B. **Procedure**

1. All meetings and hearings under this procedure shall be conducted in private and shall include only interested parties and/or their designated or selected representatives.
2. Any employee who has a grievance shall discuss it first with his/her principal, (Custodian: Buildings and Grounds Supervisor), if applicable, in an attempt to resolve the matter informally at that level.
3. If as a result of the discussion, the matter is not resolved to the satisfaction of the employee within ten (10) school days, he/she shall set forth his/her grievance in writing to his/her principal (Custodian: Buildings and Grounds Supervisor) specifying:
 - a. The exact contract provision, policy or administrative decision that is being grieved.
 - b. The exact remedy being sought.

The Superintendent shall communicate his/her decision in writing to the employee and the principal.
 - b. This shall be accomplished within thirty (30) days of the completion of the arbitration hearing.

ARTICLE XX
AGENCY SHOP REPRESENTATION

A. **PURPOSE OF FEE**

If an employee does not become a member of the Barrington Education Association during any membership year (i.e. from September 1 to the following August 31) which is covered in whole or in part by this Contract, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of service rendered by the Association as majority representative.

B. **AMOUNT OF FEE**

1. **Notification**

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessment charged by the Association to its own. Fees to be paid by non-members will not exceed eighty five percent (85%) of the above amounts.

2. **Legal Maximum**

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessment charged by the Association to its own members, and the representation fee will not exceed eighty five percent (85%) of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the effective date of change.

C. **DEDUCTIONS AND TRANSMISSION OF FEE**

1. **Notification**

Once during each membership year covered in whole or in part by this Contract, the Association will submit to the Board a list of those employees who have not become members of the Barrington Education Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph two (2) below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid:

- a. Ten (10) days after receipt of the aforesaid list by the Board; or
- b. Thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in the bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employment in a bargaining unit position, whichever is later.

3. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Mechanics

Except as otherwise provided in this Article, the mechanics for deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deductions and transmissions of regular membership dues to the Association.

5. Changes

The Association will notify the Board in writing of any changes in the list provided in paragraph one (1) above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

6. New Employees

On or about the last day of each month, beginning with the month this Contract becomes effective, the Board will submit to the Association, a list of all employees who began their employment in the bargaining unit position during the preceding thirty (30) days period. The list will include names, job titles and dates of employment from all such employees.

D. INDEMNIFICATION AND SAVE HARMLESS PROVISION

The Association shall indemnify and hold the Board harmless against any and all claims, demands, suits and other forms of liability, including liability for reasonable counsel fees and other legal costs and expenses that may arise out of, or by reason of, any action taken or not taken by the Board in conformance with this provision.

The Association-Determined Representation Fee shall be deducted from his or her salary in equal installments, commencing on or after January 1st, and the full amount deducted shall be placed in an interest-bearing escrow account established in and maintained by the New Jersey National Bank pursuant to Section IV D below. Together with aforesaid memorandum, NJEA shall deliver to each Potential Objector a copy of this document and such additional information as may be necessary for him or her to gauge the propriety of the Association-Determined Representation Fee, including specifically the following documents:
 - 1. The budget of the LEA, CEA, NJEA, and NEA projecting expenditures of the current representation year; and
 - 2. End of the year financial reports for LEA, CEA, NJEA, and NEA indicating actual expenditures for the immediately preceding representation fee year, together with statements from an independent auditor or authorized association representative verifying that said reports reflect the actual expenditures during that year.
- c. Prior to December 1st, NJEA shall deliver to the employing school district each Potential Objector a copy of this document, entitled the Demand and Return System and Procedure for Determining Amount of Representation Fee to be charged by Local Affiliates of the New Jersey Education Association.
- d. Potential Objectors shall not be required, through payroll deduction or otherwise, to pay any portion of a representative fee until at least thirty (30) days after the information referred to in Section III B above has been delivered to them and their employing school district.
 - i. The date on which a representation fee payer actually begins to pay the representation fee shall have no bearing on the amount of the fee that he or she is required to pay. This amount shall be determined by the date on which the representation fee payer enters the bargaining unit relevant LEA. In order to be timely, the notice of objection must be postmarked or delivered on or before January 1st of each representation fee year.

4. OBJECTIONS TO AMOUNT OF ASSOCIATION-DETERMINED REPRESENTATION

- a. Any Potential Objector who wishes to challenge the Association-Determined Representation Fee (Category 2 in Section III (B) above) shall so notify NJEA by mailing a notice of objection to NJEA Representative Fee, 180 West State Street, Trenton, New Jersey 08607, or by delivering such a notice to NJEA at said address. The notice of objection shall be in written form and shall include the employee's name, social security number, home address, employing school district and relevant LEA. In order to be timely, the notice of objection must be postmarked or delivered on or before January 1st of each representation fee year.

- b. If any timely objections are filed, NJEA shall, promptly after January 1st,
 - i. Ask the AAA to appoint an arbitrator experienced in public sector labor relations to hold a hearing to determine the percentage of the NJEA and NEA budgets for the representation fee year that shall be expended for chargeable activities, and;
 - ii. Provide the AAA with a list containing the names, social security number, home address, employing school district, and relevant LEA for each employee who has filed a timely objection. The hearing shall be held in Trenton, New Jersey, at a location and on a date to be determined by the arbitrator. Unless an extension is approved by NJEA, the arbitrator shall, on or before January 30th, submit to NJEA and each employee on the list a report that indicates the percentage of the NJEA and NEA budgets for the Representation fee year that the arbitrator has determined shall be expended for chargeable activities. (With approval of NJEA, the arbitrator may defer for subsequent issuance of his or her reasoning and rationale.)
- c. Except as otherwise provided in this document, all matters relating to the arbitrator's determination of the percentage of the NJEA and NEA budgets that shall be expended for chargeable activities, including without limitation, the selection of the arbitrator, the conduct of the hearing, and the issuance of the report, shall be dealt with in accordance with the AAA Rules for Impartial Determination of Union fees, a copy of which is attached hereto.
- d. Pending NJEA's recalculation of the amount of representation fee pursuant to Section V below, the full amount of the representation fee collected from any employee who has filed a timely objection shall be placed in an interest-bearing escrow account established in and maintained by the New Jersey National Bank. Said fee shall be sent to the New Jersey National Bank for placement in the escrow account promptly after LEA receives it from the objector or his or her employer.
- e. Any employee who enters the bargaining unit after October 15th but before NJEA's recalculation of the amount of the representation fee pursuant to Section V below and does not become a member of LEA within fifteen (15) days of such entry shall promptly thereafter be provided with the information referred to in Section III B above. If said employee mails or delivers a notice of objection to NJEA, pursuant to Section IV A above. Within thirty (30) days after being provided with the information, NJEA shall, to the extent practicable, arrange for the full amount of his or her representation fee to be placed in the aforesaid escrow account and for him or her to have an opportunity to participate in the hearing before the arbitrator.

5. RECALCULATION OF AMOUNT OF SERVICE FEE

- a. Promptly after receipt of the arbitrator's report, NJEA shall utilize the following procedure to recalculate the amount of the representation fee that may be charged by each LEA to employees who filed timely objections.
 - i. The percentage of the NJEA budget that the arbitrator who determined shall be expended for the chargeable activities during the representation fee year shall be applied to the NJEA portion of unified dues to obtain a dollar figure.
 - ii. The percentage of the NJEA budget that the arbitrator has determined shall be expended for chargeable activities during the representation fee year shall be applied to the NJEA portion of unified dues to obtain a dollar figure.

- iii. The percentage of the NJEA budget that the arbitrator has determined shall be expended for chargeable activities during the representation fee year shall be applied to the CEA and LEA portions of unified dues to obtain a dollar figure.
 - iv. The application of the NJEA percentage to the CEA and LEA portions of unified dues is intended to avoid the rime, expense and burden that would be involved in presenting individualized proof as to the expenditures of as many as twenty one (21) CEAs and potentially hundreds of LEAs. This approach operates to the advantage of representations fee payers, in as much as an LEA, which is the majority representative charged with the legal responsibility for negotiating and administering the collective bargaining agreement -and a CEA- which is the first line of support - invariably spend a greater portion of their budgets for chargeable activities than does a state association - which has a somewhat more varied agenda.
 - v. The dollar amounts obtained pursuant to paragraphs i, ii, iii, iv above shall be totaled. This total is referred to hereinafter as the “Impartially-Determined Representation Fee”.
- b. Employees who have filed timely objections shall not be required to pay more than the Impartially-Determined Representation Fee. Based upon the Impartially-Determined Representation Fee, NJEA shall allocate any money, including interest that may be in the escrow account established pursuant to Section IV D above. In the Impartially-Determined Representation Fee is less than the Association-Determined Fee, NJEA shall reduce appropriately the amount paid by all employees who have filed timely objections. However, NJEA may, at its option, arrange for the employer to adjust the amount of future representation fee payroll deductions, or promptly after calculation of the Impartially-Determined Representation Fee pay to the employee in a single lump sum an amount that is equal to the total excess amount that subsequently shall be deducted for the remainder of the representation fee year. If the Impartially-Determined Representation Fee is larger than the Association-Determined Representation Fee, the amount paid by objecting representation fee payers shall not be increased.

6. MISCELLANEOUS

- a. The determinations made by the arbitrator shall be used to calculate the amount of the representation fee paid by all employees who have filed timely objections, including those who because of late entry into the bargaining unit are not afforded an opportunity to participate in the hearing held pursuant to Section IV D above.
- b. LEA, CEA, NJEA, and NEA shall be bound by the determinations made by the arbitrator and may not challenge said determinations in any other forum. Any representation fee payer who has filed a timely objection may challenge the Impartially-Determined Representation Fee by filing a petition with the New Jersey Public Employment Relations Commission Appeal Board pursuant to N.J.A.C. 19:17-3.1 et.seq. NJEA may take actions set forth in Section V B above notwithstanding the fact that such a petition has been filed.
