SECTION 5

Any employee with at least one (1) year's seniority will receive thirty (30) days' notice of layoff or in lieu of notice two (2) weeks' pay.

ARTICLE XV - PROMOTIONS AND POSTING OF VACANCIES

SECTION 1

It is the policy and intention of the College to upgrade its employees. Job vacancies on permanent or new positions will be posted for a period of not less than three (3), but not more than five (5) working days exclusively within the College for the information of the employees. The posting will include, but not be limited to, a general summary of the major duties expected of the position, as well as the salary.

SECTION 2

If an employee applies for an open staff position and meets all of the written qualifications in the job description, the College shall give first consideration to the applicant before filling the vacancy.

Procedures to be utilized in the filling of positions for Local 440, I.U.E., bargaining unit members.

1. The College will maintain a system wherein the most senior applicant for a position will be appointed to said position for a thirty-day probationary period.

The applicant will be interviewed by the immediate supervisor in advance of an official appointment. The basic purpose of the interview will be to provide the immediate supervisor with an opportunity to delineate the specific job responsibilities and reasonable expectations (e.g., productivity standards, skills level, organizational capabilities, etc.) that the applicant will have to satisfy. In the event that, as a result of the initial interview, the most senior applicant does not accept the position, the next most senior applicant will receive the same consideration that was extended to the primary candidate. If there are no additional applicants, the position will either be advertised externally or the College will assign a current bargaining unit member to fill the position.

2. The candidate with the greatest seniority will have a thirty-day (30 calendar days) probationary period within which to demonstrate that he/she has the necessary and appropriate skills and abilities to successfully meet the requirements for the position.

It will be the responsibility of the immediate supervisor to complete a performance appraisal form near the end of the probationary period and forward same to the personnel Office. Further, the supervisor will give a photocopy of the appraisal form to the candidate at the time it is completed.

3. Should the overall performance appraisal indicate that the candidate has failed to meet the basic requirements for the position, the employee will have one of several options:

- a. If his/her previous position has not yet been filled by the College, the employee will be assigned to fill the vacancy.
- b. If the former position has been filled, the unsuccessful candidate will either be assigned to another existing vacancy of a comparable level, or may utilize the "bumping" rights contained in Article XII, Section 2 of the current collective bargaining agreement.

Note: the College cannot guarantee that every candidate's "former" position will not be filled during a probationary period because the needs of the College will be assessed on a case-by-case basis.

4. An employee who utilizes seniority to move laterally or downward will be required to remain the new position for a period of one full year.

5. It is understood by the parties that an unsuccessful candidate will have full access to the grievance procedure, including binding arbitration, if there is a disagreement with the performance appraisal form that was completed by the immediate supervisor at the conclusion of the probationary period.

6. External applicants for position(s) that have not been filled by bargaining unit members may still be tested by the College (Note: several entry-level positions in the bargaining unit do not explicitly require specialized skills). However, the College will notify external applicants who are appointed to those positions that do not require specialized skills, that they will have to obtain a passing test score if they subsequently apply for positions within the bargaining unit that entails proficiency in certain clerical skills.

7. The College reserves the right to consider performance factors such as attendance records and discipline history in making the final appointment of the most senior applicant to a position.

A disagreement with the decision of Management to disqualify the most senior applicant is subject to the grievance procedure.

### SECTION 3

The College recognizes that in making promotions, consideration shall be given first to the ability and aptitude of an employee to perform the job in question; and second, to the length of the employee's continuous service. However, it is understood that if all other variables are equal, seniority shall prevail in the final selection process.

**ARTICLE XVI - REPORTING TIME**

Employees who report to work at their regular starting time and have not been given at least one day's notice not to report, shall be guaranteed at least four (4) hours work or pay, except when the inability to provide four (4) hours work is due to an "Act of God" beyond the control of the College.

**ARTICLE XVII - BEREAVEMENT LEAVE**

In the event of a death in the immediate family, the College may grant leave with pay not to exceed five (5) days. An employee's immediate family shall be considered as husband, wife, children, brother, sister, stepchildren, grandchildren, father, mother, mother-in-law, father-in-law, grandfather and grandmother. Additionally, one (1) day off with pay may be granted by the College in the event of a death of an employee's aunt, uncle, brother-in-law, sister-in-law, nephews, nieces and cousins.

**ARTICLE XVIII - SICK LEAVE**

A. All full-time employees are entitled to take time off from work because of personal illness in the immediate family (father, mother, spouse, or children) without any loss of pay according to the following schedule:

- (a) Employees are allowed twelve (12) days of sick leave per year.

1. The Local 440 member has employed continuously by the College (including periods of approved leaves of absence) for a period of fifteen (15) complete years or more, and
2. The Local 440 member has formally notified the College of an intent to retire by November 1 of the year prior to the fiscal year in which retirement will take place. In emergent circumstances, a later notice may be considered by the Board; however, the College may elect to defer payment for one (1) year to allow for a budgeting.

Exceptions to the period of employment and notification timeliness described above will be granted only in cases of unforeseen disability retirement from the College.

C. Sick Bank

1. Sick Leave Bank - a sick leave bank will be established for use by an employee who has suffered an extended disability and/or catastrophic illness and have exhausted their own sick and personal leave. The bank will be administered by a committee of two (2) administrators appointed by the College President and one (1) employee appointed by the Local 440.
  - (a) At the end of each fiscal year, all employees may contribute unused sick days which are in excess of their entitlement of twelve (12) days per year for personal illness.

- (b) In order to be eligible to use the sick leave bank, an employee must have contributed at least two (2) days within the prior two (2) fiscal years to the bank. Exceptions may be considered in extraordinary circumstances at the discretion of the College President. An employee must also have at least one (1) continuous year of employment.
- (c) The total sick leave bank shall not exceed one thousand (1,000) days. An employee must contribute to the bank in order to maintain his/her eligibility, even when such contribution would cause the bank to exceed the maximum of 1,000 days. In that case, the contribution of sick days will be recorded, but the bank limit will remain at 1,000 days.
- (d) An eligible employee may present a claim to the Personnel Office for additional sick leave from the bank after all accrued sick and personal leave time is exhausted. Upon presenting such a claim, the employee must present a medical certificate signed by a licensed physician indicating the nature of the illness or injury, an indication of when the period of disability began, and, if possible, when it is expected that the employee will be able to return to normal duties. The Board reserves the right to employ a physician of its own choosing to render a second opinion.
- (e) Claims for sick leave from the bank may not be made for illness or injury resulting from a job-related condition which falls under the worker's compensation laws.
- (f) Claims for sick leave from the bank may not be made during the time when the employee is eligible for disability benefits.

(g) No employee may claim more than ninety (90) days from the bank in any twelve (12) month period. Once an employee has used a total of ninety (90) days during any twelve (12) month period, he/she is not eligible for further withdrawals from the bank until he/she has worked twelve (12) additional months of continuous service.

Employees whose claims are validated using the above criteria will be paid as follows:

<u>Years of Continuous Service</u>	<u>% of Salary Paid</u>
2 to 3 years	50%
4 to 5 years	70%
6 or more years	80%

Personal leave may not be used for vacation or work for pay for another employer. Unused personal leave days will be added to accumulated sick leave entitlement. The employee requesting personal leave will give at least twenty-four (24) hours advance notification to his/her supervisor except in case of emergency.

B. Probationary employees shall be granted Personal leave on a prorated basis as follows:
