are offered outside normal working hours, compensatory time shall be provided and such compensatory time shall be taken within thirty (30) days of such occurrence. If the employee fails to achieve such certification, in a reasonable timeframe, in the title in which the employee is hired, such failure may be grounds for dismissal. Upon receipt of said certification and written determination by the Department Head and Borough Administrator that the employee has the ability to adequately perform all of the duties and responsibilities of his/her certified position, the employee will be immediately entitled to a five (5) % increase in salary, subject to the written approval of the Mayor and Council. This understanding will be reduced to writing upon hiring of new employee.

When a current employee is requested and/or directed by the employee's Department Head, with written concurrence of the Borough Administrator, to become certified in a given title, the employee shall pursue such certification without additional remuneration. Upon successful completion of each required course, the Borough will reimburse the employee for course fees; mileage per the union contract; and fees for testing. If courses are offered during normal working hours, time off will be provided to attend such courses. If courses are offered outside normal working hours, compensatory time shall be provided and such compensatory time shall be taken within thirty (30) days of such occurrence. Upon receipt of said certification and written determination by the Department Head and Borough Administrator, that in their collective judgment, the employee has the ability to adequately perform all of the duties and responsibilities of his/her certified position, the employee will be immediately entitled to a five (5) % increase in salary, subject to the written approval of the Mayor and Council. This understanding will be reduced to writing.

ARTICLE 20 - RESIGNATION

An employee may resign by giving the Department Head a minimum of fourteen (14) days written notice.

If any employee resigns without giving the required notice, the employee shall be considered as having resigned "not in good standing" and will not receive payment for any accrued vacation payment nor be considered for reemployment.

An employee who is absent from work for a period of five (5) consecutive days without notice to or authorization from the Department Head will be considered as having resigned "not in good standing".

The Department Head will immediately notify the Borough Administrator of any resignation notice either verbal or written or any unreported absence.

After being informed of an employee's resignation, the Borough Administrator will provide an accounting of any benefits accrued either to the employee or to the Borough before the final paycheck is issued by the Treasurer. Any vacation entitlement owed to the employee will be prorated on an earned basis. If the employee has taken more vacation than the prorated

entitlement, payment will be made to the Borough by deduction from the employee's paycheck. Any vacation leave in lieu of vacation pay will be granted at the discretion of the Borough Administrator based on the recommendation of the Department Head.

Before the Treasurer shall issue a check to the employee, it will be the responsibility of the employee to turn into the employee's Department Head any Borough property which the employee may have been entrusted with. The Department Head shall certify to the Treasurer that all Borough property, entrusted to the employee has been returned.

ARTICLE 21 – RETIREMENT

Borough employees enrolled in the Public Employee's Retirement System of New Jersey are subject to the requirements and provisions of the plan. For the information of employees, the applicable sections of P.E.R.S. Manual concerning membership are listed below:

Membership (compulsory) – membership in the Retirement System is required as a condition of employment for all veterans employed after December 31, 1954, including veteran elected officials employed by the State or any county, municipality, school district or public agency as well as individuals hired after the date the Retirement System was adopted by their employer or July 1, 1966, whichever is earlier, provided the employee is:

- d. All non-veterans or veterans who were ineligible for a local contributory fund and who are properly covered by Social Security may enroll on July 1, 1966 or later.

An employee intending to retire shall give written notice to the Department Head and the Borough Administrator during the year in which he or she wishes to retire. This notification should be received at least six (6) months before planned retirement. The employee, upon advice of the Treasurer, should apply to the Public Employee's Retirement System for pension benefit information at least six (6) months prior to planned retirement to effect the smooth transition without a lapse of time between retirement and retirement benefits.

The Borough Administrator shall provide an accounting of any benefits accrued either to the employee or to the Borough before a final paycheck is issued by the Treasurer.

Before the Treasurer shall issue a check to the employee, it will be the responsibility of the employee to turn in to his/her Department Head any Borough property which the employee may have been entrusted with such as keys, clothing, tools, etc. The Department Head shall certify to the Borough Administrator that all municipal property entrusted to the employee has been returned.

ARTICLE 22 – DISCIPLINARY ACTION

An employee may be disciplined for just cause. Violations of the rules identified below may call for some form of disciplinary action. In some cases, the action may result in either verbal or written warnings, followed by suspension, demotion and discharge. In serious cases or cases where an employee has previously violated the same or other rules or is not performing at an acceptable level, the employee may be subject to immediate discharge. It is necessary to point out that the types of misconduct identified below are merely examples of conduct that may lead to disciplinary action, up to and including discharge.

Violation of any of the following rules, because of their seriousness, may result in immediate discharge without a warning.

1. Obtaining employment based upon pertinent false or misleading information or falsifying information in or making material omissions in any documents or records.
2. Malicious or willful destruction or damage to Borough property or supplies or to the property of another employee or a visitor.
3. Theft or inappropriate removal from Borough premises of property that belongs to or is in the possession of the Borough or another Borough employee.

3. Inability to perform job duties.
4. Insubordination, including refusal to do assigned work or refusal to perform work in a manner described by a supervisor without proper justification.
5. Possession of alcohol or any unlawful drug while on duty or while on Borough premises or reporting to work under the influence of alcohol or any unlawful drug.
6. Conviction of a criminal act.

If the matter can be satisfactorily resolved, the supervisor or Department Head may consider the matter closed. The supervisor or Department Head may at his/her option by memo inform the Borough Administrator who will then place the memo in the employee's personnel file. If a memo is written, the employee will be allowed to see its contents prior to insertion in the file.
2. If the infraction is of such a nature that it should be committed to writing, a written memo setting forth the nature of the infraction and comments by the supervisor or Department Head shall be forwarded to the Borough Administrator. A copy of the memo shall be furnished to the employee. Within seven (7) days after receipt of the memo, the Borough Administrator will schedule a meeting with the employee and the Department Head. If the employee files a written grievance within the allowable time period no action shall be taken against the employee including suspension until such time as a hearing has been held and a determination has been made.

ARTICLE 23 – DUES DEDUCTION

The Borough agrees to deduct Union dues and any Union initiation fee for the Union from the wages of an employee covered under this Agreement, pursuant to the existing statute as amended, provided at the time of such deduction there is in the possession of the Borough, a current written assignment, individually and voluntarily executed by the employee. The Union shall be responsible for securing the signatures of its members on the forms and delivering the signed forms to the Borough.

The Borough agrees to deduct 85% of the current dues from the wages of any employee who has elected not to become a member of Local 1158, of the International Brotherhood of Electrical Workers, A.F.L. – C.I.O.

The Borough will deduct the current Union dues from the pay of the employee(s) on a weekly or a monthly basis, however, not more than four (4) times in any one month provided that if an employee has no pay coming for such pay period or if such pay period is the first pay of a new employee, such dues shall be deducted from the next appropriate pay period. The Borough will deduct from the pay of employee(s) in any one month only dues incurred while an individual has been in the employ of the Borough and only such amounts becoming due and payable in such month. The Borough shall remit to the Union all dues collected on a monthly basis. Such dues shall be remitted on or before the 10th day of the following month.

In the event that a refund is due an employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain the appropriate refund from the Union.

If during the life of this Agreement there shall be any change in the rate of membership dues, the Union shall furnish to the Borough notice of the change at least thirty (30) days prior to the effective date of such change.

Additional information concerning an employee's status will be furnished by the Borough Administrator's office only upon written request from the inquirer and written release by the employee.

ARTICLE 27 – HEALTH AND DRUG BENEFITS

The employer agrees to continue to provide all medical and dental insurance coverage negotiated at the signing of this Agreement. The parties further agree that the employees will not have to pay any contributions to the insurance premiums. This insurance will cover all I.B.E.W. Employees covered by this Agreement, their spouses and eligible dependent children. This insurance will be provided by a health insurance carrier, self insurance or other means at the discretion of the Borough.

The employer reserves the right to change the insurance carrier so long as the benefits, defined as medical procedures, visits, surgeries, rehab, etc., are substantially similar to the current benefits and the employees are not required to make contributions to the insurance premiums. Elective procedures such as Lasik surgery, breast augmentation and other similar cosmetic procedures shall not be covered except as medically necessary. In the event the employer seeks to change the carrier or benefits, it will give the I.B.E.W. employees at least sixty (60) days notice as long as the employer has sixty (60) days to provide such notice.

Effective September 1, 2010, or as soon thereafter as the change can be made, employees will no longer be eligible to receive health and prescription drug benefits from Amerihealth PPO Health Benefit coverage. The insurance will be provided by a health insurance carrier, self insurance or other means at the discretion of the Borough.

During calendar year 2010, payment for Amerihealth coverage shall be made to the IBEW, Local 1158, Welfare Benefit Fund by the 20th day of the month thereafter so long as the coverage is in effect.

For the purpose of controlling insurance costs, the parties agree, upon receipt of written notice, to discuss cost containment options.

Employees shall be entitled to waive health insurance coverage and receive four-thousand five hundred (\$4,500.00) provided that the employee can demonstrate that he/she has alternative medical coverage for the employee and dependents. Such waiver will be in writing. The employee may choose to receive the \$4,500.00 in either one lump-sum payment to be made on the 24th bi-weekly payroll period or in 24 equal installments to be paid over the course of 24 payroll periods. The tax liability of all employees (including those not waiving coverage) shall be protected under Section 125 plan. However, this amount is considered wages, thus, the employee is responsible for all taxes and other voluntary or non-voluntary payroll deductions. Employees will be able to return to the Borough's health insurance program under the following circumstances: (1) employee loses his/her alternate health insurance; (2) during the period of open enrollment; or (3) if the employee's alternative medical coverage changes. ARTICLE 30 – ON THE JOB INJURY

If an accident or injury occurs while an employee is on the job, the employee shall report the incident to their immediate supervisor or Department Head immediately no matter how minor the injury or accident. It shall be the responsibility of the supervisor or Department Head to ensure that a written report is submitted to the Municipal Clerk on the proper forms within twenty-four (24) hours of the incident.

If medical attention is required as a result of an on the job accident or injury, the employee shall be examined and treated by the Borough's workers' compensation doctor. Medical bills should be sent to the Municipal Clerk.

An employee shall not be required to utilize any of his/her accumulated sick leave days during the period the employee is eligible for benefits under the Borough's worker's compensation disability program.

Employees returning from authorized leave of absence because of an on the job injury will be restored to their original job classification at the appropriate rate of pay with no loss of seniority or other employee rights, privileges or benefits. Under normal circumstances, the employee shall notify their immediate supervisor, or designated person no later than fifteen (15) minutes prior to their regular starting time in the event of absence due to sickness or injury.

For purposes of this Article, "immediate family" shall mean any relative residing in the same household as that of an employee or any of the following relatives: children; stepchildren; spouse; siblings; parents; grandparents; grandchildren; mother-in-law; father-in-law, daughter-in-law or son-in-law or any relative residing in the employee's household.

During the last calendar year of employment with the Borough, employees shall earn sick time at the rate of 1.25 (15/12) days per month. For example: if an employee ceases employment with the Borough on May 1st, regardless of reason, he/she will be entitled to five (5) sick days for that calendar year as calculated – $1.25 \times 4 \text{ months} = 5 \text{ sick days}$.

Employees upon their retirement who have completed a minimum of ten (10) years of continued service as defined pursuant to the Public Employees Retirement System shall be compensated by the Borough for all unused and accumulated sick days as follows:

Sick time is defined as an absence from work due to personal illness, accident, exposure to contagious disease or required emergency attendance upon a member of the employee's immediate family who is seriously ill.

Unsatisfactory attendance includes abuse of sick leave, absences that precede or follow regularly scheduled days off or holidays and continued tardiness.

Any employee who is absent from work for a period of five (5) consecutive workdays without notification to or authorization from the Department Head will be considered as having resigned "not in good standing". In the absence of good cause for the failure to provide notification, the employee shall have no right to grieve and the Borough has no obligation to follow the grievance procedure set forth in this Agreement.

Employees have the responsibility to notify their supervisor of Department Head within fifteen (15) minutes of their starting time if they are going to be absent or late on any particular day.

Department Heads must first warn employees in writing about excessive absences and lateness before any recommended disciplinary action is taken against said employee.

After an employee has been absent from work due to an illness or injury for a period in excess of five (5) consecutive days, the Department Head shall require the employee to furnish a medical certificate of a physician having personal knowledge of the employee's condition in support of the employee's absence from work. Failure to submit such medical certificate will result in the sick absence being disapproved and the absence charged to leave without pay. Medical certificates will be forwarded to the Administrator's Office. The Borough reserves the right to obtain a second medical opinion at the expense of the Borough to determine the employee's fitness to return to duty.

Abuse of the attendance policy may be cause for disciplinary action.

It is understood that due to the requirements of the position, there may be days when the civilian dispatcher is unable to take an appropriate meal period and/or break. In such cases, the civilian dispatcher shall be entitled to compensatory time for the time not taken.

When a full time civilian dispatcher requests a holiday, vacation day, personal day, or calls in sick for his/her assigned shift, that shift shall be filled in the following succession:

If the civilian dispatcher working the following shift cannot be contacted, then the civilian dispatcher working the previous shift shall be held for the entire shift. The entire eight hour shift must be covered by a civilian dispatcher.

After all the above options have been exhausted, management reserves the right to order one of the fulltime dispatches to work. Civilian dispatchers being held, or ordered in, will be compensated at their overtime rate. Civilian dispatchers ordered in to work on a pre-approved holiday, for the shift that they were originally scheduled, shall be paid at a rate of double time for that specific shift, in addition to their holiday pay. Civilian dispatchers cannot work more than sixteen (16) consecutive hours in a twenty-four (24) hour period. In order to meet the demands of work within the Borough, employees may be required to work in excess of the hours of work designated as the normal work day for their class title. Overtime will be authorized by the department head and/or Administrator. The Borough will post the availability of overtime for weekday, Saturdays, Sundays, and Holidays when the need is identified. All employees who want to work overtime must advise their supervisor of their availability to work the overtime by a date and time specified by management. If there are more volunteers to work the overtime than required, overtime will be assigned based upon seniority within each of the categories following the succession stated above. If there are insufficient volunteers to work the overtime, the overtime will be assigned to employees in category (3) above; then (2) above; then (1) above; in reverse seniority within each of the steps stated above.

ARTICLE 50 - RESIDENCY

To be eligible for employment, all employees must have resided in the Borough of Woodland Park for at least one year prior to commencement of employment and for the period of one year following commencement of employment. The Borough agrees to meet with representatives of the Union to discuss and resolve any health and safety issues that may arise.

ARTICLE 52 – WEATHER EMERGENCY

In the event of a declared weather emergency and the Borough offices are closed all employees shall receive a full days pay.
