ARTICLE II

Negotiation Procedure

- A. The parties agree to enter into collective negotiations over a successor Agreement in accordance with Chapter 303, Public Laws 1968 in a good-faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin not later than October 1 of the calendar year preceding the calendar year in which this Agreement expires. Any Agreement so negotiated shall apply to all teachers, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board.
- B. During negotiation, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counterproposals. The Board shall make available to the Association for inspection all pertinent records, data, and information of the Readington School district.

ARTICLE III

Grievance Procedure

A. Definitions

1. A grievance is a claim based upon an event or condition which affects the terms and conditions of employment of a teacher or group of teachers and/or the interpretation, meaning, or application of any of the provisions of this Agreement.
2. An aggrieved person is the teacher or teachers making the claim.
3. A party in interest is the teacher or teachers making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems which may arise from time to time affecting the terms and conditions of employment of teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement; and if the aggrieved person so requests, the Association shall be given the opportunity to be present at such adjustment and to state its views.

C. Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

1. Level One

A teacher with a grievance shall first discuss it with his/her principal or immediate superior, either directly

or through the Association's designated representative, with the objective of resolving the matter informally.

2. Level Two

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One or if no decision has been rendered within ten (10) working days after presentation of the grievance, he/she may file the grievance in writing with the chairperson of the Association's Committee on Professional Rights and Responsibilities [hereinafter referred to as the PRR Committee] within ten (10) working days after the decision at Level One or ten (10) working days after the grievance was presented, whichever is sooner.
- b. Within ten (10) working days after receiving the written grievance, the chairperson of the PRR Committee shall refer it to the superintendent of schools.

3. Level Three

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two or if no decision has been rendered within ten (10) working days after the grievance was delivered to the superintendent, he/she may, within five (5) working days after a decision by the superintendent or fifteen (15) working days after the grievance was delivered to the superintendent, whichever is sooner, request in writing that the chairperson of the PRR Committee submit his/her grievance to arbitration.
- b. If the PRR Committee determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) working days after receipt of a request by the aggrieved person.

4. Level Four

The Board of Education shall receive representatives of organizations acting for individuals or groups of employees only after individual employees or representatives have exhausted earlier methods for seeking redress of grievances and have requested audience for their representatives.

D. Rights of Teachers to Representation

1. Any aggrieved person may be represented at any stage of the grievance procedure by himself/herself or, at his/her

option, by a representative selected or approved by the Association.

2. When an aggrieved person is not represented by the Association, the Association shall have the right to be present and to state its views at any stage of the grievance procedure if the aggrieved person so requests.

E. Miscellaneous

1. All grievances and all discussions in respect thereof shall be in writing and transmitted promptly to all parties in interest [and to the chairperson of the PRR Committee, if involved].
2. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file in the superintendent's office and shall not be kept in the personnel file of any of the participants.
3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
4. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this ARTICLE.

ARTICLE IV
