SECTION 5

Any employee with at least one (1) year's seniority will receive thirty (30) days notice of layoff or in lieu of notice two (2) weeks' pay.

ARTICLE XVI - PROMOTIONS AND POSTING OF VACANCIES

SECTION 1

It is the policy and intention of the College to upgrade its employees. Job vacancies on permanent or new positions will be posted for a period of not less than three (3), but not more than five (5) working days exclusively within the College for the information of the employees. The posting will include, but not be limited to, a general summary of the major duties expected of the position, as well as the salary.

SECTION 2

If an employee applies for an open staff position and meets all of the written qualifications in the job description, the College shall give first consideration to the employee applicant before filling the vacancy.

Procedures to be utilized in the filling of positions for bargaining unit members are as follows:

1. The College will maintain a system wherein the most senior applicant for a position will be appointed to said position for a thirty-day probationary period. The College and the employee may extend the probationary period by mutual agreement. Likewise, the College and the employee may extend the probationary period for new hires by mutual agreement.

The applicant will be interviewed by the immediate supervisor in advance of an official appointment. The basic purpose of the interview will be to provide the immediate supervisor with an opportunity to delineate the specific job responsibilities and reasonable expectations (e.g., productivity standards, skills level, organizational capabilities, etc.) that the applicant will have to satisfy. In the event that, as a result of the initial interview, the most senior applicant does not accept the position, the next most senior applicant will receive the same consideration that was extended to the primary candidate. If there are no additional applicants, the position will either be advertised externally or the College will temporarily assign a current bargaining unit member to fill the position and the employee so assigned will be paid the negotiated rate for the position commencing with the thirtieth (30th) day in that position.

2. The candidate with the greatest seniority will have a thirty-day (30 calendar) day probationary period within which to demonstrate that he/she has the necessary and appropriate skills and abilities to successfully meet the requirements for the position.

It will be the responsibility of the immediate supervisor to complete a performance appraisal form near the end of the probationary period and forward same to the Human Resources Office. Further, the supervisor will give a photocopy of the appraisal form to the candidate at the time it is completed.

3. Should the overall performance appraisal indicate that the candidate has failed to meet the basic requirements for the position, the employee will have one of several options:

a. If his/her previous position has not yet been filled by the College, the employee will be assigned to fill the vacancy.

b. If the former position has been filled, the unsuccessful candidate will either be assigned to another existing vacancy of a comparable level, or may utilize the "bumping" rights contained in Article XII, Section 2 of the current collective bargaining agreement.

Note: The College cannot guarantee that every candidate's "former" position will not be filled during a probationary period because the needs of the College will be assessed on a case-by-case basis.

4. An employee who utilizes seniority to move laterally or downward will be required to remain in the new position for a period of one full year. All newly hired employees will be required to remain in their first position for a period of nine months.

5. If there is a disagreement with the performance appraisal that was completed by the immediate supervisor at or near the end of the probationary period, the employee has the right to submit a rebuttal which will be attached to the performance appraisal. An adverse evaluation is not subject to being grieved or reviewed by an arbitrator.

6. External applicants for position(s) that have not been filled by bargaining unit members may still be tested by the College (Note: several entry-level positions in the bargaining unit do not explicitly require specialized skills). However, the College will notify external applicants who are appointed to those positions that do not require specialized skills, that they will have to obtain a

passing test score if they subsequently apply for positions within the bargaining unit that entails proficiency in certain skills.

7. The College reserves the right to consider performance factors such as attendance records and disciplinary history, and test scores on such tests as the College may require for positions demanding specialized skills, in making a choice for appointment to a position.

A disagreement with the decision of the College to disqualify the most senior applicant is subject to the grievance procedure, excluding binding arbitration.

SECTION 3

The College recognizes that in making promotions, consideration shall be given first to the ability and aptitude of an employee to perform the job in question; and second, to the length of the employee's continuous service. However, it is understood that if all other variables are equal, seniority shall prevail in the final selection process.

ARTICLE XVII - REPORTING TIME

Employees who report to work at their regular starting time and have not been given at least one day's notice not to report, shall be guaranteed at least four (4) hours work or pay, except when the inability to provide four (4) hours work is due to an "Act of God" beyond the control of the College.

ARTICLE XVIII - BEREAVEMENT LEAVE

In the event of a death in the immediate family, the College will grant leave with pay not to exceed five (5) days. An employee's immediate family shall be considered as husband, wife, children, brother, sister, stepchildren, grandchildren, father, mother, mother-in-law, father-in-law, grandfather and grandmother. Additionally, one (1) day off with pay may be granted by the College in the event of a death of an employee's aunt, uncle, brother-in-law, sister-in-law, nephews, nieces and cousins.

ARTICLE XIX - SICK LEAVE

A. All full-time employees are entitled to take time off from work because of personal illness in the immediate family (father, mother, spouse, or children) without any loss of pay according to the following schedule:

- (a) Employees are allowed twelve (12) days of sick leave per year.
- (b) Accumulated days of sick leave will be unlimited.
- (c) A sick leave is subject to medical verification if requested by the immediate supervisor.
- (d) Part-time employees will have their sick leave prorated based on time worked.
- (e) Sick leave will be allocated from the time of employment for those starting other than at the start of the College school year.

B. Upon retirement from the service of Camden County College, as confirmed by the New Jersey Public Employee Retirement System, a bargaining unit member shall receive a lump sum payment equal to \$80.00 for fifty percent (50%) of unused accumulated sick leave, to a maximum of \$10,000, with the provision that:

1. The bargaining unit member has been employed continuously by the College (including periods of approved leaves of absence) for a period of fifteen (15) complete years or more, and

2. The bargaining unit member has formally notified the College of an intent to retire by November 1 of the year prior to the fiscal year in which retirement will take place. In emergent circumstances, a later notice may be considered by the Board; however, the College may elect to defer payment for one (1) year to allow for a budgeting.

Exceptions to the period of employment and notification timeliness described above will be granted only in cases of unforeseen disability retirement from the College.

ARTICLE XX - FAMILY LEAVE

The College will comply with federal and State law concerning family and medical leave.

ARTICLE XXI - PERSONAL LEAVE

A. Employees will be granted a personal leave with pay not to exceed three (3) days per year for matters which cannot be cared for in other ways. Personal leave may not be used for vacation or work for pay for another employer. Unused personal leave will be added to accumulated sick leave entitlement. The employee requesting personal leave will give at least twenty-four (24) hours advance notification to his/her supervisor except in case of emergency.

The College may request verification for the use of personal leave only where less than twenty-four (24) hours advance notification is given to the College by the employee. This agreement is applicable to all four collective bargaining agreements covering each of the bargaining units represented by IUE/CWA Local 81440.

B. Probationary employees shall be granted personal leave on a pro-rated basis as follows:

<u>Date of Hire</u>	<u>Personal Days</u>
First 4 months of employment	One day
Next 4 months of employment	Another day
Next 4 months of employment	Another day

At the end of probation, the employee will be granted a prorated portion of three (3) personal days based upon the number of months remaining in the fiscal year.

ARTICLE XXII - VACATIONS

SECTION 1

The College agrees to grant to each employee on the payroll as of July 1 of each year a vacation with pay, in accordance with the following schedule, according to the length of service of each individual:

(a) Employees who have worked less than five (5) years will accrue vacation at .835 days per month.

(b) Employees who have worked five (5) years shall begin to accrue three (3) weeks vacation. Employees who have worked six (6) years shall begin to accrue three (3) weeks plus one (1) day vacation. (h) The pro rata vacation pay of an employee who dies while in the employ of the college shall be paid to the beneficiary of his/her group life insurance policy.

SECTION 2

On July 15 of each year, employees will receive a memorandum from the Human Resources Office advising them of the number of personal days, sick days and vacation days they have remaining. Additionally, it is agreed that the Human Resources Office will notify, in writing, any employee who is in danger of losing time at least sixty (60) days prior to the end of the fiscal year.

2. To be eligible for health insurance an employee must work 30.5 hours per week. Employees employed on June 27, 1996 for less than 30.5 hours per week who received health insurance benefits on that date will continue to receive such benefits on the same terms as full-time employees.

3. The College will provide a prescription plan (with co-pays of \$15.00 namebrand/\$7.50 generic/\$0.00 mail order per prescription) for each eligible employee, spouse and unmarried eligible dependents.

4. If the cost of health insurance premiums increases by ten percent (10%) or more between the 1995-1996 fiscal year and 1998-1999 fiscal year, the College and the IUE Union agree to convene an Insurance Cost Containment Committee to review cost containment options and make recommendations to the College and the IUE Union.

These payments will be made in the first paycheck in July, for a full year without the insurance coverage. If the employee drops the insurance after July 1, the payment will be prorated. If the employee drops insurance and then has to have the insurance reinstated, the employee will have to reimburse the College a prorated portion of the payment.

6. The College will pay up to fifteen percent (15%) more towards the combined cost of health insurance premiums (including dental and prescription insurance) per year in 2000-01, 2001-02 and 2002-03 (cumulative) compared to the combined premium cost in 1999-2000. If the increases are greater than this fifteen percent (15%) allowance, the College and the IUE/CWA will meet and negotiate over benefit and or carrier changes that will reduce the combined premiums by at least the amount above the fifteen percent (15%) allowance. If there is no agreement by September 30 following the rate increase, the College will implement payroll deductions to recover one-half of the cost above the cumulative annual fifteen percent (15%) allowance.

7. The College shall permit employees to participate in a Section 125 account and will provide training to employees as to how to utilize such account.
