- E. Any individual contract between the Board and an individual unit member, heretofore or hereafter executed, shall be subject to and consistent with the terms and conditions of this Agreement. - H. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3 **GRIEVANCE PROCEDURE**

A. Definition of "Grievance"

A grievance is a claim that there has been a violation of this Agreement by the Association, a unit member or a group of unit members.

B. Purpose

The purpose of this procedure is to secure, at lowest possible level, equitable solutions to the problems which may from time to time arise affecting the terms and conditions of employment of unit members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of procedure.

Nothing herein contained shall be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

C. Procedure:

Since it is important that the grievance be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable.

1. Level One

A unit member with a grievance shall first discuss it with the Chief School Administrator either directly or through the Association's designated representative, with the objective of resolving the matter informally. Any unit member or unit members having a grievance, or the Association must institute the proceedings at this level within twenty-one (21) school days after the unit member, or unit members or the Association know of the grievance. The Chief School Administrator will prepare a written summary of the discussion and file this summary in the grievance file.

2. Level Two

If the aggrieved person(s) is (are) not satisfied with the disposition of the grievance at Level Two or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Chief School Administrator, he/she (they), or their representatives, may within five (5) school days after a decision by the Chief School Administrator or fifteen (15) school days after the grievance was delivered to the Chief School Administrator, whichever is sooner, appeal the grievance to the Board.

3. Level Three

Upon receipt of a grievance, the Board of Education shall review the decision at the next regularly held Board meeting. The Board's Negotiations and Grievance Committee shall hold a hearing with the employee if requested by the employee and shall render a decision in writing within ten (10) school days of this meeting. Copies of the decision of the Board of Education shall be sent to the aggrieved, to the Chief School Administrator and the Association's designated representative.

4. Level Four

- a. A grievance which remains unresolved to the satisfaction of Association may be submitted to arbitration by the Association within ten (10) school days after the Board's decision. The parties shall use PERC's services and Rules to obtain the appointment of an arbitrator.
- b. The arbitrator so selected shall confer with the representatives of the Board and the Association's designated representative and hold hearings promptly and shall issue his decision not later than 30 days from the date of the close of the hearings, or if oral hearings have been waived, then from the date of final statements and proofs on the issues that are submitted to him. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be advisory.
- c. The costs for the services of the arbitrator including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

D. Rights of Unit Members to Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself or at his option, by a representative selected or approved by the Association. When a unit member is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
2. No reprisals of any kind shall be taken by the Board or by any member of the Administration against any party in interest, any building representative, the Association's designated representative

or any other participant in the grievance by reason of such participation.

E. Miscellaneous

1. Decisions rendered at all levels of the Grievance Procedure shall be in writing setting forth the decision and the reason therefore and shall be transmitted promptly to all parties in interest and to the Association's designated representative.
2. All unit members, including a unit member who has filed a grievance under this Agreement, shall continue to work in accordance with the direction of the Chief School Administrator or other supervisory personnel, regardless of the pendency of any grievance, until such grievance is properly determined.
3. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. Forms for filing grievances, serving notices, taking appeals, making reports, and recommendations and other necessary documents shall be prepared jointly by the Chief School Administrator and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
