Excluded from the bargaining unit are all other classifications including but not limited to: casual, temporary or seasonal employees; non-supervisory employees; confidential employees; managerial executives including but not limited to: Director, Deputy Director, Fiscal Officer, Principal Personnel Technician.

1.2 Individuals appointed to a permanent bargaining unit position are to be included in the bargaining unit.

1.3 If a new classification is established during the term of this Agreement and if not mutually agreed to between the parties for inclusion in the unit above-defined, clarification may be sought from PERC by either party.

1.4 Whenever titles are used in this Agreement, they shall be understood to include the plural as well as the singular and to include males and females.

ARTICLE II
HOURS OF WORK AND OVERTIME

2.1 The workweek shall consist of 35 hours, from 8:00 a.m. to 4:00 pm. (with one hour for lunch), Monday through Friday. All employees shall be full time, with the exception of special part-time arrangements of a voluntary nature as may be approved by the Administrator/designee in consultation with Union. Notwithstanding the hours of work specified, the Administrator/designee may allow employees to work alternative workweeks which may include voluntary flex-time and job-sharing arrangements.

2.2 The Administrator/designee may arrange the lunch hours of employees so as to have part of the staff available to the public at all times.

2.3 The working day for employees may be varied or extended by the Administrator/designee as the need arises. If an employee's work hours are to be changed, the Union President will be notified four weeks in advance of the change, except in cases of emergency or unforeseen urgent circumstances, and provided the opportunity to consult prior to implementation.

2.4 Employees of this collective bargaining unit working a compressed workweek as of the signing of this contract may continue to utilize this program and those employees hired as of the signing of the contract and promoted into this collective bargaining unit that are working a compressed workweek will be permitted to elect a 9/10 compressed workweek option; however, any current employee not working a compressed workweek as of the signing of this contract as well as all new hires are not eligible for this program.

2.5 Overtime shall be accrued whenever an employee is authorized to work in excess of the regularly scheduled working hours (i.e., seven-hour day or 35-hour week) due to the pressure of agency business. All overtime must be approved in advance by the Administrator/designee, except that in emergency situations the Administrator/designee may authorize overtime retroactively, it is expressly understood that management reserves the sole right to authorize overtime. Scheduled meetings held on an employee's day off which are due to the employee's choice under flex scheduling and the employee is required to come in for such meeting, the employee will be paid straight time for such scheduled meeting, with all other overtime to be paid in accordance with Article II. This provision shall not violate any wage and hour laws.

2.6 With the exception of overtime worked on flex days off, employees covered by this Agreement will be compensated at the rate of time and one-half in cash or compensatory time off at the employee's option, providing there has been approval by the Administrator/designee for authorized overtime hours in excess of the regularly scheduled workweek. Compensatory time off shall be used during the same pay period whenever possible and shall be scheduled subject to management's approval. For purposes of overtime compensation, all paid time whether worked or not, as well as approved unpaid Union leave, shall be counted as worked time. With respect to overtime worked on an employee's day off that is due to the employee's flex schedule, the employee will receive compensation time off at straight time.

2.7 Time Worked on Flex Days

Any time worked over 35 hours in one week will be compensated at the rate of time and one half.

2.8 Whenever a skeleton crew is necessary to staff the office during an emergency or other partial closing, volunteers will be sought. Compensation for serving as skeleton crew shall consist of compensatory time off or paid time at the discretion of the Employer on an hour-for-hour basis. The employee will be notified at the time of the request for staffing as to whether the compensation will be in compensatory time or cash.

2.9 Lateness

Employees are expected to report to work on time. Unless excused by the Administrator/designee for good cause, lateness shall be treated in accordance with the following provisions:

- (a) Daily lateness's of five minutes or less will not be counted for purposes of discipline or docking of pay, provided the employee makes up the lateness within the same day. If the employee fails to make up the lateness or if the lateness exceeds five minutes, the employee shall be considered tardy and the entire lateness shall be counted for purposes of subsections (b) and (c) below.
- (b) Countable lateness's shall be totaled on a month by month basis. If an employee's total exceeds 15 minutes in any calendar month, his or her pay will be docked an amount corresponding to the nearest one quarter of an

hour interval.

- (c) Employees who exceed 15 minutes of countable lateness's in a calendar month shall also be subject to disciplinary action. The first such occurrence in a 12-month period will result in a written warning, the second will result in a reprimand, and the third will result in a two-hour suspension. Additional occurrences within a 12 month period will result in further progressive discipline.

3.0 On-Call Pay. An employee on call is an employee working from home who is required to make and handle Employer business. On call employees will be paid for time spent responding to calls received at home and will be guaranteed a minimum of two (2) hour pay at the appropriate rate. A cellular phone will be provided to the employee such coverage.

ARTICLE 3
GRIEVANCE PROCEDURE

3.1 Purpose

The purpose of this procedure is to secure at the lowest possible level equitable solutions to the problems which may arise affecting the terms and conditions of employment, consistent with applicable laws, regulations, contractual obligations, operational requirements, and standards of fairness. Nothing herein shall be construed as preventing an employee with a grievance from discussing the matter informally with any appropriate administrator.

3.2 Definition. The term "grievance" as used herein shall mean an appeal of the interpretation, application, or violation of applicable written policies, written agreements, or administrative decisions affecting the terms and conditions of employment.

3.3 General Provisions.

- (a) Election of remedies. In the event an appeal is taken by an employee or the Union on behalf of an employee to the State Merit System Board, Division on Civil Rights, court, or other forum provided by law, the appellant (i.e., employee and/or Union) shall not be entitled to pursue the matter further by means of the grievance procedure set forth herein.
- (b) Formal grievances shall be presented through the Union, and an aggrieved employee shall be represented at all stages of the grievance procedure by a steward or other designated Union representative. Notwithstanding this provision, if the Union declines to present a grievance on behalf of an employee, the employee may present the grievance himself or herself at the lowest applicable level of the grievance procedure.
- (c) A grievance must be filed within 21 calendar days after the occurrence giving rise to the grievance. Failure to file or advance a grievance within the prescribed time limits shall constitute forfeiture. However, time limits for filing or responding to grievances at any step may be extended by consent of the parties.
- (d) Union representatives shall be afforded reasonable opportunity to investigate and process grievances during working hours without loss of

regular straight-time pay, provided that permission is obtained in advance from the appropriate department head or his/her designee if this should require the union representative to be absent from the job or to be otherwise relieved of his or her regular responsibilities for a temporary period.

- (e) Grievances shall be initiated at the lowest step of the grievance procedure in which the management representative has authority to adjust the matter. Steps may also be waived in appropriate circumstances by agreement of the parties.
- (f) Grievances processed through the steps of the grievance procedure as provided herein shall be in writing and signed by the grievant or Union representative. Responses shall also be in writing.

3.4 Steps.

Step 1. The grievance shall be taken to the Division Director or designee, who shall make an effort to resolve the problem and respond within seven (7) calendar days.

Step 2. If not resolved at the previous level, the grievance may be submitted within fourteen (14) calendar days after receipt of management's response to the County Administrator or designee, who shall render a decision in writing within fourteen (14) calendar days thereafter. If requested, an informal conference may be provided prior to the decision of the County Administrator or his designee. Disclosure of Step 1 filing and subsequent response as well as any other discovery should be provided by the collective bargaining unit with the Step 2 submission.

Step 3. If the Union is not satisfied with the decision of the County Administrator or designee, the matter may be appealed to the Board of Freeholders or designee within fourteen (14) calendar days after receipt by filing the grievance with the Freeholder Director or designee. The Freeholder Director shall consider the matter and render a written decision on behalf of the Board within twenty-one (21) calendar days. If a hearing is requested at this Step, the Freeholder Director may designate himself or the County Administrator, County Counsel, or other designee to conduct the hearing, which shall be held prior to the Freeholder Director's decision. If the Union objects to the Director's decision, it may request

the full Board to review the decision by filing notice to the Clerk of the Board within fourteen (14) calendar days after receipt. The Board may then consider the matter as a body, but shall not be required to do so unless so moved by one or more members of the Board. If no action is taken by the Board to reject or modify the Director's decision within twenty-one (21) calendar days, the decision shall stand.

Step 4. If the Union is not satisfied with the response to the grievance at the preceding step, either by the Freeholder Director or by the full Board, demand for arbitration may be made by the Union to the Public Employment Relations Commission within thirty (30) calendar days thereafter. Unless agreed otherwise by the parties, the arbitrator shall be selected pursuant to the procedures of the Public Employment Relations Commission.

- (a) Arbitration shall be limited to grievances based upon the interpretation, application, or violation of an express provision of this Agreement. A disciplinary grievance involving discharge or suspension, fine or demotion equivalent to three (3) days or more may be submitted to binding arbitration except where preempted by a statutory right of appeal to the New Jersey Merit System Board. If the grievance involves suspension of less than three days, it may be submitted to advisory arbitration or may be pursued in such other legal forum as may be available.
- (b) The arbitrator shall not add to, subtract from, or modify the terms of this Agreement.
- (c) No more than one grievance or issue may be submitted to a single arbitrator unless otherwise agreed to in writing by the parties.
- (d) It is understood that arbitration is limited to the four corners of the Agreement and the arbitrator is not to consider any past practice precedent.
- (e) The arbitrator shall issue an award in writing to the parties, which shall be final and binding.
- (f) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the County and the Union. Any other expenses shall be paid by the party incurring them.

ARTICLE 4

Dues shall be such amount as may be certified to the Employer by the Union at least 30 days prior to the month in which the deduction of Union dues is to be made. 4.4 The Union shall maintain or establish a demand and return system in accordance with N.J.S.A. 34:13A-5.5 through 5.9 and the Representation Fee Rules of the Public Employment Relations Commission Appeal Board.

4.5 It is agreed that the Employer shall have no other obligation or liability, financial or otherwise (other than set forth herein) because of actions arising out of the understandings expressed in the language of this Article. It is further understood that once the funds are remitted to the Union, the disposition of such funds shall be the sole and exclusive responsibility of the Union. The Union shall indemnify and save the Employer harmless against any and all claims demands, suits or other forms of liability including reasonable legal and/or "consultation" fees resulting from any of the provisions of this Article or in reliance on any list, notice or assignment furnished under this section.

Persons who are "in loco parentis" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. Bereavement leave days shall not be charged against any accumulated sick or vacation leave days. Such bereavement leave days shall be non-cumulative and shall be prorated for part-time employees.

8.2 Employees may request an extension of the period of bereavement leave beyond the four days (for the purposes of calculating time, 1 day = 7 hours) provided above; however, any days over the permitted leave shall be charged against an employee's accumulated sick leave, or if no sick leave is available, then it shall be deducted from the employee's pay. Vacation leave may also be used in case of bereavement at the employee's option, in which case advanced notice shall be waived.

8.3 Each employee may utilize one unpaid leave day or vacation leave per year to arrange or attend the funeral of a close friend or relative not designated in section 8.1 above. The requirement of 48 hours' notice to the employer will be waived in such cases.

ARTICLE 9

9.1 Full-time employees shall be entitled, in addition to vacation and/or sick leave, personal leave days as follows:

After 4 months of employment - one day (7 hours).
After 7 months of employment - two days (14 hours).
After 10 months of employment - three days (21 hours).
(for the purposes of calculating time, 1 day = 7 hours)

9.2 An employee in the first year of employment who completes the fourth, seventh or tenth month of employment in December may carry over one personal day to be taken in January. Except as noted above, personal days may not be carried over from year to year.

9.3 Each request to take a personal leave day shall be submitted to the Administrator/designee at least two working days prior to the requested date. The Administrator/designee may at his/her discretion waive the two working days' notice. The annual personal leave days shall be pro-rated for part-time employees. Not more than twenty-five percent of personnel within a department shall be given the same personal leave day without the express consent of the Director. Personal leave shall be taken in half hour increments.

Personal leave shall be taken in quarter hour increments.

9.4 Personal Leave request will not be unreasonably denied but approval is subject to operational needs.

ARTICLE 10
SICK LEAVE AND DISABILITY LEAVE

10.1 Sick Leave Entitlements

Paid sick leave may be used whenever an employee is unable to work because of personal illness or injury, including disability due to pregnancy; exposure to contagious disease; care of a seriously ill member of the employee's immediate family (as defined in Section 20.1); death in the employee's immediate family (as defined in Section 8.1); or acquisition of necessary devices or other aids by an employee who is disabled. Full-time employees shall earn sick leave on the following basis:

- (a) During the first calendar month of employment, employees who commence work prior to the 16th day of the month will earn one sick day; employees who commence work prior to the 24th day of the month will earn one-half sick day.
- (b) During the remainder of the first calendar year, each employee will earn one sick day per month, or major fraction thereof.
- (c) Thereafter, each employee will be credited with 15 days in every calendar year to be earned at the rate of one and one-quarter days per month.
- (d) Sick Leave shall be taken in quarter hour increments.

10.2 Reporting of Absence on Sick Leave

- (a) If an employee is absent for reasons that entitle him or her to sick leave, the appropriate supervisor shall be notified promptly as of the employee's usual reporting time, but in no event later than 8:30 a.m. or one-half hour after the employee's starting time on the day of the absence.
- (b) Employees who call in sick after the specified reporting time may be denied sick leave from the employee's usual starting time up to the time of the call.
- (c) Absence without notice of 5 consecutive days shall constitute a resignation in accordance with Department of Personnel regulations on the subject.

10.3 Verification of Sick Leave

- (a) Should medical evidence be required under circumstances to verify illness for purposes of granting sick leave, the employee shall be given timely notice on a case-by-case basis. Abuse of sick leave shall be cause for disciplinary action.
- (b) The Employer may require an employee who is absent because of serious illness or injury, before returning to duty, to be examined at the expense of the Employer by a physician chosen by the employee from a panel of physicians provided by the Employer. Such examination shall establish whether the employee is capable of performing his or her normal duties and that his or her return will not jeopardize the health of the employee or other employees.

10.4 Administration of Sick Leave

The administration of sick leave days shall be in conformance with applicable Department of Personnel regulations, including pro-ration for part-time employees. Any amount of sick leave allowance not used in any calendar year shall accumulate from year to year.

10.5 Disability Leave

In case of disability due to illness or injury as a result of, or arising from, an employee's job, the Employer shall provide paid disability leave in the amount of four weeks at 100% of base pay, followed by an additional 18 weeks at 85% of base pay. Employees shall not be required to use their regular sick leave in such cases, provided that the insurance carrier has determined that the disability is job-connected. In the event the employee receives periodic Worker's Compensation benefits, disability leave payments will be offset or reduced correspondingly to prevent duplication. While on paid disability leave, employees will continue to accrue vacation and sick leave, and will be covered by the health insurance provisions of this Agreement. In no event, however, shall the employee be entitled in any calendar year to more than 52 weeks of paid leave inclusive of sick and vacation time.

10.6 Sick-Leave Donation. Any employee who has suffered from a catastrophic illness or injury may receive sick leave voluntarily donated by fellow employees, subject to the following conditions:

A catastrophic illness or injury shall be understood as a condition based on a medical prognosis, which requires a period of treatment or recuperation, as a result of which the employee is unable to work, or is expected to be out of work, for at least two months of consecutive work time or on an intermittent basis equivalent to two months work time.

An employee may receive donated sick leave for personal illness or injury or care for a seriously ill member of an employee's immediate family. For the purposes of this policy, immediate family shall include any relations as are deemed within the definition of family members under the NJFLA and the federal FMLA (please refer to HR 6.11, HR 6.11 Exhibit S titled "NJFLA and FMLA General Information"). In general, immediate family is defined as a parent, child, and spouse or civil union partner.

An employee will be eligible to receive up to 90 days of donated sick leave, provided he or she has exhausted all accrued sick, vacation, and administrative leave.

An employee may donate up to 5 sick days to another employee provided he or she retains a balance of at least 40 sick days. An employee may donate up to 10 days provided he or she retains a balance of 80 days, or up to 15 days with a balance of 120 days.

Whenever any of the days enumerated falls on a Sunday, the Monday next following shall be deemed a holiday. Whenever any of the days enumerated falls on a Saturday, the preceding Friday shall be deemed a holiday. New Year's Eve will not be considered a holiday.

11.2 To be eligible for holiday pay for an unworked holiday, an employee must be on active pay status; and have been paid for the employee's last scheduled work day before and first scheduled work day after the holiday.

11.3 Employees who are required to work on a holiday shall be paid at the rate of one and one-half times the regular straight time rate for time worked in addition to straight time pay for the holiday as such. There shall be no pyramiding of time or overtime. Where applicable, when a holiday falls on a "payroll Monday" (the Monday immediately preceding payday), extra work hours earned after 12 PM on the preceding Friday will be included in the following pay period.

ARTICLE 12
VACATION LEAVE DAYS

12.1 Every full-time employee shall be granted the following annual leave for vacation purposes with pay:

- (a) One working day for each full month of service or major fraction thereof during the first year.
- (b) After the first calendar year of service through five years of service, 12 working days per year.
- (c) After five years of service through 12 years of service, 15 working days per year.
- (d) After 12 years of service through 20 years of service, 20 working days per year.
- (e) After 20 years of service, 25 working days per year. Vacation allowances for part-time employees will be pro-rated.

12.3 Employees shall submit vacation requests to the Administrator/designee or designated supervisor on form provided by the Employer as soon as possible. In the event that an emergency situation precludes timely notice, the request may be submitted orally at the earliest opportunity. All such leaves are subject to approval by the Administrator/designee. Nothing herein precludes an employee from being released early on a work day for approved vacation leave.

12.4 If in any calendar year the vacation leave days or any part thereof are not granted by reason of pressure of work, such unused days or parts thereof not granted shall accumulate and may be carried over to the next succeeding year only.

12.5 Vacation leave shall be taken in quarter hour increments.

ARTICLE 13
HEALTH BENEFITS

13.1 The Employer shall continue the following insurance for each eligible employee and his or her spouses/civilly unionized partners and/or dependents:

- (a) Medical. The State Health Benefits Program is provided to eligible employees covered by this contract. Subject to the conditions specified below, full-time employees may elect coverage through the State Health Benefits Plan.
- (b) Prescription. The County shall continue the Prescription Drug Benefit Program during the period of this Agreement. The program shall be administered by the State Health Benefits Plan.

For purposes of this section, eligible employees are understood to be all full-time employees and all part-time employees who are regularly scheduled to work an average of at least thirty (30) hours per week.

13.2 Employee Contributions: In accordance with Chapter 78, P.L. 2011, employees receiving health benefits (medical, prescription, dental and vision) pay a contribution towards the cost of health benefits. The minimum health contribution required is 1.5% of salary and the law requires that the percent of premium contribution (derived from salary and type of coverage) is multiplied by the total premium due for each employee and deducted from base salary; furthermore, employees hired on or after the effective date of Chapter 78, P.L. 2011, (June 28th, 2011) shall contribute at the highest level (Year 4).

All deductions for employee contributions shall be made on a pre-tax basis in accordance with a cafeteria plan authorized under Section 125 of the Internal Revenue Code.

13.3 The Employer will continue to provide each employee with Temporary Disability Insurance in accordance with the provisions of the New Jersey State Plan.

13.4 The Employer shall continue to provide dental insurance for employees in accordance with the current indemnity plan. The same coverage shall be offered for dependents of employees. There shall be no deductible for any of the services provided under the plan. As an alternative to the indemnity plan, the Employer shall offer coverage through a dental plan organization, in accordance with the existing terms. Employees who elect to enroll in the dental plan organization may also enroll their dependents.

- (a) Employees who do not have medical and prescription coverage pursuant to Section 13.4 above but receive dental coverage under this section for one or more dependents will make contributions toward the cost of coverage through payroll deductions on a pre-tax basis, as authorized by Section 125 of the Internal

Revenue Code. The contributions will be \$20 per month for two-party coverage and \$30 per month for three-party coverage.

13.5 The Employer reserves the right to change insurance carriers or plans or to self-insure so long as the benefits to be provided are substantially equivalent to those of the existing plan(s).

13.6 Post Retirement Coverage Insurance coverage will be provided to retirees as follows:

(a) The Employer shall continue medical coverage for employees who retire on pension with at least twenty-five (25) years or more of credited service in the Public Employees Retirement System together with their dependents. In addition, coverage shall be continued for all employees who retire through PERS on a disability pension, together with their dependents.

(b) The Employer will provide for continuation of prescription benefits to all employees who retire with at least twenty-five (25) years of credited service in the Public Employees Retirement System, including at least seven years of service with the County. Such coverage shall be limited to employee and spouse only

As applicable, in accordance with Chapter 78, P.L. 2011, retirees receiving health benefits pay a contribution towards the cost of health benefits, based upon the retirement allowance, including any cost-of-living amount paid.

It is understood that the benefits provided to retired employees pursuant to subsections (a) and (b) above will be substantially the same as, or equivalent to, the benefits they would receive if still actively employed. Retirees will not be required to pay contributions toward the cost of their post-retirement coverage except as may be required by law.

Insofar as permitted by law, employees may also continue any group health benefits that are not paid for by the Employer after retirement pursuant to subsections (a) or (b) above by paying the premium costs for such coverage themselves.

13.7 The Employer shall provide plans pursuant to Section 125 of the Internal Revenue Code whereby employees can place a portion of their pre-tax salaries into flexible spending accounts for the payment of medical or dependent care expenses.

13.8 Waiver of Benefits. Should an employee voluntarily waive coverage under the State Health Benefits Plan ("SHBP") and provide a certification to the County that he/she has other coverage, the County will waive the contribution for that employee:

Employees will be permitted to waive employer-provided medical coverage only upon furnishing proof of other medical coverage through a spouse's employer or other source. The terms of such other coverage should be the same or better than the coverage offered by the Employer.

Waivers of coverage shall remain in effect unless the employee elects to re-enroll during a subsequent open enrollment period or unless the employee loses his or her alternative coverage (as, for example, by termination of a spouse's employment). An employee who re-enrolls because of a loss of alternative coverage shall resume coverage under the Employer's plan within sixty (60) days after giving notice or as soon thereafter as is permitted under the insurance then in effect.

Waivers of coverage will take effect January 1 following the employee's election.

Employees who have waived coverage but plan to apply for post-retirement medical or prescription coverage pursuant to Section 13.6 must be re-enrolled in the respective plans during the open enrollment period, currently the November effective the proceeding January, prior to retirement.

The Waiver provision does not apply to employees who are covered by another member of the family that is employed by the County of Gloucester as it is considered multiple coverage and therefore, not entitled to participate in the waiver program.
