Such a written claim may be filed by an employee, group of employees, or the Association on behalf of and at the request of an employee or group of employees. A "grievance" is also a written claim by the Board based upon any dispute with the Association, including a dispute with respect to the interpretation, meaning or application of any of the provisions of this Agreement.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable resolution of grievances which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Any other expenses incurred shall be paid by the party incurring same.
9. The Association will not file a grievance on behalf of one or more employees in a building regarding terms and conditions of employment, if documentation can be supplied by the building administrator showing that at least ninety percent (90%) of the staff in the building are in favor of the change. Voting on said change will be conducted jointly by the Association President and Building Administrator. Ballots will be counted in the presence of the Association President and Building Administrator.

D. Procedures - Board Grievances

4. If, in the judgment of the representatives of the Association, a grievance affects a group or class of employees, the representatives of the Association may submit such grievance in writing to the Superintendent of Schools directly.
5. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

When involuntary transfers or reassignments are made, affected personnel shall receive written reasons for such actions.

2. Criteria--Assistants

When an involuntary transfer or reassignment is necessary, an assistant's area of competence, length of service in the Newton School District, length of service in the particular school building, and other relevant factors will be considered.

C. Reassignments

A list of open positions in the school district shall be made available to all employees being involuntarily transferred or reassigned. Such employees may request the positions, in order of preference, to which they desire to be transferred. Employees being involuntarily transferred or reassigned shall be placed in a position which does not involve a reduction in compensation. This Article applies to Salary Guide Schedule A and Schedule E positions only. The right and decision of the Board and/or the Administration to make transfers and reassignments under this Article are not subject to the Grievance Procedure. Only the procedural aspects of this Article may be grieved.

ARTICLE XVIII - TEACHER RIGHTS

A. Required Meetings or Hearings

Whenever any teacher is required to appear before the Superintendent or a designee, Board or any Committee of the Board, or agent thereof, concerning any disciplinary matter which could adversely affect the continuation of that teacher in office, position or employment or the salary or any increments pertaining thereto, then the teacher shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise and/or represent the teacher during such meeting or interview.

B. Academic Freedom

The Board and the Association agree that academic freedom is essential in the fulfillment of the purposes of the Newton School District, and they acknowledge the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue truth in the performance of their teaching functions.

ARTICLE XIX - ASSISTANTS' RIGHTS AND PRIVILEGES

- A. Pursuant to Chapter 123, Public Laws 1975, the Board hereby agrees that every teacher's assistant shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a duly selected body exercising governmental power under the law of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment to any rights conferred by Chapter 123, Public Laws of 1975 or any other laws of New Jersey and the United States: That it shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his/her participation in any activities of the Association and its affiliates, collective negotiations with the Board or the institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms and conditions of employment.
- B. Nothing herein shall be construed to deny or restrict to any such employee such rights as he/she may have under New Jersey School Laws or other applicable laws and regulations. The rights granted to employees shall be deemed to be in addition to those provided elsewhere.
- C. No employee shall be disciplined, reprimanded, reduced in rank, or compensation or deprived of any professional advantage without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall not be made public and shall be subject to the grievance procedure.
- D. Whenever any employee is required to appear before any administrator or supervisor, Board, or any committee or member thereof concerning any matter which could adversely affect the salary or increments of the employee, or the continuation of that employee in his/her position or of the employee's employment, he/she shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise him/her and represent him/her during the meeting.
- E. No employee shall be prevented from wearing pins or other identification of membership in the Association or its affiliates. Such pins or identification shall be reasonable in size and not interfere with the employee's work.
- F. All employees will be provided with a job description.
- G. Reduction in Rank or Job Classification
1. Employees shall not be reduced in rank, job classification, or terminated without just cause.
 2. Any employee reduced in rank or job classification, regardless of compensation, may request and receive from the Superintendent of Schools or his designee, reasons for such reduction not later than fifteen (15) work days following the receipt of the request. Requests shall be made within fifteen (15) work days of either the effective date or reduction in rank or job classification, or of the date on which the employee was formally notified.

ARTICLE XX - EXTRA TEACHING DUTIES

A. Compensation for Sacrifice of Non-Teaching Time

1. In those cases where regular substitutes are not available, regular teachers who volunteer may be used as substitutes during their preparation time. In the absence of volunteers, a teacher may be assigned by an administrator to act as a substitute.
2. Volunteers and assigned substitutes shall be paid at the rate of twenty dollars (\$20.00) per hour prorated per coverage.
3. Such coverage shall be arranged by the principal and shall be distributed as equitably as possible among the teachers of said school.
4. The teacher may choose to credit these periods. Each accumulation of seventy-five dollars (\$75.00) will entitle the teacher to one (1) compensatory day up to a maximum of two (2) compensatory days. A teacher achieving less than an even seventy-five dollars (\$75.00) will be paid said amount.

B. Compensation for Combined Classes

Each period that a class or portion of a class is combined with another, the volunteer or assignee shall be paid at the rate of twenty dollars (\$20.00) per hour prorated per period.

C. Compensation for Driving

Any employee who drives the school vehicles (16 and 34 passenger buses) to an approved school function outside of normal school hours will be compensated at the current Board of Education rate per driver per trip. As of July 1, 1994, the rate will be fifty dollars (\$50.00) per trip. Effective July 1, 2008 this rate will increase to \$75 for a round trip with the approval of the administration.

D. Teaching A Sixth Period At The High School

If the Administration finds it necessary to request a staff member to teach a sixth period, compensation shall be \$3,105 for 2003-2004, \$3,213 for 2004-2005, \$3,326 for 2005-2006 and \$3,475 for 2006-2007. The rates will increase by 4.25% in 2007-08 to \$3,623; 4.4% in 2008-2009 to \$3,782; 4.4% in 2009-2010 to \$3,948; and 4.3% in 2010-2011 to \$4,118. The intent of this clause is to allow for adding sections or expansion of course offerings, not for the reduction of current full-time staff. The number of staff teaching six periods in any subject area shall not exceed four (4). Staff offered the opportunity to teach a sixth period will be in the order of seniority in the subject area. These sections will be posted. If no one volunteers, or if there are not enough volunteers, the Administration has the right to assign teachers. No teacher shall be assigned more than once every four (4) years. A teacher teaching a sixth period will be released from a duty period assignment and, if administratively possible, a homeroom assignment.

During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE XXVIII - SEPARABILITY AND SAVINGS

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law, or by an administrative agency, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.
