#### **PREAMBLE**

A. This agreement made this \_\_\_\_ day of \_\_\_\_\_, 2020, by and between the TOWNSHIP OF CLINTON, in the County of Hunterdon, State of New Jersey, a public employer of the State of New Jersey (hereinafter referred to~ as the "Township") and TEAMSTERS LOCAL 469, INTERNATIONAL BROTHERHOOD OF TEAMSTERS, CHAUFFEURS, WAREHOUSEMEN AND HELPERS OF AMERICA (hereinafter referred to as the "Union"), represents the complete and final understanding on all bargainable issues between the Township and the Union.

B. The purpose of this Agreement is to set forth herein all negotiable terms and conditions of employment.

#### **ARTICLE I**

## **RECOGNITION**

The Township recognizes the Union as the exclusive representative, for the purpose of collective negotiations with respect to the terms and conditions of employment of all regularly- employed full-time and regularly employed part-time' blue collar public works employees employed by the Township, but excluding all other employees including confidential employees, white collar employees, managerial executives, police, professional employees, craft employees and supervisors within the meaning of the Act.

#### **DUES CHECK-OFF**

A. The Township agrees to deduct from the wages of its employees covered by this Agreement, dues which said employees individually and voluntarily authorize the Township to deduct. All such deductions will be made in compliance with applicable law.

B. If, during the life of this Agreement, there should be any change in the rate of membership dues, the Union shall furnish to the Township written notice ninety (90) days prior to the effective date of such change.

C. The Union will provide the necessary "check-off authorization" form and will secure the signatures of its members on the forms and deliver the signed forms to the Township. The Union shall indemnify, defend and save the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township either in reliance upon the salary deduction authorization forms submitted by the Union to the Township or in reliance upon the representation fee deductions of this Article. Part-time employees are defined as those working at least twenty (20) hours per week. Part-time employees working less than twenty (20) hours are not part of the bargaining unit. It is specifically agreed that the Township assumes no obligation, financial or otherwise, arising out of the provisions of this Article. Once the funds are remitted to the Union, their disposition shall be the sole and exclusive obligation and responsibility of the Union.

- D. Payroll deductions of Union dues under the properly executed authorization for payroll deduction of Union dues form, shall become effective on the month following the time the form is signed by the employee, and shall be deducted and paid to the Union once each month.
- E. The Township shall be relieved from making "check-off" or representation fee deductions upon (a) termination of employment, or (b) transfer to a job other than one covered by the bargaining unit, or (c) layoff from work, or (d) leave of absence, or (e) revocation of the check-off authorization in accordance with its terms or with applicable law. Notwithstanding the foregoing, upon the return of an employee to work from any of the foregoing enumerated absences, the Township will resume the obligation of making said deductions in accordance with Paragraph D hereof.

- F. The Township shall not be obliged to make dues deductions or representation fee deductions of any kind from any employee who, during any dues month involved, shall have failed to receive sufficient wages to equal the dues deductions. If an employee is in arrears due to the Township's failure to make proper deductions, however, the Township will deduct the appropriate amount when requested and verified by the Union.
- G. If a bargaining unit employee does not become a member of the Union during any calendar year, which is covered in whole or in part by the Agreement, said employee will not be required to pay a representation fee to the Union for that year.
- H. Prior to the beginning of each calendar year, the Union will notify the Township in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that calendar year.
- Once during each calendar year covered in whole or in part by this Agreement, the Union will submit to the Township a list of those employees who have not become members of the Union for the then current membership year. The Township will deduct from the salaries of such employees, in accordance with paragraph 1.2 below, the full amount of the representation fee and will transmit the amount so deducted to the Union.
  - 2. The Township will deduct the representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership in question. The deductions will begin with the first paycheck paid:
    - a. Within thirty (30) days after receipt of the aforesaid list by the Township; or
    - b. Thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Township in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 30 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

- 3. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.
- 4. The Union will notify the Township in writing of any changes in the list provided for in paragraph 1 above, and/or reflected in any deductions made more than thirty (30) days after the Township received said notice.
- 5. On or about the last day of each month, the Township will submit to the Union a list of all employees who began their employment in a bargaining unit position during the preceding 30-day period. The list will include names, job titles and dates of employment for all such employees. Membership in the Union shall be available to all employees in the unit on an equal basis at all times. In the event the Union fails to maintain such a system or if membership is not so available, the Township may cease making said deductions.

#### **UNION REPRESENTATION**

A. Upon notification to and approval by the appropriate supervisor, the privilege of one steward to leave his work at a reasonable time during working hours without loss of pay is extended with the understanding that the time will be reasonable, will be devoted solely to the proper handling of legitimate Union business, and will not unduly interfere with the normal working operations of the Township. The Union agrees that it will notify the Township in writing as to the name of the employee designated as the steward, and the Union further agrees that the privilege of attending to legitimate Union business during working hours shall not be abused.

- B. The Township recognizes the right of the Union to designate one job steward and one alternate. The authority of the job steward and alternate so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:
  - 1. The investigation and presentation of grievances in accordance with the provisions of this Agreement;
  - 2. The collection of dues when authorized by appropriate local Union action;
  - 3. The transmission of such messages and information which shall originate with, and are authorized by the local Union or its officers, provided such messages and information

Job stewards and alternates have no authority to take strike action, or any other action interrupting the Township's business.

- C. The Township shall have the authority to impose proper discipline, including discharge, in the event the shop steward has taken unauthorized action, slowdown or work stoppage in violation of this Agreement.
- D. A duly authorized representative of the Union and Township Administrator designated in writing after notice to the supervisor and Municipal Clerk in charge, during reasonable business hours, shall be admitted to the premises for the purpose of assisting in the adjustment of grievances and for investigation of complaints arising under this Agreement provided, however, that there is no interruption of the Township's working schedule.
- E. The Township will notify the Union prior to a layoff
- F. The Township will provide the Union with an updated list of covered employees showing name, address, classification and Social Security number once every six (6) months.
- G. The Township will notify the Union within one (1) month of any new hires.
- H. Employees shall have the right to examine their personnel file upon proper advance notice.
- I. The employer will notify the Union in writing of all promotions, demotions, transfers, suspensions and discharges.

#### **MANAGEMENT RIGHTS**

A. The Township hereby retains and reserves unto itself without limitations, all powers, rights, authority, duties and responsibilities conferred and vested in it prior to the signing of this Agreement by the laws and Constitutions of the State of New Jersey and of the United States; including, but without limiting the generality of the foregoing, the following rights:

- 1. All management functions and responsibilities, which the Township has not expressly modified or restricted by specific provision of this Agreement.

- 5. To determine the number of employees and the duties to be performed.
- 6. To maintain the efficiency of employees; to establish, expand, reduce, alter, combine, consolidate, or abolish any job or job classification, department or operation of service. However, before any job is abolished, the Township will provide advance notice to the Union.
- 7. To determine staffing patterns and areas worked, to control and regulate the use of facilities, supplies, equipment, materials and any other property of the Township.

- 8. To determine the number, location and operation of divisions, departments, work sections, and all other work units of the Township, the assignment of work, the qualifications required, the performance standards and the size and composition of the work force.
- 9. To subcontract for any existing or future services as allowed by law.
- 10. To make or change Township rules, regulations, policies, and practices.
- 11. And otherwise to generally manage the affairs of the Township, attain and maintain full operating efficiency and productivity and to direct the work force.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township shall only be limited by the language of this Agreement.
- C. In recognition of the rulings of the Courts of New Jersey, the parties recognize that the exercise of managerial rights is a responsibility of the Township on behalf of the taxpayers and that the Township cannot bargain away or eliminate any of its managerial rights.
- D. The failure to exercise any of the foregoing rights, or any right deemed to be a management right by tradition, by agreement, by mutual acceptance, or by practice, shall not be deemed to be a waiver thereof; all management rights ever granted or exercised heretofore are specifically incorporated herein. Any act taken by the Township not specifically prohibited by this Agreement shall be deemed a management right, and shall be considered such as if fully set forth herein.
- E. Nothing contained herein shall be construed to deny or restrict the Township in its rights, responsibilities and authority under Title 40 or Title 40A of the New Jersey Statutes or any other applicable national, state, county or local laws or ordinances.

#### **NO STRIKE PLEDGE**

A. It is recognized that the need for continued and uninterrupted operation of the Township's departments is of paramount importance to the citizens of the community and that there should be no interference with such operations.

- B. The Union covenants and agrees that during the term of this Agreement neither the Union nor any members of the Union, nor any member of the bargaining unit, nor any person acting in its behalf will cause, authorize or support nor will any of its members take part in any strike (i.e. the concerted failure to report for duty or willful absence of any employee from his/her position or stoppage of work or abstinence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out or other job action against the Township.
- C. The Union agrees that it will do everything in its power to actively discourage any strike, work stoppage, slowdown or other activity aforementioned, including but not limited to publicly disavowing such action, and directing all such members who participate in such activities to cease and desist from such activities immediately and to return to work along with such other steps as may be necessary under the circumstances, and to bring about compliance with its order. The Union agrees that it will undertake any necessary actions at its own expense to terminate any of the above activity on the part of its members of the bargaining unit.
- D. Any activity enumerated above on the part of a Union member or member of this bargaining unit will be deemed as appropriate grounds for the termination of employment from the Township.
- E. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for an injunction or damages, or both, in the event of such breach by the Union or any of its members.

#### **GRIEVANCE PROCEDURE**

#### A. DEFINITION

- 1. The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of the express terms of this Agreement, or policies or administrative decisions which affect terms and conditions of employment, and may be raised by an individual unit employee, a group of unit employees, or the Union on behalf of an individual unit employee or a group of individual unit employees. All grievances shall be in writing relative to steps 3 and 4.
- 2. Immediate Supervisor. An employee's "immediate supervisor" shall be the person to whom the aggrieved employee is directly responsible to in the chain of command established within the Department provided that person is at least a foreman.

#### B. PURPOSE

The purpose of this grievance procedure is to secure a solution to grievances as herein defined. The parties agree that grievances should be resolved at the lowest possible administrative level. Therefore, no grievance shall by-pass any step of the grievance procedure except as expressly agreed to between the parties and any failure to prosecute a grievance within the time periods provided shall constitute an absolute bar to relief and shall stop the grievant from prosecuting his grievance in any forum thereafter. This grievance procedure constitutes the sole and exclusive methods for raising and disposing of controversies within the definition of the term. All grievance hearings, as far as reasonable, shall be dealt with before or after normal work hours, while the employee is not being paid.

#### C. PROCEDURE

#### STEP ONE

The aggrieved shall institute action in writing, under the provisions hereof, within seven (7) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the immediate supervisor for the purposes of resolving the matter informally. Failure to act within seven (7) calendar days shall be deemed to constitute an abandonment of the grievance. The immediate supervisor shall render a decision, in writing, within seven (7) calendar days after receipt of the grievance. The written grievance must identify the grievant by name(s) and be signed by him/her (them). It must set forth a statement of the facts constituting the grievance, the approximate time and place of occurrence of the facts leading to the grievance, the names of all Township representatives whose action or failure to act forms the basis of the grievance, the names of all witnesses the grievant intends to present, and the specific contract provision(s), if any, forming the basis of the grievance, and must set forth the remedy sought by the grievant. The matters identified in the written grievance shall not be expanded upon subsequent to its filing. This step is only to be utilized if a foreman position is staffed. If such position is not staffed, then the grievant goes directly to Step Two.

#### STEP TWO:

In the event that the grievance is not resolved to the satisfaction of the aggrieved at Step One above, the grievance may be filed in writing with the Supervisor of Public Works or his designee, within seven (7) calendar days. If requested, the Local Union Representative may participate. The Supervisor of Public Works, or his designee, shall have seven (7) calendar days to respond to the grievance.

#### STEP THREE:

If the grievance is not resolved to the satisfaction of the aggrieved at Step Two above, the aggrieved shall, within seven (7) calendar days after the response from the Supervisor of Public Works, submit the grievance to the Township Administrator. The Township Administrator may hold a hearing on such grievance within thirty (30) calendar days after submission, and shall have fourteen (14) calendar days thereafter to render his decision.

#### STEP FOUR:

If the grievance is not resolved to the satisfaction of the aggrieved at Step Three above, the aggrieved shall, within seven (7) calendar days after the response from the Township Administrator, submit the grievance to the Mayor and Council. The Mayor and Council may hold a hearing on such grievance within thirty (30) calendar days after submission, and shall have fourteen (14) calendar days thereafter to render their decision. With respect only to those grievances not involving the express terms of this Agreement, or not involving policy changes resulting in changes to working conditions, and in lieu of Step Five, the decision of the Township Council shall be final and binding upon the parties.

#### STEP FIVE:

- 1. With respect only to those grievances involving the express terms of this Agreement or policy changes resulting in changes to working conditions, and in the event the grievance is not resolved to the grievant's satisfaction at Step Four, or in the event the Mayor and Council has not served a timely written response at Step Four, then within fourteen (14) calendar days after the response date set forth in Step Four, the Union may notify the Mayor and Council in writing of the grievant's intention to submit the grievance to binding arbitration.
- 2. All matters submitted to arbitration must: relate solely to a controversy involving the express terms of this Agreement or policy changes resulting in changes to working conditions; be timely filed and timely processed through the applicable internal steps of this grievance procedure; relate solely to subject matter(s) within the required scope of negotiations as determined by the Public Employment Relations Commission and the Courts; and by way of remedy do not seek a result inconsistent with statute, administrative regulation or decisional law, inconsistent with the Township's management prerogatives set forth generally and specifically in the Management Rights Article of this Agreement, or which would significantly interfere with such management prerogatives.
- 3. Within seven (7) calendar days after the notification date set forth in paragraph (2) above, the Union may invoke binding arbitration by, submitting a written request therefore to the New Jersey State Board of Mediation, with a copy of such request to the Mayor and Council. Thereafter, binding arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the New Jersey State Board of Mediation, except as they may be expressly altered or modified herein.

- 4. The arbitrator shall be required to deliver to the parties a written award, coupled with a written opinion setting forth detailed reasons, findings of fact, and conclusions of law utilized in making his award, by no later than thirty (30) days from the date of closing the hearings, or if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The arbitrator expressly has no authority to modify, add to, subtract from, or in any way whatsoever alter the provision of this Agreement, and shall be expressly bound by the considerations set forth in paragraph (2).
- 5. Grievance and arbitration meetings and hearings shall be held at mutually acceptable times and places. The individual grievant shall have at his request a representative from the Union to assist in the resolution of the grievance at such meetings and hearings. Requests for such representatives and any witnesses shall be made to the Supervisor of Public Works or his designee, in writing by no later than three (3) days prior to the date of any meeting or hearing, and meeting or hearing dates shall be scheduled considering the availability of all parties and witnesses and the needs of the Township.
- 6. Costs of the arbitrator shall be split between the parties.
- 7. Additional costs incurred shall be borne by the party incurring same.
- D. <u>Working During Pending Grievance</u>. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations until such grievance and any affect thereof has been fully determined.
- E. Other than seasonal and part-time employees, new employees retained beyond the probationary period shall be considered regular employees and their length of service with the Township shall begin with the original date of their employment and their names will be placed on the seniority list based upon the original hire date.
- F. If new positions are created or if permanent vacancies occur which the Township intends to fill, the Township shall determine the qualifications required for the position and shall post a notice of such new position or vacancy on the bulletin board for a period of five (5) working days. Such notice shall include a description of the job and when the job will be available. All employees shall have the right to apply for the position, but shall have no superior right of selection to the same over any other person.

#### **SENIORITY**

A. It is hereby agreed that the parties hereto recognize and accept the principle of seniority in cases of layoffs, vacation choice, and promotions. In all cases, however, ability to perform the work in a satisfactory manner and qualifications, will be considered in designating the employee to be affected. Should ability and qualifications be equal, then the more senior employee shall have preference.

- B. The seniority of an employee is defined as the length of full-time continuous uninterrupted service as a Township employee dating back to the original date of hire in or assignment to the bargaining unit.
- C. In the event of layoffs and rehiring, the last person hired in a job classification affected shall be the first one to be laid off, and the last person laid off shall be the first to be recalled in accordance with his seniority in his classification, provided the more senior employee is able to do the available work in a satisfactory manner, and provided that he has the proper qualifications, as per Paragraph A, above.
- D. Once every six (6) months, the Township shall prepare and forward to the Union a seniority list of employees by classification and by length of service with the Township, if requested by the Union.

#### **PROBATIONARY PERIOD**

- A. During the First ninety (90) days of continuous employment, an employee shall be considered a probationary employee, and the Township may terminate his or her employment within that time without challenge by either the employee or the Union, and without resort to any grievance procedures or any other hearing procedure. The Township reserves the right to extend a probationary period upon notice to the Union, for an additional ninety (90) day period.
- B. If an employee is promoted, but does not successfully complete a ninety (90) day probationary period, at Township's sole determination, the employee may be returned to his or her previous job classification.
- C. The Township retains the sole right to establish a hiring rate for probationary employees.

## **JOB POSTING**

Notice of bargaining unit vacancies will be posted on the bulletin board with a copy submitted to the Shop Steward of the Union. Bargaining unit members will have the right to apply for such positions prior to the hiring of non-employees.

#### HOURS OF WORK AND OVERTIME

- A. The normal work day for bargaining unit employees who are employed as of the date this Agreement is signed shall be five (5), eight and one-half hour days, Monday through Friday. The specific shifts and hours shall be scheduled as needed by the Township, but for such (present employees, shall be "day" shifts).
- B. Employees are subject to an alternate schedule, which might consist of hours or days of work other than Monday through Friday, and/or other than traditional day-shift hours. The Township will provide the Union with thirty (30) calendar days notice of its intent to implement any change of schedule as described above. For work on Saturday or Sunday for township events (e.g. Community Day, Haunted Playground, Spring Egg Hunt, etc), the employee has the option to receive compensatory time (one for one) or to be paid at time and a one-half (1-1/2).
- C. The Township reserves the right to schedule or reschedule employees in accordance with its needs, but in consideration of Paragraphs A and B of this article.
- D. All Time shall be properly recorded.
- E. All employees shall be entitled to a one-half (1/2) hour non-paid meal period per shift. The workday in Paragraph A, above, shall be inclusive of the meal period. All Meal breaks are taken on the employee's own time, as scheduled by the Township.
- F. For the purposes of Paragraph A above, a work day shall be defined as the twenty-four (24) hour period beginning with 12:01 a.m. and ending 12:00 p.m.
- G. All employees shall be entitled to one Fifteen (15) minute break per day.
- H. All employees shall be expected to work overtime when requested by the Township.
- I. Work in excess of eight (8) hour per day shall be compensated at the rate of time and one- half (1-1/2) the base rate of pay. However, there shall be no pyramiding or

duplication of overtime payments. Pay for work during emergencies will be at the rate of time and one- half (1-1/2) the employee's base rate of pay and will continue when work rolls into the next work day until released. Hourly rate shall be calculated by dividing the sum of the employee's current annual pay rate by 2,080. All employees required to work on Sunday with less than ten days notice shall be paid at the rate of two (2) times the actual hours worked.

J. In order to be compensated, all overtime must be approved by the Public Works Manager. If the Public Works Manager is not available, overtime shall be authorized at the discretion of the Township Administrator.

K. This clause shall apply to unanticipated overtime work as opposed to scheduled overtime, which may occur outside the normal working hours of the employee. Any employee who is called back to work after completing his or her regularly scheduled shift and has punched out and left his or her place of work shall be guaranteed a minimum of four (4) hours of work at the over time pay rate, provided such hours do not overlap into the employee's regular working hours. If they do, then Employee is only paid for overtime hours actually worked. Such employee shall be required to work all hours, in addition to the four hour minimum guarantee, which are required by the employee's supervisor.

L. The Township shall allow a paid, one-half (1/2) hour lunch period when an employee is required to work ten (10) or more hours and a one-half (1/2) hour lunch period for each six (6) hours worked thereafter. For each overtime lunch period a meal allowance not to exceed \$9.00 will be given. An allowance for breakfast will be given to an individual called out up to one hour before the normal morning starting time, not to exceed \$9.00.

M. Failure to appear when scheduled may be grounds for disciplinary action. All employees must make their location and telephone number known to the Public Works Manager twelve (12) hours in advance whenever the employee will not be at their home when weather forecasts indicate severe weather (snow, ice, hail, hurricane, tornado, etc.). If the Public Works Manager is not available, the employee will contact the appointed designee or in the alternative Hunterdon County Communications.

N. Compensatory time may be "banked" up to a maximum of eighty (80) hours. Compensatory time must be used in blocks of eight (8) hours and with the permission of the Public Works Manager. Compensatory time once used can be replaced up to the maximum of eighty (80) hours. Compensatory time must be used within 12 months of the date acquired.

- O. In the event that the Township closes for business due to any emergency and employees other than bargaining-unit employees are excused from work, bargaining-unit employees shall be entitled to equivalent compensatory time.
- P. The Public Works Manager will reasonably attempt to assign overtime as equally as possible based upon qualifications required for the overtime work. There is no guaranty that overtime will be assigned equally because required employee qualifications for the overtime work may prevent the same. An employee shall not be removed from a job the said employee has been performing on the day the overtime is to be worked. Employees declining overtime work shall have their overtime equalization record charged with the amount of overtime denied.
- Q. In the event the senior most qualified employee is temporarily transferred to a higher classification and performs the duties of that classification, the employee shall receive the rate of pay for the higher classification if the assignment is for more than five (5) consecutive work days. If such assignment is for more than said five (5) day period, the employee's pay shall be increased from employee's first day of the assignment and run through the end of the assignment. An employee temporarily transferred to a lower pay classification shall suffer no reduction in pay.
- R. A supervisor will not perform work normally performed by members of the bargaining unit if such work would deprive a member of the bargaining unit of income. (Example: Supervisor driving a snow plow and not calling in a member of the bargaining unit in other than an emergency situation).

### **BULLETIN BOARDS**

The Union shall have the use of one (1) bulletin board on the Township's premises for posting notices relating to Union meetings, official business, and social functions only.

#### **HOLIDAYS**

A. Each full-time employee covered by this Agreement shall receive holiday pay equal to one (1) day's pay at eight (8) hours straight time for the following holidays:

New Year's Day
Martin Luther King Day
President's Day
Good Friday
Memorial Day
Independence Day
Labor Day
Columbus Day

General Election Day Veteran's Day Thanksgiving Day Day after Thanksgiving Christmas Day One-Half Day Christmas Eve One-Half Day New Year's Eve

The Township reserves the right to change Election Day and Martin Luther King Day from the above designated schedule, but not to reduce the number of holidays.

- B. An employee required to work on a holiday shall be paid at the rate of time and one-half (1/2) for the actual hours worked in addition to eight (8) hours straight-time holiday pay. All employees required to work on holidays with less than twenty-four hour notice shall be paid at the rate of two (2) times the actual hours worked.
