ARTICLE 5

MAINTENANCE OF WORK OPERATIONS

A. The Union hereby covenants and agrees that, during the term of this Agreement neither the Union nor any person acting in its behalf will cause or authorize, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slow-down, walk out or other illegal job action against the City. The Union agrees that such action would constitute a material breach of this Agreement.

B. The Union agrees that it will make a reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned of supporting any such activity by any other employee or group of employees of the City and that the Union will publicly disavow such action and order all such members who participate in such activities to cease and desist from same immediately and to return to work and take such other steps as may be necessary under the circumstances to bring about compliance with the Union order.

C. Nothing contained in this Agreement shall be construed to limit or restrict the City in its right to seek and obtain such judicial relief as it may be entitled to have in law in equity for injunction or damages, or both, in the event of such breach of the Union or its members.

D. The City agrees that it will not engage in the lock out of any of its employees.

ARTICLE 6

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Preliminary Informal Procedure: An employee may orally present and discuss a grievance with their immediate supervisor on an informal basis in the presence of a steward.

C. The Union steward may raise any grievance or dispute informally with the supervisor in an endeavor to reach a satisfactory solution.

D. The term "grievance" as used herein means an appeal by the Union steward or the Union on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements and administrative decisions affecting them.

E. With respect to any grievances, no grievance may proceed beyond Step 1 herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulation, incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step 1 herein.

F. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent:

Step 1: If no solution can be reached in Sections B or C, the steward or the Union shall institute action under the provisions hereof within ten (10) working days after the event giving rise to the grievance has occurred or knowledge thereof and an earnest effort shall be made to settle the difference between aggrieved

employee and the head of their department for the purpose of resolving the matter informally. Failure to act within said ten (10) working days shall be deemed to constitute an abandonment of the grievance.

Step 2: If no agreement can be reached orally with ten (10) working days of the initial discussion with the head of their department, the steward of the Union may present the grievance in writing with five (5) working days to the City Manager. The within grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable section of this contract violated and the remedy requested by the grievant. The City Manager will have a hearing on the within grievance and will answer the grievance in writing within ten (10) working days after the hearing has been closed.

Step 3: If the grievance is not settled through Steps 1 and 2, the Union may, at its discretion, submit the grievance to arbitration pursuant to the rules and regulations of the New Jersey State Board of Mediation within fifteen (15) working days of receipt of the written decision of the City Manager. The cost for the services of the arbitrator shall be borne equally between the City and the Union. Any other expenses, including, but not limited to the presentation of witnesses, shall be paid by the parties incurring same.

G. The parties direct the arbitrator to decide as a preliminary question whether they had jurisdiction to hear and decide the matter in dispute.

H. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey and be restricted to the application of the facts presented to them involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

I. Upon prior notice to and authorization of the City Manager or their designated representative, in his absence, the designated Union representatives shall be permitted as members of the grievance committee to confer with employees and the City on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Brigantine or require the recall of off-duty employees.

J. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutual agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.
