- E. The BOFC and its representatives shall exercise their supervisory duties faithfully, irrespective of the fact that the employees are covered by this agreement, and they shall be objective in their dealings with all personnel subordinate to them, irrespective of their affiliation with the Association.

ARTICLE VI - GRIEVANCE PROCEDURE

- A. Purpose
 - 1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement.
 - 2. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the District staff.
 - 3. Nothing herein shall be deemed to deny the employees of their statutory or other legal rights concerning discipline. Nothing herein shall be deemed to deny employees of their rights to pursue any other statutory or legal remedies in lieu of resorting to the grievance

procedure.

B. Definition

The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of policies, procedures, contractual agreements, and administrative decisions affecting the terms and conditions of employment, and shall be raised by the Association on behalf of an individual or group of individuals.

C. Steps of the Grievance Procedure

In order to resolve grievances covered by this Agreement between the parties, this procedure shall be followed unless any step is waived by mutual consent:

Step One:

An aggrieved employee shall institute action under the provisions hereof within fifteen (15) calendar days of the occurrence of the event giving rise to the grievance. Action is instituted by filing a grievance with the Association Grievance Committee. Failure to act within said fifteen (15) calendar days shall be deemed to constitute an abandonment of the grievance.

Within fifteen (15) calendar days after the grievance has been filed and before an effort is made to settle the matter, the Association Grievance Committee shall screen and study the matter to determine whether same has or lacks merit. Such processing of grievances shall take place without discrimination and irrespective of membership or affiliation with the Association. Upon finding merit or non-merit, the Association Grievance Committee shall present written confirmation of such determination to the BOFC's Commissioner of Personnel with the request that the Commissioner of Personnel investigate and resolve same, if required. If a resolution of the Grievance has not been reached within five (5) working days of the submission to the supervisor, the grievance may proceed to Step Two.

Step Two:

1. In the event a satisfactory settlement has not been reached at Step One, the Association may, within ten (10) calendar days of the Commissioner of Personnel's or a designee's decision, file its written grievance with the BOFC. This presentation shall include copies of all previous correspondence relating to the matter in dispute.
2. The BOFC or its' designee shall review the decision of the Commissioner of Personnel, and within ten (10) calendar days from receipt of the grievance make a written determination.

Step Three:

1. In the event the grievance has not been resolved at Step Two, the Association may, within thirty (30) calendar days of the BOFC's decision, request arbitration. The arbitrator shall be chosen in accordance with the rules of the Public Employment Relations Commission (PERC).
2. However, no arbitration hearing shall be scheduled sooner than thirty (30) calendar days after the final decision by the BOFC. In the event that the aggrieved employee elects to pursue other remedies, the arbitration shall be canceled and the matter withdrawn from arbitration. The Association shall pay whatever costs it may have incurred in processing the case to arbitration.

D. Arbitration

1. The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to them involved in the grievance. In formulating their decision, the arbitrator shall adhere to the statutory and case law of New Jersey and the United States where applicable. The arbitrator shall not have the authority to add to, modify, subtract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
2. The costs for the services of the arbitrator shall be borne equally by the BOFC and the Association. Any other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.
3. The Arbitrator shall set forth his findings of fact and reasons for making the award within thirty (30) days after conclusion of the arbitration hearing unless agreed to otherwise by the parties.

E. Group Grievances

Group grievances, which shall be defined as those affecting "substantially" all of the members of the Association, shall be filed by the Association, and the Association only, at Step Three.

- F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to be conclusive. If any grievance is not processed to the next succeeding Step in the grievance procedure within the time limits prescribed there under, then the disposition of the grievance at the last preceding Step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutually agreeing to extend or shorten the time limits for processing the grievance at any Step in the grievance procedure.

ARTICLE VII - DUES DEDUCTIONS AND AGENCY SHOP

- A. The BOFC agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deduction shall be made in compliance with Chapter 123, Public Laws of 1974, N.J.S.A. (R.S.) 52:14-15.9e, as amended. The BOFC shall forward deducted dues to the union as soon as practical, but in no event shall deducted dues be forwarded later than thirty (30) days from the date the dues is deducted.
- B. A check-off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the BOFC Administrator during the month following the filing of such card with the BOFC.
- C. If during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish to the BOFC written notice thirty (30) days prior to the effective date of such change and shall furnish to the BOFC either new authorizations from its' members showing the authorized deduction for each employee, or an official notification on the letterhead of the Association and signed by the President of the Association advising of such changed deduction.
- D. The Association will provide the necessary "check-off authorization" form and the Association will secure the signatures of its members on the forms and deliver the signed forms to the BOFC Administrator.
- E. Any such written authorization may only be withdrawn between the period of the 1st of April and the 30th of June by filing a withdrawal notice with the BOFC Administrator. The filing of notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e, as amended.
- F. The BOFC agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Association and transmit the fee to the majority representative.
 - 1. The deduction shall commence for each employee who elects not to become a member of the Association during the month following written notice from the Association of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission.
 - 2. The fair share fee for services rendered by the Association shall be in an amount equal to the regular membership dues, initiation fees and assessments of the Association, less the cost of benefits financed through the dues and available only to members of the Association, but in no event shall the fee exceed eighty-five (85%) percent of the regular membership dues, fees and assessments.

3. The sum representing the fair share fee shall not reflect the costs of financial support of political causes or candidates, except to the extent that it is necessary for the Association to engage in lobbying activity designed to foster its' policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances and wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the BOFC.
 4. Prior to January 1st and July 31st of each year, the Association, if there is a change in the cost of membership, shall provide advance written notice the BOFC and any non-member of such increase. Upon written request, any information necessary to compute or validate the fair share fee for services enumerated above will be forwarded to the BOFC or employee requesting same.
 5. The Association shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Association. This appeal procedure shall in no way involve the BOFC or require the BOFC to take any action other than to hold the fee in escrow pending resolution of the appeal.
- G. The Association shall indemnify, defend and save the BOFC harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the BOFC in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Association to the BOFC, or in reliance upon the official notification on the letterhead of the Association and signed by the President of the Association, advising of such changed deduction.

ARTICLE VIII - EMPLOYEE RIGHTS AND PRIVILEGES

- A. Nothing contained herein shall be construed to deny or restrict any employee such rights as they may have under New Jersey laws or other applicable laws and regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.
- B. No employee shall be disciplined, reduced in rank or compensation without just cause. Any such action asserted by the BOFC or any agent or representative thereof shall not be made public and shall be subject to the grievance procedure herein set forth.
- C. All written rules and regulations shall be provided to the employees immediately upon promulgation.
- D. Whenever an employee is required to appear before any Supervisor, Fire Chief, Board of Fire Commissioners or BOFC Representative concerning any matter which could adversely affect the continuation of that employee in their position, employment, or the salary or any increments pertaining thereto, then they shall be given prior written notice of the reasons of such meeting or interview and shall be entitled to have a representative of the Local present to advise them and represent them during such meeting or interview.

- E. Any employee whose action may give rise to charges by the BOFC or any agent or representative thereof, either discipline or criminal, shall be advised prior to having any hearing or meeting with any agent or agents of the BOFC or Department. The affected employee shall be afforded all rights pursuant to U.S.S.C. decisions under Weingarted. No statement shall be given without first advising the affected employee of the matter or matters for which they are under investigation. The employee shall have full access to counsel in any hearing or internal investigation scheduled by the BOFC.

Nothing in this Agreement shall be construed as providing a guaranteed workday or workweek.

- C. There shall be two meal breaks of thirty (30) minutes each for scheduled shifts greater or equal to twelve (12) consecutive hours. For scheduled shifts less than twelve consecutive hours, there shall be a meal break of thirty (30) minutes in duration per day. When the BOFC, or their designee approves a lunch break away from the premises, the crew must remain together to respond to alarms.
- D. Overtime will be paid in accordance with the Fair Labor Standards Act requirements for public agencies engaged in fire protection.
- E. When an employee is recalled to duty, they shall be entitled to compensation at their overtime rate for all hours worked, with a minimum compensation of one (1) hour. Time beyond the initial hour worked when recalled to duty, or when contiguous with a regular shift will be calculated in fifteen (15) minute intervals. Recalled to duty shall include: training and drills not conducted during regularly scheduled hours, "All Hands" and rescue assignments within Fire District #6 or any other Fire District authorized by the BOFC. For an employee to be eligible for "All Hands" overtime, a firefighter must respond and report to the Incident Commander prior to the event being declared under control.
- F. Employees may elect to take Compensation Time, in lieu of monetary compensation for overtime. Such election shall be in accordance with the Fair Labor Standards Act and any other statutory requirement. However, any Compensatory Time earned in a particular year shall be used in the calendar year it was earned. In the event, despite best efforts to use all Compensatory Time within the calendar year earned, an employee accumulates

Compensatory Time, pay for same shall be compensated at the rate it was earned and paid in either the last pay period in December or a special pay before the end of January in the succeeding year.

- G. The Commissioner of Personnel, or his designated representative will maintain an Overtime Registry showing the total overtime hours worked by each employee in the current calendar year. When overtime is necessary, it will be offered to the employee(s), which have the lowest total amount of overtime hours for the current calendar year. If there is a tie for the lowest total amount of overtime in the current calendar year, it shall first be offered to the fire fighter with the most District #6 seniority. The Board reserves the right to assign employees to specific overtime assignments, regardless of seniority or shift assignment, when specific skills, qualifications, experience or abilities are required. Overtime associated with the role of Fire Marshal shall first be offered to the Fire Marshal.
- H. When there are not enough employees willing to work overtime, management shall have the right to assign overtime on an involuntary basis to the employee with the lowest total overtime hours in the current calendar year. A. Application

- 1. In the event an employee becomes disabled by reason of service-connected injury or illness and is unable to perform his duties, he shall be entitled to injured on duty leave for a period of up to one (1) year without loss of pay. In the event an employee is granted said injury leave, the BOFC's sole obligation shall be to pay the employee the difference between his regular pay and any compensation, disability, or other payments received from all other sources. The intent being that the employee shall be made whole, not suffer any loss and that there be no excess or double recovery, any other payments shall be an offset against the BOFC's liability.

2. If an employee returns to work from injury leave for less than one (1) year, he may return to injury leave for the same injury for an additional period of time which, when added to the initial period of injury leave, totals no more than one (1) year.

When and if it is finally determined that the injury or illness is not work related, and that the employee is not entitled to job injury compensation, the employee shall be denied injury leave and shall have all time off charged against his or her accumulated sick leave and, if necessary, against any other accumulated leave time. If the employee does not have enough accumulated time off, he or she shall be advanced sick time to cover the absence. - F. If the BOFC does not accept the certificate of the physician designated by the insurance carrier, the BOFC shall have the right, at its own cost, to require the employee to obtain a physical examination and certificate of fitness by a physician appointed by the BOFC.
- G. In the event the BOFC appointed physician certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated, unless the employee's physician provides a contrary documented medical opinion. Then the BOFC and the employee shall mutually agree upon a third physician who shall examine the employee. The cost of the third physician shall be borne equally by the BOFC and the employee. The determination of the third physician as to the employee's fitness to return to duty shall be final and binding upon
