1. A “grievance” shall mean a complaint by any employee or group of employees that there has been to him or them, or to the Association an inequitable, improper or unjust application interpretation or violation of Board policy, this Agreement, or an administrative decision;

2. A grievance to be considered under this procedure must be initiated by the grievant (the employee or the Association as to its rights) within thirty (30) calendar days from the time when the grievant knew or should have known of its occurrence.

**B. PROCEDURE**

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be waiver of further appeal of the decision.

(b) It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance continue to observe all assignments and applicable rules and regulations of the board until such grievance and any effect thereof shall have been duly determined.

2. Any employee grievant who has a grievance shall discuss it first with his principal, or immediate superior or department head, if applicable, in an attempt to resolve the matter informally at that level. If a principal is not an immediate supervisor he will be informed of the nature of the grievance.

3. Within five (5) school days after the informal discussion with his principal, or immediate superior or department head, if applicable, if the employee grievant is still dissatisfied with the decision that has been rendered informally, may formally present his grievance to his principal, or immediate superior or department head. Such grievance must be made in writing specifying:

The Superintendent shall communicate his decision in writing to the employee grievant, to the Association and to the principal or other immediate superior.

A. Creation of New Extra Duty Positions:

An Extra Duty Pay position (EDP) may be established at any time during the contractual period.

EDP positions shall not be created without the approval of the Board.

The rate of pay for the standard type of student club, advisor, and activity shall be in accordance with the Levels in the salary schedule above for all student contact and non-student contact hours.

Application for EDP positions may be made to the building principal no later than November 1<sup>st</sup> for the spring semester, and April 1<sup>st</sup> for the subsequent fall.

The Board and the Association shall meet to negotiate and document the job description and number of hours for any such position.

EDP activities anticipated for approval will be posted in advance with terms and conditions of employment.

At the conclusion of the newly created EDP and in consultation with the Association, the effectiveness of the EDP will be assessed for a recommendation to reauthorize the position for the following school year. Should the assessment lead to a change in the job description or number of hours, such changes shall be negotiated with the Association.

Stipend payment will be made at the conclusion of the given EDP schedule of activities.

The Board and the Association recognize that an EDP position may fall outside the bounds of the standard type of student club, advisor, and activity due to special circumstances or requirements, and therefore command a higher salary through the negotiations process. A current example of this is the position of Applied Behavioral Analyst, which has an hourly rate of \$47.00 per hour.
