promotion based on merit to a classification, even lacking the specific criteria of reaching the anniversary date or having held the prior position in the classification scheme. Such a merit increase must be approved by the Borough Council before it takes effect.

Probationary: A new hire in the Department of Public Works must serve a period of ninety days (3 months). This period applies even if the employee begins at a classification above Helper I. The Borough may determine to terminate the employee during this period if, at its sole discretion, it determines the employee would not be a good employee in the Department of Public Works. The employee is evaluated at the end of the probation period to determine if he/she is competent to meet the demands of the work required within the Department of Public Works, such as loading of trash and recycling of trash into trucks, shoveling snow, cutting of grass, and general labor. This evaluation will also consider work performance in terms of quantity and quality, work attitude, including attitude toward co-workers and supervisors, absenteeism and any other performance considerations that the Borough determines would affect the contribution of the employee to the Department.

Helper I: A full time employee who will demonstrate and be trained in the following proficiencies while in this classification:

- a) Demonstrate satisfactory work habits as reflected in the probationary evaluation and the annual employee evaluation.
- b) Will be trained in the basic safety procedures during the probationary period.
- c) Following orders and duties assigned by immediate supervisors.

Helper II: A full time employee will be promoted to this position on the employee's hire anniversary date if he/she is currently classified as a Helper I. The Borough may at its sole discretion determine not to promote an employee who has had a suspension without pay in the preceding twelve months, or who has taken unpaid leave after exhausting all allotted leave for the calendar year, or who is deficient in any of the following skills:

- a) Has met the requirements of Helper I.
- b) Adherence to safety procedures regarding the collection and loading of trash, recycle items, discarded appliances and similar items.
- c) Adherence to safety procedures regarding the gathering of leaves, brush, etc.
- d) Ability to carry out safely and effectively similar duties assigned by immediate supervisors.

Helper III: A full time employee will be promoted to this position on the employee's hire anniversary date if he/she is currently classified as a Helper II. The Borough may at its sole discretion determine not to promote an employee who has had a suspension without pay in the preceding twelve months, or who has

taken unpaid leave after exhausting all allotted leave for the calendar year, or who is deficient in any of the following skills:

- a) Has met the requirements of Helper I and Helper II.
- b) Follows DPW training procedures regarding the cleaning of storm sewer inlets, the repair of potholes in streets, the use of large grass cutting equipment, and proper snow removal and use of snow removal equipment.

Helper IV: A full time employee will be promoted to this position on the employee's hire anniversary date if he/she is currently classified as a Helper III. The Borough may at its sole discretion determine not to promote an employee who has had a suspension without pay in the preceding twelve months, or who has taken unpaid leave after exhausting all allotted leave for the calendar year, or who is deficient in any of the following skills:

- a) Has met the requirements of Helper I, II and III.
- b) Has the knowledge of the whereabouts of all Borough facilities and the trash, recycle and discarded appliance/heavy metal routes.
- c) Has knowledge of the function and care of DPW equipment, along with a basic understanding of repairs to that equipment.

Journeyman I: A full time employee will be promoted to this position on the employee's hire anniversary date if he/she is currently classified as a Helper IV.
