Unless otherwise indicated, the term "employee" when used hereinafter in this Agreement shall refer to all employees in the negotiating unit.

ARTICLE II

NEGOTIATION OF SUCCESSOR AGREEMENT

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Laws, 1974, N.J.A.C. 19:12-2.1, 34:13A-1+ seq., in a good-faith effort to reach agreement of all matters concerning terms and conditions of employment. Such negotiations shall begin not later than November 15 of the calendar year proceeding the calendar year in which this Agreement expires. Any agreement so negotiated shall be reduced to writing, be signed by representatives of the Board and the B.T.A.A. and, after adoption by the Board and the B.T.A.A., shall apply to all employees.
- B. During negotiation, the Board and the B.T.A.A. shall negotiate in good faith.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representative shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counter-proposals in the course of negotiations. It is understood that any agreement reached by the bargaining teams must be ratified by the Board and the B.T.A.A.
- D.
 - 1. Representatives of the Board and the B.T.A.A.'s negotiating committee shall meet when either party feels it necessary to review the administration of the Agreement and to solve problems that may arise. These meetings are not intended to bypass the grievance procedure.
 - 2. Within a reasonable time prior to the meeting each party shall submit to the other an agenda covering matters they wish to discuss.
- E. This Agreement incorporates the entire understanding of the parties on all matters, which were the subject of negotiation. During the term of this Agreement, neither party shall be required to negotiate with respect to any such matters whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.
- F. This Agreement shall not be modified in whole or in part by the parties, except by an instrument in writing duly executed by both parties.

ARTICLE III

GRIEVANCE PROCEDURE

A. Definitions:

1. A "grievance" is a claim based upon an event or condition, which affects terms and conditions of employment of an employee or employees recognized by this agreement regarding the interpretations, application or violation of policies, agreements, or administrative decisions affecting them.
2. An "aggrieved person or the Association" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claims and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Principles:

1. A grievance, to be considered under this procedure, shall be presented by the grievant not later than twenty (20) school days after the occurrence of the grievance. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievance as quickly as possible.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as is practicable.
3. A grievant may present and process his/her grievance personally or through an appropriate representative. In either event, the grievant shall be personally present at all steps of the grievance procedure. Should a grievant want to process his/her grievance personally or through an appropriate representative of his/her own choosing, he/she may do so; however, the Association shall be so notified and shall have the right to have its own representative present and to have its own representative participate.
4. No reprisals shall be taken by the Board or Administration against any participant because he/she utilizes or participates in the grievance procedure.
5. Should a grievance result from action taken by the Superintendent or the Board, a grievant may present his/her grievance initially at the second step of the grievance procedure.

6. Nothing in this Agreement shall prevent any administrator from discussing his/her grievance with his/her superior, provided that the resolution of the grievance is not inconsistent with terms and conditions of employment of the employees represented by the B.T.A.A.
7. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting employees. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure:

1. STEP ONE:
 - a. A grievant may initially discuss the matter, identified as a grievance, with the Immediate Supervisor in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, Subsection 1.
 - b. A grievant shall sign and file his/her grievance, in writing, by presenting the written grievance to the Immediate Supervisor.
 - c. The grievant and the Immediate Supervisor shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which it is filed.
 - d. The Immediate Supervisor shall communicate his/her decision in writing to the grievant not later than five (5) school days following the hearing. A copy of the decision shall also be forwarded at the same time to the Superintendent.
2. STEP TWO:
 - a. If the grievance has not been resolved at Step One of the procedure, the grievant may file the grievance in writing to the Superintendent. If the Immediate Supervisor is the Superintendent, then the appeal shall be to the Board and the grievance shall be filed with the Board Secretary. This shall be done not later than five (5) school days following the written decision of the Immediate Supervisor.
 - b. The grievant and his/her representative and the Superintendent, or the Board of Education, shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which the grievance was filed at Step Two.

- c. The written decision shall be communicated to the grievant not later than ten (10) school days after the meeting.

3. STEP THREE:

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Step Two, or if the Superintendent or the Board has not communicated the decision in writing to the grievant as provided in Step Two, the grievant and/or his/her representative may proceed to the next step. In the event the decision sought to be appealed is that of the Superintendent, the next step is to the Board in accordance with the provisions herein. In the event the decision sought to be appealed is that of the Board, the next step is that of advisory arbitration as described in Step Four. The hearing at the Board level may be with the Board or the Board's representative, which may consist of one or more persons designated by the Board. The request of the grievant shall clearly explain the grievance and be made, in writing, not later than five (5) school days following the decision of the Superintendent or the Board, or if no such decision has been communicated, then not later than five (5) school days following the expiration of the ten (10) school day period provided in Sub-section c. of Step Two.
- b. The grievant and/or his/her representative and the Board or its representative shall meet in an attempt to resolve the grievance not later than ten (10) school days following the date on which the grievance was filed. The grievant may have three (3) representatives present when his/her grievance is reviewed by the Board or its representative. The Superintendent shall be present at this step.
- c. The Board shall communicate its decision in writing to the grievant not later than fifteen (15) school days following the meeting. A copy of the decision shall also be forwarded at the same time to the Superintendent and the Grievance Committee.

4. STEP FOUR:

- a. In the event the grievant is dissatisfied with the determination of the Board aforesaid, and in the further event that the grievance involves the interpretation or application of this contract, the matter may be submitted to arbitration. A request for arbitration shall be made in writing not later than fifteen (15) school days following the determination of the Board. Failure to request arbitration within said period of time shall constitute an absolute bar to such arbitration unless the Board and the Association shall mutually agree upon a longer time period within which to assert such a demand.

- b. The Board may also request arbitration concerning any dispute regarding the interpretation or application of this contract. The time limits applicable to the Association are also applicable to the Board.
- c. Within ten (10) school days after the Association shall have delivered the written request for arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time period, a request for a list of arbitrators shall be made from the Public Employment Relations Commission. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.
- d. The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this agreement, nor shall he/she have power to rule on grievances which concern the interpretation, application, or alleged violation of Board policies and administrative decisions affecting terms and conditions, or of statutes and regulations setting terms and conditions of employment.
- e. The arbitrator so selected shall confer with the representative(s) of the Board and the Association and hold hearings promptly, and he/she shall issue his/her decision not later than twenty (20) school days from the close of hearings, or if oral hearings have been waived, then from the date that the final statements and proofs are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issue submitted. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory only.
- f. The costs for the services of the arbitrator, including per diem expenses, if any, and the cost of the hearing room, if any, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring such expense.

D. Miscellaneous:

- 1. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
- 2. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representative, heretofore referred to in this Article.

3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. The B.T.A.A. reserves the right to process such a grievance through all levels of the grievance procedure, even though the aggrieved person does not wish to do so.

ARTICLE IV

EMPLOYMENT

- A. Initial salary for new members of the B.T.A.A. should reflect consideration of educational background, previous teaching and administrative experience, military or alternative civilian service, and the salary of equivalent professional personnel adjusted for length of contract and responsibilities of the position. It is recognized that the initial salary of B.T.A.A. personnel is a matter between the Board and an individual.
- B. Employees shall be notified of the contract and salary status for the ensuing year not later than May 15 of the contract year, providing negotiations with the B.T.A.A. have been completed by that date.
- C. A copy of the agreement and the complete, individualized, district job description will be provided to prospective Administrative personnel at a minimum of 24 hours prior to their Board approval. Concurrently, the Administrative Responsibilities list stating the district duties which will be determined by the Superintendent will also be given to the prospective Administrator.
- D. A notice of vacancy shall be posted in each building as far in advance as is practical. An effort will be made to provide candidates from within the staff one week's time to submit their application. Such notices will be posted for established positions or newly created positions and shall set forth the qualifications for the position and the application process.
- E. The compensation schedule for administrators is based upon a base salary supplemented by the following factors: completed years of administrative experience inside or outside of the district (capped at 22 years), and responsibility of the position as determined from the job description. All new hires must have a Masters degree. An additional five percent (5%) factor will be included for a doctoral degree.

ARTICLE V

PROFESSIONAL WORK TIME REQUIREMENT

The B.T.A.A. recognizes the diversity in nature and scope of their assignments and the demand upon their time and competencies. Members shall be bound by ethics and good judgment to spend such time as is necessary to meet their professional obligations.

Professional obligations are outlined in district job descriptions; the authority to alter job descriptions and/or assign additional duties lies with the Superintendent.

The B.T.A.A. and the Board recognize the importance of providing professional development for the administration and the teaching and support staff. To this end, for each year of this agreement, each member of the B.T.A.A. will provide professional development activities for teaching and/or support staff as follows:

Year 1: Provide at least 6 hours of instruction as a teacher in the district's staff college program. Alternative professional development instruction outside of the district's staff college program may be substituted for this requirement with the approval of the Assistant Superintendent. Examples of alternative professional development instruction may include but are not limited to clinics, online courses, and podcasts.

Year 2 and Year 3: Provide at least 12 hours of instruction as a teacher in the district's staff college program. Alternative professional development instruction outside of the district's staff college program may be substituted for this requirement with the approval of the Assistant Superintendent. Examples of alternative professional development instruction may include but are not limited to clinics, online courses, and podcasts.

All professional development instruction that is responsive to the above requirement must be preapproved by the Assistant Superintendent.

The Board agrees to pay reasonable expenses associated with the training of B.T.A.A. members to support their ability to provide professional development instruction to teaching and support staff. Upon request each member will receive a minimum of \$250 per year or \$750 per member over the life of the three year agreement.

The Assistant Superintendent must preapprove all professional development expenses associated with the training of B.T.A.A. members.

ARTICLE VI

B.T.A.A. WORK YEAR

- A. All active members of the B.T.A.A. shall be given 30 paid vacation days annually. Exact dates of vacations shall be set jointly by the individual B.T.A.A. member and the

Superintendent or her/his designee. All, or portions of, said vacation may be taken in months other than July or August with the approval of the Superintendent.

B. In addition to the above and under normal circumstances, the following will be considered paid, non-working days:

1. Labor Day
2. NJEA Convention Days
3. Thanksgiving Day and the day following
4. Christmas Day and the day preceding
5. New Year's Day
6. Martin Luther King Jr. Day (when school is not in session on this day; if in session, administrators will have a floating holiday to be used by June 30 of the current school year)
7. President's Day
8. Good Friday
9. Memorial Day
10. Independence Day
11. One religious holiday when school is not in session, normally Yom Kippur

Substitutions for the above may be made under the terms of this Agreement when mutually acceptable to both the individual employee and the Superintendent.

C. Vacation days not used during one fiscal year may be applied to vacation during the following fiscal year with prior approval of the Superintendent. Deferred vacation accumulated days shall not exceed fifteen (15) working days. Members who are leaving the school district will be entitled to their pro rata share of new vacation days, based upon a monthly allotment of vacation days of 2.5 days per month. For example a member who is leaving the district on June 30 of a given school year will be paid for any unused new vacation days, based upon receiving thirty (30) vacation days for that year, or 12×2.5 . A member who is leaving the district on December 31 of a given school year will be paid for any unused new vacation days, based upon receiving fifteen vacation days, or 6×2.5 . A member who is leaving the district on July 5 of a given school year will be paid for any unused new vacation days, based upon receiving 2.5 vacation days, or 1×2.5 . Per diem rate will be determined by dividing the member's salary by 240 (days).

E. All employees will work from July 1 through June 30.

F. B.T.A.A. members shall be entitled to up to 4 days per year to use as telecommuting days. Telecommuting days may not be rolled over from year to year. The 4 days for telecommuting may be requested on any day that school is not in session. The use of telecommuting days must have preliminary approval by the B.T.A.A. member's Immediate Supervisor and the Superintendent. Preliminary approval is contingent on the submission of a work plan submitted by the B.T.A.A. member through AESOP at the time the day is requested. Final approval is granted upon the submission of a work report approved by the Immediate Supervisor and the Superintendent. Work reports must be

submitted to the Immediate Supervisor on the first day back to work after the use of a telecommuting day.

ARTICLE VII

EMPLOYEE RIGHTS

- A. The Board will meet its obligation under Chapter 123, Public Laws, 1974, N.J.A.C. 19:12-2.1, 34:13A-1+ et. seq.
- B. Nothing contained herein shall be construed to deny or restrict to any employee such rights as he/she may have under New Jersey School Laws or other applicable laws and regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.
- C. No employee shall be disciplined, reprimanded, reduced in rank or compensation, or deprived of any professional advantage without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall be subject to the grievance procedures herein set forth, except in the matters of the renewal of nontenured administrators and the withholding of an increment.
- D. All observations shall be conducted in accordance with applicable statutory and Code provisions.

ARTICLE VIII

B.T.A.A. RIGHTS

- A. The Board agrees to furnish to the B.T.A.A., in compliance with applicable laws and regulations, in response to reasonable requests from time to time, all available information concerning the financial resources of the district including, but not limited to: monthly statements of budget account balances to building principals and administrative assistants; annual financial reports and audits; agendas and minutes of all Board meetings; student enrollment data; individual and group health insurance premiums and experience figures; and such other information that shall assist the B.T.A.A. in developing intelligent, accurate, informed and constructive programs on behalf of the teachers and their students, together with information which may be necessary for the B.T.A.A. to process any grievance or complaint.
- B. The Board and the B.T.A.A. declare as their mutual aim the provision of the best possible public education for the children of Bernards Township. While the Board has been granted authority and responsibility under state law for the establishment of educational policy, it recognizes the need to elicit and promote cooperation by the professional educators in the B.T.A.A. for the implementation of that policy.

- C. The two parties recognize that the respective responsibility of policy formation and the direct management of the system are best carried out when there is full understanding of mutual attitudes and responsibilities.
- D. Toward this end, members of the B.T.A.A. may expect:
1. To carry out those duties and responsibilities required of them by the Superintendent, as executor of the policies of the Board, when those duties and responsibilities are not inconsistent with the terms and conditions of this contract.
 2. To be kept fully informed on all uses of their building's facilities with the right to deny any that would interfere with the educational program. Such denial may be subject to appeal to the Superintendent and the Board.
 3. To have full access to any assessment data or other educational data in which students are identified in any way when such data may reflect upon the employee's professional performance or the performance of staff members within the employee's scope of responsibility.
 4. Positive and public support from the Board and the Superintendent when the employees are carrying out Board policies and stated administrative directives.
 5. To select at least two (2) members of the B.T.A.A. to serve on an advisory committee to aid the Superintendent in the selection of personnel who, upon employment, would become members of the bargaining unit.
 6. To be provided with reasonable opportunity during negotiations with the Bernards Township Educational Association to discuss all contract proposals under consideration and to offer recommendations and advice concerning their implementation and their effect on the educational program.
 7. Personal privacy outside of school; participation in civic or political organizations or activities; membership without harassment or reprisal in any subject matter, educational or professional organization that they are eligible to join, provided such activities do not adversely affect the ability of the employee to carry out his/her job duties.
 8. When an administrative position involves 60 calendar days of consecutive or intermittent leave, the Board will attempt to secure a temporary, full time substitute replacement for such administrator. In the event that no replacement is hired after the expiration of the 60 calendar days, the B.T.A.A. and the Board will negotiate a mutually agreeable stipend for any administrator who may be required to assume additional duties.
- E. Communication from the Public and the Faculty:

1. The Board and the B.T.A.A., as defined in Article I of the contract, shall encourage an atmosphere of open communication between the school system and the public. It is to be clearly understood and agreed that the Central Office Administration will encourage citizens to resolve any complaints/concerns at the lowest level of supervision and from thereon through the chain of command.
2. Complaints/concerns from the public involving the performance of a particular administrator should be discussed informally by the citizen with that administrator and, if not resolved through the chain of command, with the Superintendent. Prior to any action being taken on the complaint/concern, the administrator shall be apprised of the nature of the complaint by the Superintendent and offered an opportunity to respond with representation if he/she chooses. Copies of any written communication from the public or faculty will be given to the staff member by the Superintendent. Any complaint that is not satisfactorily resolved through the chain of command will then be submitted, in writing, to the Superintendent by the complainant and copied to the B.T.A.A. President. The Superintendent will make a recommendation for the resolution of the complaint/concern and will forward it to the Board, the administrator, and the President of the B.T.A.A.
3. The Board or the Superintendent shall not respond to or otherwise engage in questions or discussion in public or from the public on any matter involving the performance of an administrator, unless the administrator has so authorized the Board and the Superintendent pursuant to law.

ARTICLE IX

SICK LEAVE

- A. The purpose of sick leave is to cover the absence of an employee from school in the event of personal illness that would make his/her presence in school inadvisable. Sick leave applies only to absences resulting from illness or injury of the employee him/herself; absence caused by illness or injury in the immediate family is described elsewhere in this Agreement.
- B. Employees shall be allowed fifteen (15) sick leave days per year. All unused sick leave days shall be accumulated for reimbursement at retirement at the rate of \$49 per day to a maximum of \$5,000.

Members will be notified yearly by September 15 of their accumulated sick days as of the closing of the preceding school year.

- C. Employees hired from another district within the state shall be allowed one-half of all sick leave days accumulated in their prior district, up to a maximum of forty-five (45) days.

ARTICLE X

LEAVES OF ABSENCE

Leaves of absence with pay, or without where so indicated, shall be granted for the following reasons upon the approval of and at the discretion of the Superintendent or the Board.

A. Temporary

1. For personal illness in the immediate family (spouse, child, parent, grandparent or other relative living in the employee's immediate household), maximum of five (5) school days per year.
2. In case of death of a member of the family the employee will be excused without loss of pay or sick leave for a period not to exceed five (5) days. The Board may extend the employee's leave in the case of the death of a child or spouse. The five days will begin the day the employee leaves. Such leave may not be cumulative and will exclude Saturday, Sunday, and all legal holidays. "Family" as herein used means parents, spouse, brother, sister, children or adopted children, grandchildren, grandparents, domestic partner of an employee or other person upon the approval of the Superintendent.
3. For the discharge of a business or family obligation or responsibility which cannot be handled outside school hours, maximum two (2) days per year. A personal leave day cannot normally be used the day before or the day after a holiday or vacation period. Application to the Superintendent shall ordinarily be made at least three (3) days prior to leave.

B. Childcare Leave

The Board shall grant care leave in accordance with the provisions herein. Such leave shall be without pay, except that during periods of maternity disability leave, salary shall be paid in accordance with the sick leave statutes, policies and this Agreement.

1. The Board shall grant child care leave without pay to tenured employees because of the birth of a child for a period of no more than one (1) full school year, plus the balance of the school year in which the birth occurred.
2. Non-tenured employees shall be granted childcare leave only for the remainder of the contract year in which the birth occurred.

3. An employee must apply for childcare leave at least sixty (60) days prior to the start of the leave, unless an emergency prevents such notice. The request must state the anticipated date of the beginning of the leave and the anticipated date of return.
4. Any employee who becomes pregnant may at her discretion elect to use all or any portion of her accumulated sick leave during any portion of her pregnancy that her physician certifies she is physically unable to work by applying in writing at least thirty (30) days prior to the beginning of such leave, unless an emergency prevents such notice. This period shall be referred to as sick leave and the employee shall receive full pay and benefits during said period. It is required that the employee produce her physician's certificate in support of her request for the use of sick leave days. Her physician's certificate is subject to agreement by the Board's physician based upon the employee's medical records and upon consultation with the employee's physician are unable to agree, then the two physicians shall agree in good faith on a third impartial physician, who shall examine the employee, at the Board's expense, and whose medical opinion shall be conclusive and binding on the medical issue.

Where medical opinion is supportive of the sick leave to any employee, the commencement and termination dates thereof may be further extended or reduced for medical reasons upon an application by the employee to the Board. Such extension or reduction shall be granted by the Board, provided the employee produces a physician's certificate in support of the requested change, which is subject to agreement by the Board's physician as above provided.

5. Any employee who does not elect to take a child care leave may continue to perform her duties as long as physically able to do so and will be entitled to return when her physician certifies that she is physically able to do so. The period of such absence will be deemed the same as for any other physical disability, and she will be entitled to her annual and accumulated sick leave with pay during the period of disability.
6. Upon return from a childcare leave of absence, the employee shall be reinstated in his/her same position or similar position for which he/she is certified.
7. The Board is under no compulsion to continue the employment of a non-tenured employee beyond the contracted period so long as the non-renewal of employment is not based solely upon a condition of pregnancy or childbirth. The childcare leave period shall not be counted for tenure purposes.
8. Any employee who has been granted a child care leave of absence will be advanced a full salary guide step if he/she works more than one hundred twenty (120) teaching days of the fiscal year. Any days that school is closed for emergency reasons (such as snow) during the one hundred twenty (120) plus days

that he/she has elected to work shall not be deducted from the total days he/she has elected to work.

9. Child care leave shall also be available to an employee who adopts a child under the same conditions set forth above. In such a case, the employee shall make application at least thirty (30) days prior to the beginning of such leave, unless an emergency prevents such notice. The application of the employee shall be accompanied by an affidavit verifying the adoption, in support of the requested childcare leave dates.
10. In the event that the need for childcare leave is negated, the employee may request to return to his/her position at an earlier date. Upon the recommendation of the Superintendent and the approval of the Board, an employee may leave or return at an earlier date than initially requested.
11. Upon return from a leave of absence under this Article, the employee shall retain any unused sick leave. Any additional sick leave shall not accumulate during the period of the leave of absence.
12. If an employee becomes pregnant after the birth for which she has been granted a child care leave and prior to the termination of such leave, the Board shall, upon request, extend the original child care leave for a maximum of one (1) year, with the provision that the extended return date shall coincide with the commencement of either the beginning of the school year or the beginning of the second semester of the school year. Sick leaves shall not apply to the pregnancy subsequent to the initial birth for which the employee has been granted childcare leave.
13. Upon return from a leave of absence under this Article, the employee shall retain any unused sick leave. Any additional sick leave shall not accumulate during the period of the leave of absence.

C. Extended Personal Leave

Other extended personal leave of absence, without pay, may be granted by the Board for good reason. Notice that the employee intends to return to active duty must be made at least three (3) months prior to the date of return.

Employees returning from a personal leave will be placed on the latest salary schedule.

D. Extended Professional Leaves

The following leaves may be granted without pay upon recommendation of the Superintendent and approval of the Board:

1. A leave of absence of up to two (2) years may be granted to an employee who joins the Peace Corps, VISTA, or serves as an exchange administrator or overseas

administrator, and is a full-time participant in any of these programs, or accepts a Fulbright Scholarship.

2. Other professional leaves of absence may be granted by the Board for good reason.
3. Upon return from leave granted pursuant to this section, an employee shall be considered as if he/she were actively employed by the Board during the leave and shall be placed on the salary schedule at the level he/she should have achieved if he/she had not been absent.
4. All applications and responses for leaves shall be presented, in writing, to the Board through the Superintendent.

E. Temporary Academic Leave

SALARIES

- A. 1. The compensation for bargaining unit members is to be determined by a formula which for 12-month employees can be represented as $C = B \times R \times E$. An additional factor of 1.05 will be applied to employees with a doctorate.
 - * **C** is the compensation for the year in question.
 - * **B** is the base salary negotiated for each year of the agreement.
 - * **R** represents the relative responsibility of positions in the bargaining unit. The parties have agreed that this factor was unilaterally determined by the Board. Responsibility factors for any new position will be initially determined by the Board.
 - * **E** recognizes years of administrative school experience both within and without the district, as well as other relevant experience at a rate of one percent (1%) a year for the first 21 years. The application of the factor to a new hire is subject to the unifying evaluation of the Board based upon the recommendation of the Superintendent. E is capped at 22 years or 1.22. Employees whose E is greater than 1.22 as of June 30, 2012 are frozen at that value for the duration of this contract.
- 2. Both parties acknowledge that the base salaries and the factors which make up the Salary Guide are negotiable terms and conditions of employment and that in the future all factors will be subject to negotiation, which may permit either side to establish such factors as the parties may agree upon.
- B. The salaries of all employees covered by the Agreement are set forth in Article XV, Member Salaries of this Agreement.

- C. Employees will be paid in twenty-four semi-monthly installments.
- D. Employees will be advanced a full salary guide step if they work in district in any certified capacity more than 120 days of a given fiscal year.
- E. Any member of the BTAA hired after June 30, 2018 is not allowed to have a base salary greater than the Superintendent. Should the application of the formula in Article XIV A.1 result in a salary that is higher than the base salary of the Superintendent, the employee will receive the base salary of the Superintendent less one (\$1) dollar.

ARTICLE XV

MEMBER SALARIES

- A. The base salary (B) as defined in Article XIV A.1. for all members is a function of the sum of the on guide 12-month employee salaries from 2017-2018 increased annually as follows:
 - a. Year 1: 3.15% Base Salary B = \$87,909.34
 - b. Year 2: 3.15% Base Salary B = \$89,908.93
 - c. Year 3: 3.15% Base Salary B = \$91,992.16
- B. Off Guide Period:
 - Year 1: x
 - Year 2: x plus \$10,000*
 - Year 3: x plus \$10,000*
 - Year 4: Placement on Guide

*If x plus \$10,000 is equal to or greater than the placement on guide salary then placement on guide salary prevails and the individual will be on guide going forward.

ARTICLE XVI

MISCELLANEOUS PROVISIONS

- A. Any individual contract between the Board and an individual employee heretofore or hereafter executed shall be subject to and consistent with the terms and conditions of the Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement during its duration, shall be controlling.

- B. The Board and the Association agree that there shall be no discrimination, and that all practices, procedures and policies of the school system shall clearly exemplify that there is no discrimination in the hiring, training, assignment, promotion, transfer or discipline of employees, or in the application or administration of this Agreement on the basis of race, creed, color, religion, national origin, sex, sexual orientation, domicile or marital status.
- C. Copies of this Agreement shall be reproduced within thirty (30) days after the Agreement is signed and presented to all employees now employed, hereafter employed, or applicants offered employment by the Board.
- D. The cost of tuition, fees, and books for courses approved in advance by the Superintendent and taken for professional growth of employees shall be borne by the Board as follows: thirty thousand (\$30,000) dollars per doctoral degree. As a prerequisite of reimbursement members must submit evidence of their expenses. The Board's total obligation to the B.T.A.A. for this benefit is a maximum of \$30,000 per year. Preference for reimbursement will be given to B.T.A.A. members on a first come first served basis as dictated by date of matriculation into the doctoral program (in the event of a tie seniority is used). The distribution of the \$30,000 budget will be determined based on an analysis of all applications to take course work where the course was completed by June 30 of the current fiscal year. The intent of this contract is to reimburse the first three applicants a maximum of \$10,000 per year to use the \$30,000 annual budget for tuition reimbursement. In the case where one or more of the first three applicants apply for less than the \$10,000 maximum the balance of the \$30,000 budget will be made available to the 4th applicant and so on. An exception to the \$10,000 maximum per year would be in the case where all applicants in a given year use less than the \$30,000 budget – in this instance the remaining funds will be divided equally among applicants (regardless of matriculation date). In all cases no individual may be reimbursed more than \$30,000 per doctoral degree nor will the Board be required to spend more than \$30,000 per year for tuition. In the event that the review of June 1 applications for reimbursement reveal that there is less than a total of \$30,000 in viable reimbursement applications the Board retains the balance of its annual obligation.

Under no circumstances will tuition reimbursements be made to individuals unless all of the following criteria have been met:

- Application to take coursework was submitted and approved
- Application for reimbursement was submitted and approved
- Invoices and evidence of payment have been submitted
- Coursework completion documentation from the educational institution has been submitted and approved
- Applicant for reimbursement was employed by the Board at the time the coursework was completed

B.T.A.A. members listed on the salary schedule for the base year 2001-2002 are grandfathered.

B.T.A.A. members hired after June 30, 2002 and matriculated in a doctoral program approved by the Superintendent before June 30, 2012 are grandfathered to a maximum reimbursement for their doctoral program expenses of \$32,448.

In all instances, members who have received the maximum possible reimbursement from the Board for their doctoral degree and leave the district before two years following the earning of their doctoral degree will owe 50% of the tuition paid for such degree.

Tuition and fees for additional certifications relevant to an administrator's responsibilities as approved by the Superintendent of Schools will be reimbursed by the Board.

- E. Because of the advantages to the school district derived from administrators being active members in professional organizations each will be allowed membership dues for either the Elementary or Secondary Principal's Association, in addition to Principals and Supervisors Association dues.
- F. Within the terms of this contract, the Board on its own behalf and on behalf of the electors of the District hereby retains and reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the Laws and the Constitution of the State of New Jersey and of the United States, including all decisional law and rules and regulations of the State Department of Education and Commissioner of Education of the State of New Jersey.
- G. Reasonable expenses incurred by employees as the result of their attendance at meetings and conventions and directly related to their attendance at these functions will be reimbursed by the Board, providing that attendance and reimbursement of expenses, in whole or in part, was approved or directed by the Superintendent. Reasonable expenses may include registration fees, transportation expenses, meals during or between sessions, housing and costs of related publications.
- H. Smart Phone Allowance: B.T.A.A. members will have the option of using a district issued and paid for smart phone with a plan not to exceed \$65 per month or they may be reimbursed up to \$65 per month for their own privately owned smart phone. B.T.A.A. members exercising the reimbursement option will be reimbursed regularly on a schedule that is mutually agreed upon between the B.T.A.A. and the Superintendent. Reimbursement will be contingent upon submission of smart phone bills and verification of payment. The B.T.A.A. member will be reimbursed \$65 per month or the amount of the monthly bill whichever is lesser. In cases where the B.T.A.A. member's smart phone is part of multiple device or family plan arrangement and individual cost cannot be reasonably be disaggregated, the member will receive \$65 per month.

ARTICLE XVII

DURATION

This Agreement shall be in effect for a three-year period (2018-2019, 2019-2020, 2020-2021) commencing on July 1, 2018 and shall continue in effect until June 30, 2021 subject to the B.T.A.A.'s right to negotiate salaries and subject to the B.T.A.A.'s right to negotiate a Successor Agreement as provided in Article II. This Agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated unless extended by mutual agreement.

In witness whereof, the parties hereto have caused this Agreement to be signed by their respective Presidents, attested by their respective Secretaries, and their corporate seals to be placed hereon.

APPENDIX I

HSA DIRECT ACCESS IMPLEMENTATION PLAN

Members of the BTAA enrolled in the MMRX program provided by the Board are responsible for making Tier 4 Chapter 78 contributions for the health care program in addition to all other health plan program costs including copays, deductibles and contributions to their Health Savings Account (HSA).

However the Board will make an Actual Contribution (AC) each year to employee HSAs up to a Maximum Contribution (MC) for any employee who was an active member of the BTAA as of June 30, 2018 as follows:

At the beginning of each plan year on July 1 a calculation will be made using the premium rates of MMRX programs for the district that have been established for the plan year and the employee's desired coverage (single, parent/child, husband/wife, family). The calculation will be to determine Employee Savings (ES) by taking the difference between Tier 4 Ch.78 contributions for PPO/POS (based on the plan the member was eligible for under the 2017/2018 contract) and Tier 4 Ch. 78 Contributions for the HSA Direct Access plan for the employee's desired tier of coverage.

Next, ES will be compared to the appropriate HSA Direct Access Deductible amount (D) (either \$1500 or \$3000) for the MMRX plan the employee has selected. The Maximum Contribution (MC) will equal the difference between the Deductible (D) and the Employee Savings (ES). In cases where Employee Savings (ES) is greater than the Deductible (D), the Board will not make any contribution to the employee's HSA (neither AC or MC would apply to these employees).

The Actual Contribution, (AC) made each year to an individual employee's HSA will be the difference between the Maximum Contribution (MC) and the Total Prior Year Medical Expenses (TPYME) paid by the employee through their HSA during the previous plan year. In cases where TPYME exceeds MC then AC will equal MC. In cases where TPYME is less than MC the AC will equal TPYME.

To assist members of the BTAA with cash management, the Board will prefund all BTAA members HSAs' up to the deductible amount (\$1500/\$3000) by July 1 of each year except 2018 when the prefunding will be coincidental with the start date of the HSA Direct Access program. Employees will reimburse the Board for these funds (exclusive of any required Actual Contribution (AC) by the Board as described above) through payroll deductions during the fiscal year. In the event that an employee leaves the district during the school year they will be required to reimburse the Board for any of the remaining obligation to the prefunding of their HSA.

For all employees with an HSA the total annual contribution to the HSA, made via any combination of the Board's AC and the employee's contribution, is subject to federal limits.
