ARTICLE II
MANAGEMENT RIGHTS

A. The City hereby retains and reserves unto itself, without limitation, all powers, rights, authorities, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

- (1)** To the executive management and administrative control of the City government and its properties and facilities, and the activities of its employees;
- (2)** To hire all employees and, subject to the provision of law, to determine their qualifications and conditions for continued employment or assignment and to promote and transfer employees;
- (3)** To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.

B. The exercises of the foregoing powers, rights, authorities, duties or responsibilities of the City, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the City's rights, responsibilities and authority under N.J.S.A. 11, or any other national, state, county, or local laws or ordinances.

D. Employee procedural and substantive rights under Civil Service Law shall be preserved.

ARTICLE III**SENIORITY**

A. Seniority is defined as the total length of service of an employee commencing with her/his latest date of hire in conformance with Civil Service Regulations.

B. In conformance with Civil Service and other applicable regulations, and whenever possible and practicable, employees with the greatest seniority will be given preference in layoffs, recalls, job and shift assignments and vacation schedules.

C. An employee's continuous service shall be broken by voluntary resignation, discharge and retirement. However, if an employee returns to work, in any capacity within two (2) years, Civil Service and Longevity Ordinance provisions regarding restoration of seniority shall be applied.

ARTICLE IV
GRIEVANCE PROCEDURE

A. Purpose:

The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.

Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with an appropriate member of the departmental supervisory staff. Time limits may be extended by mutual agreement of the parties, in writing.

B. Definition:

The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of the terms of this Agreement.

C. Steps of the Grievance Procedure:

The following constitutes the sole and exclusive method of resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent and provides that a Union representative may be present at Step One and shall be present at each step of the grievance procedure thereafter.

Step One (1):

An aggrieved employee shall institute action under the provisions herein within ten (10) working days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and the Director of Nursing for the purpose of resolving the matter informally. Failure to act within said ten (10) working days shall be deemed to constitute an abandonment of the grievance. The Director of Nursing in conjunction with the Medical Director shall render a decision within ten (10)

working days after receipt of the grievance. If the Director of Nursing fails to respond to the grievance within ten (10) working days, the grievance will be deemed to have moved to the next step in the procedure. The ten (10) day earnest effort will also apply to employee disciplinary and/or punitive actions after the event giving rise to the action has occurred, otherwise it will be forfeited.

Step Two (2):

In the event the grievance has not been resolved at Step One, then within ten (10) working days following the determination of the Director of Nursing, the matter may be submitted to the Director of Health and Community Wellness or her/his designee. The Director of Health and Community Wellness or her/his designee shall review the matter and make a determination within ten (10) working days from the receipt of the complaint. If the Director of Health and Community Wellness fails to respond to the grievance within ten (10) working days, the grievance will be deemed to have moved to the next step in the procedure.

Step Three (3):

In the event the grievance is not resolved at Step Two, then within ten (10) working days following the determination of the Director of Health and Community Wellness, the matter may be submitted to the Business Administrator or her/his designee. The Business Administrator or her/his designee shall review the matter and make a determination within ten (10) working from the receipt of the complaint. Should the aggrieved employee be dissatisfied with the decision of the Business Administrator or her/his designee, the union may file for arbitration within ten (10) working days of the response.

Arbitration:

Step Four (4):

The arbitrator shall be chosen in accordance with the Rules of the New Jersey State Board of Mediation or, if unavailable, the Federal Mediation and Conciliation Service. No arbitration hearing shall be scheduled sooner than thirty (30) days after the final decision by the Business Administrator. In the event the aggrieved elects to pursue Civil Service

Procedures, the arbitration hearing shall be canceled and the matter withdrawn from arbitration. The Union shall pay whatever costs it may have incurred in processing the case to arbitration. In case of mutual settlement, both parties agree to share equally any costs incurred.

The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the relevant facts presented to him/her in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement, or any amendment or supplement thereto, or to add new provisions to this Agreement or any amendment or supplement thereto.

The costs for the services of the arbitrator shall be borne equally between the City and the Union. Any other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring the same.

The arbitrator shall set forth his/her findings of facts and reasons for making the award which shall be binding on the parties within thirty (30) days after conclusion of the arbitration hearing unless otherwise agreed to by the parties.

City Grievances:

Grievances initiated by the City shall be filed with the Union within ten (10) calendar days after the event giving rise to the grievance has occurred. A meeting shall be held within ten (10) calendar days after filing a grievance between the representative of the City and the Union in an earnest effort to adjust the differences between the parties. In the event no such adjournment has been satisfactorily made, either party may file for arbitration in accordance with Step Five above. In the event the City elects to withdraw the matter from arbitration, the City shall pay whatever costs it may have incurred in processing the case to arbitration. In the case of mutual settlement, both parties agree to share equally any costs incurred.

ARTICLE V
UNION REPRESENTATIVES

A. Accredited representatives of the Union may enter the City facilities or premises for the purpose of observing working conditions or assisting in the adjustment of grievances. When the Union desires to have such permission from the appropriate City representatives, permission will not be unreasonably withheld, provided there is no interference with the normal business of City government.

An employee who becomes ill or incapacitated while on vacation may, upon proper notification and verification to the appointing authority, transfer time required for illness or incapacity to available sick leave credits. However, this transfer shall not extend the date of return from vacation unless otherwise approved by the appointing authority.

Vacation leave is not transferable from one grant program to another, or from a grant program to the City, nor from the City to the grant program. Any employee involved in changes of this nature shall be paid for any vacation leave due her/him or shall reimburse the City for any time not earned similar to an employee terminating her/his services prior to the advanced time being earned. The employee shall earn the leave during her/his first calendar year in the new program at the rate of one (1) day per month.
