- D. Also included in this unit are the following Support Personnel: Office personnel, custodial and maintenance personnel, all full-time and part-time classroom/Special Education paraprofessionals, full-time and part-time Van Drivers, and certified Athletic Trainers.

ARTICLE II
NEGOTIATION PROCEDURE

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 123, Public Laws 1974, in a good faith effort to reach agreement on all matters concerning terms and conditions of employment. Any agreements so negotiated shall be reduced to writing, signed by representatives of the board and the Association, and submitted to the Board and the Association for ratification.
- B. During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counter-proposals. The Board shall make available to the Association for inspection all records in the public domain of the Point Pleasant Beach School District.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties shall mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, and counter-proposals in the course of negotiations.
- D. Except as this Agreement shall hereinafter otherwise provide all terms and conditions of employment applicable on the effective date of this Agreement to employees covered by this Agreement as established by the rules, regulations and/or policies of the Board that are in force on said date and have been submitted to the Association, in writing, on or before October 1, shall continue to be so applicable during the term of this Agreement. Unless otherwise provided in this Agreement, nothing contained herein shall be interpreted and/or applied so as to eliminate, reduce or otherwise detract from any teacher benefit existing prior to its effective date.
- E. The Board agrees not to negotiate concerning said employees in the negotiating unit as defined in ARTICLE I of this Agreement, with any organization other than the Association for the duration of the Agreement.
- F. This Agreement incorporated the entire understanding of the parties on all matters that were or could have been the subject of negotiation. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.
- G. Clarification Procedures:
 - 1. Representatives of the Board and the Association's negotiating committee shall meet at the request of either party for the purpose of clarifying any questions that may arise concerning the administration of the Agreement. These meetings are not intended to bypass the grievance procedure.

2. Each party shall submit to the other, at least three (3) days prior to such a meeting, an agenda covering matters they wish to discuss.
3. These meetings between the parties shall be scheduled, whenever possible, to take place when the teachers involved are free from assigned instructional responsibilities, unless otherwise agreed.
4. Should a mutually acceptable amendment to this Agreement be negotiated by the parties, it shall be reduced to writing, be signed by the Board and the Association, and be adopted by the Board.

ARTICLE III
GRIEVANCE PROCEDURE

A. Definitions

The term "grievance" means a complaint by any employee or the Association that, as to him or the Association, there has been an inequitable, improper, or unjust application, interpretation, or violation of a policy, agreement, or administrative decision affecting said employee, Association or group of employees.

The term "grievance" and the procedure relative thereto, shall not be deemed applicable in the following instances:

1. The failure or refusal of the Board to renew a contract of a non-tenured employee, provided evaluation procedures have been following in according with the Board of Education policy as stated in Schedule F;
2. In matters prescribed either by law, or by any rule, regulation, or by decision of the State Commissioner of Education or the State Board of Education, or by the courts of the State of New Jersey;
3. In matters involving the sole and unlimited discretion of the Board, except that employees not satisfied with a decision rendered at Level One. That is, by informal discussion with a principal or immediate supervisor, employees may proceed with a grievance as far as Level Three, without prejudice.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the grievances that may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment.

C. Procedure

1. a. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

- b. A grievance shall be initiated within ten (10) school days following the act or condition that is the basis of a complaint.
- c. When an employee learns of an act or condition which is grievable to him, and when it is impossible to satisfy the ten (10) school day limitation, he shall file the grievance within ten (10) school days of the time he learned or was informed of such act or condition.
- d. A grievance that cannot be processed within the ten (10) school day limit above in 1.c. because of the close of school or the expiration date of the contract may still be processed as any other grievance. If there is no successor agreement in force at this time, the grievance shall be processed under the most recent agreement.

If a grievance is in process at the time a successor agreement goes into effect, the balance of the processing for that grievance shall be under the terms in effect at the time the processing was started.

- 2. Level One
An employee with a grievance shall first discuss it with his principal or immediate superior, either directly or through the Association's designated representative, with the objective of resolving the matter informally. If those discussions should not produce an informal resolution, a written grievance shall be filed and the immediate superior shall have ten (10) days for a written response.
- 3. Level Two
If the employee is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) days after presentation of the written grievance, he may file the grievance in writing with the Association within five (5) school days after the decision at Level One. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of Schools.
- 4. Level Three
Should the employee or group of employees or the Association not be satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent, he/they may, five (5) days after the decision by the Superintendent, submit the grievance to the Board of Education.
- 5. Level Four
If the Association takes the grievance to the Board of Education, it shall do so within ten (10) days after the Association receives the request from the employee or group of employees or itself. There shall be submitted by the appellant copies of written records of appeals and decisions made in Level One and Two. A copy of

these records shall also be furnished to the Superintendent, to the adverse party, and to the Association.

6. If the appellant, in his appeal to the Board, does not request a hearing, the Board may consider the appeal on the written record submitted to it, or the Board may, on its own, conduct a hearing, or it may request the submission of additional written material. Where additional written materials are requested by the Board, copies thereof shall be served upon the adverse parties who shall have the right to reply thereto. Where the appellant requests, in writing, a hearing before the Board, a hearing shall be held.
7. The Board shall make a determination within twenty (20) days from the receipt of the grievance and shall, in writing, with supporting reasons, notify the employee, his representative if there be one, the principal, and the Superintendent of its determination. This time period may be extended by mutual agreement of the parties.
8. If the appellant and the Association so desire, they may, within fifteen (15) days following the report of the Board, request binding arbitration. Failure to file within said time shall constitute a bar to such arbitration unless the teacher and the Board shall mutually agree upon a longer time period within which to assert such a demand. The parties shall use the procedures of the Public Employment Relations Commission for the selection of an Arbitrator.
9. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his decisions not later than twenty (20) days from the date of the close of the hearing, or if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decisions which require the commission of an act prohibited by law or which is a violation of the terms of this Agreement.

D. Related Conditions

1. The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. His authority shall be limited to deciding whether a specific article and section of the Agreement has been violated and shall be subject to, in all cases, the rights, responsibilities and authority of the parties under the New Jersey School Law, Title 18A or the Rules and Regulations of the State Board of Education. The arbitrator shall not usurp the functions of the Board of Education or the proper exercise of its judgment and discretion under law and this Agreement.

2. The decisions of the arbitrator, if within the scope of his authority as above set forth, shall be final and binding.
3. In the event of arbitration, the costs of such services shall be shared equally by the parties and each of the parties shall bear his own expense in connection therewith.

E. Rights of Employees to Representation

1. Any employee or group of employees may be represented at all stages of the grievance procedure by himself/themselves, or, at his/their option, by a representative selected or approved by the Association. When Association representation is not requested, the Association shall have the right to be present at all stages of the grievance procedure.
2. No reprisals of any kind shall be taken by the Board or by any member of the administration against any employee, any building representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

F. Miscellaneous

1. All documents, communications and records dealing with the processing of a grievance shall be filed in separate grievance files and shall not be kept in the personal file of any of the participants.
2. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
3. All meetings and hearing under this procedure shall not be conducted in public and shall include only such employees and their designated or selected representatives heretofore referred to in this Article.
4. If in the judgment of the Association, the grievance affects a group of employees, the Association may submit such grievance in writing to the lowest level of administration that has the authority to resolve the grievance.

ARTICLE IV

 2. Application for a sabbatical leave of absence for a half or a full school year, shall be made in writing, by October 1, prior to the school year for which absence is desired.
 3. If the sabbatical leave request is based on acceptance in a program at a college or university, or other program which requires an acceptance of the application, the Board shall notify the teacher of its action regarding the leave within 30 days of the Board's receiving firm notification of acceptance of the teacher into said program.
 4. The teacher must have completed seven (7) full school years of service in the Point Pleasant Beach School District.

As a condition, the teacher shall enter into an individual contract to continue to teach in the Point Pleasant Beach School System for a period of three (3) school years following completion of the degree, or three (3) school years after each tuition reimbursement payment if the degree is not attained. The individual contract shall provide for repayment to the district if the teacher does not complete the three-year service obligation. Repayment shall be by payroll deduction or personal check, and shall also cover any legal costs to the Board incurred in collecting the reimbursement. The reimbursement to the Board shall be proportionate to the part of the three-year obligation not served in the district.

3. The master's degree program must be pursued at a college accredited by the State of New Jersey. Teachers may apply to the Board of Education for an exception to this provision. The Board may choose to grant an exception on a case-by-case basis; however a decision to grant an exception for one teacher shall not be binding or considered as precedent for any subsequent decision.
4. The master's program selected shall be in a field directly related to the teacher's current assignment. Teachers may apply for an exception to this provision. The Board may chose to grant an exception on a case-by-case basis, however a decision to grant an exception for one teacher shall not be binding or considered as precedent for any subsequent decision.
5. If a teacher's assignment changes after the teacher begins an approved master's degree program, the teacher will remain eligible for reimbursement for that program.

 - a. Statement concerning completion of work shall be in the hands of the Superintendent before September 1st.

- b. It shall be the responsibility of the teacher to see that the Superintendent receives a certified transcript showing satisfactory completion of all courses of study.
- c. Adjustment in teachers' salaries to reflect the annual salary increment and changes from one salary level to the next higher salary level by reasons of additional training shall be made only at the beginning of the school year in September.

SCHEDULE D
POLICY - TEACHING AND EXTRACURRICULAR POSITIONS

Teaching positions, support staff positions, Schedule E positions and other positions for which Association members may be qualified shall be publicized and filled as per Board Policy in Schedule D.

Home Instruction openings will be offered first to those teachers currently teaching these pupils. If that teacher wishes not to be considered, then the entire staff shall be notified of the opening. The rate for home instruction shall be twenty-five dollars (\$25.00) per hour, plus thirty-one (31) cents per mile or the state approved travel rate, whichever is greater for travel expenses for teachers tutoring homebound students outside Point Pleasant Beach, unless the person providing the home instruction is the classroom teacher of the student who is receiving the home instruction. In this case the rate would be thirty-five dollars (\$35.00), plus thirty-one (31) cents per mile or the state approved travel rate, whichever is greater, for travel expenses for tutoring homebound students outside Point Pleasant Beach. In filling such positions, consideration shall be given to a teacher's area of competence, major and/or minor field of study, quality of teaching performance, attendance record, and length of service in the Point Pleasant Beach School District; and, when all other factors are substantially equal, preference shall be given first to teachers who have taught the subject area and/or grade level in question during the regular school year and then to teachers who have taught the grade and/or subject in question on a regular basis at any time during other years.

If there are insufficient qualified volunteers, the Superintendent can appoint a staff member to this assignment.

At all times, the final consideration for appointment shall be based on the estimation by the Superintendent of the effectiveness of an individual in the proposed position.

Definitions

An extracurricular position shall normally be considered open only after the person in that position has requested, in writing, that he not be re-appointed; or, he has been notified, in writing, that he will no longer be re-appointed, together with reasons for such action.

Notification by the Superintendent shall be in a written memo. Such notification shall contain (1) a job title, (2) a brief explanation of the job and/or conditions of the job where necessary, (3) information as to when and to whom to apply. These notices shall be posted on bulletin boards in the principals' offices and faculty lounges. During the summer vacation period, the notices for any vacancies will be posted in the main offices at both schools and on the web sites for both schools. Should the web sites be non-operational, notices will be mailed.

SCHEDULE F
SUPERVISORY REPORTS ON TEACHERS

Each year principals are asked to make careful evaluations of all teachers. Detailed reports will be due in the Superintendent's office on December 15th for non-tenure teachers. On April 1st, detailed reports will be due for all teachers. A third, rather simple report will be due no later than the closing day of school for all non-tenure teachers and for those tenure teachers about whom there was a question as of April 1st.

Principals have been asked to use as much available evidence as possible when preparing each report. Further, the reports for non-tenured teachers shall include the observations and evaluations required by N.J.S.A. 18A:27-3.1 through N.J.S.A. 18A:27-3.3 and the rules established by the State Board of Education pursuant thereto. For tenured teachers, whose quality of work is well-known to the principal, there should be at least one formal observation.

Other material may be filed in a teacher's folder, such as letters of commendation or reports of unusual contributions to the school or community.

Each teacher should sign each report before it is submitted to the Superintendent. The teacher is invited to add comments if he/she so desires.
