Preamble

This Agreement is effective July 1, 2018, and is made between the Rutgers, The State University of New Jersey (hereinafter called "University") and the Health Professionals and Allied Employees, AFT, AFL/CIO, 110 Kinderkamack Road, Emerson, New Jersey, 07630 (hereinafter called the "Union").

The parties recognize that it is the responsibility of the University to provide high quality educational programs, to encourage the development of new knowledge through research, and to provide patient care services to the larger community. This Agreement is intended to contribute to the fulfillment of those responsibilities. The parties recognize and declare that it is their mutual goal to maintain a harmonious relationship in determining terms and conditions of employment. To this end they mutually enter into this Agreement which sets forth the employment relationship between the University and the employees subject to this Agreement under applicable State and Federal law.

1. Agreement Scope

This Agreement covers (i) all non-supervisory, full and part-time University employees who are employed to function as registered nurses, including graduate nurses, and regularly employed per diem nurses employed by the University specified by the Public Employment Relations Commission Certification, Docket No. RO-89-121, dated September 17, 1990, and (ii) all non-supervisory, regular and part-time University employees (inclusive of those part-time employees who work less than twenty hours per week) who are employed to function as registered nurses, Advanced Practice Nurses, and regularly employed per diem staff nurses employed by the University in the University Correctional Health Care ("UCHC") Medical and Mental Health Services Division units at the New Jersey Department of Corrections and Juvenile Justice Commission facilities (collectively referred to as "negotiations unit employees"). This Agreement also covers all employees (including temporary and causal employees) required to be included in the negotiations unit pursuant to the Workplace Democracy Enhancement Act, P.L. 2018, c. 15. Excluded are those job titles set forth in said certificate as not being represented by the Union herein.

2. Union Status

2.01 Recognition:

The University recognizes the Union as the exclusive collective bargaining representative of every negotiations unit employee covered by this Agreement.

At the time a new negotiations unit employee, subject to this Agreement, is hired, the University will deliver to said negotiations unit employee a mutually agreed upon written notice provided by the Union which includes a list of Union Representatives (which Representatives are defined as "negotiations unit

employees” under this Agreement who are authorized by the Union to represent it).

The University will provide the Union with notification of the names of new hires into negotiations unit titles, who are scheduled to attend each University Human Resources new employee orientation session. As part of University Human Resources-New Brunswick, Human Resources-Newark, or Human Resources-Camden new employee orientation, a representative designated by the Union will be provided time set aside by the University, for thirty (30) minutes, to speak with all new negotiations’ unit employees. Directly after the completion of University Human Resources-New Brunswick, Human Resources-Newark, or Human Resources-Camden new employee orientation presentations, the University's Human Resources representative will introduce the HPAE representative designated by the Union who will distribute orientation packets to the new HPAE employees.

For those negotiations unit employees who do not attend University Human Resources-New Brunswick, Human Resources-Newark, or Human Resources-Camden new employee orientation for any reason, the Union will schedule a meeting on work time for the employee to meet with a representative designated by the Union for thirty (30) minutes during the employee's first thirty (30) calendar days of employment.

2.02 Union Dues:

The University agrees to deduct from the regular paycheck of negotiations unit employees included in the bargaining unit, dues for the Union, provided that the negotiations unit employee authorizes such deduction in writing or electronically in proper form to the local Human Resources Office.

The University shall make Union dues deductions from a new negotiations unit employee in the first full pay period next following the receipt by the University of the employee's signed authorization.

Union dues deductions from any negotiations unit employee in the bargaining unit shall be limited to the Union, the duly certified majority representative. The movement of a negotiations unit employee from one title to another title in HPAE, from one status to another status and/or from one bargaining unit to another bargaining unit in HPAE will not affect or interrupt dues deduction, unless the new title or bargaining unit is not represented by HPAE. No additional initiation fee will be collected with these situations.

For the purpose of calculating dues deductions, reimbursement for tuition and continuing education shall not be included as part of the gross salary of negotiations unit employees.

The University shall make every effort to immediately cease deduction of HPAE dues when a negotiations unit employee transfers out of the bargaining unit.

In the event the University deducts more dues than they should from a negotiations unit employee, the University will reimburse the individual and then deduct that amount from the next dues check to the Union. In the event the University deducts fewer dues than they should, the University will correct the error in the next pay cycle and make the Union whole in the next dues check.

The Union will indemnify and hold the University harmless from any claims, actions or proceedings brought by any negotiations unit employee in the bargaining unit which arises from dues deductions made by the University. The University shall not be liable to the Union for any retroactive or past due dues for a negotiations unit employee who was identified by the University as excluded or confidential or in good faith was mistakenly or inadvertently omitted from the deduction of the dues.

2.03 Transmission of Dues:

Dues and initiation fees so deducted by the University shall, within ten (10) days of the date of deduction, be transmitted to the designated officer of the Union together with a list of all negotiations unit employees including: Last Name, First Name, Employee Identification Number, Status (FT, PT, Per Diem), Actual Hours Worked, Base Rate, HPAE Dues deducted, Initiation Fee, COPE deduction and all other currently provided information. Once dues are transmitted to the Union, their disposition shall be the sole and exclusive responsibility of the Union. The Secretary of the Union shall certify to the University the amount of Union dues and shall notify the University of any changes in dues structure forty-five (45) days in advance of the requested date of such change. This information shall be available on-line for access by designated Union Officers. On-line access will allow for information to be downloaded in Microsoft Excel format.

The University will also supply to the Union the applicable gross pay used to calculate dues for each negotiations unit member.

2.04 Union Representatives, Rights and Limitations:

The Union shall furnish the Office of Labor Relations in University Human Resources or other designee of the University a list of all official Union representatives specifying their authority and showing the name, title or office for each and the unit(s) and shifts for which they function. The Union shall notify the University of any changes in the list and keep it current.

Both parties agree to recognize and deal with only properly authorized and empowered University or Union representatives who are officially made responsible by the parties' written compliance with the Section.

It is agreed that the Union will appoint or elect up to one representative for each twenty-five members of the bargaining unit but no less than twelve

representatives and up to five (5) officers who will be recognized by the University in their defined authority to act for the Union. The names of these representatives and officers will be provided to the Office of Labor Relations and updated within thirty (30) days of any change.

It is agreed that the Union will appoint or elect one representative per UCHC worksite. The names of these representative will be provided to the Office of Labor Relations and updated within thirty (30) days of ay change.

The University agrees that during working hours, on its premises and without loss of regular pay, or when otherwise agreed upon, Union representatives previously designated and authorized to represent the Union and recognized by the University shall be allowed to:

- a) Represent employees in the unit.
- b) Investigate a grievance, providing such investigation time will be limited to a maximum of one (1) hour and further provided there is no interruption of work activities. In emergency situations, these time limitations may be extended if approved by the Office of Human Resources or the AD on duty should the Office of Human Resources be closed.
- c) Post Union notices.
- d) Attend negotiating meetings (the number of representatives to be agreed upon between the Union and the University) if designated as a member of the negotiating team and scheduled to attend by the Union.
- e) Attend scheduled meetings with the University.

The authorized Union representative shall provide reasonable notification to his/her supervisor whenever s/he requests permission to transact such Union business. Permission will not be unreasonably withheld. It is further understood that the supervisor has the right to seek rescheduling of appointments when the work situation warrants this.

2.05 Union Access:

The University will provide space on centrally located bulletin boards at the GA level in the Bergen Building and the New Jersey Medical School in Newark; outside the Cafeteria at the UBHC and Robert Wood Johnson Medical School in Piscataway; at the Clinical Academic Building and Liberty Plaza (where permitted by building management) in New Brunswick for the exclusive use of the Union. The University will exercise its best efforts to provide bulletin board use for the Union. The University will exercise its best efforts to provide bulletin board space

in any other University owned or rented building where there are more than twenty-five (25) members. In UCHC facilities, so long as permitted by the Department of Corrections, the Union will be permitted to post union notices on bulletin boards in the medication and/or nursing office. The Union may post notices on bulletin boards in employee lounges, wherever they exist. The Union agrees to share the use of the bulletin board at Robert Wood Johnson Medical School with another union representing University negotiations unit members, provided that at least one panel of the bulletin board is available for use by HPAE.

As a matter of courtesy, the Union shall provide the University's Director of Labor Relations with a copy of all postings. The University shall have the right to remove material from the bulletin boards which is profane, obscene, and/or defamatory of the State or the University and its representatives or which constitutes election campaign material.

When the Union has mail to be delivered to its officers or representatives, the University's interoffice mail system will be made available, provided that priority is retained for the business of the University.

Any mail incorrectly addressed to the Union at the University shall be forwarded with reasonable care to the Union at the address set out in the Preamble to this Agreement. HPAE staff and representatives shall be allowed to use fax machines within the University to send grievance reports to the Office of Labor Relations and the Union office, provided that the primary use of the fax machine is for the business use of the Department.

The HPAE staff and representatives shall have the right to e-mail HPAE negotiations unit employees who have Rutgers e-mail accounts for the purpose of communication with HPAE negotiations unit employees regarding collective negotiations agreements, the investigation of grievances, other workplace-related complaints and issues, and internal union matters involving the governance or business of the union. Rutgers e-mail use shall be consistent with University policy.

The University shall provide the Union access to negotiations unit employees including but not limited to:

1. The right to meet with individual negotiations unit employees on the campus of the University during the work day to investigate and discuss grievances, workplace-related complaints, and other workplace issues;
2. The right to conduct worksite meetings during lunch and other non-work breaks, and before and after the workday, on the University campus to discuss workplace issues, collective negotiations, the administration of collective negotiations agreements, other matters

related to the duties of the Union, and internal union matters involving the governance or business of the Union.

3. HPAE shall have the right to use University buildings and other facilities that are owned or leased by the University to conduct meetings with negotiations unit employees regarding collective negotiations, the administration of collective negotiations agreements, the investigation of grievances, other workplace-related complaints and issues, and internal Union matters involving the governance or business of the Union. Meetings conducted in University buildings pursuant to this section shall not be for the purpose of supporting or opposing any candidate for partisan political office, or the purpose of distributing literature or information regarding partisan elections.
4. The access to negotiations unit employees set forth in numbers 1 through 3 above shall be subject to the following:
 - a. The Union will follow all regular University procedures applicable to reserving and using University facilities, including, if applicable, paying all fees ordinarily charged for reserving or using a meeting room;
 - b. The Union's access shall not interfere with University operations;
 - c. The University reserves the right to deny a request by the Union to use a University facility. A request to use a University facility by the Union shall not be unreasonably denied.

2.06 Union Business:

The University agrees to provide leave of absence at the regular rate of pay equal to the length of the employee's regular work shift for officers of the Union to attend Union activities. The Union shall have the right to designate any Union officer (President, Vice Presidents, Secretary, Treasurer, Grievance Chair, or Committee Chair) for such leaves of absence. A total of twenty-five (25) days of such leave in the aggregate may be used each year of this Agreement.

This leave is to be used exclusively for participation in regularly scheduled meetings or conventions of labor organizations with which the Union is affiliated or for training programs for Union representatives and Union Officers and for which appropriate approval by the University is required. Written notice, from the Union (including President), of the authorization of an individual to utilize such leave time shall be given to the employee's supervisor with a copy to the Office of Labor Relations at least fourteen (14) days in advance of the date of such meeting except in an emergency, when less notice may be given. Granting of such leave to an employee shall not be unreasonably denied by the University.

Leave not utilized in any yearly period shall not be accumulated.

The University agrees to provide leave of absence without pay for officers or representatives of the Union to attend Union activities. A total of twenty-five (25) days in the aggregate of such leave of absence without pay may be used each year of this Agreement.

Granting of such leave shall not be unreasonably denied by the University. This additional leave of absence without pay is to be used each fiscal year with the same conditions and restrictions as leave for Union business with pay provided in this section.

The University shall grant unpaid leave without the payment or the accrual of benefits for one bargaining unit employee at a time who becomes an HPAE officer or employee. Seniority shall continue to accrue during such leave.

Such employees may be reemployed by Rutgers to their position, if a position is vacant at the time of application to return to Rutgers' employment, or to a similar vacant position, providing that their absence does not exceed one (1) year and application is made within thirty (30) calendar days immediately following separation from union office/union employment.

A full list of job titles and their respective salary ranges shall be appended to the collective negotiations agreement. This list is complete as of the date of ratification of this contract. The University shall continue to provide the Union with revisions of University and Human Resources policies in a timely manner. The Union will be placed on an email list to receive all notices of changes in University policies and the changes in the Human Resources policies.

The University shall maintain a Union data library, to be updated on a monthly basis. 3. Professional Practitioner Status

3.01 Non-Nursing Services:

1. The University recognizes that due to their unique education and experience, the employees covered by this Agreement have a unique contribution to make towards maintaining and improving professional nursing care at the University. Therefore, it is here agreed that procedures should be developed whereby the views and recommendations of the employees covered by this Agreement will be heard and considered in the decision-making process within the University.
2. The parties agree that duties normally assigned to housekeeping, maintenance and other support staff are not to be a routine part of a registered professional nurse's activities. The parties further agree that employees covered by this Agreement shall not perform non-nursing functions as a usual and substantial part of their assigned duties except in those cases in which such duties are part of the specific job for which the employee was hired.
3. The University agrees to discuss non-nursing duties in the Labor/Management Committee regularly with the goal of minimizing the use of covered employees in such duties.

3.02 Staff Development Programs:

- A. The University shall provide staff development programs as required by the New Jersey Department of Health, the Joint Commission on the Accreditation of Health Care Organizations, and programs as mandated by the Department of Corrections and the NCCHC. Such programs may include training in the form of orientation programs, continuing education and/or critical care courses.

Subject to operational needs, the University will provide adequate coverage for patient care assignments in order to complete mandatory training during the regularly scheduled shift. If such adequate coverage is not available, the mandatory training will be rescheduled.

The University will make available a listing of mandatory training requirements, including the dates, times and locations of the mandatory trainings where available.

- B. The University shall, subject to the availability of funds and operational requirements, offer a program of continuing education. Such programs will take place during work time, and coverage will be provided for participating employees, where in the discretion of the University it is required. Time spent at these programs will be considered time worked and the employee shall be compensated accordingly.

The University will post a notice on each nursing unit bulletin board on each campus of its programs which have been granted Continuing Education Recognition Points (CERPs) by an appropriate professional association. The University will use reasonable efforts to post this notice at least two (2) weeks prior to the program commencing.

- C. Critical care courses will be offered to all new employees in critical care areas who require such training as determined by the University, within a reasonable time from the date of employment. Such courses will be offered to employees who transfer into critical care areas who require such training within such employee's transfer probationary period. All time spent at these courses will be considered as time worked and the employee shall be compensated accordingly.
- D. Full-time staff nurses may utilize up to twenty-four (24) hours of conference time per calendar year. This benefit shall be pro-rated for regular part-time staff nurses. An employee may request in writing to his/her supervisor, permission to participate in work-related educational workshops, seminars, conferences and/or conventions. The University will make a reasonable effort to approve such participation, subject to operational needs and the availability of funds.

The University, if it approves such participation, will grant time off without loss of the employee's pay, at his/her regular rate of pay, and subject to the limitations set out in the paragraph above, will grant financial assistance to attend such programs. If an approved conference falls on a day when the staff nurse is not scheduled to work, the staff nurse shall receive time off with pay equivalent to the time of the conference, to a maximum of twenty-four (24) hours. This time off shall be scheduled by management within sixty (60) days of the conference. Night shift employees who are scheduled to attend such a program shall be given as a conference day, either the night before, or the night after. Employees will receive a response to their request for

participation within two (2) weeks of submission. The University may set a deadline for receipt of requests for specific conferences. Reimbursement of expenses incurred shall be made within a reasonable time after submission of a request for reimbursement. All travel arrangements must be made in conformance with University policy in order to be reimbursable. Approval for participation in continuing education programs necessary for the maintenance of employee's certification in his/her specialty area and/or University requirement shall receive priority consideration.

If, in the future, the State and/or the University require the obtaining or maintaining of a certification in a specialty area for UCHC employees, it is the intention that the University or UCHC provide the course requirements for that certification. If it is not able to do so the University shall make available, within the scope of the same rules and regulations as it has for other Rutgers employed RNs, funds for the tuition necessary for obtaining and maintaining the specialty certification.

- E. Certification Fund: The University will pay the costs for the exams, including the costs of tuition and materials associated, required for the eligible certifications listed below, provided that such certification is required by the State and/or Rutgers University for that employee's position. The certifications eligible for reimbursement hereunder are as follows:

- * BLS
- * ACLS
- * PALS
- * NALS – NRP
- * OCN

This list may be amended as agreed upon by the parties or based upon State mandates.

Notwithstanding the above, an employee will not be reimbursed for exam costs where the exam is offered by the employee's operating unit at no cost to the employee.

To be eligible for reimbursement hereunder, the bargaining unit member must be a full time employee or worked a minimum of 600 hours in the preceding twelve (12) months, and must provide evidence of successful completion of the course attended (i.e., passing grade). The amount of reimbursement shall be determined by, and is expressly conditioned upon, the submission of a valid receipt or receipts by the unit member evincing full payment of the course.

- F. The annual employee performance evaluation will be done on a prompt and timely basis. At the time of the evaluation, the employee will be provided a copy of his/her job description. The employee being evaluated will be

provided with a copy of his/her performance evaluation and will have three (3) calendar days, excluding weekends and holidays, to review the evaluation. The employee may take a copy of the evaluation home during the three (3) calendar day review period. By the conclusion of the time period, the employee may add his/her comments to the original performance evaluation and shall sign the original performance evaluation. Comments added by the employee shall be included in the employee's Personnel file in University Human Resources.

If comments are not made within this period, or the employee does not sign within this period, the right to comment will be forfeited, the supervisor will note the refusal to sign and forward the evaluation to University Human Resources for inclusion in the Personnel file. Once the evaluation has been signed by the supervisor and the employee, or where the time for the employee to sign has passed, no additional comments will be added to the evaluation. At the employee's verbal or written request, the employee will be given a copy of the evaluation within three (3) days of such a request.

Prior to evaluating an employee as less than satisfactory, the employee's supervisor must notify the employee that his/her performance is deficient and that their merit/step increment may be delayed or denied, if applicable. Such notification shall be made in a timely manner through a written memorandum, a counseling notice, and/or written warning regarding performance issues. In addition, such notification shall contain a description of the performance deficiencies and the corrective actions needed to remedy the performance deficiencies. Further, the employee's supervisor shall meet with the employee to discuss the performance deficiencies and a corrective plan of action. Upon mutual consent of the employee and their supervisor, a Union Representative shall be present at this meeting.

In the case where an employee is not notified before the annual evaluation that his/her work performance is deficient, the employee will be re-evaluated in 90 days, and if the work performance is satisfactory, the previous evaluation shall be removed and replaced with the re-evaluation. If work performance remains at an unsatisfactory level, the re-evaluation shall be added to the initial evaluation and both shall remain in the employee's file. In the event the employee's evaluation is not provided in a timely manner or notification, as specified above, is not provided, the employee shall receive the merit/step increment, if applicable. If notice of performance deficiencies and a corrective plan of action is provided in a timely manner and the employee receives a less than satisfactory evaluation, the employee shall be reevaluated after ninety (90) days. During this period, the supervisor shall meet regularly with the employee to review his/her performance and the status of the corrective plan of action. If the employee receives a satisfactory evaluation at the end of ninety (90) days, the employee shall receive the merit/step increment effective that date, if applicable.

The University shall notify the Union by email, fax, or mail of any employee who has received a less than satisfactory evaluation within seventy-two (72) hours of the employee receiving a less than satisfactory evaluation.

3.03 Appointment to Position:

Appointment to a position shall be in writing with the date of hire, salary and any differential stated. A job description for the specific position occupied by the newly appointed employee will be distributed to him/her at orientation. Other job descriptions defining all positions under this Agreement will be made available for inspection by request.

3.04 Labor-Management Committee:

In the interest of solving mutual problems, the University and the Union agree to have ad hoc unit/school labor management committee meetings to address issues specific to the units or schools. The schools are: NJMS/NJDS, RWJMS and SON. The units are: CINJ, UBHC and UCHC. These meetings will occur on an as needed basis but should not exceed a total of four (4) in a year. There shall be representatives of the Union (not to exceed 3) and representatives of the University (not to exceed 3). The Union will provide an agenda at least fourteen (14) days in advance of the meeting date, along with a list of employees who might need to be released from work to attend. The Committee shall meet for a reasonable time, not to exceed four (4) hours, as required to discuss mutual concerns of the Union and the University.

These meetings will occur on an as needed basis but should not exceed a total of two (2) in a year unless mutually agreed upon by the Union and the University.

The Labor-Management Committees shall function completely separate from and independent of all grievance procedures under this Agreement. These meetings shall not be considered negotiating sessions.

The University agrees to release from work, if necessary, the members of the Labor-Management Committees, at no loss of their base rate of pay for the purpose of attending Labor-Management meetings. The Union shall inform the University's Office of Human Resources of the members of these Committees fourteen (14) days prior to the first meeting.

The parties recognize and agree that the Labor-Management Committee functions best when all representatives of the Union and the University are able to attend. Consistent with patient care needs, the University shall make every effort to ensure that Union members of these Committees are released from work and each representative shall work with his or her Nurse Manager to ensure unit coverage during the meeting. The Union members of these Committees shall provide timely notice to their Nurse Manager or designee of the time and place of each meeting. In addition, the Union chairperson of each Labor-Management Committee shall notify the appropriate Nurse Managers or designees on a quarterly basis of the schedule of Labor-Management meetings.

The Union and the University agree that staffing needs fluctuate over time and are influenced by many factors. The University Practices shall remain consistent with all staffing guidelines contained in its master staff policies. The University shall continue to follow all staffing guidelines promulgated by New Jersey State Law and/or the New Jersey Department of Health. The University shall consider professional standards as developed by recognized specialty nursing organizations to further define staffing guidelines.

If necessary, caseload and staffing concerns will be placed on the agenda for the Labor-Management Committee.

3. Layoff and recall of non-UCHC Employees: Seniority will prevail on layoffs due to lack of work in the job classification or reductions due to economic considerations, or reorganization or closure of a unit/department. For layoff, seniority is determined on a unit basis first, without taking shift into account.

The University will notify the Union as soon as practical of any anticipated changes in the status of any contracts or agreements between the University and any federal, state, county, local governments, school boards or other agencies or organizations that may result in the layoff of bargaining unit employees.

The layoff of regular full and part time staff from a specific work unit or department will not occur unless regularly assigned agency nurses and regularly assigned per diem nurses in the work unit/department are first eliminated.

Within the assigned clinical unit, regular employees shall not be laid off before temporary employees in the same job titles.

The University agrees to meet with the Union at least one week, except in the case of an emergency, in advance of any notice of layoff of bargaining unit employees greater than five on a single campus. The purpose of the meeting is to discuss the pending layoff situation. At that meeting the Union is free to set forth its position on the pending layoff.

The University will provide a minimum of twenty-eight (28) days' notice of layoff to any regular full-time or regular part-time employee to be affected. At the University's discretion, payment in lieu of notice may be given for the 28 days' notice.

Upon request, a Union representative may be present when an employee is discussing vacancies and bumping opportunities with a University representative. The purpose of the Union representative's attendance is to advise employees with respect to questions arising out of the process.

The University shall continue the practice of providing the Union with a copy of each layoff notice sent to employees. Such notice shall be provided, by mail, fax, or email within twenty-four (24) hours of the employee's receipt of the layoff notice.

When an individual is identified for lay off, the negotiations unit member will follow the process below:

- a) First, an employee identified for layoff will be offered the opportunity to fill a vacancy, for which he/she is qualified, in his/her current title within the employee's current department or division within the operating unit and campus. If the employee chooses not to accept the vacancy offered, the employee may opt to be placed on the recall list. There is no probationary period.
- b) Second, if a vacancy pursuant to (a) above is not available, the employee will be offered a vacancy, for which he/she is qualified, in his/her current title within the operating unit and campus. If the employee chooses not to accept the vacancy offered, the employee may opt to be placed on the recall list. There is a probationary period of 90 days, with a possible 90-day extension.
- c) Third, if a vacancy pursuant to (a) or (b) above is not available, the employee will be offered a vacancy, for which he/she is qualified, in his/her current title on the campus. If the employee chooses not to accept the vacancy offered, the employee may opt to be placed on the recall list. There is a probationary period of 90 days.
- d) Fourth, if a vacancy pursuant to (a),(b), or (c) above is not available, the employee will be offered a vacancy, for which he/she is qualified, in his/her current title first, or immediate prior HPAE title, or any other prior title they are qualified for within the bargaining unit, University-wide. If the employee opts not to fill a vacancy offered under this section, the employee may opt to be placed on the recall list or proceed to (e) below. There is a probationary period of 90 days, with a possible 90- day extension.
- e) Fifth, if an employee is not placed in a vacancy pursuant to (a), (b), (c) or (d) above, the employee may bump the least senior employee in his/her current title in a position for which he/she qualifies, within the operating unit and campus. If an employee opts not to exercise his/her bumping rights under this section, the employee may opt to be placed on the recall list. If the employee is unable to bump under this section, the employee may exercise rights under (f) below. There is a probationary period of 90 days, with a possible 90-day extension.
- f) Sixth, if the opportunity to bump is not available pursuant to (e) above, the employee may bump the least senior employee in his/her current title in a position for which he/she qualifies, campus wide. If an employee opts not to exercise his/her rights under this section, the employee may opt to be placed on the recall list. If the employee is unable to bump under this section, the employee may exercise rights

under (g) below. There is a probationary period of 90 days, with a possible 90-day extension.

- g) If the employee is not offered the opportunity to bump pursuant to (f) above, the employee may bump the least senior employee in his/her immediate prior HPAAE title, in a position for which he/she qualifies, campus wide. Under no circumstance will a bargaining unit employee be bumped (laid off) from their position by a non-bargaining unit employee.

Regular Part Time employees may not bump regular Full Time employees, however, they may bump other regular part time staff at equivalent or less hours. Regular full-time staff may, however, bump part time staff if there are no full time opportunities available.

An employee who is placed in a vacancy or bumps into a position on his/her campus may not bid on a vacant position for a period of six (6) months. If a laid off employee accepts a vacancy on another campus, he/she may not bid on a vacancy for a period of one (1) year.

Recall: Laid off employees, in the order of University seniority, have first recall rights beginning with the title and position on the campus from which they are laid off, to positions for which they meet the requirements.

If more than one employee has the same layoff date, University Date of Hire will prevail; if more than one employee has the same layoff date and same University Date of Hire, then the former position number will be considered, with the higher number indicating more seniority.

All laid off employees who have been employed for at least a year shall retain their rights of recall for one (1) year from the date of layoff. Should a laid off employee refuse a position when recalled, s/he shall be removed from the recall list. However, such an employee shall have the option of refusing the position and continuing the recall list (not to exceed one year from the layoff) if the employee is recalled to a position on another campus.

Upon recall, an employee shall retain his/her original date of hire.

4. Layoff of UCHC Employees

If more than one employee has the same layoff date, University Date of Hire will prevail; if more than one employee has the same layoff date and same University Date of Hire, then the former position number will be considered, with the higher number indicating more seniority.

All laid off employees who have been employed for at least a year shall retain their rights of recall for one (1) year from the date of layoff. Should a laid off employee refuse a position when recalled, s/he shall be removed from the recall list. However, such an employee shall have the option of refusing the position and continuing on the recall list (not to exceed one year from the layoff) if the employee is recalled to a position on another campus.

Qualifications that are considered, include but not limited to, academic credentials, past performance, time and attendance, and experience.

4.11 Subcontracting:

If such contract is executed, the University agrees to give displaced staff consideration concerning other positions at the University for which they are qualified.

If such subcontracting necessitates the layoff of personnel, affected staff shall be given at least thirty (30) calendar days' notice prior to being laid off.

The continued use of agency nurses who are scheduled as per past practice is not covered by this provision.

5. Work Time

5.01 Normal Workday:

For the purposes of determining the application of any employee's regular compensation rate, the employee's normal workday will be eight (8), ten (10) or twelve (12) work hours. The University reserves the right to change the schedule in case of emergency.

The University will respond in writing to all written requests for changes in the posted schedule within seven (7) calendar days of submission. Changes in a posted schedule must be proposed in writing and approved in writing by the appropriate Nurse Manager. Employees may request to change shifts or days off with another employee of the same skill level. The request shall be in writing by both employees to the Nurse Manager before the scheduled change takes place. Changes requested by the employee in the posted schedule will be considered by the University and not be unreasonably denied. An on-call schedule shall be posted two weeks prior to the on-call assignment.

5.04 Overtime Work: Compensatory Time Off

The University retains the option of paying overtime or compensatory time off. The employee may request overtime or compensatory time off.

The University will follow all New Jersey statutes and regulations regarding mandatory overtime.

UCHC will agree to follow the New Jersey statute on mandatory overtime, provided that it is able to do so consistent with Department of Corrections rules, regulations and protocols.

If it is practical and consistent with the efficiency of operations, overtime shall be scheduled and distributed on a rotation basis by job classification within each functional work unit. The University shall give employees as much advance notice as possible relative to the scheduling of overtime. Subject to operational needs, the University will make its best efforts to post the overtime schedule at the same time the work schedule is posted.

An employee who refuses an overtime assignment shall be considered to have worked for the purposes of determining equal distribution of overtime. Once an employee is scheduled and accepts an overtime assignment, he/she shall be subject to all University rules and regulations and the appropriate provisions of this Agreement.

In cases where mandatory overtime is required, then the least senior qualified employee of the employees on duty can be required to stay and work the overtime. Such mandatory overtime shall be rotated starting with the least senior qualified employee.

Employees with performance deficiencies or poor attendance will be prohibited from working voluntary overtime.

Barring personal emergency, an employee scheduled to work overtime is required to notify the designated supervisor twelve (12) hours prior to the start of the overtime shift if they are unable to report to work. Failure to call in prior to twelve (12) hours before the start of the overtime shift will make the employee ineligible for voluntary overtime for the next posted schedule. Failure to call in prior to two (2) hours before the start of the overtime shift will be considered a no call/no show absence and the employee shall be subject to discipline.

Unit assignment of overtime personnel may be subject to change dependent upon patient care needs. In the event an employee refuses assignment, the employee will be subject to appropriate discipline for insubordination. However, if at least one hour and forty-five minutes prior to the start of the scheduled overtime shift, it is determined that the overtime is not needed as originally assigned, the employee will have the option of working another overtime assignment or not working the overtime shift.

Full-time employees scheduled on a twelve (12) hour basis will not be required to work more than thirty-nine (39) weekend shifts per calendar year. The University shall make its best efforts to assign full-time twelve (12) hour shift employees to no more than thirty-six (36) weekend hours per four (4) week scheduling cycle.

Part-time employees scheduled on a twelve (12) hour basis will not be required to work more than twenty-six (26) weekend shifts per calendar year. The University shall make its best efforts to assign part-time twelve (12) hour shift employees to no more than twenty-four (24) weekend hours per four (4) week scheduling cycle.

Nothing contained herein shall prevent employees from voluntarily working more than the required weekend shifts per calendar year.

No full-time or part-time employee scheduled on a twelve (12) hour basis shall be required to work more than forty-eight (48) hours in a four (4) week scheduling cycle unless the employee is working additional weekend hours to make up missed weekend time.

Part-time employees scheduled on an eight (8) hour basis are required to work four (4) weekend shifts each four (4) week schedule, except if as a condition of employment, they have been hired to work exclusively weekend hours. However, part-time employees who are hired to work on weekends may work additional hours consistent with part-time status.

Make-up Weekend Shift

Nurses must make up weekend shifts for which they have called out, as determined by management within two (2) work schedules. Subject to operational needs, an employee’s preference for the make-up weekend shift will be considered.

Notwithstanding the above, for Nurses on payroll as of January 1 of the calendar year, the below indicated sick call outs will not be required to be made up:

Nurses on 8-hour shifts	1 weekend shift per calendar year or 2 shifts per calendar year if they are on consecutive calendar days
Nurses on all other schedules	1 weekend shift per calendar year

5.07 Coverage for Approved Leaves of Absences or Long-term Paid Sick Leave

The parties agree that there shall be no shift reassignment, except to cover up to twelve (12) weeks of an approved leave of absence or long-term paid sick leave. Prior to reassigning an employee to another shift, the University shall first seek volunteers. As a last resort, on a rotating basis, the least senior employees in the nursing unit shall be reassigned. Shift reassignment for an employee shall be limited to four (4) weeks duration unless an employee agrees to work on another shift for a longer period of time.

In situations where negotiations unit members are working in the Child Healthcare Unit facilities and those facilities are closed for any reason (thereby preventing negotiations unit employees from coming to work) the University agrees to treat the closure period as time worked.

If it falls on a Sunday, it will be observed the next day; Monday.

In those months containing designated holidays, flexi-scheduled employees will be scheduled thirteen (13) shifts inclusive of holidays. Employees who actually work fewer than thirteen (13) shifts may be short regular pay if there is insufficient accrued compensatory time.

Employees, absent compelling documentation of illness or emergency, who call off on the scheduled day within forty-eight (48) hours before or after a holiday, or, if scheduled to work the holiday, call off, will be salary deleted and forfeit the holiday.

7.02 Holiday Entitlement:

Recognizing that certain facilities are open every day of the year and that it is not possible for all employees to be off on the same day, the University shall have the right, at its sole discretion, to require any employee to work on any of the holidays herein specified. The University agrees to assign holidays off on an equitable basis.

If the holiday falls on an employee's day off, he/she shall receive another day off for the holiday. Such day may not be used prior to the date the actual holiday is observed and shall be scheduled within sixty (60) calendar days after the date the actual holiday is observed.

If the employee has requested but not received the compensatory time off for the holiday by the sixty (60) calendar day period, the University will either pay the employee for the holiday at his/her regular rate of pay, or shall schedule the employee for the time off, by the next pay period.

If a holiday falls during an employee's vacation, the day will be observed as a holiday and vacation time will not be charged for the day.

7.03 Holiday Pay:

Full and Part Time employees that are routinely scheduled to work twelve (12) hour shifts shall be compensated for the eight (8) University designated holidays totaling sixty-four (64) hours as per 1 through 4 below:

Such paid days must be used in the same fiscal year as they were received and are not eligible for payout upon separation.

These leave days may be used for emergencies, personal matters, observation of religious or other days of celebration.

Rutgers may designate which facilities/work units that provide essential services to the community will not be closed like the rest of the University during the designation of the four Mandatory Leave Days referenced above.

Employees working in facilities /work units that do not shut down during the designated Mandatory Leave Days will not lose the four paid ML days. Rather, they will be permitted to take the ML days or a personal day either on the same dates that Rutgers closes, or some other date at the mutual agreement of the employee and their supervisor. In the event the Rutgers facility a negotiations unit employee works in is closed and provides additional paid days off to other University employees, Rutgers shall increase the number of ML days for that year to equal those of the rest of the facilities. If operationally feasible, essential employees who request the use of a ML day on the shutdown day(s) shall have them granted in seniority order. Such requests shall not be unreasonably denied.

7.05 Vacation Amount:

Vacation accruals for newly hired or rehired employees will commence upon the successful completion of the employee's probationary period and will be credited retroactively to the employee's date of hire or rehire.

Vacation time will accrue in each calendar year in accordance with the following schedule. The annual rate will change in the month when the employee reaches a service milestone if the employee's anniversary date is before the 16th of the month and will change effective the following month if the employee's anniversary date is the 16th of the month or after.

<u>Length of Service</u>	<u>Accrual Rate</u>
From date of hire to completion of 3 years	1 1/4 days/month
From start of the 4th year to completion of 18 years	1 2/3 days/month
From the start of the 19th year	2 1/12 days/month

7.06 Vacation Pay:

An employee will be paid for vacation at the employee's regular rate of pay.

7.07 Vacation Entitlement:

All regular Part Time employees who are included in this bargaining unit shall accrue vacation credit on a proportionate basis based on the number of hours he/she was hired. Per Diem employees are not entitled to vacation benefits.

Vacation credit shall not accrue while an employee is on an unpaid leave except that an employee will receive credit for the month the leave commenced provided the leave commenced on or after the 16th and will receive credit for the month he/she returns from leave provided the employee returns on or prior to the 15th of the month.

An employee who has resigned with appropriate notice, or who has been discharged, except for cause, shall be entitled to vacation allowance of unused vacation time accrued within the time limit described previously, less any overdrawn sick time allotment except that an employee separated during the initial hire or rehire probationary period will not be entitled to such allowance.

If an employee dies having vacation credits accrued within the limits described previously, a sum of money equal to the compensation computed on said employee's regular salary rate at the time of death shall be calculated and paid to the employee's estate less any overdrawn sick time allotment.

7.08 Vacation Scheduling:

The vacation period will be the entire year. The employee will, subject to the University's operating requirements, have his/her choice of vacation time; it being recognized, however, that vacations must be scheduled by the University in a manner designed to insure the effective and efficient operation of the University, including staffing needs. No part of an employee's scheduled vacation may be charged to sick time.

The University may restrict the amount of vacation time granted to an employee during prime vacation periods to allow for equitable distribution of prime vacation time among employees. The prime vacation periods shall be defined as December 1 through January 15, and Memorial Day through Labor Day.

After successful completion of the initial probationary period, vacation allowance must be taken by the end of the calendar year following the calendar year in which it was accrued. An employee may carry a maximum of one (1) year of earned vacation allowance forward into the next succeeding year. When unusual circumstances warrant an exception, amounts greater than one (1) year can be carried over with the approval of an employee's DOPCS and the Campus Director of Human Resources.

Subject to proper patient care and operational needs, the choice of vacation time for bargaining unit employees will be determined within the work unit on the basis of University seniority. Employees within one work unit shall not be denied vacation time due to vacation time scheduled in another unit.

Vacation requests for each "vacation year" of April 1 through March 31, must be planned and requested by February 15th of each year.

The employee will submit three (3) choices of vacation time in order of priority. In situations in which choices of vacation are timely and two (2) or more employees request the same time period, seniority will prevail.

Failure to submit a vacation request by February 15th will result in loss of seniority status as it relates to vacation requests. Should this occur, the employee will be presented with the dates of available vacation weeks after the "vacation planner" has been completed; with request for vacation responded to in writing within seven (7) calendar days of receipt.

A maximum of two (2) weeks' vacation will be granted in the prime vacation period from December 1 to January 15. This time will be granted on a seniority basis and will rotate. Employees are required to work either Christmas or New Year's. Requests to exceed the maximum two (2) weeks' vacation during the prime vacation period of December 1 to January 15 may be granted if the University, within its sole discretion, determines that appropriated coverage for the unit will not be affected. Requests will be handled on a first come first serve basis. In the event of multiple requests, seniority shall govern, but once vacation is granted bumping does not apply. No employee may request more than two (2)

weeks' vacation during the prime vacation period until such time as all vacations have been scheduled pursuant to the procedure set forth in this Article.

Employees may not pyramid any personal leave days during vacation time unless special permission has been obtained from the Director of Patient Care Services.

Approved vacation time requires the signature of the Nurse Manager and Director of Patient Care Services. Written approval of vacation time will be given to the employee no later than March 15.

Vacation time may be taken as one (1) or more single days, or one (1) or more single weeks.

Employees wishing to maintain the integrity of their regular scheduled weekend and forego the weekend with the vacation period must do so in writing.

For employees working twelve (12) hour or ten (10) hour shifts, vacation days will be taken as twelve (12) or ten (10) hour days. Individual vacation days can be requested; and such requests will not be unreasonably denied. Only fourteen (14) consecutive days off will be granted during prime time.

More than one (1) employee per work unit/department and work shift may be scheduled for vacation at one time provided that appropriate coverage for the unit/department is not affected. Employees are not responsible for providing staff coverage as a basis for the approval of requested vacation time unless the employee's work schedule has already been posted.

An employee may use vacation days on an emergency basis for the care of a sick family member or member of the employee's household, subject to the submission of appropriate documentation when required.

7.09 Sick Leave: Entitlement and Amount:

Sick leave is defined as a necessary period of absence because of the employee's own illness or for exposure of the employee to contagious disease.

Sick time may also be used for pre-planned medical and dental appointments provided that the employee submits a request as soon as is practical with the expectation that the employee shall provide at least one week's notice if possible. Requests shall not be unreasonably denied. All requests shall be consistent with medical confidentiality. Upon request, the employee shall provide verification from the employee's medical or dental provider of the date and time of the appointment. If a request is initially denied and the employee provides verification of the medical necessity of the specific date and time of the appointment, the employee's request to utilize sick time for that date shall not be denied.

Sick leave may also be extended to include a charge to the employee's

accrued sick leave time to provide medical care to a seriously ill family member as defined in the special circumstances described below. The number of days that the employee may charge to accrued sick leave time for the special circumstances described in sections 1 and 2, below, shall not exceed a total of fifteen (15) days per fiscal year.

Sick leave shall also be extended to include the following Special Circumstances:

1. Emergency Attendance.

Employee's emergency attendance on a member of the employee's family (mother, father, spouse, domestic partner, child, step child, foster child, grandchild, sister, brother, grandmother, grandfather) who is seriously ill.

2. Medically Certified Care.

Employee's attendance upon the employee's seriously ill family member (as defined above) at a hospital, health care facility, or at home, or the employee's transport of the employee's seriously ill family member to medical treatment, when properly certified by a Health Care Provider on the form supplied by the University. Use of sick leave will not be permitted where the employee has failed to provide the certified form. Medically certified care does not cover such situations as illness not defined as seriously ill, matters unrelated to medical needs, baby-sitting, running errands, and/or running a business for the family member while he/she is ill.

In addition, an employee may use up to 40 hours of accrued sick leave per fiscal year for the purposes set forth in the New Jersey Earned Sick Leave Law, and any time designated as "NJESL" time by the employee shall be administered in accordance with the requirements of that law.

Full-time employees shall accrue fifteen (15) days of sick leave in each fiscal year at the rate of one and one fourth (1-1/4) days per month. During the first year of employment, employees will earn sick leave at the rate of one (1) day per month of service except that employees appointed on July 1 will earn sick leave at the rate of one and one fourth (1-1/4) days per month.

Regularly appointed part-time negotiations unit employees accrue sick leave on the same basis as full-time employees except that such accrual shall be prorated according to the percentage of time appointed. For example, a 50%-time employee earns seven and one-half (7.5) full-time days by the end of the fiscal year (fifteen (15) full-time days at 50% equals seven and one-half (7.5) full-time days.)

Negotiations unit employees shall continue to be eligible to participate in the Staff Leave Donation Program pursuant to University policy 60.9.41.

Per Diem employees required to receive paid sick leave pursuant to the New Jersey Earned Sick Leave Law, shall accrue paid sick leave at a rate of one (1) hour for every thirty (30) hours worked, up to a maximum of forty (40) hours per fiscal year. Sick leave hours may be used as accrued and if applicable, no more than forty (40) hours may be used in a fiscal year.

Nothing in this Agreement shall be construed to waive or reduce rights or benefits provided pursuant to the New Jersey Earned Sick Leave law (Assembly Bill No. A1827, an act concerning earned sick leave signed into law on May 2nd 2018 and supplementing New Jersey P.L. 1966. c. 113 (C.34-11-56a *et seq.*) (the "Earned Sick Leave Act").

7.10 Sick Leave Notice and Restrictions:

An employee will be paid for sick leave at the employee's regular rate of pay.

Employees are required to comply with the departmental call in procedure. If the illness extends beyond one (1) day, the employee must continue to call in ill each day unless they have already indicated to their supervisor an expected return date. If the illness extends beyond the expected return date, he/she must call in with a new expected return date.

Employees taken ill while on duty and who leave their work station with their supervisor's permission shall be paid for the authorized time spent on the employer's premises and may use accrued sick leave if they desire payment for the balance of the work shift. Employees may be excused without seeking medical attention at the University by their supervisor. Such time will be unpaid except when an employee seeks treatment for a work-related injury or illness.

Whenever a regular employee retires, except an employee who elects deferred retirement, pursuant to the provisions of a state administered retirement system and has to his/her credit any accrued sick leave, he/she shall be compensated for such accrued sick leave as follows: The supplemental compensation amount payment shall be computed at the rate of one-half (1/2) of the eligible employee's daily rate of pay for each day of unused accumulated sick pay accruals based upon the average annual regular rate of compensation received during the last year of his/her employment prior to the effective date of his/her retirement provided however that no lump sum supplemental compensation payment shall exceed fifteen thousand dollars (\$15,000.00).

The compensation shall be paid in accordance with the State rules then applying.

7.11 Bereavement Leave or Serious Illness in Immediate Family:

An employee who is absent from work due to death in the immediate family (mother, father, spouse, domestic partner, partner in a civil union, step mother, step father, child, step child, ward, foster child, foster mother, foster father, sister, brother, grandmother, great grandmother, grandfather, great grandfather, grandchild, mother-in-law, father-in-law, son-in-law, daughter-in-law, any relative of the employee residing in the employee's household, child of a partner in a civil union, child of a domestic partner, parent of a partner in a civil union, parent of a domestic partner, step sister, or step brother) may charge up to three (3) days for such absence to attend the funeral or for mourning. Such time must be initiated within seven (7) calendar days from notice of the date of death. If such notification exceeds the date of death by more than seven (7) days, a department may require verification of notification. However, in the event that the funeral of a member of the immediate family is held at some distant location, and the employee will attend, an exception to the above may be requested by the employee to provide for up to five (5) days of absence to be charged to bereavement leave.

If an employee requests to use available vacation time to extend the bereavement leave it will not be unreasonably denied.

In cases where the death of a brother-in-law, sister-in-law, aunt or uncle, niece or nephew occurs, up to one (1) calendar day off with pay will be granted to attend the funeral services, provided sick pay or other paid leave is accumulated to the credit of the negotiations unit employee, and is so charged.

Regular part time staff will receive pro-rated bereavement benefits.

7.12 Jury Duty Leave Amount:

Consistent with the procedures set forth in Article 7.13, an employee who is summoned for and performs jury duty on a day on which he/she is scheduled to work, will be paid for the day according to the employee's standard work hours based on job classification (8 hrs., 7.5 hrs.). This will be pro-rated for regular part time employees.

Employees who work the night shift will be paid for the day on which the jury duty is served, if scheduled to work that night.

The receipt of a notice to report for jury duty must be reported immediately to the Director of Patient Care Services.

7.13 Jury Duty Leave Procedure:

The Employee shall notify his/her supervisor immediately of his/her requirement for this leave, and subsequently furnish evidence that he/she performed the duty for which the leave was requested.

If jury duty is canceled on a day the employee would have worked, the employee must immediately notify his/her supervisor and may be required by the supervisor to report to work.

7.14 Court Appearance:

Employees shall be granted necessary time off, at the employee's regular rate of pay, when he or she is summoned to testify at depositions or in court, on any matter arising within the employee's scope of employment at the University. The employee shall immediately report receipt of any subpoena or court order related to their employment at the University to the University's Office of General Counsel and to their supervisor.

7.15 Rest Periods:

An employee shall be entitled to a fifteen (15) minute rest period during each four (4) consecutive hours of the work shift. Employees who are required to work beyond their regular quitting time into the next shift shall receive an additional fifteen (15) minute rest period after the employee's regular shift has been exceeded by two (2) hours.

7.16 Meal Period:

Employees authorized to work through their regularly scheduled meal period will, at the option of the University, be paid time and one-half (1 1/2) or granted compensatory time off at the rate of time and one-half (1 1/2) for such meal period. Meal periods shall be one-half (1/2) hour unpaid.

8. Leaves of Absence

8.01 Basis and Amount:

<u>Type of Leave</u>	<u>Maximum Length</u>
FMLA	In accordance with Federal Law
Military	In accordance with State and Federal Statute
Personal	1 month
Academic	6 months

8.02 Procedure:

A. Federal Family and Medical Leave, New Jersey Family Leave, NJ Safe Act Leave:

Notwithstanding any other provisions in this Agreement or in University policies, in the event that an employee is eligible, as set forth by Federal or State statute, and takes a leave of absence under the Federal Family and Medical Leave Act (FMLA), the New Jersey Family Leave Act (NJFLA), or the New Jersey SAFE Act all applicable accrued sick time or sick leave must be used concurrently with the leave permitted by the statutes.

In the event that an employee exhausts applicable accrued paid sick time or sick leave (or, if the employee does not have paid sick time or sick leave accruals to charge concurrently with an approved leave granted pursuant to the FMLA, NJFLA, and/or New Jersey SAFE Act), the remaining statutory leave time shall be unpaid. Upon an employee's request, after all sick time is exhausted, he/she may use vacation, personal, or administrative time during this period of leave. Employees may also use donated sick time pursuant to University Policy 60.9.41 "Staff Leave Donation Program."

Leave for an employee's own serious health condition

Medical leave of absence due to pregnancy shall be treated the same as other medical leaves.

A medical leave shall be granted upon presentation of a letter to Human Resources from the employee's personal physician which must state when the employee's inability to work commenced, nature of the illness or injury and expected date the employee will be able to return to work. The University may, at its cost, have the employee requesting a medical leave examined by a physician of the University's choosing as a condition of granting, continuing or extending a medical leave of absence.

Upon return from leave, the employee must present to his/her Human Resources Generalist documentation from the employee's personal physician indicating the date the employee has been cleared to return to work, and that the employee is able to return to work without restriction. If an employee is approved for medical leave for his/her own serious health condition, only accrued sick time must be used concurrently with the statutory leave.

Notwithstanding University Policy, 60.9.20, for employees who are approved for a leave for their own serious health condition, the maximum leave permitted under the FMLA is twelve weeks.

If after an employee has exhausted the leave granted to him/her pursuant to the FMLA or New Jersey SAFE Act, the employee is still unable to perform the duties of his/her position because of his/her own serious health condition and has remaining accrued sick time available, the employee may be permitted to extend his/her leave of absence by utilizing any remaining accrued sick time provided that the employee provides medical certification substantiating their need for such extension due to their own serious health condition. At the employee's discretion, he/she may apply for donated sick time. If approved, the employee may use up to 12 weeks of donated time to extend his/her leave of absence.

If after an employee has exhausted the leave granted to him/her pursuant to the FMLA or New Jersey SAFE Act and has exhausted their accrued sick time and donated time, and the employee is still unable to perform the duties of his/her position because of his/her own serious health condition the employee may be permitted to extend his/her leave of absence by seeking a reasonable accommodation under the Americans with Disabilities Act (ADA) and/or the New Jersey Law Against Discrimination (NJLAD). To seek additional leave as an accommodation, the employee must submit such a request to Rutgers Office of Employment Equity (OEE) and comply with the reasonable accommodation process.

Leave to care for a family member

If an employee is approved for leave to care for a family member with a serious health condition or to care for and bond with a child after birth, adoption or placement in foster care, up to 15 days of accrued sick time or sick leave must be used concurrently with any statutory leave.

Upon an employee's request, he/she may use vacation, personal, or administrative time during this period of leave, after exhausting the 15 days of sick leave. Employees may also use donated sick time pursuant to University Policy 60.9.41 "Staff Leave Donation Program."

For employees who are approved for leave to care for a family member, the maximum leave permitted under the FMLA and/or NJFLA is twelve weeks.

Leave under the New Jersey SAFE Act

If an employee is approved for leave under the New Jersey SAFE Act, and such leave does not otherwise qualify for a leave of absence under the FMLA or NJFLA, the employee must use all applicable accrued sick time for the first 40 hours of such leave (or, if the employee has less than 40 hours of accrued sick time available, the balance of leave will be unpaid). Upon an employee's request, he/she may use vacation, personal, or administrative time during this period of leave.

For employees who are approved for leave under the New Jersey Safe Act, the maximum leave permitted under the Act is twenty days.

B. Military Leave:

Military leave will be governed by applicable State and Federal Statute. An employee who has a military leave commitment on a weekend day shall not be required to make up the weekend day.

C. Workers' Compensation:

A bargaining unit member who becomes disabled due to a job-related injury shall, if approved by Risk and Claims management, be granted a leave of absence. Payment during such leave will be made in accordance with the New Jersey Worker's Compensation Act, except that in cases where the physical injury arises in and out of the course of the performance of assigned job duties and functions, payment will be seventy percent (70%) of salary.

If such leave is not approved by Risk and Claims management, application may be made by the bargaining unit member to use sick leave, if available, and then application may be made for a medical leave of absence under University policy.

D. Personal Leave:

In certain circumstances employees may be permitted to take an unpaid personal leave of absence from their positions with the University. Such leaves may be applied for and are available to regular Full Time and Part Time employees working twenty (20) or more hours per week provided they have completed six (6) months of continuous service.

Requests for personal leaves must be accompanied with the reason for the leave and duration and must be submitted in writing to the employee's supervisor along with any supporting documentation. Such request must be submitted at least two (2) weeks in advance of the starting date for the leave except in the case of a bona fide emergency. An employee shall receive a written response within five (5) work days. Supervisors shall have the right to require proof of an emergency as a condition for approval. The maximum length of a personal leave is one (1) month.

E. Return from Leave:

The University shall place an employee returning from an unpaid leave of six (6) months or less in his/her prior position. An employee who fails to return from leave within five (5) days from their scheduled date of return and without securing permission from his/her supervisor to extend such leave, shall be discharged.

During the term of this Agreement, unless modified subsequently by Agreement of HPAAE and the University, employee contributions to the cost of health and prescription benefits shall continue to be in accordance with the full implementation schedule set forth in P.L. 2011, c.78 and which percentages were in effect on June 30, 2018. Employees of the University represented by HPAAE will be eligible for the Rutgers Vision Care Program.

The parties agree that immediately following the ratification of this Agreement by the membership of HPAAE, the parties will reopen negotiations over health insurance benefits and rates. It is understood by the parties that any modifications, proposed by the parties, to the design of health plans available to HPAAE unit employees must be approved and adopted by the State Health Benefits Program Plan Design Committee before they can become effective.

A Staff nurse who is designated to perform the functions of a Charge Nurse shall receive the Charge Nurse differential for the time so designated by management.

When assigning charge duties, the University will first seek volunteers. If there are no volunteers deemed qualified by management, charge duties will be assigned. - C. The compensation for BSN or Master's in Nursing shall be paid bi-weekly and shall be effective the date on which the Human Resources Department receives proof of the degree.
- D. Effective upon ratification, should an APN or CRNA be certified in a specialty practice that is not required under his/her profession, job title or license, the APN or CRNA shall be eligible for certification pay. Part Time employees will receive an annual uniform allowance of seventy-five dollars (\$75).

If, in the in-patient psychiatric units and partial hospital programs, an employee's clothing is damaged as a result of direct patient care, upon submission of appropriate receipts, the University will reimburse for the repair or replacement up to a maximum of one hundred fifty dollars per year (\$150) for full time employees and seventy-five (\$75) for part time employees.

Where the University requires employees to wear uniforms but chooses not to provide them, the uniforms worn by employees shall then comport with such standards as are or may be set forth by the University in its dress code policies.

- C. Section 10.10 does not apply to employees assigned to work at the DOC/JJC facilities.

10.10 Floating:

- A. The University will make its best efforts to minimize floating within the term of this contract.

In the event that it becomes necessary for an employee to be assigned, on a shift-by-shift basis, to another unit, nursing management shall ensure that patient care assignments shall be within the educational and skill level of the assigned/floated nurse. The University shall utilize the following guidelines when floating/assigning nurses:

1. Volunteers shall be sought.
2. Agency personnel assigned.
3. Per diem, then overtime staff will be assigned.
4. Finally, the University may assign employees on a rotation basis, with the least senior employee floating first.

The University will use its best efforts to assure that the floating of staff will be done on an equitable basis. To do so, the University will assign an employee during his/her orientation period, e.g. new hire, new program implementation/equipment introduction, in such manner as to enable the employee to acquire the necessary experience and training to assure safe practice when he/she is floated.

No employee will be given an assignment for which she/he has not been adequately trained, or which would cause the employee to violate the Rules and Regulations of the New Jersey Board of Nursing Practice Act.

During the term of this contract, the University will use its best efforts to minimize floating on an interim basis during the work shift.

Should a staff nurse be floated more than five (5) shifts in the previous quarter, the University and Union shall meet to address any and all floating issues including compensation.

Float sections areas will be defined as the following:

1. UBHC–Essex County
2. New Jersey Medical School

Current policy and procedures shall remain in effect throughout the term of this Agreement.

10.12 Reassignment

A. Temporary Reassignment of UCHC Staff Nurses Between Divisions (Medical and Mental Health)

In the event that it becomes necessary for an employee to be temporarily reassigned to another unit, nursing management shall ensure that patient care assignments shall be within the educational and skill level of the temporarily reassigned nurse. No employee will be given an assignment for which she/he has not been adequately trained, or which would cause the employee to violate the Rules and Regulations of the New Jersey Board of Nursing Practice Act. Staff nurses assigned to a unit for training purposes shall not be considered assigned staff for the purposes of satisfying the staffing requirements for the unit/shift in question.

The University shall utilize the following guidelines when temporarily reassigning nurses between divisions:

1. Volunteers shall be sought, including voluntary overtime
2. Agency personnel assigned
3. Per diem assigned
4. Finally, the University may assign employees on a rotation basis, with the least senior employee being assigned first.

During the term of this contract, the University will use its best efforts to minimize the temporary reassignment of staff nurses between divisions on an interim basis during the work shift.

B. Reassignment to another DOC or JJC Facility

When a reassignment to another DOC or JJC facility is deemed necessary, the University shall ask for volunteers. If there are no volunteers, the University shall notify the employee in writing of the reason for and the status (temporary or permanent) of the reassignment. Except in cases of emergency, the employee shall receive 30 calendar days' notice when the reassignment is to a facility within his/her region and 45 calendar days' notice when the reassignment is to a facility outside of his/her region (As outlined in Article 4.09).

When staff are reassigned to another facility on a temporary basis, the new facility shall be treated as a temporary official workstation or site for purposes of travel reimbursement as per the University's "Travel and Business Expense Policy" 40.4.1). Transportation reimbursement shall be based on the total travel cost from home to the new work site less the total normal travel costs from home to the original worksite.

11. Health and Safety:

11.01 Health Examination:

The University will provide to each bargaining unit employee a physical examination at the time of employment. Thereafter, an examination will be provided if required by the appropriate accrediting authority, by the University, or by Statute.

Employees returning from medical or disability leave must present a note from the treating physician which indicates the date the employee was able to return to duty and certifying the employee's fitness to return to work full duty. The University may, at its own cost and expense, have a physician of its choosing perform a physical examination of the employee to ensure fitness and capability to return to work.

11.02 Employer Obligation:

UCHC will collaborate with its staff, the Department of Corrections, and the Juvenile Justice Commission, in order to provide adequate and regularly maintained sanitary facilities. Employees will maintain acceptable standards of personal hygiene and cleanliness in accordance with the requirements of the job.

Within the guidelines of the Department of Corrections and the Juvenile Justice Commission, the University shall make reasonable provisions for the safety and health of its employees and will observe all applicable health and safety laws and regulations. The University will provide safety devices for employees when deemed appropriate by the University or as required by law and will provide a reasonably safe and healthy place of work.

1. The University will observe and comply with all local, state, and federal health and safety laws and regulations, and shall make reasonable provisions for the safety and health of its staff, free of recognized hazards.
2. The University agrees to provide adequate and regularly maintained sanitary facilities for employees' use. Each employee will maintain acceptable standards of personal hygiene and cleanliness in accordance with the requirements of the job.
3. An employee must report incidents of unsafe and/or unhealthful conditions to his/her supervisor immediately. The University shall respond in a timely manner to all health and safety problems reported by the Union and/or negotiations unit employees.
4. The University will provide safety devices for employees when deemed appropriate by the University or as required by law. Affected employees shall receive appropriate in-service training on new safety equipment, devices, and materials.
5. The University shall, upon request, provide the Union with the results of all health and safety inspections of the facilities of the University. The University shall notify the Union of all such inspections where the inspections were initiated as a result of a Union/employee complaint and/or grievance. The University will also notify the Union in cases where on-going health and safety hazards which may affect the HPAE Union membership are discovered.
6. The University and HPAE agree to discuss problems concerning health and safety in the Labor/Management meetings. Upon mutual agreement the Union will have the right to one (1) representative to any of the employee-attended University's Health and Safety Committees. Any recommendations concerning improvement or modification of conditions regarding health and safety shall be reported to the appropriate health and safety committee.

11.03 Health Security:

1. The University shall provide PPD tests for employees working under health hazards at the University's time and expense.
2. The University shall provide the Hepatitis B vaccine at no cost to employees who may be exposed to blood and other potentially infectious body fluids in the course of the employee's job.
3. The University shall provide an annual infection control update for all employees which shall include the following:

 - b. Universal precautions, respiratory precautions and other infection control measures.

- 4. The current practice of providing security escorts as available upon the request of an employee shall continue.

12. Non-UCHC Employee Facilities:

The University, to the extent resources permit, will provide nurses' lounges. Such areas as are provided should be well lit and ventilated and contain furniture that is clean and in good repair. The parties will cooperate to keep these areas clean.

12.02 Parking:

The parking fee for all bargaining unit employees will be equal to .5% of the annual salary based on the regular rate of pay as of the last pay period of the previous fiscal year. All employees hired during any fiscal year shall pay a prorated fee for the remainder of the fiscal year based on their salary at time of hire.

The parking fee shall be paid in pre-tax dollars.

13. No Strike/No Lockout:

The Union and the employees agree to refrain from any strike, work stoppage, slowdown, concerted refusal to work overtime, or concerted sick call, and will not support or condone any such job action, nor prevent or attempt to prevent the access of any person to the University's facilities during the term of this Agreement.

The University agrees that there shall be no lockouts during the term of this Agreement.

14. Discipline:

14.01 Definition:

Discipline shall mean official written warning, suspension without pay, disciplinary demotion or discharge from employment at the University. Dismissal from employment or demotion based upon a layoff or operational changes made by the University shall not be construed to be discipline. Oral counseling, although in writing, is not to be considered discipline and shall not be placed in the employee's central personnel file.

The University shall have the right to discipline employees for just cause. Just cause for discipline including discharge from employment shall include those

causes set forth in the University Rules and Regulations. This list of causes is not exclusive and discipline up to and including discharge from employment may be made for any other combination of circumstances amounting to just cause. The University reserves the right to substitute a written warning in lieu of a suspension without pay and such substituted warning shall substitute for suspension in the University's scheme of progressive discipline. A written warning in lieu of a suspension of more than twenty-four (24) hours shall be arbitrable.

A suspended employee may, by mutual agreement between the University and the Union, substitute a forfeiture of vacation days equal to the same number of days of suspension in lieu of that suspension. The use of vacation days by the employee shall not prejudice, in any manner, either the employee's grievance, should one be filed, or an arbitrator's award, should the employee's grievance be upheld.

Suspensions without pay of more than twenty-four (24) hours, written warnings in lieu of a suspension of more than twenty-four (24) hours, disciplinary demotions or discharge from employment shall be subject to arbitration as specified in the grievance procedure set forth in Article 14.02.

The University will notify the Union office, by mail or fax, and a designated Local President, by inter-office mail, attached email document, or fax, in writing of any suspensions or discharges within seventy-two (72) hours of the action not including weekends. Failure by the University to properly notify the Union will not void any disciplinary action, but the time limit for filing a grievance will not commence until the date the Union or employee was notified of the action in writing.

The University shall make every effort that an employee shall receive a written notice of a discipline on a form expressly provided for that purpose by the Human Resources department. If such a form is not used, an employee shall receive a written notice of discipline that shall explicitly state the level of discipline, the date(s) of events relevant to the discipline, and the actions (or lack of actions) causing the discipline. In addition, there shall be a place on the notice for the employee to sign that they have received the discipline. If, for any reason, the employee is not willing to sign the discipline, the Union representative may sign as a witness that the employee received the discipline. An employee shall be informed of his/her right to have a Union Representative present at the disciplinary conference or a conference that could lead to a discipline.

Prior to terminating an employee, the University shall convene a pre-termination meeting and provide the employee with a draft copy of the termination letter. At the meeting the department will review with the employee the reasons for considering termination and the employee will be provided the opportunity to respond to the allegations. The employee, at his/her option, may request a Union representative to be present at the meeting. If the employee chooses not to attend, the meeting will resume, and the employee will be mailed a copy of the

department's final decision. This meeting is separate from the grievance procedure and shall not satisfy any steps in it.

14.02 Grievance Procedure:

A. Definition

1. A breach, misinterpretation or improper application of the terms of this Agreement; or
2. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy or orders of the University affecting the terms and conditions of employment.

B. Purpose

The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of this Agreement or other conditions of employment by providing an exclusive vehicle for the settlement of employee grievances and to facilitate the uninterrupted operations of the University.

C. General Provision

No grievance settlement reached under the terms of this Agreement shall add to, subtract from or modify any terms of this Agreement.

Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. When a grievant has Union representation, the Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

The terms of this Article shall not apply to probationary employees. This exclusion shall not apply to regular employees serving a probationary period due to a change in job title which is included in the negotiating unit, except that under no circumstances will the University's judgment as to the adequacy of the employee's performance and/or attendance in a probationary period or any action taken in pursuance thereof be deemed to be discipline or subject to grievance.

All time limits are of the essence and may be extended only by written mutual agreement between authorized representatives of the University and the Union. Grievances not raised and processed in strict and absolute accordance with the grievance procedures and time limits will be waived by the Union and employee and will not be considered. The lack of response by the University within the prescribed time, unless the time limits have been extended by written mutual agreement, shall be construed as a negative response.

A grievance which affects a substantial number or class of employees may initially be presented at Step II of the grievance procedure. A grievance in the case of suspension or discharge must be presented at Step II within twenty-one (21) calendar days of the receipt of the disciplinary notice, excluding holidays. All disciplinary grievances must be signed by the individual grievant within two (2) days of the filing of the grievance. Requests for an extension of the time limit for the grievant to sign a disciplinary grievance shall not be unreasonably denied in the event of physical incapacity.

D. Preliminary Informal Procedure

An employee may orally present and discuss a grievance with his/her immediate supervisor. At the employee's option, he/she may request the presence of a Union representative. If the employee exercises this option, the supervisor may determine that such grievance be moved to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is mutually agreed upon in writing.

If an informal discussion does not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

E. Formal Steps

Step One:

The grievance shall be reduced to writing and submitted to the department head within fourteen (14) calendar days excluding holidays, from the date on which the alleged violation of the Agreement or policy took place. The grievance shall be signed by the grievant and/or Union representative, and shall set forth the nature of the dispute, the relief sought and the specific provisions of the Agreement/policy alleged to have been violated.

The department head shall answer the grievance in writing within seven (7) calendar days excluding holidays, after its receipt.

Step Two:

The grievance may be appealed by written notice to the Vice President for Human Resources of the University or his representative within seven (7) calendar days excluding holidays, after the Step One decision was rendered or due.

The Vice President for Human Resources or his representative will convene a hearing within twenty-one (21) calendar days, excluding weekends and holidays, after receipt of the grievance unless extended by mutual agreement. The employee may be represented at such hearing by

the Union representative, Local Union President or designee. The Vice President for Human Resources or his representative will render a decision within twenty-one (21) calendar days from the date of the conclusion of the hearing.

Beginning with discipline that takes place on or after July 1, 2003, discipline that is grieved in accordance with Step One of the grievance procedure shall be stayed until resolved through Step Two. Such grieved discipline may not be referred to or relied upon in any evaluation, promotional decision or subsequent disciplinary charge, other than termination until the grieved discipline has been resolved through Step Two. Grieved discipline shall be considered resolved through Step Two after the Vice President of Human Resources or his/her representative has held a hearing and rendered a decision in accordance with that step of the grievance procedure or, for discipline subject to arbitration, the time for the hearing or decision has passed.

This provision shall not apply to:

1. disciplinary demotion or discharge; and
2. discipline for conduct, which in the University's discretion, demonstrates a threat to property or the health and safety of the grievant, University staff or the public.

In the event that a negotiations unit member serves any portion of a suspension prior to filing a grievance concerning that suspension, only the balance of the suspension will be stayed and there shall be no entitlement to reimbursement or reinstatement for the days served unless and until the grievance is sustained.

Step Three, Arbitration:

In the event the grievance has not been satisfactorily resolved in Step Two, and the grievance involved an alleged violation of the Agreement as described in the definition of a grievance in A (1) above or in the case of discipline involves the following implemented disciplinary actions:

1. Suspension without pay of greater than twenty-four (24) hours
2. Written warnings in lieu of suspension greater than twenty-four (24) hours
3. Involuntary Demotion
4. Discharge

then a request for arbitration may be brought only by the Union within thirty (30) calendar days from the date the Union received the Step Two decision.

The request for arbitration shall be submitted in writing to the Public Employment Relations Commission with a copy sent to the Director of Labor Relations.

Arbitrators shall be selected, on a case-by-case basis, under the selection procedure of the Public Employment Relations Commission. A transcript of all arbitration hearings may be taken. All expenses of arbitration shall be borne by the University and Union equally, except that the cost of preparing and presenting each party's case or charge for a late cancellation shall be borne by each respective party.

The arbitrator selected shall be requested to hold the arbitration within one hundred, eighty (180) calendar days from the date selected and render his/her decision within thirty (30) calendar days after the close of the hearing unless such time is extended by mutual consent of the parties in writing.

The arbitrator shall have the right to subpoena relevant documents and witnesses if requested by either party.

The function of the neutral arbitrator shall be of a judicial rather than a legislative nature. The arbitrator shall give effect to the plain meaning of the Agreement language and shall not interpret such language unless the meaning of the language is unclear and ambiguous. When an arbitrator is called upon to interpret language in this Agreement, he/she shall render a decision which is consistent with the plain meaning of the Agreement's language, consistent with the common law of contract interpretation and with general considerations reserved to management by the Public Employee Relations Act and case interpretation of that Act.

The arbitrator shall not have the power to add to, subtract from or otherwise amend this Agreement nor shall he/she have the authority to prescribe a monetary award as a penalty for a violation of this Agreement.

Should the arbitrator reinstate an employee with back pay, the employee may be paid for the hours he/she would have worked in his/her normally scheduled work week, at his/her regular rate of pay less any deductions required by law or other off-setting income for the backpay period specified by the arbitrator.

The decision of the arbitrator shall be final and binding upon the University, the Union and employee, unless either party seeks a review in an appropriate court proceeding. In the event either party seeks a review, such procedure shall operate as a stay of the arbitrator's award until the judicial review is concluded. With respect to contract interpretation grievances, the scope of judicial review shall be limited to determining whether the arbitrator's award is within the limits of the authority of the arbitrator as set forth in this Article.

A neutral arbitrator may hear and decide only one grievance during one arbitration proceeding unless otherwise mutually agreed in writing by the parties. In the event that either party asserts that the grievance is barred or waived by the grieving party's failure to follow procedures or adhere to the time limits specified in this Article, the neutral arbitrator selected in accordance with the provisions contained herein shall render a decision as to the waiver or bar or issue prior to any hearing on the merits of the grievance, unless the parties mutually agree in writing otherwise. The parties agree that the issue of waiver or bar shall not be decided by the same arbitrator who decides the merits of the grievance, unless the parties mutually agree in writing otherwise. Both parties shall be given ample notice of the time and place of any hearing before the arbitrator and shall be afforded ample opportunity to present to the arbitrator evidence and contentions pertinent to the question or questions at issue, including the direct and cross-examination of all witnesses.

The arbitrator shall not substitute his/her judgment for the University where this Agreement has specified whose judgment will be used or the matter involved has been reserved to the University by law or this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, but in any event no later than thirty (30) calendar days after receipt of the arbitrator's award, unless a party wishes to challenge the award.

If the arbitrator's decision is not challenged within thirty (30) calendar days, the decision shall be final and binding. If challenged, the appropriate party must initiate such legal proceedings as available within thirty (30) calendar days of receipt of such award from the arbitrator. In the event such legal remedy is pursued, corrective action will be implemented no later than fifteen (15) calendar days after final resolutions by the courts.

The terms of any settlement agreed upon in a case that has been filed for arbitration shall be implemented as soon as practical, but in any event no later than forty-five (45) days after the agreement is fully executed. The agreement may contain, if appropriate, either as a term of the agreement, or as an appendix, a statement(s) concerning the implementation of the terms of the agreement.

If the Department of Corrections or Juvenile Justice Commission bans an employee from all UCHC facilities, the employee will be terminated and may not grieve or arbitrate the termination. However, such employees may apply for open positions for which they qualify in other units of Rutgers.

If the Department of Corrections or Juvenile Justice Commission bans an employee from a single facility, the University will place the employee in a vacant position of the same title for which they qualify in another UCHC

facility. The banning may not be grieved or arbitrated. If there is no vacant position of the same title for which he/she qualifies in another UCHC facility, the employee will be terminated and may apply for open positions in other units of Rutgers.

In order to expedite the grievance/arbitration process and to promote the settlement of grievances, the Union and the University agree on the following:

1. The parties shall meet on a quarterly basis to review grievances currently filed for arbitration and to discuss which, if any grievances, can be resolved prior to an arbitration hearing.

15. Non-discrimination

Neither the University nor the Union will discriminate against any employee or applicant for employment, in any matter relating to employment because of race, color, creed, national origin, ancestry, religion, sex, gender identity and expression, pregnancy, physical or mental disability, marital status, civil union or domestic partnerships, sexual orientation, age, genetic information, or military or veteran status. Neither the University nor the Union will discriminate against any employee because the employee is or is not a member of the Union, or because the employee has filed any complaints or grievances with the University or the Union.

16. Management Rights Provision

- A. The University retains and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in it by the laws and constitutions of the State of New Jersey and the United States of America.
- B. Except as specifically limited or modified by the terms of this Agreement, or by law, all the rights, powers, duties, authority, prerogatives of management, and the responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and activities of employees are also retained by the University, whether exercised or not, and are to remain exclusively with the University.

17. Wages

It is agreed that during the term of this Agreement for the period beginning on the effective date of this Agreement by the parties until the termination of this Agreement, the salary and fringe benefit improvements set forth herein shall be provided to eligible employees in the unit within the applicable policies and practices of the University and in keeping with the conditions set forth herein and subject to the State Legislature enacting appropriations for these specific purposes.

In the event the University intends to withhold any of the economic provisions of this Article by invoking the “subject to” language in the prefatory paragraph of this Article, it is agreed that the invocation of the “subject to” language will be based on a determination by the University that there exists a fiscal emergency.¹ If the University invokes the prefatory “subject to” language as set forth in Paragraph A above, following the determination of a fiscal emergency, the University agrees as follows:

1. The University shall provide the HPAE with written notice of at least twenty-one (21) calendar days. The Notice shall contain a detailed explanation for the determination by the University that a fiscal emergency exists and shall specify the action the University intends to take to address the fiscal emergency at the conclusion of the twenty-one (21) calendar day notice period.

If due to a reduction in State funding/appropriations to the University for the next fiscal year, the University determines that a fiscal emergency exists and if based on the date the University learns of the reduction it is not possible to provide the full twenty-one (21) calendar days’ notice, the University shall provide the maximum notice possible. If the University provides fewer than twenty-one days’ notice, upon request of the HPAE negotiations pursuant to paragraph 3 below shall commence within 72 hours; however, the University shall be permitted to delay the implementation of salary increases during the shortened period of negotiations.

2. Along with the Notice provided to the HPAE pursuant to paragraph 1 above, the University shall provide the latest available statements/financial documents, as follows:
 - The financial information upon which the University relies as the basis for its claim that a fiscal emergency exists;
 - The audited financial statements for the prior fiscal year;
 - Quarterly Statement of Net Position (Balance Sheet) for the current fiscal year;
 - Current projection of the Income Statement for the Unrestricted Educational and General Operating Funds (Operating Budget) for the current fiscal year;
 - Quarterly Statement of Cash Flows (Statement of Cash Flows);
 - Unaudited End of Year financial statements for the statements listed above;

¹*The determination of whether a fiscal emergency exists shall not be limited to whether there is a reduction in State appropriations/funding.*

- University budget request submitted to the Department of Treasury for past, current and upcoming fiscal years; and
- The University's Unrestricted Operating Budget for the current fiscal year and budget for the upcoming fiscal year.

The HPAE may request in writing additional financial information. Disputes over the provision of information shall be decided by the designated arbitrator on an expedited basis.

3. During the notice period, upon written request by the HPAE, the University shall commence negotiations over measures to address the fiscal emergency. The University is not obligated to negotiate to impasse in order to withhold any of the economic provisions of this Article. At any point during the notice period the HPAE may file a 14.02 (A)(1) grievance pursuant to paragraph 5 below.
4. The HPAE agrees that during the notice and negotiation period it will not initiate any legal action, in any forum, to challenge the University's intended action other than as specified in paragraph 3 above.
5. If the parties have not agreed upon measures to address the fiscal emergency, the HPAE may file a grievance under Article 14.02(A)(1) of the Agreement. The grievance shall proceed directly to arbitration under Article 14.02. Such arbitration shall be concluded within ninety (90) days of implementation of the University's decision to withhold any of the economic provisions outlined above in this Article.

The arbitrator shall determine whether a fiscal emergency existed (exists) at the University based on the evidence presented. The arbitrator shall not have the authority to reallocate University funds.

The parties designate Arbitrator Bonnie Weinstock to hear disputes that arise under Article 20 Section A. The parties designate Arbitrator Joseph Licata as an alternate to hear such disputes. If neither arbitrator is available to hear the dispute consistent with the provisions of the "subject to" language contained in Paragraph A of this Article, the parties shall mutually agree upon another arbitrator.

Years of experience as a CRNA, whether at Rutgers University or outside of Rutgers University will be counted on a one-for-one basis (1 year of experience given for each year of CRNA experience).

This reimbursement is in addition to, and separate from any monies currently allocated for tuition reimbursement or other educational reimbursements for which CRNAs are currently eligible. CRNAs may use up to 40 hours per year (pro-rated for part timers) at their regular rate of pay for conference/continuing education.

22. Effective Date and Duration

Re: Non-Represented Employees Covered by the WDEA

Dear Ms. White,

As you know, Rutgers, the State University of New Jersey ("Rutgers" or the "University") and HPAE (the "Union") are engaged in collective negotiations for a collective negotiations agreement covering Rutgers Registered Nurses for a period of time beginning July 1, 2018.

Despite correspondence between Rutgers and HPAE concerning non-represented employees performing negotiations unit work, and discussions at the negotiations table on several dates we have not been able to fully address their inclusion into the HPAE bargaining unit.

Therefore, so that the ratification of a new contract will not be delayed, the University proposes that the parties continue to negotiate the terms and conditions of employment for any such non-represented employees performing negotiations unit work.

These meetings shall commence upon ratification by the Union of the new contract and shall conclude within 90 days following the ratification. Until such time that the terms and conditions of employment of non-represented employees (including temporary, casual and per diem employees) performing negotiations unit work have been negotiated into the current applicable negotiations agreement, the parties agree that the current terms and conditions of employment for such employees will continue.

By signing below, the parties indicate their agreement to the above terms.

FOR HPAE

FOR RUTGERS UNIVERSITY

Harry M. Agnostak, JD

Memorandum of Agreement
between
Rutgers, the State University of New Jersey
and
Health Professionals and Allied Employees, AFT/AFL-CIO

Whereas, HPAE and Rutgers, the State University of New Jersey ("Rutgers") currently are negotiating a successor collective negotiations agreement to the agreement dated October 1, 2014 through June 30, 2018;

Whereas, Rutgers has an immediate need to retain and recruit new CRNAs at a rate higher than the range set forth in the collective negotiations agreement between HPAE and Rutgers dated October 1, 2014 through June 30, 2018;

HPAE and Rutgers agree to implement these changes upon signing this agreement as follows and that these changes shall remain in place until a successor agreement, effective July 1, 2018, has been ratified by HPAE. The Items 1-7 shall be incorporated into Article 21 unless otherwise mutually modified:

1. Effective **January 1, 2019**, the Nurse Anesthetist Scale set forth in Article 21 of the collective negotiations agreement dated October 1, 2014 through June 30, 2018, shall be replaced with the following wage ranges:

Nurse Anesthetist Range:

	Experience Credit	Upon Signing the Agreement
Step 1	0-2 years	\$178,731 (\$85.93)
Step 2	3-4 years	\$187,066 (\$89.94)
Step 3	5-6 years	\$191,386 (\$92.01)
Step 4	7-8 years	\$196,830 (\$94.63)
Step 5	9-10 years	\$202,955 (\$97.57)
Step 6	11+ years	\$208,735 (\$100.30)

Per Diem Rate – CRNA:

Weekday: \$127 per hour, effective upon signing this agreement.

Weekend: \$127 per hour, effective upon signing this agreement.

2. All active CRNAs currently on payroll will be placed at the appropriate step of the new range based on credited years of experience as of the first full pay period after the signing of this Agreement. One (1) year of full-time experience shall equal one (1) year of credit. Years of experience as a CRNA, whether at Rutgers University or outside of Rutgers University will be counted on a one-for-one basis (1 year of experience given for each year of CRNA experience).
3. To ensure proper placement on the range, the University will rely on the information contained in each employee's Human Resources file to determine credited years of experience, and the union will be provided this information before signing this agreement for verification.

4. CRNAs whose hourly rate is lower than the rate set forth in the above range for their years of experience shall be placed on the appropriate level and have their hourly rate increased to the wage rate for that level.
5. No CRNA will have their current wage rate reduced based upon wage adjustments made under this section. CRNAs whose hourly rate is higher than the rate set forth above for their years of experience will be "red circled."
6. Effective the first full pay period each July, CRNAs who have obtained the appropriate years of experience as of June 30 of the previous fiscal year shall be moved to the corresponding level of the range.
