A. The Township retains its rights and responsibilities to discharge, suspend or discipline any employee for just cause.

B. Employees who are discharged or suspended shall be notified in writing of such action and the reason therefore, with a copy of such notification being given to the shop steward and a copy mailed to the local Union office within five (5) working days from the time of discharge.

C. Employees who are discharged shall be paid in full for all wages due them by the Township, including earned vacation pay in accordance with Article XVI, Section C, if any, by the next pay period following the date of discharge, provided all Township uniforms, equipment or other items issued have been returned in satisfactory condition.

D. A discharged, suspended or otherwise disciplined employee may appeal such action by the Township through the Union in accordance with Article XI, Grievance Procedure.

E. The time for the processing of a grievance concerning the subject matter noted in this Article shall commence upon receipt of the notice provided for in Section B above by either the grievant or the Union.

F. Probationary employees shall not have access to the grievance procedure for matters involving discipline or discharge.

ARTICLE IV

UNION BUSINESS

A. No Union member or officer or job steward shall conduct any Union business on Township time except as specified in this Agreement.

B. No Union meetings shall be held on Township time unless specifically authorized by the Township.

C. A representative designated by the Union shall be permitted to visit Union members on Township property for the purpose of discussing Union business, only after prior notice to the Township of the proposed visit is made, and after authorization is given by the Township (which authorization shall not be unreasonably withheld), provided that said visit will not interfere with the conduct of the Township business, or with the duties of any of its employees.

D. Upon request, the shop steward or any one of the assistant stewards shall be granted a reasonable amount of time to process grievances provided there is no interference with the conduct of Township business or with the duties of any of its employees.

No officer or representative of the Union shall authorize, instigate, or condone such activity, nor shall any employee participate in such activity. In the event employees engage in any activity prohibited by this section, the Union shall use its best efforts to terminate such activity.

C. The Union agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown, or other activity aforementioned or support any such activity aforementioned or support any such activity by any other employee or group of employees of the Township, and that the Union will in writing disavow such action and order all such members who participate in such activities to cease and desist from same immediately and to return to work, and take such other steps as may be necessary under the circumstances to bring about compliance with the Union's order.

D. Nothing contained in this Article shall limit the Township in its remedies for the prohibited activities noted herein, in law or in equity. Such remedies shall include actions in law or in equity for breach of contract and other damages in the event that the Union has authorized or failed in writing to disavow such action.

ARTICLE VI

REPRESENTATION FEE

A. Representation Fee

If an employee does not become a member of the Union during any membership year (i.e., from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Union for that membership year. If the obligation to pay a representation fee as aforesaid does not commence at the beginning of a membership year, the amount of said representation fee shall be pro-rated with respect to those dues, fees and assessments that are normally pro-rated for members of the Union. The representation fee shall be in an amount equal to no more than eighty-five percent (85%) of the regular Union membership dues, fees, and assessments as certified to the Township by the Union, provided that in the event the governing statute is amended so as to either increase or decrease the permissible amount of a representation fee, this Agreement shall be deemed to have been automatically amended to conform to such statutory change.

B. Procedure

1. Notification: The Union will submit to the Township a list of those employees who have not become members of the Union for the then current membership year. The Township will deduct from the salaries of such employees, in accordance with Section 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Union.
2. Payroll Deduction Schedule: The Township will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid: (a) ten days after receipt of the aforesaid list by the Township; or (b) thirty days after the employee begins his or her employment in a bargaining unit position.
3. Mechanics of Deduction and Transmission of Fees: Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will be the same as those used for the deduction and transmission of regular monthly membership dues to the Union which shall be deducted on the first pay period of the month.

4. Changes: The Union will notify the Township in writing of any changes in the list provided for in Section 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten days after the Township receives said notice.
5. New Employees: On or before the last day of each month, beginning with the month this Agreement becomes effective, the Township will submit to the Union a list of all employees who began their employment in a bargaining unit position during the preceding 30 day period. The list will include names, job titles, and dates of employment for all such employees.
6. Termination of Employment: If an employee who is required to pay a representation fee terminates his or her employment with the Township before the Union has received the full amount of the representation fee to which it is entitled under this Article through the last day of the month in which employment ceases, the Township will deduct the unpaid portion of the monthly fee from the last paycheck to said employee during the membership year in question.
7. Seasonal Employees: Persons hired on a seasonal basis (120 calendar days or less) shall not be subjected to payment of a representation fee. Should any such individual apply for and be hired as a probationary employee within 90 days of the end of their seasonal employment, they will be liable for payment of dues, initiation fees and/or representation fees for the full length of their service with the Township including their term of seasonal employment.
8. Probationary Employees: Individuals hired prior to the signing of this agreement shall not be subject to the payment of dues, initiation fees and/or representation fees until they become permanent employees.

Indemnification

With respect to dues deduction, representation fee deductions, and the Union's demand return system established pursuant to law, the Union shall indemnify, defend, and hold the Township harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of, or by reason of, action taken by the Township pursuant to the above provisions concerning dues deductions and representation fee. It is furthermore expressly understood that the representation fee provision set forth above shall not be effective unless and until the Union shall have notified the Township in writing that it has adopted a demand return system which fully complies with applicable statutory provisions.

ARTICLE VII

DUES CHECK-OFF

A. Upon receiving the written voluntary authorization and assignment of an employee covered by this Agreement (in the form agreed upon between the Township and the Union, and consistent with applicable law) the Township agrees to deduct from the pay periods of each month, membership dues (and initiation fees where applicable), in such amounts as shall be fixed pursuant to the by-laws and Constitution of the Union during the full term of this Agreement and any extension or renewal thereof. The Township shall promptly remit monthly any and all amounts so deducted with a list of changes to the Secretary-Treasurer of the Union. Dues shall be remitted to the Secretary-Treasurer of the Union by the 15th of the following month after such deductions are made.

B. Any changes in monthly dues will be certified in writing by the Secretary-Treasurer of the Union or his/her designee.

C. No deductions will be made for any month in which there is insufficient pay available to cover the same after all other deductions required by law have been made. Deductions for a prior month's dues will not be made in respect to such dues, except where the Township, through error or oversight, failed to make the deduction in any monthly period.

D. The Union agrees that it will indemnify and save harmless the Township of Ocean against any and all claims, demands, losses or expenses in any matter resulting from action taken by the Township of Ocean at the request of the Union under this Article.

E. The Township will notify the Secretary-Treasurer of the Union, monthly, of the hiring of all employees, their address, birth date, classification, rate of pay, and social security number. The Township will similarly notify the Secretary-Treasurer of the Union of all employees who are terminated from the Township's payroll.

ARTICLE VIII

SENIORITY

A. Newly hired employees shall be considered probationary employees for a period of one (1) year from date of hire. During the probationary period, employees may be terminated at any time without any recourse whatsoever. Any continuous service as a full-time, temporary employee shall be credited as probationary status when an employee is transferred to a permanent position.

B. Upon completion of the probationary period, the employee's seniority shall be effective as of the original date of employment.

C. Seniority is defined for the purposes of this Agreement as the length of continuous service with the Township from the date of last hire.

D. Seniority will be utilized in determining lay-offs and recalls provided the employee has the ability to perform the remaining work. The right of recall shall cease upon the rejection of a bona fide offer of re-employment or the passage of twelve (12) months, whichever occurs first.

E. The Shop Steward in the Department of Public Works will have super-seniority in this Department so long as he/she holds the position of Shop Steward.

1994 Contract Revision

ARTICLE IX
BULLETIN BOARDS

A. One (1) bulletin board shall be made available by the Township at each department location.

B. These bulletin boards may be utilized by the Union for the purpose of posting Union announcements and other information of a non-controversial nature. The Department Head or his/her representative may have removed from the bulletin board any material which does not conform with the intent and provisions of this Article.

C. All bargaining unit promotional opportunities and vacancies shall be posted on the aforementioned bulletin boards. Bargaining unit personnel will be given the opportunity to apply for such promotional opportunities and vacancies, and seniority with the Township will be a relevant factor considered in the filling of such positions.

D. The employer will notify the shop steward and candidates of any promotions for the bargaining unit as soon as such promotions are determined by the Township.

ARTICLE X

NON-DISCRIMINATION

A. There shall be no discrimination, interference, or coercion by the Township of any of its agents against the employees represented by the Union because of membership or activity in the Union. The Union or any of its agents shall not intimidate or coerce employees into membership. Neither the Township nor the Union shall discriminate against any employee because of race, creed, color, age, sex or national origin.

ARTICLE XI

GRIEVANCE PROCEDURE

A. To provide for the expeditious and mutually satisfactory settlement of grievances arising under this Agreement, the following procedures shall be utilized. For the purposes of this Agreement, the term "grievance" means any alleged difference between the Township, the Union or any employee with respect to the interpretation, application or violation of any provision of this Agreement.

B. A grievance may be filed by an employee, the Union, group of employees, or the Township.

C. The procedure for settlement of grievances shall be as follows:

1. **STEP ONE:**

In the event that any employee covered by this Agreement, or the Union, has a grievance, such grievance shall be presented within five (5) working days for informal discussion with the immediate supervisor. Failure to present such grievance within the five (5) day period shall be deemed a waiver of the grievance by the employee and the Union. The supervisor shall decide the grievance and present (orally or in writing) the decision to the grievant within three (3) working days after the grievance is first presented to him/her.

2. **STEP TWO:**

If no satisfactory resolution of the grievance is reached at STEP ONE, then within three (3) working days of receipt of the STEP ONE response, the grievance shall be presented in writing by the employee or the Union and signed by the shop steward and forwarded to the Director of the Department of Public Works. The Director or his/her designee shall render a decision and present it to the grievant and Union within five (5) working days after the grievance was first presented to him/her.

3. **STEP THREE:**

If the grievant is not satisfied with the decision at STEP TWO, the Union may appeal the matter in writing within five (5) working days of the receipt of the STEP TWO response to the Township Manager, or his/her designated representative. The presentation shall include all copies of all previous correspondence relating to the matter in dispute. The Township Manager or his/her authorized representative shall give the Union the opportunity to be heard and will give his/her decision in writing within ten (10) working days of receipt of the written grievance.

4. **MEDIATION OPTION**

(a). In the event the Township of Ocean and Local Union 701 are unable to adjust the grievance, the dispute may be reduced to writing and referred to

the New Jersey State Board of Mediation. This notice must be conducted within thirty (30) days of the final decision by the Township. Either the Township or the Union may reject this referral to Mediation.

(b). The parties may rely on a verbal presentation of evidence and documentation of evidence. The Mediator will render a written advisory recommendation, as soon as possible, but no later than thirty (30) days after the hearing. The recommendation will be based on the evidence presented by both parties.

(c). Both parties may agree that the written recommendation is final and binding. The Mediator shall acknowledge such agreement in his written decision. If the Township and the Union agree that the decision is final and binding, neither the Township nor the Union can request Arbitration. The decision of the Mediator will be in lieu of a final and binding decision of an Arbitrator.

(d). If the Mediator's written recommendation is not final and binding, either party may elect not to accept and implement the recommendations of the Mediator. In the event of refusal to accept the recommendation of the impartial third party, both parties shall agree that the recommendation of the Mediator shall not be admissible in the Arbitration.

(e). The parties also agree that no admissions made at the Mediation shall be admissible in the Arbitration.

(f). If either rejects the Mediator's advisory recommendation, the matter shall be submitted to the New Jersey State Board of Mediation, who shall designate the Arbitrator to hear the dispute and render a final and binding decision.

5. ARBITRATION

(a) If no satisfactory resolution of the grievance is reached at STEP THREE, then within ten (10) working days of receipt of the STEP THREE response, the grievance may be filed by the Union with the New Jersey State Board of Mediation for the selection of an Arbitrator. The decision of the Arbitrator shall be final and binding upon the parties. The Arbitrator's fees and any State Board administration fees shall be borne equally by the parties.

(b) The Arbitrator shall have no authority to add to or to subtract from the Agreement.

(c) In the event the Township wishes to raise a grievance, it shall do so within five (5) working days of the occurrence of said grievance and shall raise the matter directly with the Union. In the event the matter is not satisfactorily resolved within ten (10) working days, the Township may proceed to

arbitration in accordance with this Article.

D. Any employee covered by this Agreement shall have the right to process his/her own grievance, but not to arbitration. Any employee shall have the right to have a Union representative present at his/her request during the processing of such grievance.

E. The time limits expressed herein shall be strictly enforced. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the Grievance Procedure within the time limits prescribed therefore, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the Grievance Procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the Grievance Procedure.

Additionally, all employees will be required to pay nine (9%) percent of the cost of the premium in effect for the State Health Benefits Program's least cost non-HMO plan based upon each employee's scope of coverage (single, parent/child, etc.).
 - (ii) In the event that any employee's contribution, based on the requirements outlined above, is less than the contribution set forth in Chapter 78, P.L. 2011, then the contribution shall be adjusted to the statutory requirement. The payment towards the cost of the premiums shall be inclusive of, and not in addition to, any payments that are required by law.

B. The Township reserves the right to change insurance carriers, so long as substantially similar benefits are provided.

B. Retirees meeting the above eligibility requirements will receive the following individual benefits:

The amount of that deposit will equal 80% of the least cost health plan offered through the New Jersey State Health Benefit Program for a single individual.
2. Between the date the retiree reaches the age of 65 and the retiree's death, the employer will make direct deposits into a Health Savings Plan that the retiree will have to establish prior to retirement. The amount of that deposit will equal 100% of the cost of the Medicare Part B premium.

5. In lieu of the retiree benefit outlined above in Article XXIII.B.1., a married retiree meeting the above two conditions who is between age 55 and age 65 will be eligible to receive an enhanced benefit. The employer will make direct deposits into a Health Savings Plan of the retiree in the amount of 80% of the least cost health plan offered through the New Jersey State Health Benefit Program for retiree and spousal coverage.
6. In lieu of the retiree benefit outlined above in Article XXIII.B.2., a married retiree meeting the above two conditions who is age 65 or older will be eligible to receive an enhanced benefit. The employer will make direct deposit into a Health Savings Plan of the retiree in the amount of a sum equal to two times the 100% of the cost of the Medicare Part B premium. If the spouse is more than five years younger than the retiree, the enhanced benefit will cease five years after the retiree reaches the age of 65 and will not commence again until the spouse reaches the age of 65.
7. If the spouse has either single or married coverage at the time of the employee's retirement but later loses that coverage, the above level of benefits will become effective at the time of the loss of the spouse's health insurance coverage.
8. The employer will permit the spouse at his/her own expense to continue at the group rate providing the Township's health plan provider allows for surviving spouse coverage.

D. Retirees shall have the option of electing any plan under the NJ SHBP, any private plan, any plan provided by a State or Federal government, or any other program that may be in effect at the time of retirement or thereafter. The Township's participation shall be limited to the financial contribution defined above. Any change in State or Federal law shall take precedence over the language of this agreement.
