RECOGNITION

- A. The River Vale Board of Education recognizes the River Vale Association of Educational Secretaries as the exclusive representative of all school secretaries employed by the Board, but excluding all other employees of the River Vale Board of Education, managerial executives, professionals, confidential, craft, police employees, and supervisors within the meaning of the New Jersey Employer-Employee Relations Act, as amended, for the purposes of collective negotiations with respect to terms and conditions of employment.

- B. Unless otherwise indicated, the term "secretary" when used hereinafter in the Agreement shall refer to all office employees represented by the Association in the negotiating unit as above defined.

ARTICLE II

GRIEVANCE PROCEDURE

A. Definitions

1. The term "grievance" means a complaint about the interpretation, application, or alleged violation of this Agreement or policies or administrative decisions affecting the terms and conditions of employment of a secretary or group of secretaries.
2. The term "school day" shall mean a day upon which the secretaries' attendance is required.

B. Procedure

1. A grievance to be considered under this procedure must be initiated by the grievant within thirty (30) school days from the time of its occurrence or the time when the aggrieved became aware or should have become aware of the alleged grievance. Failure to act within such period shall be deemed an abandonment of the grievance.

2. Level One:

(a) A grievant shall first discuss her grievance with her immediate superior. Where the immediate superior is below the rank of principal, the principal shall be notified and shall have the right to be present at and to participate in said discussion.

(b) If the grievant is not satisfied with the result of the discussion, within five (5) school days of the discussion, she shall submit her grievance to her immediate superior in writing specifying:

- (a) the nature of the grievance;
- (b) the results of previous discussions; and
- (c) the nature of the remedy which is being sought by the grievant.

The immediate superior shall render within ten (10) school days of said written grievance a written decision.

3. Level Two:

If the grievance is not resolved to the grievant's satisfaction within five (5) school days from the written decision referred to in Level One above, the grievant shall submit her grievance to the Superintendent of Schools in writing specifying:

- (a) the nature of the grievance;
- (b) the results of the previous discussion;
- (c) the basis of her dissatisfaction with the determination;
- (d) the nature of the remedy being sought by the grievant.

A copy of the writing called for in the paragraph above shall be furnished to the school principal, to the immediate superior of the grievant, and to the Association.

Within ten (10) school days from the receipt of the written grievance (unless a different period is mutually agreed upon), the Superintendent shall hold a hearing at which all parties shall have the right to be heard.

Within ten (10) school days of said hearing (unless a different period is mutually agreed upon), the Superintendent shall, in writing, advise all parties and their representatives if there be any, of his determination and reasons therefor.

4. Level Three:

In the event of the failure of the Superintendent to act in accordance with the provisions of the two paragraphs above, or in the event a determination by him, in accordance with the provisions thereof, is deemed unsatisfactory by the grievant, the grievant may within ten (10) school days of the failure of the Superintendent to act or within ten (10) school days of the determination by him, appeal to the Board of Education for a private hearing which shall be held within twenty (20) school days of the written request for same.

Where an appeal is taken to the Board, there shall be submitted to the parties and the Board by the appellant:

- (a) The writing set forth in preceding paragraphs, a further statement in writing setting forth the appellant's dissatisfaction with the Superintendent's action, and any additional written materials as requested by the Board. A copy of said statements shall be furnished to the Superintendent and to the adverse party(ies) who shall have the right to reply thereto.

The Board shall make a determination within thirty (30) school days from its receipt of the grievance and shall, in writing, notify the grievant, her representative if there be one, the principal, and the Superintendent of its determination and the reasons therefor. This time period may be extended by mutual agreement of the parties.

5. Level Four:

In the event a grievant is dissatisfied with the determination of the Board, she shall have the right to carry her grievance to arbitration pursuant to rules and regulations established by the Public Employment Relations Commission under the provisions of Chapter 123, Laws of 1974, as amended and supplemented.

The decision rendered by the arbitrator shall be advisory only, except in regard to the interpretation of this Agreement.

A demand for such arbitration shall be made no later than fifteen (15) school days following receipt of the written determination of the Board. Failure to file within said time period shall constitute a bar to such arbitration unless the aggrieved secretary and the Board shall mutually agree upon a longer time period within which to assert such a demand.

The Board and the Association shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator, they shall immediately and jointly request the Public Employment Relations Commission to appoint an arbitrator. In the event the said Commission shall be unable or unwilling to appoint an arbitrator, then a request shall be made to the American Arbitration Association to appoint an arbitrator.

In the event of arbitration, the cost of the arbitrator's services shall be shared equally by the appellant and the Board. If the appellant is represented by the Association, the Association will bear the expense for the appellant. In addition, it is expressly provided that the arbitrator shall have the power to recommend that the cost of the arbitration services be borne by one party, if in his judgment that party unnecessarily created the need for the arbitration, or did so for the purposes of delay, or which party's contentions are deemed by him to have been unreasonable and a sham.

The parties agree that any dispute regarding the interpretation of this Agreement shall be submitted to binding arbitration.

C. Miscellaneous:

1. A grievant may be represented by herself or, at her option, by a representative selected or approved by the Association. The grievant shall be present throughout each level of the grievance procedure. The Association shall have the right to be present by representative at any hearing, and to make its views known.
2. A grievant processing a grievance shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal by reason of such grievance.
3. Failure at any step of this procedure to communicate the decision on a grievance within the time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step, and an abandonment of further grievance procedure. The parties, however, may mutually agree to extend the time periods specified herein.
4. In the event a grievance shall be filed by any grievant who is not subject to the jurisdiction of any principal, or who may be answerable to more than one principal, such secretary shall initiate her grievance at Level Two.
5. A grievance which by its nature cannot be resolved at levels below that of the Superintendent may be initiated by the grievant at Level Two. In such cases the procedure in Level One shall apply. It is understood by both parties to this Agreement that the purpose of their expedited filing of grievances is to resolve such grievances at their proper level, and is not intended to bypass the normal adjudication of grievances at the lowest administrative level.
6. A copy of the writing set forth above shall be served upon the Superintendent, who shall have the right to reply in writing thereto. A copy of such reply shall be served upon the aggrieved secretary.
7. Until a grievance is fully resolved to the satisfaction of all parties, all secretaries, including the grievant, shall continue under the direction of the Superintendent of Schools and the administrators regardless of the pendency of any grievance, until such grievance is duly determined; however, duties shall not be varied as of the day before the grievance was first filed.

ARTICLE III

COMPLAINT PROCEDURE

No complaint regarding a secretary made by a parent, student, or member of the community shall be noted in the personnel file of any secretary without first -

- a) notifying the secretary in writing of the source and contents of the complaint and
- b) affording the secretary a private hearing on such complaint if the secretary shall file written demand therefor within ten (10) days of the notice.

Subsequent notation of the complaint and determination shall be made only after a determination in such hearing which is adverse to the said secretary. In the event the determination is adverse, the secretary shall have the right to attach a written rebuttal to the complaint. Complaints under this Article shall not be subject to the grievance procedure, but the failure to follow the procedure set forth herein would be subject to such grievance procedure.

ARTICLE IV

2. Request for Leave Based on Claim of Anticipated Disability

- a. Any secretary who desires to continue or not continue in the performance of his/her duties during a period expected to lead to a state of disability shall be permitted to do so provided said secretary produces a statement of his/her physician, at the written request of the Board, stating that said secretary is physically capable or incapable of continuing to perform his/her duties and further stating up to what date, in the opinion of said physician, the secretary is capable or incapable of performing said duties.
- b. In no event shall the Board be obligated to permit a secretary anticipating a state of disability to continue in the performance of his/her duties when the disability interferes with his/her performance. The Board may then require a second medical opinion by a physician of its choice to determine whether said secretary is able to continue in the performance of his/her duties. Should a third opinion become necessary, both parties shall attempt to agree on a mutually acceptable physician.

- f. Whenever, in the opinion of the Board, the dates for the resumption of professional duties would substantially interfere with the operation of the school, the Board shall assign the returning secretary to other professional duties. Such assignment shall be at the discretion of the Superintendent. These duties shall start upon the date the secretary returns from the disability leave and will continue until a vacation break occurs. The secretary's full salary shall resume on the date she returns.
- g. Where disability leaves have been approved, the commencement or termination dates thereof may be further extended or reduced for medical reasons upon application by the secretary to the Board. Such extensions or reductions shall be granted by the Board for additional reasonable periods of time as provided in (f). All extensions of such leaves shall be subject to the provisions of N.J.S.A. 18A:30-1 et.seq. and specifically N.J.S.A. 18A:30-6 and 18A:30-7.
- h. The provisions of this Section shall not be deemed to impose on the Board any obligation to grant or extend a leave of absence of any non-tenured secretary beyond the end of the contract school year in which the leave is obtained.

F. Child Rearing Leave

1. Any tenured secretary shall be entitled to leave without pay for child rearing purposes.
2. In cases where both husband and wife may be employees in this school system, only one of said persons shall be entitled to such leave.

Applications for this "year" of child rearing leave shall be filed before April 1 immediately preceding the July in which the leave is to commence. When a "year" of child rearing leave is requested in connection with a birth occurring after March 1, the secretary shall have until the immediately following June 30 to request the leave for the immediately following school year. Only one "year" of leave under this section of child rearing leave shall be granted per child.
6. Where a child rearing leave is requested, the secretary requesting such leave shall not be permitted to return to the school system following such leave during the last month of the school year.
7. Where a secretary who has been granted a child rearing leave returns to the system at any time other than the start of the school year, such secretary may be assigned to any secretarial/clerical position decided upon by the Superintendent.

. Child Rearing Leave - continued

8. The provisions of this Section shall not be deemed to impose on the Board any obligation to grant or extend a leave of absence to any non-tenured secretary beyond the end of the contract school year in which the leave is obtained.
9. The dates for the commencement and termination of child rearing leaves shall in all cases be subject to and based upon a finding and determination by the Board that such leaves will not substantially interfere with the operation of the school.

3. Notice of intent to retire must be given to the Board of Education, sixty (60) days prior to the due date of the Board's submission of its preliminary budget to the County Superintendent. Failure to give such notice will result in deferment of payment under this benefit to the beginning of the subsequent fiscal year; the Board, however, may waive this requirement.
4. The retiree may elect to receive payment under this provision; a.) June 30th of the retirement year; or b.) January 1st of the subsequent calendar year.
5. Reimbursement under this provision shall be:

ARTICLE VIII

SECRETARY - ADMINISTRATIVE LIAISON

- A. The Association's representative shall have the opportunity to meet with the Superintendent during the school year at a time mutually agreed upon, to review and discuss current school problems and practices and the administration of this Agreement with the explicit understanding that such meetings are strictly advisory in nature except for the administration of this Agreement, which is a binding contract on both parties.

ARTICLE IX

SALARIES

- A. 1. The salaries of all secretaries covered by this Agreement are set forth in Schedule A. of this Agreement.
2. The Board agrees to establish a longevity pay plan based on the number of years' experience within the River Vale School District as follows:

10 to 14 years	\$ 750.00

19 years and over	1,200.00

To qualify for longevity pay, length of service must be continuous in the River Vale School District.

An employee will retain his length of service for longevity during an approved leave of absence, but the period of such absence shall not be counted in determining his years of experience within the school district.

An employee who leaves and subsequently returns to employment in the District will, upon completing a period of time equal to the time spent away from District employment, have his previous length of service restored.
