NEGOTIATION OF SUCCESSOR AGREEMENT

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 303, Public Laws 1968, as amended in a good-faith effort to reach agreement on all matters concerning terms and conditions of employment. Such negotiations shall begin not later than October 15th of the school year in which this Agreement expires. Any agreement so negotiated shall be reduced to writing, be signed by representatives of the Board and the Association, and after adoption by the Board and the Association, shall apply to all employees.
- B.
 - 1. During negotiation, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counter-proposals.
 - 2. The President of the BTEA/designee shall receive written notification when additions or deletions are planned in any or all individual BTEA employee contracts within five days of the proposed change.
 - 3. Salaries for all new positions within the scope of the BTEA bargaining unit, created by the Board of Education at any time during the year, shall be considered a part of that unit, and shall be the subject of negotiations between the President of the BTEA or designee of the BTEA and Board of Education prior to posting of said positions.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course of the negotiations.
- D.
 - 1. Representatives of the Board and the Association's negotiation committee shall meet when either party feels it necessary to review the administration of the Agreement and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure.
 - 2. Within a reasonable time prior to the meeting, each party shall submit to the other an agenda covering matters they wish to discuss.
 - 3. All meetings between the parties shall be scheduled, whenever possible, to take place when the teachers involved are free from assigned instructional responsibilities, unless otherwise agreed.
- E. This Agreement incorporates the entire understanding of the parties on all matters which were the subject of negotiation. - F. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

Article III

GRIEVANCE PROCEDURE

A. Definitions

- 1. A "grievance" is a claim based upon the interpretation, application, or violation of this Agreement, or of any other administrative decision or policy which affects the terms and conditions of employment of an employee or group of employees covered by this Agreement made by an employee or the Association.

2. An "aggrieved person" is the person, or persons, or Association, making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a problem to discuss the matter informally with any appropriate member of the administration and having the problem adjusted, provided the adjustment is not inconsistent with terms of the Agreement.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Failure by the grievant to initiate or process any grievance within the time limits indicated shall constitute an abandonment of the grievance and a waiver of any right to proceed. Failure of the Board or its representative to answer in a timely fashion shall permit the grievance to be moved to the next step.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to either party, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
3. **Level One - Principal or Immediate Supervisor**

- (a) An employee may initially discuss a matter which he/she shall identify as a grievance, with the Immediate Supervisor in an attempt to settle the matter informally. At the request of either the Employee or Supervisor, a building representative and/or another administrative person (excluding the Superintendent or Assistant Superintendent) may attend this informal meeting. This informal meeting is not intended to extend the time limitations as otherwise set forth in this contract.
- (b) In the event the employee is not satisfied by an informal attempt to resolve the problem, he/she shall so inform his/her Immediate Supervisor by filing a written grievance within forty-five (45) school days of the event's occurrence, setting forth the problems to be considered (with an informational copy to the Association). Within five school days after receiving the notice, a formal meeting to discuss the grievance shall be attended by the Immediate Supervisor and/or another administrative person (excluding the Superintendent or Assistant Superintendent), the employee and the building representative of the BTEA. The Immediate Supervisor shall provide the employee and the BTEA a written statement setting forth his/her decision on the grievance which was presented to him/her within five school days of the meeting. If the employee is not satisfied with the resolution at Level One, the grievances shall then proceed to the next level in accordance with the provisions of this agreement.

4. Level Two - Superintendent

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, he/she may file the grievance in writing with the Association within five school days after the decision at Level One or ten school days after the grievance was presented, whichever is sooner. Within five school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools. The Superintendent shall render his/her written decision within thirty

(30) school days of the receipt of the grievance.

5. Level Three - The Board of Education

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within thirty school days after the grievance was delivered to the Superintendent, he/she may within five school days after a decision by the Superintendent or thirty five days after the grievance was delivered to the Superintendent, whichever is sooner, submit the grievance to the Board. The Board shall have thirty (30) school days from the receipt of the grievance to render its decision.

6. Level Four - Arbitration

(a) If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three or if no decision has been rendered within thirty school days after the grievance was delivered to the Board, he/she may within five school days after a decision by the Board or thirty-five school days after the grievance was delivered to the Board, whichever is sooner, he/she file a written request with the Association to submit the grievance to Arbitration. If the Association determines the grievance to be meritorious, the Association may, within ten school days from the date of the grievants' appeal, submit a written request to the Superintendent requesting arbitration of the grievance. Grievances concerning:

1. Any matter for which a specific method of review is prescribed either by law or any rule or regulation of the State Commissioner of Education or any matter which according to law is either beyond the scope of Board authority or limited to action by the Board alone;
2. A complaint of a non-tenure teacher which arises by reason of his/her not being re-employed;
3. A complaint by any teacher occasioned by appointment to, or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required; as provided in the Board Policy Manual, revised: December 15, 1975 paragraph 3.9, "Extra-curricular assignments are on a year to year basis, independent of teaching contracts, and do not achieve tenure. Based on recommendation of the Superintendent, the Board grants and discontinues such assignments as required for the proper function of the school system. If and when it becomes necessary to discontinue such an assignment after being held by one teacher for more than one year, his or her immediate superior will counsel the teacher regarding the reasons for nonrenewal of assignment. If such reasons involve inability to perform in the assignment as required, it is understood that through prior counseling the individual will have had the opportunity to meet the requirements of the assignment." shall not be deemed to be arbitral.

(b) Within ten school days after receipt of the appeal to arbitration, the Board and the Association shall agree on an arbitrator, who shall then be contacted and requested to submit available dates for hearing the grievance. If the Board and the Association are unable to agree on the selection of an arbitrator, the Association shall request the Public Employees Relations Commission to submit to parties a list of seven names of potential arbitrators. The Board and the Association shall then select, by mutual agreement or by a process of alternate striking, an arbitrator from the list submitted by PERC. In the event the process of alternately striking names is used, the party to strike first shall be determined by coin toss.

(c) The arbitrator so selected shall confer with the representatives of the Board and the Association, shall hold hearings promptly, and shall be requested to issue his/her decision within a reasonable period of time. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the

Association and shall be final and binding on the parties.

- (d) The cost for the services of the arbitrator, including per diem expenses if any, and actual necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Employees to Representation

1. An aggrieved person may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall be notified by the Superintendent and have the right to be present and to state its views at all stages of the grievance procedure.
2. No reprisals of any kind shall be taken by the Board, any member of the administration or its representatives, or any member of the Association, any party in interest, any representative, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so, such a grievance commencing at Level Two.
2. Decisions rendered at Levels Two, Three and Four of the grievance procedure shall be in writing setting forth the decisions and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Chairperson of the Association.
3. All documents, communications, and records used by the Board in dealing with processing of a grievance shall be filed in a separate and confidential file and shall not be kept in the personnel file of any of the participants.
4. All documents, communications, and records by the Association in dealing with a grievance shall be maintained in a separate and confidential file by the Association.
5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
6. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, hereintofore referred in this Article.

Article IV

TEACHER EMPLOYMENT

- A. A copy of the current Agreement shall be provided upon employment.
- B. The Board of Education shall have sole discretion to place new employees any place on the guide.
- C. Teachers with previous teaching experience in the district shall upon returning to the system receive full credit on the salary schedule for all outside teaching experience in a duly accredited school, military experience or alternative civilian service required by the Selective Service System, Peace Corps, VISTA, or National Teacher Corps work and time spent on a Fulbright or other approved scholarship up to the maximum set forth in Section B above. Such teachers who have not been engaged in other teaching or the other activities indicated above shall, upon returning to the system, be restored to the next position on the salary schedule above that at which they left, unless the experience is directly related to their major teaching field.

- D. Previously accumulated unused leave days will be restored to all teachers who are returning from leave or who have been subject to a reduction in force.
- E.
 - 1. Teachers shall be notified of their contract and salary status for the ensuing year not later than the date required by law.
 - 2. The Administration will make every effort to inform teachers of their grade and subject area teaching assignments for the ensuing year by June 15th. It is understood that in the event circumstances make it educationally desirable that an assignment be changed after that date, the teacher shall be so notified by mail addressed to the teacher's regular mailing address as shown on the school records.
 - 3. The BTEA President or designee shall receive copies of all teacher schedules by August 15th for the purpose of review. Schedules developed after August 15th shall be reviewed when available.
- F. A notice of vacancy shall be posted in each building as far in advance as is practical. An effort will be made to provide candidates from within the staff one week's time to submit their applications. Such notices will be posted for established positions or newly created positions and shall set forth the qualifications for the position and the application process. The Association will provide the Board with a list of summer addresses of its officers and head building representatives. These people will be informed of job postings during the summer. It will be their responsibility to notify the staff of such openings.
- G. Employees hired before February 1 will advance to the next step of the guide in the ensuing year. Employees hired on or after February 1 will remain on the same step of the salary guide in the ensuing year.

Article V

TEACHER WORK LOAD

ACADEMIC RESPONSIBILITIES

AND

NON-ACADEMIC SERVICES

A. Academic Responsibilities

- 1. It is recognized by the Board and the Association that the teaching profession consists largely of academic responsibilities (class instruction, lesson planning, evaluating pupils' work, working with individual students, working with groups of students in unassigned situations and assemblies), and of academically related responsibilities (parent conferences, professional meetings and seminars, professional study, State Department of Education and Middle Atlantic States Evaluations, and public relations).
- 2. Of the academic responsibilities listed, only class instruction need take place at regular and assigned times. The following provisions shall apply to such instruction:
 - a. The daily teaching load in grades K-5 shall not exceed five hours of classroom instruction and one hour of extra pupil contact. Substitutes shall be provided for teachers of special subjects when absent. All professional staff members in grades K-5 shall have 5 prep periods and 5 lunch periods totaling 500 minutes per week. In no case shall a teacher have a prep/lunch period of less than 30 minutes. All teachers shall have at least one prep scheduled daily. Special area teachers shall remain primarily responsible for the delivery of their special area curriculum. Every effort will be made to arrange teaching schedules so that teachers in grades K-5 will not have more than 2-1/2 hours of continuous teaching.
 - b. The daily teaching load in grades 6-12 shall not exceed five teaching periods, each of which shall not exceed fifty minutes, except when deemed necessary by the interested Principal and agreed to voluntarily by teacher(s) concerned. The Head Building Representative shall be

notified of all such sign-offs after they have been obtained. Further exceptions may be made in accordance with C.5 of the Article.

- c. Teachers in grades 6-12 shall not be required to teach more than three different subject areas, nor to have more than a total of three teaching preparations, except when deemed necessary by the interested Principal and agreed to by the Head Building Representative and teacher(s) concerned. When possible, teachers shall serve on only one interdisciplinary teaching team in grades 9-12.
- d. Teachers in grades 6-12 shall not be required to teach continuously for more than three periods, except when deemed necessary by the interested Principal and agreed to by the Head Building Representative and teacher(s) concerned. However, on the school days that have been reduced in the total length for any reason, the Administration may change the order of the day's periods, even though some staff members may have to teach more than three consecutive periods under the revised daily schedule.
- e. To afford the Administration some flexibility in scheduling in grades 6-12 (in the event that the Administration may wish to institute any non-traditional form of scheduling) the length of classes may exceed 50 minutes, provided that no teacher has more than five classes (roll book/ instructional groups) whose weekly total meeting time does not exceed 1250 minutes. Furthermore, any weekly instructional schedule must provide every teacher with a preparation period of at least 40 minutes per day, or preparation time divided into twenty minute segments. Teachers in grades 6-8 shall have five (5) preparation periods per week and teachers in grades 9-12 shall have six (6) preparation periods per week. Middle School teachers shall have five (5) team planning periods and teachers at the High School shall have four (4) tutorials/planning periods. The above paragraph in no way rescinds Article V, Section A, paragraphs 2c or d.
- f. Each teacher in grades 9-12 shall be assigned to one period (not to exceed 50 minutes) per day, four days a week to a resource room or learning center/station (media or computer room) for tutorial purposes or planning purposes. For these four periods, teachers shall keep a record of students who avail themselves of tutorial assistance. A procedure for implementation shall be developed. It is understood that the sole purpose of the log being maintained is to track the use of the tutorial period. It shall not be used in any way that might be construed as reflecting on the performance of the staff members. During these 4 periods, teachers shall be assigned to a station. These periods are predicated upon the 9 period (including lunch) school day. Should the school day be reduced in number of periods, the assignment of tutorial/planning periods cannot take place. In addition, any daily schedule must guarantee every teacher at least one prep period per day. A teacher who has already signed a memorandum of understanding to teach more than 25 periods per week (Article V, C, 5.) cannot be scheduled for a combined total of instructional periods and tutorial/planning/activity periods greater than 30 per week.
- g. A zero-period option shall refer to any situation where a teacher is required to teach a course or schedule a related activity outside the normal school day in order to satisfy his/her contractual obligation.
 - 1. Such employees assigned to these positions shall have their regular workday adjusted for the equivalent amount of time.
 - 2. In any event, the employees' workload and responsibilities shall be assigned in accordance with the provisions outlined in Article V.
 - 3. Said employees shall not be required to attend any faculty or professional meetings which are held beyond the regular teacher workday on days when they are assigned classes outside of the regular workday.
 - 4. Whenever any such position is assigned as an evening period to a teacher who has only a part-time assignment during the regularly scheduled school day, the employee shall be compensated at the rate of one-fifth of the full-time base salary for that employee. If the teacher assigned has a full schedule during the school day, the parties shall meet

and negotiate appropriate compensation.

- h. Traveling teachers shall be notified of their home base school as of September 1 and shall be required to comply with the work hours and workload relevant to that school. Traveling teachers shall be required to attend only those meetings scheduled at their home base school. Traveling teachers shall be provided transit time between buildings for safe travel, parking and checking mailbox. Traveling teachers will be provided with storage space and a desk in each school as well as adequate teaching areas to the extent possible. The traveling teacher will receive a dedicated parking spot at each building.
3. To facilitate working with students beyond the classroom, each teacher shall be available a minimum of fifteen minutes immediately following the dismissal of students at the end of each school day for the purpose of working with individual students or groups of students. The 15 minutes formerly designated as unassigned time for working with students beyond the classroom shall be incorporated within the teaching work day for grades 9-12 effective in the 1994-95 school year. Therefore, teachers in the High School shall not be required to be available beyond the work day. Arrangements for the use of this time may be initiated by either the teacher or the students. Those teachers who have extra-curricular responsibilities (i.e. coaches) which make this impossible shall make individual arrangements with their principals. Teachers shall be in attendance in school 15 minutes before the beginning of the school day. These 15 minutes shall be non-pupil contact time.
4. From time to time, the Association may present proposals for released time days to be used to improve the quality of education in the district. Such proposals shall be presented to the Administration for consideration and if accepted, shall be forwarded to the Board for final approval when board approval is required by NJ Statute or code.
5. Teachers may be required to attend no more than two evening assignments or meetings each school year, unless released time is provided the day of that evening or the next day; said assignments for evenings, will be held Wednesday whenever possible.
6. The district shall attempt to provide training adequate to prepare all of the participants in the inclusion situation to meet the education and/or medical needs of the student in advance of the child's entry into the classroom. The nature of such training shall be determined as part of the Needs Assessment Procedure for the student. Ongoing training shall be provided as well.
7. When necessary, release time will be provided to teachers assisting in the development of student assistance plans such as IEPs and 504s.

B. Non-Academic Services

1. Both parties recognize that there are operational functions not directly related to the educational process which are performed most effectively by members of the teaching staff.
 - a. These functions include before and after school supervision of students (grades 6-12 only), bus duty cafeteria supervision (grades 6-12 only), classroom supervision prior to start of instruction (grades 6-8 only), and other services traditionally performed by teachers (hall duty, study hall).
 - b. In grades 6-12, to insure an equitable distribution of these non-academic services, each teacher shall have no more than 250 minutes or 5 periods per week of non-academic pupil contact (See V. A.2.e.), and it shall be limited in nature to those functions listed in Article V.B.1.a. Each teacher shall have the opportunity in May to inform his/her Building Principal of his/her first and second preferences in regard to these non-academic services. Using this list of preferences as a guide, the assignment of these non-academic services shall be made by the Building's Principal or Vice Principal in consultation with the Association's Head Building Representative. Duties may be rotated on a per semester basis.
 - c. To further insure an equitable distribution of these non-academic services, a teacher who is being paid for an extracurricular activity or a non-teaching assignment shall not also be

relieved of school duties described in this Agreement.

2. It is further recognized by the Board of Education and the Association that certain non-academic services can be effectively performed by persons other than teachers. Therefore, both parties agree to the following provisions:
 - a. Teachers may not be required to collect funds.
 - b. A teacher shall not be required to compile PTA or Home and School Association student lists.
 - c. A teacher shall not be required to drive students to activities which take place away from the school building, but may do so voluntarily with the advance approval of his/her Principal. For teachers authorized by the Superintendent to transport children in their own cars, the Board will require that each teacher file in the Board Secretary's office a Certificate of Insurance specifying \$500,000/\$1,000,000 coverage. The Board will reimburse each teacher in an amount not to exceed \$100 per year for the added cost of such additional insurance.

C. Miscellaneous

1. Teachers will be permitted to leave after termination of the last scheduled period for students upon completion of any other assigned or scheduled professional duties or any other academically related responsibilities, except in cases that are specified in A.3 and B.1 of this Article. Teachers shall indicate their presence for duty by placing a check mark in the appropriate column of the faculty roster.
2. Teachers may leave the building without requesting permission during their scheduled duty-free lunch period and/or during preparation periods provided notice is given to some person designated by the Building Principal.
3. The President of the Association for the term of this contract shall be relieved of all non-teaching duties within the school day, except for those activities in which all faculty members are asked to participate. For a newly installed President of the Association (one who has not been President the previous year), such relief may be delayed by the Administration, but must begin no later than the beginning of the ensuing academic year. In addition, upon approval of the Superintendent, the President or designee may be given released time to conduct business of benefit to the district.
4. The practice of using a regular teacher as a substitute, thereby depriving him of his preparation period, is undesirable and shall be discouraged. In those cases where regular substitutes are not available, regular teachers who volunteer may be used as substitutes during their non-teaching time. In the absence of volunteers, a teacher may be assigned to serve as a substitute. Volunteers and assigned teachers shall be paid as per Schedule L.
5. Should it appear to be educationally sound, a teacher may exchange his/her period of non-academic pupil contact for an additional class with the mutual agreement of the Building Principal.
6. All increases in the length of the school day, as it affects the length of each teacher's work day, (i.e. the total daily time teachers are required to be in the school building) will be subject to negotiations.

Article VI

TEACHER WORK YEAR

- A. 1. The in-school work year for teachers employed on a ten month basis (other than new personnel who may be required to attend an additional 5 days of orientation) shall not exceed one hundred eighty-eight days, which shall be designated as follows: staff will be in attendance on the day before school opens; there will be 183 student contact days, including 3 snow days; on the three staff development days and the day after the close of school, there will be no student contact

time. Snow days in excess of three shall be taken out of the spring vacation. The last two days of the school year shall be half days for students in grades K-5.

2. The in-school work year of teachers employed on an eleven month basis shall not exceed two hundred and seven days.
 3. The in-school work year shall include days when pupils are in attendance, orientation days, and any other days on which teacher attendance is required.
- B. The detailed school calendar shall be formulated by the Administration. A copy of the proposed calendar will be sent to the Association for its consideration prior to the Board's approval.

Article VII

EMPLOYEE RIGHTS

- A. Pursuant to Chapter 303, Public Law 1968, as amended, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly selected body exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Chapter 303, Public Laws 1968 or other Laws of New Jersey or Other Constitutions of New Jersey against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his/her membership in the Association and its affiliates, his/her participation in any activities of the Association and its affiliates, collective negotiations with the Board, or his/ her institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.
- B. Nothing contained herein shall be construed to deny or restrict to any employee such rights as he/she may have under New Jersey School Laws or other applicable laws and regulation. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.
- C. No employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall be subject to the grievance procedure herein set forth.
- D. No employee shall be discriminated against on the basis of race, creed, color, national origin, sex, age, physical challenge as prescribed by the "Americans with Disabilities Act", religion, sexual orientation, or marital status.

Article VIII

ASSOCIATION RIGHTS AND PRIVILEGES

- A. The Board agrees to furnish to the Association in response to reasonable requests from time to time all available information concerning the financial resources of the district, including but not limited to: annual financial reports and audits, agendas and minutes of all Board meetings, student enrollment data, individual and group teacher health insurance premiums and experience figures, and such other information that shall assist the Association in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with information which may be necessary for the Association to process any grievance or complaint.
- B. The Association shall have, in each school building, the exclusive use of a bulletin board in each faculty lounge and teachers' dining room. The Association shall also be assigned adequate space on the bulletin board in the central office for Association notices. The location of the Association bulletin boards in each room shall be designated by the Association. Copies of all materials to be posted on such bulletin boards shall be given to the Building Principal for his approval before posting.

- C. The Association shall have the right to use the inter-school mail facilities and school mail boxes as it deems necessary and without approval of Building Principals or other members of the Administration. Such communication shall bear signature of officers of the Association. The Building Representative shall be responsible for the distribution of materials to members.

1. The Board shall grant child care leave without pay to tenured employees because of the birth of a child for a period of no more than one (1) full school year, plus the balance of the school year in which the birth occurred. If a shorter period is requested, the return date must either be the beginning of the school year, or the beginning of the second semester. Non-tenured employees shall be granted child care leave only for the remainder of the contract year in which the birth occurred. All such leaves must commence, when possible, on the first day of a semester and end on the last day of a semester (February 1, September 1). When a teacher requests and is granted a childcare leave of absence, the teacher must return on the date approved. In the event of extenuating circumstances, such as health concerns or a major life change, the superintendent may grant an alteration of the length of the leave.
2. An employee must apply for child care leave at least sixty (60) days prior to the start of the leave, unless an emergency prevents such notice. The request must state the anticipated date of beginning of the leave and the anticipated date of return.

Such period shall be referred to as sick leave and the employee shall receive full pay and benefits during said period. It is required that the employee produce her physician's certificate in support of her request for the use of sick leave days. Her physician's certificate is subject to agreement by the Board's physician based upon the employee's medical records and upon consultation with the employee's physician. If after such analysis the Board of Education's physician and the employee's physician are unable to agree, then the two physicians shall agree in good faith on a third impartial physician, who shall examine the employee, at the Board's expense, and whose medical opinion shall be conclusive and binding on the medical issue. Where medical opinion is supportive of the sick leave to any employee, the commencement and termination dates thereof may be further extended or reduced for medical reasons upon an application by the employee to the Board. The period of such absence will be deemed the same as for any other physical disability, and she will be entitled to her annual and accumulated sick leave with pay during the period of disability.
5. Upon return from a child care leave of absence, the employee shall be reinstated in a position for which he/she is certified.

6. The Board is under no compulsion to continue the employment of a non-tenured employee beyond the contracted period so long as the non-renewal of employment is not based solely upon a condition of pregnancy or childbirth. The child care leave period shall not be counted for tenure purposes.
 7. Any employee who has been granted a child care leave of absence will be advanced a full salary guide step if he/she works more than ninety (90) teaching days in a given school year. Any days that school is closed for emergency reasons (such as snow) during the ninety (90) plus days that he/she has elected to work shall not be deducted from the total days he/she has elected to work.
 8. Child care leave shall also be available to an employee who adopts a child under the same conditions set forth above. In such a case, the employee shall make application at least sixty (60) days prior to the beginning of such leave, unless an emergency prevents such notice. The application of the employee shall be accompanied by an affidavit verifying the adoption, in support of the requested child care leave dates.
 9. In the event that the need for child care leave is negated, the employee may request to return to his/her position at an earlier date. Upon the recommendation of the Superintendent and the approval of the Board, an employee may leave or return at an earlier date than initially requested.
 10. Upon return from a leave of absence under this Article, the employee shall retain any unused sick leave. Any additional sick leave shall not accumulate during the period of the leave of absence.
 11. If an employee becomes pregnant after the birth for which she has been granted a child care leave and prior to the termination of such leave, the Board shall, upon request, extend the original child care leave for a maximum of one year, with the provision that the extended return date shall coincide with the commencement of either the beginning of the school year or the beginning of the second semester of the school year. Sick leaves shall not apply to the pregnancy subsequent to the birth for which the employee has been granted child care leave.

Any teacher who is elected or selected for a full-time public office which takes him/her from his/her teaching duties shall be granted a leave without pay for the term of such office or two years, whichever is less. Unless such teacher returns within this time limit, the leave shall terminate unless it has been renewed for a specific period with the approval of the Superintendent.
 - E. Other extended leaves of absence without pay may be granted by the Board on the recommendation of the Superintendent.
 - F. Upon return from an extended leave, the employee shall be reinstated in a position for which he/she is certified.
 - G. Persons on full year leaves of absence shall notify the Bernards Township Board of Education in writing by March 15th whether or not they intend to return.
