BOARD - STAFF RELATIONS

The Board of Education and the Bergenfield Education Association believe in a good climate of human relations where any and all employees feel free to discuss the educational and administrative policies of the school system. We further believe that an established means of communication should exist between the staff and the Board of Education. Toward this end, the following levels of communication will be established:

- A. A study committee for each building composed of Bergenfield Education Association members and the Principal, with members in proportion to the size of the faculty, but no less than two and no more than ten.
- B. There shall be a central committee composed of the President and Vice President of the Association, 3 members of the Association, Superintendent of Schools, Business Administrator, 1 Elementary Principal, Middle School Principal and High School Principal. The Chairman of this committee shall be the Superintendent of Schools or his/her designate. Minutes of all meetings shall be in writing.

The function of this committee will be to discuss matters of district concern or building matters that cannot be satisfactorily resolved at that level.

- C. Both the building committees and the central committee shall meet at least monthly during the academic school year and may meet more frequently at the request of either party. Meetings of any committee may be omitted by mutual consent.

A regular meeting shall not be held unless an agenda has been submitted to the Superintendent of Schools or his/her designee at least five (5) school days prior to the date set for each meeting.

A copy of the agenda will then be distributed to members of the committee two (2) school days prior to the day of the meeting.

- D. Items of importance will be reviewed by the Superintendent of Schools and those items requiring Board attention will be submitted by him to the full Board and in addition minutes of the district committee shall be filed with the Board.

SENIORITY PROVISIONS (SECRETARIES)

- A. In the event tenure unit members must be laid off, said layoff will be made on the basis of district-wide seniority insofar as the employee(s) making the seniority claim possesses the necessary job skills, experience, and qualifications to perform in the position being claimed. Seniority shall be defined as continuous employment time in the Bergenfield Public School System.
- B. Any affected employee who bumps into a lesser salary classification shall retain his/her previously held salary in the higher classification until the salary guide step in the lesser classification surpasses the salary he/she was earning in the previously held higher classification. In no event shall the salary paid to an employee in a lesser classification be higher than the salary paid on the same step in a higher classification.
- C. In the event a vacancy occurs, laid off employees shall be entitled to recall in order of seniority so long as the employee making the recall claim possesses the skills and qualifications to fill the

vacant position.

- D. No new bargaining unit member may be hired while unit members who meet job skill and qualification requirements are still on layoff.
- E. When unit members are recalled to work, they shall be restored to the appropriate step of the salary scale receiving credit for all time served in Bergenfield. All accumulated sick time and all other benefits said employee has at time of layoff shall be restored in their entirety upon the return of the employee.
- F. Seniority shall not be accumulated during the period of layoff or approved leave of absence. Upon credit or return from approved leave of absence, employees shall have their accumulated seniority to the date of layoff or commencement of approved leave of absence.

ARTICLE 26

SENIORITY PROVISIONS (CUSTODIANS, BUS DRIVERS AND AIDES)

- A. In the event unit members must be laid off, said layoff will be made on the basis of district-wide seniority insofar as the employee(s) making the seniority claim possess the necessary job skills, experience and qualifications to perform in the position being claimed. Seniority shall be defined as continuous employment time in the Bergenfield Public School System.
- B. Custodians shall accrue seniority in three categories: maintenance, grounds, custodian. An employee whose job assignment changes can accrue seniority in more than one category. As an example, if an employee starts in the district as a custodian and is employed in that position for three years, and then his position is changed to a grounds position which he holds for four years, then the employee has four years seniority in the category of grounds and seven years seniority in the category of custodian.

- C. Bus Drivers shall accrue seniority in categories based on their CDL classification. Class B drivers can drive any type of bus. Class C drivers can drive any bus under 26,000 lbs. In the event of a layoff, all employees with a Class C CDL will be laid off before any employee with a Class B CDL is laid off. If an employee has a Class C CDL and is employed in that category for 2 years and then upgrades it to a Class B CDL and continues employment in the district for another 2 years, he/she would have 2 years seniority in the Class B category and 4 years seniority in Class C category.
- D. Aides shall accrue seniority in two categories. The two categories are classroom aides and one-on-one aides. If an employee's assignment changes from one category to another he/she may accrue seniority in more than one category. For example, an employee hired as a classroom aide who works in that position for two years and whose assignment changes to a one-on-one aide which he/she holds for two years has two years seniority as a one-on-one aide and four years seniority as a classroom aide.

ARTICLE 27

AGENCY SHOP

A. Purpose of Fee

If a teacher does not become a member of the Association during any membership year (i.e. from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association as majority representative.

B. Amount of Fee

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to the maximum allowed by law.

C. Deduction and Transmission of Fee

The Board agrees to deduct from the salary of any teacher who is not a member of the Association for the current membership year the full amount of the representation fee set forth in Section B above

and promptly will transmit the amount so deducted to the Association.

The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each teacher during the remainder of the membership year in question.

The deductions will begin thirty (30) days after the teacher begins his or her employment in a bargaining unit position.

D. Termination of Employment

If a teacher who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said teacher during the membership year in question and promptly forward same to the Association.

E. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

ARTICLE 28

MISCELLANEOUS PROVISIONS

- A. This Agreement shall be added to Board policy for the term of said Agreement, and the Board shall carry out the commitments contained herein and give them full force and effect as Board policy.
- B. If any provision of this Agreement or any application of the Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- C. Any individual contract between the Board and an individual teacher, heretofore and hereafter executed shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.
- D. Copies of this Agreement shall be printed at the expense of the Board within thirty (30) days after the Agreement is signed and

presented to the President for distribution to all teachers now employed or hereafter employed. The format of the cover of the Agreement shall be determined by the Superintendent of Schools.

- E. The teacher shall have the right and responsibility to determine grades within the grading policy of the Bergenfield School System based upon his/her professional judgment of available criteria pertinent to any given subject area or activity for which he/she is responsible. No grade will be changed without consultation with the teacher.

ARTICLE 29

DURATION OF AGREEMENT

- A. This agreement shall be effective as of July 1, 1997 and shall continue in effect until June 30, 2000. This agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated.
- B. In witness whereof the parties hereto have caused this agreement to be signed by their respective president, attested by their respective secretaries, and under their corporate seals to be placed here, all on the 15 day of Feb, 2000

I. QUALIFICATIONS FOR ADVANCEMENT ON SCALE

- A. Advancement from one level of the salary guide to next shall be within the field of employment unless exempted by the Superintendent of Schools. It is recommended that employees secure the approval of courses by the Superintendent prior to registration if they expect to use them for advancement on the salary guide.

Advancement may take place under one of the following conditions:

1. Presentation of an official transcript indicating receipt of the next higher degree may qualify the employee to full advancement to the next level.
2. Presentation of an official transcript indicating completion of thirty-two (32) graduate credits, approved by the Superintendent of Schools will qualify the employee to full advancement to the next higher level. Employees may advance only once on this basis unless the degree is obtained in the interim.

3. Presentation of any official transcript indicating completion of sixteen (16) graduate credits approved by the Superintendent of Schools will qualify the employee for advancement to half way between the respective levels for the proper years of experience.
- B. Special industrial or trade experience, creative work in the fine arts, valuable travel experience, professional service or research in a related field may be construed as the equivalent of college credit.
- C. More than nine (9) credits, exclusive of summer school, may be taken in any semester in which the teacher is in full-time employment only upon the recommendation of the Principal and the approval of the Superintendent of Schools.
- D. Salary advances shall be made at the usual contract time; a teacher who qualifies for an advancement during the year shall receive a revised contract upon presentation of an official transcript, provided such intention was conveyed to the Superintendent of Schools, in writing by September 30 of the preceding school year.
- E. Prior to obtaining a Master's Degree, a maximum of eighteen (18) credits may be granted to a teacher for in-service programs and workshop credits not taken under the sponsorship of a college or

university, provided that the teacher has obtained prior approval from the Superintendent of Schools. Anyone who has a Master's degree may take six (6) additional credits, and anyone who has a Masters +32 may take an additional twelve (12) credits. The permitted additional credits must be taken through the Bergenfield Board of Education sponsored programs. The maximum number of credits which may be granted under this program is thirty-six (36) credits. One (1) credit shall be defined as ten (10) clock hours of time or equivalent.

- F. Effective July 1, 1991, any credits in excess of thirty (30) credits which are required to complete a Master's Degree program shall not be utilized for purposes of advancement to a higher salary level. Any teacher who was currently employed by the Board on July 1, 1991, or who was on a preferred eligibility list and is reemployed by the Board after July 1, 1991, shall maintain his current placement on the salary guide and any credits in excess of thirty (30) credits which are required to complete a Master's Degree Program shall be utilized for purposes of advancement to a higher salary level.

II. INCREMENTS:

- A. Increments will not be automatic but will be granted for satisfactory service upon the recommendation of the Superintendent of Schools, subject to the approval of the Board of Education. Failure in any given year to grant an increment does not create any future obligation to restore the increment.
- B. In any year a teacher whose work is deemed unsatisfactory may, upon the recommendation of the Superintendent of Schools, have his/her increment withheld and thereby lose a step on the guide. Before making such recommendation to the Board, the Superintendent of Schools shall send the teacher written notice of such intention and give him/her an opportunity to discuss the reason for such action with the Superintendent.
- C. Additional increments may be granted within the guide upon the recommendation of the Superintendent of Schools, if the best interest of the school system warrants such action.
- D. Additional amounts above maximum may also be granted, upon the recommendation of the Superintendent of Schools, and approved by the Board, when in the judgment of the Board, the best interests of the school system are served by such action.

III. ADJUSTMENTS:

In any year in which there is an upward revision of the salary guide, adjustments to the proper place on the guide may be withheld in whole or in part. Before making such recommendation to the Board, the Superintendent of Schools shall send the teacher written notice of such intention and give him/her an opportunity to discuss the reason for such action with the Superintendent. Future increases after withholding an adjustment will depend entirely upon the recommendation of the Superintendent and the approval of the Board of Education.

IV. ELEVEN MONTH PROFESSIONAL PERSONNEL:
