WHEREAS, the parties have carried on collective negotiations for the purposes of developing a contract governing wages, hours of work, and other terms and conditions of employment;

NOW, THEREFORE, in consideration of the promises and mutual agreements herein contained, the parties hereto agree with each other with respect to the Employees of the Employer recognized as being represented by the Union, as follows:

ARTICLE 1 - RECOGNITION

The Employer hereby recognizes Local Union No. 469 affiliated with the International Brotherhood of Teamsters as the exclusive representative for the purpose of collective negotiations with respect to wages, hours of work and other terms and conditions of employment for all clerical employees employed by the Township of Readington (see attached list), but excluding all other employees including managerial executives, confidential employees, professional employees, police, craftsmen, and supervisors within the meaning of the act.

ARTICLE 2 - DUES CHECK OFF

Section 1. The Employer agrees, for each of its employees covered by this Agreement who in writing authorizes the Employer to do so, that it will deduct from the earnings payable to such employee, the monthly dues and initiation fees, if any, for each

such employee's membership in the Union. Deductions shall be made from each payroll period in equal amounts and initiation fees shall be deducted in the same method as the dues immediately following the completion of the probationary period.

Section 2. The Union Dues deducted from an employee's pay will be transmitted to the Secretary Treasurer of Local Union 469 of the Union by check within ten (10) working days after the first period in which deductions are made, and within ten (10) working days after such deductions are made each month thereafter, and said dues deduction will be accompanied by a list showing the names of all employees for whom the deductions were made.

Section 3. The Union agrees to furnish written authorization in accordance with State statute, N.J.S.A. 52:14-15.9(e), from each employee authorizing these deductions. The Union further agrees to be bound by all provisions of said State statute, as well as all other applicable provisions of law pertaining to dues check off.

Section 4. The amount of monthly Union membership dues will be set forth on the signed dues authorization card. Any change in the amount of dues will be evidenced by a new signed dues authorization card from the employees. The Union agrees to give the Employer two weeks advance written notice of any change in membership dues.

Section 5. The Union agrees that it will indemnify and hold harmless the Employer against any actions, claims, losses or expenses in any manner resulting from action taken by the Employer at the request of the Union under this Article.

ARTICLE 3 - UNION REPRESENTATION

Section 1. Upon notification to and approval by the appropriate supervisor, the privilege of the steward to leave his work at a reasonable time during working hours without loss of pay is extended with the understanding that the time will be reasonable, will be devoted solely to attendance at meetings conducted pursuant to Article XIX, Grievance and Arbitration, or any such informal meetings with a supervisor or the

Administrator/Clerk regarding an incident that could lead to discipline, and will not unduly interfere with the normal working operations of the Employer.

Section 2. The Employer recognizes the right of the Union to designate job stewards and alternates. The Employer shall not be required to recognize any employee as a job steward unless the Union has informed the Employer, in writing, of the employee's designation as a job steward. The authority of job stewards and alternates so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:

1. The investigation and presentation of grievances in accordance with the provisions of this agreement;
2. The collection of dues when authorized by appropriate local Union action;
3. The transmission of such messages and information which originate with, and are authorized by the local Union or its officers, provided such messages and information:
 - a. have been reduced to writing, or
 - b. if not reduced to writing, are of a routine nature and do not involve work stoppages, slowdowns, refusal to handle goods, or any other interference with the Employer's business.

The Employer recognizes these limitations upon the authority of job stewards and their alternates, and shall not hold the Union liable for any unauthorized acts provided the Union takes all reasonable affirmative action to prevent and/or to stop any unauthorized acts.

The Employer in so recognizing such limitations shall have the authority to impose discipline, including discharge, in the event the shop steward has taken unauthorized strike action, slowdown, or work stoppages in violation of this Agreement.

Stewards shall be permitted to investigate, present and process grievances on or off the property of the Employer, without loss of time or pay. Such time spent in handling grievances shall be considered working hours in computing weekly overtime.

Section 3. A duly authorized representative of the Union designated in writing, after notice to and with the consent of the Township Administrator/Clerk or his/her designee in charge, during reasonable business hours, shall be admitted to the premises for the purpose of assisting in contract administration with prior notification to the Administrator/Clerk or his or her designee.

Section 4. The Employer will notify the Union in writing of all promotions, demotions, transfers, suspensions and discharges. The Employer will notify the Union in writing prior to a layoff.

The Employer will provide the Union with an updated list of covered employees showing name, address, classification, and Social Security number. The Employer will notify the Union of additions and deletions in the payroll of covered employees as they occur.

It is further recognized that applicable law prohibits strikes, slowdowns, job actions, mass resignations, sick-outs or other similar actions.

Section 2. Adequate procedures having been provided for the equitable settlement of grievances arising out of this Agreement, the parties hereto agree for the term of this Agreement that there will not be, and that the Union, its officers, members, agents or principals will not engage in, or sanction strikes, slowdowns, job actions, mass resignations, sick-outs or other similar action which would involve suspension of or interference with normal work performance.

Section 3. The Employer shall have the right to discipline any employee causing a strike, slowdown or other such interference.

Section 4. In consideration of the foregoing, the Employer agrees not to lock-out or cause to be locked out, any employee covered under this provision of this Agreement.

Section 1. The parties agree that nothing herein shall in any way prohibit the Employer from discharging or otherwise disciplining any employee covered by this Agreement, regardless of seniority, for just cause. Notice of discharge or suspension shall be served upon the Union at the same time it is served upon the employee involved.

Section 2. In the event that an employee feels that he has been discharged or suspended unjustly, said employee or the Union shall have the right to file a grievance, which must be in writing, with the Employer within five (5) working days from the time of discharge or suspension. If no grievance is filed within the time period specified, then said discharge or suspension shall be deemed to be absolute unless such time period is expended by mutual agreement of the parties.

Section 3. Except in cases of alleged major offenses, an employee covered hereunder shall receive one prior written “first warning” notice of offense before suspension or discharge is imposed as a form of discipline. Written warning notices shall be null and void after twelve months if no additional violations of rules have occurred.

Section 3. Following the above prescribed period, the Employer shall award the posted job to the most qualified senior employee who has signed the posting, with the basic requirements needed to perform the work in the new classification. If no employee has signed the posting, or if employees who have signed the posting do not possess the basic requirements needed to perform the work in the new classification, the Employer shall have the right to transfer for a period of up to ninety (90) days and/or to hire from the outside to fill such job. Final determination as to which employee, if any, will be awarded the posted job shall be made by the Employer subject to the grievance and arbitration provisions of this Agreement.

The Union and the employee will be kept advised of the progress made in learning the new assignment. The employee will be given every assistance to successfully meet the requirements within the trial period. If the employee is unable to perform the new assignment, he/she shall be returned to his/her former classification and shall assume seniority and pay as though he/she had never left his/her old classification.
