ATTENDANCE HOURS REQUIRED OF TEACHERS

A. School Day

1. Definition

As professionals, the teachers are expected to devote to their assignments the time necessary to meet their responsibilities, but they shall not be required to "clock in" or "clock out" by hours and minutes. The teachers' normal workday shall be 430 minutes (7 hours, 10 minutes). The teachers' normal work schedule shall not begin prior to seven thirty (7:30 a.m.) nor end later than three fifty (3:50 p.m.). Each teacher will be assigned to the hours of one building. If an administrator or a teacher identifies a need to differ from this schedule, it may be done if mutually agreeable. In such event, the Administrator and teacher shall mutually agree to a starting and ending time for the workday. Teachers will be available to report early or stay beyond their assigned hours in order to attend (parent-initiated) parent-teacher conferences which are scheduled outside of their normal work hours. No teacher will be required to report more than 15 minutes before nor to

stay more than 30 minutes beyond the scheduled work period. No teacher will be required to make such an accommodation more than ten times per school year. The workday includes a duty-free lunch period of not less than thirty (30) minutes. Early departure for professional or personal reasons may be granted at the discretion of the Administration.

Unless scheduling prohibits, preparation time for full-time teachers will be assigned in the form of five (5) class periods per week, but in no event will be less than two hundred (200) minutes per week. When necessary to meet the two hundred (200) minute minimum, the period from 8:15 and 8:50 a.m. may be considered preparation time provided a teacher is not assigned a homeroom or any other duty. A preparation period shall not be less than thirty (30) continuous minutes. Preparation time for part-time teachers will be prorated based on the percentage of time employed. Preparation time is to be used for professional improvement, preparation of lesson plans, or conferencing with parents. During this time they will not be assigned to other duties except in emergencies.

In addition, release time may be scheduled by the administration in order to carry out other duties, including, but not limited to, training and meetings required by committee work. This release time is separate from the preparation time as described above.

2. Meeting/Conferences

- a. Included in the normal workday are regularly scheduled faculty meetings and the Parent-Teacher conferences. The Board may schedule up to two (2) evening conferences. Parent-Teacher conference days will be early dismissal days. Teachers will be permitted to leave at early dismissal time and return for evening conferences. Evening conferences shall not be scheduled the day before a holiday. The evening conferences shall be completed no later than 9:00 p.m. Staff that work in more than one building shall attend conferences in one building per day. Over the Parent-Teacher conference days the teacher's average workday shall not exceed seven (7) hours and ten (10) minutes. The teacher will schedule the hours per day.
- b. Included in the normal workday are Back-to-School night and one other evening activity. The other evening activity shall not be more than two (2) hours in duration and related to the teacher's grade or subject area. The evening activity will be for student supervision/chaperone duty related to the teacher's grade or subject area.

B. School Year

The in-school work year of the teachers employed on a ten-month basis, other than new personnel who may be required to attend an additional day of orientation, shall not exceed 187 days. A total of 2 such workdays may be fulfilled in the following manner

when pre-approved by the Superintendent. (This approval shall not be unreasonably withheld.)

1. Floating workdays which may include workshop and/or professional meetings outside the regular school day.
2. Student supervisory duties that are not compensated by contractual agreement.
3. Professional experience including, but not limited to, Board and Parent presentations, science fairs, and gym shows.
4. Curriculum development/articulation during non-school days which are not reimbursed.

Credit for each workday must equal a 7 hour aggregate.

The school calendar for the next year will be shared with the Association 10 days prior to the Board adoption at which time the suggestions of the Association may be considered.

C. Meetings

A day shall be set aside for weekly staff meetings starting about ten (10) minutes after student dismissal time. The Association and the Administration shall confer periodically on a mutually agreeable day which shall be followed except in emergencies. Teachers normally shall be notified of changes in meeting schedule at least four (4) days in advance. The Administration shall provide the teachers with a proposed meeting agenda at least one (1) school day prior to the meeting, except in emergency. The teachers shall have the opportunity to suggest items for the agenda through their liaison representative. Efforts shall be made to limit meeting time to one (1) hour. One of the periods reserved for such staff meetings within each two-month period may be made available for an Association meeting.

ARTICLE II

TEACHER ASSIGNMENTS

Teachers shall be given written notice of their anticipated or major class, subject assignments, and proposed textbooks for the coming year by June 1st of the immediately preceding school year except if the Administration shall, in good faith, otherwise notify.

ARTICLE III

- B. Unless otherwise agreed upon, teachers shall not be required to perform non-teaching duties including, but not limited to, keeping registers, typing, duplication of instructional materials, and scoring standardized achievement and intelligence tests;
- C. The Board and the Association recognize that lunchroom supervision is essential to an orderly and safe environment for students. Therefore, to achieve this goal, a teacher may be assigned cafeteria duty on a rotating basis with support from a cafeteria aide. To assure fairness and equity, a duty schedule will be established by the building principal, in cooperation with representatives of the Association, to distribute this duty as infrequently as building scheduling will allow.

To ensure that the quality of instruction will not be diminished, the Administration will make every effort:

1. To provide a respite between the conclusion of the assigned duty and the commencement of teaching responsibilities;
 2. To assure that classroom instructional time, including art, music, physical education, and library, will not be reduced in order to accommodate the duty schedule;
 3. The teacher on duty will have a thirty minute uninterrupted lunch period but may forfeit his/her preparation time in order to supervise the cafeteria and be paid honoraria for such services.

- E. Use of personal vehicle for attendance at workshops, in-service activities outside of the district, or business related errands, as approved by the Superintendent, shall be reimbursed at the standard mileage rate permitted by the I.R.S. ARTICLE VII

GRIEVANCE PROCEDURE

A. Definition

A grievance is a claim based upon an event or condition which affects the terms and conditions of employment of a Member or Members and/or its interpretation, meaning and application of any of the provisions of this Agreement.

B. Philosophy

The purpose of this procedure is to resolve differences regarding terms and conditions of employment at lowest levels of the grievance procedure and to promptly reach resolution to such grievances.

C. Procedure

1. Since it is important that grievances be processed as soon as possible, the number of days indicated at each level is a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. If either party fails to follow the time limit, the grievance shall be waived or moved to the next step, depending upon which party fails to follow the procedure agreed upon.
3. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, harm could result to a party in interest then the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as practicable.
4. The meetings and hearings shall be conducted in private.

D. Levels of Procedure

1. Level One

A Member with a grievance may discuss it with his immediate supervisor, through the Association's designated representative if desired, with the objective of resolving the matter informally. Any grievance must be brought to Level One not later than one (1) calendar month of the occurrence which gave rise to the grievance. The grievance must be responded to verbally within five (5) business days.

2. Level Two

If the aggrieved Member is not satisfied with the disposition of his/her grievance at Level One, he/she shall notify the Association within five (5) business days after the decision at Level One or within ten (10) business days after the grievance was presented, whichever is sooner.

Within five (5) business days after such notification, the Association shall submit the grievance in writing to the immediate supervisor by use of a grievance form. Such form shall state the nature of the grievance, the date of the incident giving rise to the grievance, the specific provisions of the contract, law, and Board policy allegedly violated and/or Administrative decision(s) being grieved and the remedy being sought.

The immediate supervisor, upon receipt of the written grievance, shall attempt to resolve the matter as quickly as possible and shall meet with the grievant and/or his representative within five (5) business days of receipt of such grievance.

The immediate supervisor shall respond within five (5) business days of meeting or within ten (10) business days of receipt of the grievance whichever is sooner.

Decisions rendered at Level Two and all subsequent levels of the grievance procedures shall be in writing, setting forth the decisions and reasons therefore, and shall be transmitted to and be signed by all involved parties.

Timelines designated in the grievance procedures shall exclude school holidays.

3. Level Three

If the aggrieved Member is not satisfied with the disposition of his/her grievance at Level Two, he/she may submit it in writing to the next higher level of supervision within five (5) business days after the decision at Level Two, or within ten (10) business days after the grievance was presented at Level Two, if no decision was reached, whichever is sooner. The parties shall attempt to resolve the matter at that next higher level of supervision as quickly as possible, and for that purpose, a meeting shall be held within five (5) business days of submission to that next higher level of supervision (designated school holidays excepted), unless that next higher level of supervision is the Board, in which event the grievance shall immediately proceed to Level Four.

4. Level Four

If the aggrieved Member is not satisfied with the disposition at the preceding levels, or if no decision has been rendered by the appropriate supervisor at Level Three, he/she may, within five (5) business days, request the Association Executive Committee to submit his/her grievance in writing to the Board through the Personnel Committee. The Board and the aggrieved Member shall attempt to reach agreement. If no agreement is reached within one (1) calendar month of

presentation to Level Four, the Board and/or the aggrieved Member may request the services of a mediator, who shall be selected by mutual agreement of the parties, to mediate and advise. The mediator shall set forth in writing his findings of fact, reasoning and conclusions on the issues submitted. The cost of mediation shall be shared equally by the parties. The parties will give due consideration to the mediator's findings, reasoning and conclusions, but they shall be advisory only and not be binding on the Board or the Association.

FOOTNOTE: Business day refers to scheduled work day of employment which may differ between teachers and custodial staff.

ARTICLE VIII
