WHEREAS, the parties have carried on collective bargaining for the purpose of developing a contract covering wages, hours of work, and all other conditions of employment;

NOW, THEREFORE, in consideration of the promises and mutual agreements herein contained, the parties hereto agree with each other with respect to the employees of the County recognized as being represented by the Union as follows:

ARTICLE 1

ARTICLE 2

MANAGEMENT FUNCTIONS AND RIGHTS

Section 1.

The Association recognizes that there are certain functions, responsibilities and management rights exclusively reserved to the Employer. All of the rights, powers, prerogatives and authority possessed by the Employer prior to the signing of this Agreement are retained exclusively by the Employer subject only to such limitations as are specifically provided in this Agreement.

Section 2.

Whenever the term "Employer," "Department Head," or "Supervisor" shall be used throughout this Agreement, it shall mean and include the County Board of Freeholders and/or the County Manager and/or their designees as specifically may be provided in N.J.S.A. 40:41A-45 et seq. or the Administrative Code of the County of Union.

Section 3.

Except as modified, altered or amended by the within Agreement, the County of Union, the Board of Freeholders, the County Manager or other designees shall not be limited in the exercise of their statutory management functions. The County Board of Freeholders, the County Manager or other designees hereby retain and reserve unto themselves, without limitation, all powers, right, authority, duties and responsibilities conferred and vested in any of them by the laws of the State of New Jersey, the Constitution of the State of New Jersey and the Constitution of the United States of America, including but without limitation the following rights, privileges and functions:

(a) The executive management and administrative control of the County of Union, a body politic, and its properties and facilities and the activities of its employees related to their employment.

(b) The right to hire employees and subject to existing civil Service rules and regulations to determine their qualifications and the conditions for their continued employment or their dismissal, demotion, promotion and transfer; and to discipline for just cause.

(c) The right to determine schedules of work and the duties, responsibilities and assignments of all employees with respect thereto. This right shall not be used as a form of discipline directed against any employee.

Section 4.

The exercise of the foregoing powers, right, authority, duties and responsibilities by the Board of Freeholders, the County Manager or other designees, the adoption of policies, rules, regulations and practices in furtherance thereof and the use of judgment and discretion in connection thereto shall be limited only by the extent such specific and expressed terms are in conformance with the laws of the State of New Jersey, the Constitution of the State of New Jersey, and the Constitution and laws of the United States.

Section 5.

Nothing contained herein shall be considered to deny or restrict the Board of Freeholders, the County Manager or other designees, of their rights, responsibilities and authority under Title 40 and 40A, or any other state law or regulations as they pertain to County Manager form of government.

ARTICLE 3

COLLECTIVE BARGAINING PROCEDURE

Section 1.

Collective bargaining with respect to rates of pay, hours of work or other conditions of employment shall be conducted by the duly authorized bargaining agent of each of the parties. Ordinarily, not more than three (3) additional representatives of each party shall participate in collective bargaining meetings.

Section 2.

Collective bargaining meetings shall be held at times and places mutually convenient and at the request of either the Employer or the Union.

Section 3.

Employees of the Employer who may be designated by the Union to participate in collective bargaining meetings will be excused from their work assignments without compensation by the Employer, provided their absence would not seriously interfere with the operation of the Employer.

Section 4.

Effective upon execution of this Agreement, shop stewards shall be granted release time for participation in collective negotiations.

ARTICLE 4

PAYROLL DEDUCTION OF UNION DUES

Section 1.

An employee who wishes to have the Employer deduct the amount of monthly Union membership dues from his pay for transmittal to the Union shall authorize such deduction in

writing to his department head who shall deliver it immediately to the Payroll Department.

Section 2.

The amount of monthly Union membership dues will be certified by the President or an international representative of the Union in writing to the Employer and the amount so certified will be uniform for all members of the Union. A certification which changes the amount of dues shall become effective on the first day of the calendar month following a thirty (30) day, period after such certification is received by the Employer.

Section 3.

One (1) deduction in respect to the current month's dues will be made monthly, provided the authorization is received in the Payroll Department not less than three (3) weeks in advance of the scheduled pay date, and provided there is sufficient pay available to cover the same for fifty (50%) percent of the amount authorized after all deductions required by law or authorized by the employee have been made. Deductions will not be made in respect to any prior monthly dues, except when the Employer, through error or oversight, fails to make the deduction in any monthly period.

Section 4.

(a) Effective the first of the month following thirty (30) days after the signing of this contract, if an employee does not become a member of the Union, the Union shall furnish the name of such person to the County requesting that the employee, through payroll deductions, pay a representation fee in lieu of dues for services rendered by the Union.

(b) The representation fee, in lieu of dues, shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and

available to, or benefit only its members, but in no event shall such fee exceed eighty-five (85%) percent of the regular membership dues, fees and assessment.

(c) Any public employee who pays a representation fee in lieu of dues shall have the right to demand and receive from the majority representative, under proceedings established and maintained by the Union, which shall be in accordance with appropriate statutory provisions and Court Decisions, a return of any part of that fee paid by him which represents the employee's additional pro rata share of expenditures by the majority representative that is either in aid of activities or causes of a partisan, political or ideological nature only incidentally related to the terms and conditions of employment or applied toward the cost of any other benefits available only to members of the majority representative. The pro rata share, subject to refund, shall not reflect, however, the cost of support of lobbying activities designed to foster policy goals in collective negotiations and contract administration or to secure for the employee represented advantages in wages, hours and other conditions of employment in addition to those secured through collective negotiations with the public employer.

(d) Any person who becomes an employee after the signing of this Agreement shall on the first of the month after thirty (30) days of employment be charged thirty-one dollars and twenty-five cents (\$31.25) for Licensed Operating Engineers, and twenty-five (\$25.00) dollars for skilled plumbers, mechanics, etc. per period. These deductions shall continue until the initiation fee is paid in full. The County will remit this fee along with any union dues by the fifteenth (15th) of the following month.

(e) The mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

(f) Effective the first of the month following thirty (30) days after the signing of this Agreement, the Union will notify the County Manager, in writing, of the current annual dues and/or the amount of the representation fee and will from time to time thereafter give to the County at least a sixty (60) days notice, in advance, of any changes in the annual membership or representation fee schedule so that the same can be accommodated by the County within a sufficient time after it receives the notice.

(g) The Union shall indemnify, defend and save the County of Union harmless against any and all claims, demands, suits, or other forms of liability, that shall arise out of or by reason of the action taken or not taken by the County of Union in reliance upon the representation fee information furnished by the Union or its representatives.

Section 5.

The County shall remit to the Union all deducted dues monies no later than the 15th of the month following the month for which dues were deducted and will be accompanied by a list showing the names of the employees from whose pay:

- (a) Regular deductions have been made;
- (b) Deduction has been made for a prior monthly period;

No deduction has been made because of insufficient earnings in pay period.

If dues remittances have not been received by the Union in full within 30 days from the 15th of the month following the month for which dues were deducted, the Union may bypass the grievance procedure and file directly for arbitration.

Notwithstanding anything in this Agreement to the contrary, if the Arbitrator find that the employer was delinquent in transmitting deducted dues payments to the Union, the Arbitrator may award interest, at the prime rate of the delinquent amount to the award as liquidated

damages and may hold the employer liable for the full cost of the Arbitrator's fee.

Section 6.

An authorization for deduction of Union membership dues shall be terminated automatically when an employee is transferred out of the bargaining unit, or is removed from the payroll of the Employer, or goes on a leave of absence without pay for more than one (1) month, and there shall be no obligation on the part of the Employer to continue dues deductions in effect in the absence of an applicable collective bargaining agreement.

Section 7.

If an employee, in accordance with the Statute in such case made and provided, terminates his Union membership, the representation fee, as hereinabove provided for, shall be paid over thereafter to the Union provided, however, if the said employee desires to reinstate his Union membership upon such authorization being given to the County, the dues deduction shall thereafter be made in accordance with the provisions provided above.

Section 8.

In addition to the indemnification provided for under the Agency Shop provisions, set forth above, the Union further agrees that it will indemnify and save harmless the County against any actions, claims, loss or expenses in any manner resulting from action taken by the Employer at the request of the Union pursuant to the terms of this Article.

ARTICLE 5

DISCRIMINATION OR COERCION

There shall be no discrimination, interference, or coercion by the Employer or any of its agents against the employees represented by the Union because of membership or activity in the Union. The Union or any of its agents shall not intimidate or coerce employees into membership.

Neither the Employer nor the Union shall discriminate against any employee because of race, creed, color, age, sex or national origin.

ARTICLE 6

NO STRIKES OR LOCKOUTS

Section 1.

There shall be no lockouts, strikes, work stoppage or slowdowns of any kind during the life of this Agreement. No officer or representative of the Union shall authorize, institute or condone any such activity. No employee shall participate in any such activity. The Employer shall have the right to take disciplinary action, including discharge, against any employees participating in a violation of the provisions of this Article.

Section 2.

The Union will not schedule any membership meeting or demonstration which may have the same effect as a strike or work stoppage. In the event that the Union's members participate in such activities, in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties.

ARTICLE 7

CONDUCTING UNION BUSINESS DURING WORKING HOURS

Section 1.

The Union shall neither solicit members nor conduct any union business on Employer's property during Employer assigned working schedules of either the representative of the Union or the employee involved, except for the following:

- (a) collective bargaining;

(b) time spent conferring with management on specific grievances as specified in the Grievance Procedure, Article 9, and;

(c) observation of processes, machines, equipment or physical working conditions involved in a specific grievance when such observation can properly be conducted only during the working hours of the employee(s) involved, in which case, the observation will be held during standard working hours and not when employees are working on premium time.

Such notification shall be signed by the President of the Local or by the International Representative and shall specify the type of responsibility to which each has been assigned. Union representatives shall not be recognized as such prior to receipt by the Employer of such notices nor shall they be recognized beyond the extent of authority delegated.

(b) It is agreed that there shall be no more than one (1) such representative in the bargaining unit at any one time during the term of this Agreement.

Section 2.

Excused absences for Union duties at Union request:

(a) Upon the request of the Union, the authorized representative who has been selected by the Union to perform Union duties which take him from his work, shall be excused from his work for a reasonable length of time. The Union agrees that they will not ask that the representative be so excused from his work at a time when his absence will seriously interfere

with the operation of the Employer.

(b) Such excused absence from work shall be without pay and ordinarily shall be limited to a cumulative period of thirty (30) days in a calendar year.

(c) Each time the authorized representative is excused from his assigned duties to perform Union duties, he shall:

1. Arrange with his supervisor to leave his work.
2. Notify the supervisor of any employer facility visited, on arrival, and make arrangements for any observation necessary.

ARTICLE 9

Section 1.

A grievance is hereby defined as any dispute between the parties concerning any claimed violation of this Agreement with respect to wages, hours of work or other conditions of employment.

Section 2.

The purpose of this Article is to provide for the expeditious and mutually satisfactory settlement of grievances and to that end, the following procedures shall be the sole and exclusive method of resolution consistent with the applicable civil service laws, rules and regulations of the State of New Jersey. All time limitations set forth herein shall be considered as the maximum and failure to act within the allotted time period shall be deemed to constitute a waiver and abandonment of the grievance, unless mutually extended by the parties in writing.

STEP 1: An employee with a non-disciplinary grievance shall first discuss it with his immediate supervisor either directly or through an authorized union shop steward within five working days after the employee knew or should have known of the event giving rise to the grievance.

STEP 2: If the aggrieved employee is not satisfied with the disposition of the grievance at Step 1, or if no decision has been rendered within five working days after the presentation of that grievance at Step 1, the union may file within five working days with the director of the department in which the aggrieved employee is assigned a written grievance setting forth the nature of the grievance and designated contract provision(s) claimed to have been violated. The grievance shall be discussed by the authorized union representative and the director of the department or his designee at a mutually agreeable time and place not later than five working days after the grievance has been filed. Within ten working days after the meeting, the director of the department shall notify the union of his decision in writing. All disciplinary grievances shall commence at Step 2.

STEP 3: If the grievance is not resolved at Step 2, or if no written decision has been rendered within ten working days after the Step 2 meeting, the union shall file the grievance together with all supporting documentation with the County Manager within five working days. At the sole discretion of the County Manager, a meeting may be held with the authorized union representative relative to the grievance. The County Manager shall render a written answer to the grievance within ten working days of the filing of the grievance or of any grievance meeting, whichever is later.

STEP 4: If the grievance is not resolved at Step 3, or if no written answer has been rendered within the allotted time of Step 3, the union shall in ten working days make a written

demand for arbitration to the New Jersey State Board of Mediation, 50 Park Place, Newark, New Jersey, with a copy of the demand being delivered to the County Manager and Director of Personnel for the County of Union. The written demand for arbitration shall set forth the specific nature of the dispute and specific provisions of the Agreement claimed to be violated. The selection of an arbitrator as well as the conduct of the arbitration hearing shall be in accordance with the rules and regulations of the New Jersey State Board of Mediation then in effect.

The arbitrator so selected shall hear the dispute at a mutually agreeable time and place.

The decision of the arbitrator shall be final and binding upon the employer, the union, and the employee(s) and shall be in writing setting forth findings of fact, reasons and conclusions on the issues submitted.

No one arbitrator shall have more than one grievance submitted to him, and under consideration by him, at any one time unless the parties otherwise agree in writing. A grievance shall be considered under consideration by an arbitrator until he has rendered his written decision which shall be done within 30 days from the close of the hearing.

In the event of the submission of any matter for arbitration as herein provided, the arbitrator shall have no right or power to alter or modify the terms of this Agreement or to impose upon the employer any obligations or liability not expressly assumed by the employer under the provisions of this Agreement; nor may the arbitrator deprive the employer of any right reserved, expressed or implied, by it for its benefit hereunder.

The cost of the arbitrator's fee shall be borne equally by the parties. Each party shall be responsible for its own cost incurred in arbitration.

Section 3.

Employees who are late seven (7) minutes or less for work shall not have their compensation or time docked. This grace period is for compensation purposes only and the Employer retains the right to take disciplinary action against an employee who is consistently late or abuses the grace period.

ARTICLE 11

Section 1.

It is recognized that the needs of the Employer may require overtime work beyond the employee's standard daily or weekly work schedule and the jobs involved must be adequately manned by qualified employees working on an overtime basis.

Section 2.

(a) The amount of overtime and the schedule for working such overtime will be established by the Employer and employees shall work such overtime as scheduled unless excused by the Employer. It is understood that before employing part-time employees, the Employer will use full-time employees to the extent possible to perform all such overtime work as may be required by the Employer.

(b) The Employer agrees that, before overtime that is refused can be charged against an employee for purposes of equalization of distribution of overtime, he must receive at least two (2) hours' notice of the scheduling of the overtime.

ARTICLE 13

SICK LEAVE

Section 1.

Sick leave may be used by employees who are unable to work because of : (1) personal illness or injury; (2) exposure to contagious disease; (3) care, for a reasonable period of time, of a seriously ill member of the employee's immediate family (spouse, child, legal ward, grandchild, foster child, father, mother, legal guardian, grandfather, grandmother, brother, sister, father-in-law, mother-in-law, and any other relatives residing in the employee's household); (4) death in the employee's immediate family for a reasonable period of time. Up to five days may be permitted when such an absence is caused by the death and attendance at the funeral of a spouse or a child and up to three days will be permitted during the absence from duty of employees when such absence is caused by the death and attendance at the funeral of any other member of the employee's immediate family as defined above.

Sick leave may also be used by a handicapped employee for absences related to the acquisition of or use of an aid for the handicapped when the aid is necessary to function on the job. In such cases, reasonable proof may be required by the County.

Section 2.

If an employee is absent for reasons that entitle him to sick leave, his supervisor shall be notified promptly. Failure to notify the supervisor may be cause for disciplinary action. Absences without notice for five (5) consecutive days shall constitute a resignation.

Section 3.

Sick leave is earned in the following manner:

(a) New employees shall only receive one working day for the initial month of employment if they begin work on the first through eighth day of the calendar month, and one-half working day if they begin on the ninth through the twenty-third day of the month.

(b) After the initial month of employment and up to the end of the first calendar year, employees shall be credited with one working day for each month of service. Thereafter, at the beginning of each calendar year in anticipation of continued employment, employees shall be credited with 15 working days.

(c) Part-time employees shall be entitled to a proportionate amount of paid sick leave.

(d) Paid sick days shall not accrue during a leave of absence without pay or suspension.

(e) Sick leave credit shall not accrue after an employee has resigned or retired although his/her name is being retained on the payroll until exhaustion of vacation or other compensatory leave.

(f) Unused sick leave shall accumulate from year to year without limit.

Section 4.

Any employee who is absent on sick leave for five (5) or more consecutive working days shall be required to submit a physician's certificate as evidence substantiating the illness. The Employer may require an employee who has been absent because of personal illness, as a condition of his return to work, to be examined by a physician at the expense of the Employer. In addition, the Employer, in its discretion, may require proof of illness of an employee on sick leave whenever such proof is reasonable.

Section 5.

Any employee who has been absent on sick leave for a period totaling ten (10) days in one calendar year, consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature causing an employee's periodic repeated absence from duty for one (1) day or less in which event, only one medical certificate shall be required for every six month period. The medical certificate must specify that the chronic or recurring nature of the illness is likely to cause subsequent absences from employment.

Section 6.

The parties agree to continue the County program of payment for unused sick leave upon retirement in accordance with the requirements of that program as set forth in its regulations which are attached hereto as Exhibit A.

Section 7.

Effective July 1, 2017, a Sick Leave Incentive Program shall be implemented. If an employee does not use any sick time during each quarter, he/she will be entitled to either \$250 or one (1) compensatory day. The quarters shall run January 1 to March 31, April 1 to June 30,

July 1 to September 30 and October 1 to December 31st. Should all Sick Time be exhausted before or during any of the twelve (12) month periods as notated above, then no sick incentive bonus shall be applicable after sick time having been exhausted.

Any employee who takes leave without pay during the relevant Sick Incentive year when the employee has contractual leave time remaining, shall not be eligible for the sick incentive bonus. Leave without pay shall include, but not be limited to, sick leave without pay, suspension without pay, absence without leave (“AWOL”), and unpaid leaves related to work-related injury even if the employee receives salary in the form of compensation from the County’s workers’ compensation carrier. For example, if an employee chooses to receive 70% of his or her salary from the County’s workers’ compensation carrier at the conclusion of a work-related injury leave with pay instead of using his or her contractual leave time remaining, the employee will not be eligible for the sick incentive bonus.

All bonus monies shall be paid in a separate check in December of the year in which it was earned, at the employee’s rate of pay during the time in which it was earned.

2. LIMITATIONS:

- a) no employee who elects a deferred retirement benefit shall be eligible.
- b) an individual may defer his request for lump sum payment but it must be submitted within one year of the effective date of any retirement.

In the event of an employee's death within one year after the effective date of retirement but before payment of the lump sum is made, the payment of the lump sum shall be made to the employee's estate. It should be noted that retirement is contingent upon the employee surviving 30 days after the effective date of retirement.

Overtime, shift, differential, stipends or other supplemental pay shall not be included in the computation.
- c) Payment for unused accumulated sick leave shall be according to the following schedule:

HEALTH INSURANCE BENEFITS FOR RETIREES

Hired on or before December 31, 2012

Effective April 1, 2011, there shall be a health insurance plan for employees covered by the recognition clause of the Collective Bargaining Agreement, subject to the following terms and conditions:

1) **Eligibility:** Employees must have been actively employed with the County of Union during the term of the agreement and must retire on either a disability pension, or retire having reached the age of 55 and having 25 years or more of service with the County, or reach the age of 62 years or older with 15 years of service with the County. Employees who otherwise qualify for coverage but who retire before age 55 shall be entitled to receive coverage under this plan upon reaching age 55. This benefit will only be provided to those retirees meeting the eligibility requirements who do not have health insurance coverage provided hereunder, and eligible retirees shall cooperate in good faith with the County to verify that they are not eligible to receive such substantially equivalent or better health insurance coverage.

2) **Description:** This benefit shall consist of coverage under the CIGNA Open Access Plus Health Insurance Plan with the prescription component provided by MEDCO at 0-Co-pay Mail and 30% Co-pay Retail. Subject to the vested material rights of employees covered hereunder, the County reserves the right to change or modify the plan at any time so long as the modified plan provides substantially equivalent or better coverage to that in effect for the eligible members of the bargaining unit at the time of their retirement provided such coverage remains generally available in the insurance market at commercially reasonable rates. This benefit shall cover the retiree's spouse and/or eligible dependent(s) at the time of retirement and in the event of the

retiree predeceasing said spouse and/or eligible dependent(s); coverage shall continue for the surviving spouse and/or eligible dependent(s).

3) Future Employees: Employees hired after December 31, 2012, shall only be eligible for the health benefit subsidy as set forth in the Collective Bargaining Agreement.

4) Cessation of Subsidy: Upon implementation of retiree health benefits provided in 1) and 2) above the County shall be obliged to pay the full cost of health insurance premiums for qualifying retirees hereunder. Those qualifying retirees shall not be eligible for or receive the subsidy provided in the Collective Bargaining Agreement.

5) Health Benefit Buyout Option: Any retiree eligible to receive benefits or then receiving benefits as described above, with either Family or Husband/Wife coverage in any of the available health benefits plans, may voluntarily opt out of that plan providing their spouse has either Family or Husband/Wife coverage either through the County or through another employer. In return for opting out, the County shall pay to the eligible retiree the sum of \$5,000.00 annually, to be paid in quarterly installments over the next year. The \$5,000.00 sum shall be reduced to \$2,500.00 per annum upon the eligible retiree's reaching Medicare eligibility. The payments will be prorated if less than one year of the benefit is available. Eligible retirees opting out shall retain the right to re-enter the County's health benefit plan on a monthly basis. Upon re-entering the plan, payments for opting out shall cease. This benefit shall be discontinued if the County becomes self-insured.

Employees who otherwise qualify for coverage but who retire before age 55, shall be entitled to receive coverage under this plan upon reaching age 55. This benefit will only be provided to those retirees meeting the eligibility requirements who do not have hospitalization insurance coverage from another source, and eligible retirees shall cooperate in good faith with the County to verify that no other source of insurance coverage is provided for them.

2. **Description:** This benefit shall be applied to the Hospital Insurance Plan which is provided to members of the bargaining unit. The County reserves the right to change or modify plans at any time so long as the modified plan provides substantially similar coverage to that in effect for members of the bargaining unit. This benefit shall cover the retiree's spouse and/or eligible dependent(s) at the time of retirement and in the event of the retiree predeceasing said spouse and/or eligible dependent(s); coverage shall continue for the surviving spouse and/or eligible dependent(s).

Said retiree health insurance benefits shall be paid only for the Blue Select program and shall be capped at the 1995/96 rate. Any cost increases thereafter shall be paid by the retiree.

4. Modification: In the event that the amount of the County's contribution is subsequently reduced or even eliminated, the change in practice shall apply to those persons already retired. Similarly, in the event that the Hospital Insurance Plan is changed or modified in any way, the new plan shall apply to the retirees.
