PREAMBLE

THIS AGREEMENT, entered into this 20th day of OCTOBER, 2023, by and between the Township of Evesham, in the county of Burlington, State of New Jersey, a body corporate and politic of the State of New Jersey (hereinafter called the "Township"), and the Evesham Township Command Officers (hereinafter called the "Employee, Member, or Officer"), represents the complete and final understanding on all issues between the Township and the Employee that are subject to such negotiations and agreements permitted by the laws of the State of New Jersey.

ARTICLE I
RECOGNITION

- A. The Township hereby recognizes the Evesham Township Command Officers as the exclusive collective bargaining agent for all sworn police personnel at the rank of Captain and Lieutenant, who are full-time, paid employees within the Police Department.
- B. Full-time, paid employees within the Police Department includes all sworn police personnel at the rank of Captain and Lieutenant, who are full-time, paid employees within the Police Department.
- C. This contract shall not cover persons who, by reason of their duties, are excluded by law from public employee collective bargaining.

ARTICLE II
MAINTENANCE OF OPERATIONS

It shall be the mutual objective of the Evesham Township Command Officers and the Township to provide for the uninterrupted public safety protection of the general public. The Evesham Township Command Officers agree that, during the term of this Agreement, neither the Evesham Township Command Officers, nor anyone acting on its behalf will cause, authorize, support, or take part in any strike, work stoppage, slowdown, walkout or other job action against the Township. The Evesham Township Command Officers agrees that such action would constitute a material breach of this Agreement. Participation in any of the above shall be deemed grounds for disciplinary action up to and including termination of employment. The Evesham Township Command Officers will actively discourage any strike, work stoppage, slowdown, walkout or other job action that may adversely impact the mutual objective as expressed above.

This Agreement shall not be modified in whole or in part by the parties, except by an instrument in writing duly executed by both parties.

Except as this Agreement shall hereinafter otherwise provide, all terms and conditions of employment applicable on the effective date of this Agreement to employees as defined under 4 Article One – Recognition, as established by the policies of the Township in force shall continue to be applicable during the terms of this Agreement. The Township shall not negotiate with any organization other than the Evesham Township Command Officers unless obligated to do so by operation of law.

ARTICLE III
MANAGEMENT RIGHTS

- A. The Township hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and constitution of the State of New Jersey and of the United States, including but without limiting the generality of the foregoing, the following rights:
1. To manage and control administratively the Township government and its properties and facilities and the activities of its employees; and
 2. To hire all employees and, subject to the provision of the Law, to determine their qualifications and condition for continued employment or assignment and to promote and transfer employees; and
 3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and of the United States.
- C. NOTICES: Any notice required or desired to be given to an employee covered under this Agreement shall be deemed to have been given if sent by certified mail to the address on file for an employee. In the case of the Employer, notice shall be deemed to have been given if a certified mailing is sent to the principal office of the employer.

ARTICLE IV
HOURS

- A. The normal working schedule shall consist of the employee devoting the time and effort that is necessary for the Employees to fully and faithfully perform the duties and responsibilities of Police Captain and Police Lieutenant. The employee agrees to perform at all times faithfully, industriously, and to the best of his or her ability, experience and talent all of the duties and responsibilities that may be required of him or her.
- B. The Employee shall not be engaged by and/or be in the employment of any other person or entity during his or her employment unless the Employee receives advance written approval from the Chief of Police.
- C. The Employee may be required by the Chief of Police to attend various Township functions including, but not limited to:
- Township Council Meetings
 - Departmental Budget Hearings
 - Other Committee or Sub-committee meetings that involve police or public safety issues.
- D. The normal workweek shall be 40 hours. The positions of Police Captain and Police Lieutenant for the Township of Evesham are management positions and as such, the Employee who holds said position cannot always rely on a standard set of hours of employment to effectively meet the responsibilities of the position. Both the Township of Evesham and the Employee understand this premise and agree that the Employee is an "exempt employee" under the "Fair Labor Standards Act" for the purpose of overtime and compensatory time. Accordingly, the Township of Evesham and the Employee agree there will be no overtime or compensatory time for work performed by the Employee and the total compensation due to the Employee is contained in and in accordance with the terms of this Agreement.
- E. **OUTSIDE EMPLOYMENT:** The Township and the Employee recognize that the position of Police Captain and Police Lieutenant requires that the Employee devote his or her time solely to that position and its duties, and that the Employee cannot hold other regular employment that will interfere with their primary duty as Police Captain or Police Lieutenant. The Employee will seek prior approval from the Chief of Police for any outside employment to ensure the activity does not interfere in any way with his or her duties with the Township. If a conflict does arise, the duties of Police Captain or Police Lieutenant will always come first.

ARTICLE V
REIMBURSEMENT FOR EXPENSES

- A. Based upon presentation of appropriate vouchers and receipts, Township agrees to pay the following for authorized overnight schools, conferences or seminars for which facilities are not provided.
1. The Township will pay the actual cost expended for meals during these overnight schools, conferences or seminars to a maximum per diem rate as follows:

Breakfast \$5.00 per day
Lunch \$10.00 per day
Dinner \$15.00 per day
 2. The Township will also provide any necessary lodging required if facilities are not otherwise provided without cost to the employee.
- B. In the event any member of the Evesham Township Command Officers is authorized to use his personal automobile for Township or Police business, whether or not the trip involves an overnight stay, he shall be reimbursed at the IRS mileage reimbursement rate, upon submitted vouchers and other appropriate records to the Chief of Police.

ARTICLE VI
VACATIONS

- A. Employees covered by this collective bargaining agreement shall earn annual vacation leave with pay which shall be earned on a monthly basis at the following rate:
- a. Step 1 – during the first sixty (60) months next following the date of hire, 180 hours.
 - b. Step 2 – from the beginning of the sixth (6th) year through the tenth (10th) year of service, 204 hours.
 - c. Step 3 – from the beginning of the eleventh (11th) year through the nineteenth (19th) year of service, 220 hours.
 - d. Step 4- from the beginning of the twentieth (20th) year and every year thereafter, 260 hours.
- B. A member can utilize vacation time as of the first of each year but shall reimburse or otherwise make whole the Township for vacation time taken but not yet accrued if the member retires, resigns, or is separated from service.
- C. Upon retirement or termination other than for disciplinary reasons, accrued and unused vacation leave can be returned for payment at the employee's current pay rate with a

maximum of 340 hours. Vacation is accrued on a current basis and is therefore prorated when the member leaves the employment of the Township. Members terminating employment, as a result of disciplinary action shall not be entitled to compensation associated with accrued unused vacation leave.

- D. Only one year's worth of annual unused vacation leave shall be carried into the succeeding year.
- E. The Township may, with the member's consent, agree in writing to buy-back or purchase accrued vacation leave which shall relieve the officer of his or her right to exercise such leave in consideration of the payment.
- F. Vacation leave shall be granted based upon a predetermined number of "scheduled working hours." For the purposes of this agreement, scheduled working hours shall be on scheduled work shifts for the member requesting such leave.
- G. Effective with the signing of this Agreement, any FOP member who is promoted and therefore covered by the terms of this Agreement shall retain their existing leave time schedule, which was in effect at the time of their promotion.
- H. JURY DUTY: If the Employee loses time from his job because of jury duty as certified by the Clerk of the Court, he shall be paid by the Township the difference between his daily base rate of pay and the daily jury fee.

ARTICLE VII
HOLIDAYS

- A. As of 1/1/2023 the Township recognizes 16 holidays. Township recognized holidays are:
1. New Year's Day; 2. Martin Luther King Jr. Day; 3. President's Day; 4. Good Friday;

Friday after Thanksgiving Day; 15. Christmas Day; 16. Day after Christmas. If a member is required to work a holiday for such an event as the July 4th services, the member can use the holiday on another day within the pay period.
- B. If a holiday occurs on the regular day off for an Employee, the Employee does not gain any additional leave time to be used on another day.

ARTICLE VIII
LEAVE OF ABSENCE

- A. LEAVE OF ABSENCE WITHOUT PAY: The Township Manager may grant a request for leave of absence without pay for periods not to exceed one (1) year, when such leave is for a reasonable purpose; however, no seniority or benefits of any nature whatsoever shall accrue, or be available, during said leave. The only exception to this rule shall be health benefits in the event the employee's need for leave is covered by either the State or Federal Family Leave Act, and then only in conformance with the State Health Benefits Program guidelines. Upon termination of leave of absence, the Township will reinstate the employee in the capacity in which he left at a rate of pay at which he left. During a leave of absence under this provision, the employee shall not engage in gainful employment in any industry without the express written approval of the Evesham Township Manager.

During a leave of absence under this provision, the employee shall not engage in gainful employment in any industry without the express written approval of the Evesham Township Manager. Failure to comply with this provision shall result in termination of employment and forfeiture of all benefits.

When an employee is exercising his right to Family and Medical leave, the Township shall comply with the laws of both the Federal and State of New Jersey, which may supersede the above.

During any approved leave of absence, the employee shall be required to continue making his or her health insurance premium contribution as set forth in Section X.A.4 of this agreement.

- B. INJURY IN THE LINE OF DUTY – PURPOSE: The desire to provide some measure of security for police officers injured in the line of duty while foreclosing unlimited liability on the part of the municipality to pay salary benefits. In line with this objective, the parties have negotiated this clause, which fairly balances both concerns.
- C. INJURY IN THE LINE OF DUTY – DEFINED: The Township shall provide Worker's Compensation Insurance coverage to all members. Further, the Township shall comply with N.J.S.A. 34:15-1 et. Seq., which provides a complete and detailed outline of both the employer and employee's responsibilities in the event of a work related injury.

The parties agree to be conclusively bound by the determination of the Township worker's compensation insurance carrier or the Worker's Compensation Court (in a contested matter) with respect to whether an injury occurred while "in the course of

employment” pursuant to N.J.S.A. 34:15-1 et seq. or “in the line of duty”; and for the purposes of this section, those terms shall be identical.

1. Township’s Duty to Supplement Pay – While any police officer is prevented from performing the duties of his work by reason of an injury in the line of duty and is receiving temporary worker’s compensation benefits, such officer shall also receive supplemental payments by the Township of Evesham equal to the difference between such benefits and the officer’s regular rate of pay. Once begun, the Township’s duty to sustain an officer at this regular pay shall continue until terminated as hereinafter set forth.
2. Termination of Township’s Duty to Supplement Pay – The Township’s duty to supplement an officer’s worker’s compensation benefits or sustain an officer at regular pay shall terminate as a result of any of the following events:
 - a. Upon the officer’s return to work.
 - b. If an officer’s temporary worker’s compensation benefits are terminated and the officer refuses or maintains he is unable to return to work, the Township’s duty to supplement pay may be terminated only after the Township physician or his designate (who shall also be a licensed physician) conducts a hearing to determine the officer’s fitness to return to work at which time the hearer shall give great weight to medical evidence presented. If the hearer determines the officer is not fit to return to work, the Township’s duty to supplement pay as aforesaid shall terminate. If the hearer determines that the officer is not fit to return to active police work, notice of such determination shall be formally served by mail upon the officer (and if represented, his attorney) whereupon the Township’s duty to supplement pay shall terminate within five (5) days except as prohibited in the following paragraph.
 - c. The determination of the hearer shall be conclusive and both parties agree that no right of appeal shall exist from such determination.
 - d. If the officer or the municipality files an application for disability pension by reason of the officer’s inability to return to active police duty, the municipality shall continue to supplement pay or sustain an officer at his regular pay until such application is determined or four (4) months following such application, whichever event first occurs, unless precluded by N.J.S.A. 52:17B-243.
3. Notwithstanding the above, the Township will not supplement workmen’s compensation benefits for a period longer than one (1) year.
- D. BEREAVEMENT LEAVE: A regular full-time employee may be excused from work with pay because of a death in his/her immediate family as defined below:

1. Six consecutive workdays, one of which shall be the day of the funeral or the day of death, for death of spouse, children, stepchildren, parents, stepparents, legally adopted children, brother, sister and stepsiblings. The term spouse as used in this Article shall include domestic partners and civil unions as defined by New Jersey law. If additional bereavement time is desired by the member for any relative listed above, the township will allow the member to utilize any accrued time for this purpose so long as it is contiguous to the bereavement leave.
2. Three consecutive workdays, one of which shall be the day of the funeral or day of death for grandparents, grandchildren (or step-grandchildren), mother-in-law, father-in-law, brother-in-law and sister-in-law, Aunt or Uncle.

E. MILITARY LEAVE

1. An employee who is a member of the National Guard or Naval Militia or of the Military or Naval Forces of the United States and is required to engage in field training therein shall be granted a leave of absence with pay for the period of such field training. This leave shall be in addition to the annual vacation leave. The Township shall pay the difference between military pay and the employee's regular pay for the period of field training.
2. Employees subject to military duty shall be entitled to all rights and privileges in accordance with applicable state and federal statutes.
3. All members of the military will continue to receive all benefits under this Agreement while on military leave.

ARTICLE IX

A. MEDICAL AND DENTAL INSURANCE:

1. During the term of this contract, the Township shall continue to provide health insurance benefits, prescription plan, dental plan and disability income protection benefits to cover Members and their legal dependents. The Township reserves the right to change the insurance carriers provided that equal or better benefits are provided to the plans defined in sub-section (2).
2. Effective January 1, 2015, the standard health insurance plan shall be the Gold Plan (see attached plan design attached hereto as Attachment B) as presented by the Township and discussed in the negotiations resulting in this Agreement. Individuals shall be permitted to select enrollment in the Platinum, Gold Plus, Gold, Silver or Bronze Plan(s) (see Attachment B) provided the individual pays the premium differential and contributes pursuant to the provisions of subsection 4 (below).
3. Members who volunteer to participate in the Township's "Opt-Out" program will receive the maximum permitted under P.L. 2011, c. 78, whichever is the lesser of 25% of the amount saved or \$5,000.
4. All active Members shall have deducted (pre-tax) via payroll deduction under the Federal Section 125 Plan any amount paid to the Township for their health insurance contribution pursuant to P.L. 2011, Ch.78.

As of 1/1/2024 the Township will fund the HSA account the maximum out of pocket expense per the plan documents for two years and then going forward, 50% of the deductible for any Member who takes the Bronze healthcare plan from the Township at any point throughout this contract term. This is an incentive for members to choose the Bronze plan.

- The contributions are based on the current policy provisions. As an example, based on the 2023 rates, this equates to \$5,000 for 2 years and then \$1,500 going forward for a Member on the family coverage bronze plan, or \$2,500 for 2 years and then \$750 going forward for a Member on the single coverage bronze plan. Should the maximum out of pocket or deductible amount change for the subsequent years, the amounts will be adjusted.

New Members hired after 1/1/2024 who take the Township bronze healthcare plan will have their HSA account funded by the Township for the full deductible on the plan at the time of their hiring for the first two years on the plan and then 50% of the deductible going forward. E. INSURANCE:

1. The Township will continue to provide the present life insurance policy, which provides for group term life insurance for fifty thousand dollars (\$50,000).

2. The Township will pay any reasonable funeral bill up to a maximum of ten thousand (\$10,000) dollars upon presentation of receipts for actual expenditure for any member who shall die while on official duty. Said provision to be effective immediately.

3. This payment shall be in addition to the statutory funeral expenses provided by worker's compensation.

4. The Township shall pay attorney's fees to a licensed attorney selected by the spouse or administrator or executor of an officer's estate to a maximum amount of \$250 for legal services and counseling regarding available insurance and benefits in any case in which a police officer dies in the line of duty.

- E. The Township will indemnify and save harmless the members of the Evesham Township Command Officers from civil liability for false arrest.

Members hired before May 21, 2010 who are terminating employment as a result of disciplinary action shall not be entitled to compensation for unused sick leave accumulated from one year prior to the date of the event-giving rise to the disciplinary action through the actual date of termination. However, such members shall be entitled to compensation for unused sick leave accumulated prior to the above-described excluded period of accrual.
- M. In the event that any member shall die while employed by the Township, the member's estate shall be entitled to compensation for his/her accumulated sick leave at the time of his/her death based upon the above compensation schedule.
- N. Members who retire in good standing, and have 10 years or more but less than twenty to twenty-five years of service shall be entitled to 50 percent above the chart, unless such employee was hired after May 21, 2010, which caps such payment at retirement at \$15,000 pursuant to N.J.S.A. 11A:6-19.1; N.J.S.A. 40A:9-10.2.
- O. A member's FMLA time will not start until his sick time has been exhausted.
- P. Township and the employee can mutually agree upon a terminal leave agreement.
- Q. On January 1 of each year members will be allotted 120 hours of sick time added to their bank of already accrued sick time. A member can utilize these hours as of the first of the year but shall reimburse or otherwise make while the Township for sick time used but not yet earned if the member retires, resigns, or is separated from employment.
- R. MATERNITY LEAVE - Upon notifying the Chief of Police of a pregnancy, the pregnant

officer shall be given the option to transfer to a modified duty assignment within the department or, with the approval of the Township Manager, to another appropriate municipal function, for the remainder of the pregnancy or until maternity leave is required.

- The officer shall be required to supply a note from her physician stating that a member is no longer qualified for full duty as a police officer.
- During maternity leave, the member may use vacation, sick, personal or comp. time without penalty.
- Once a police officer's accrued time has been exhausted, the member will be placed on unpaid medical leave until a physician's note is produced clearing the member to return to full duty.
- During this unpaid maternity leave the township will agree to pay up to six (6) months of health insurance on behalf of the member in conformance with Article X – "Health and Welfare".
- The employee will remain responsible for the payment of any insurance contribution that is required under Section X.A.4 of this agreement (Chapter 78, P.L. 2011).
- The purpose of this clause is to take the pregnant officer out of harm's way and to preserve the officer's rights and benefits.

S. FAMILY LEAVE – Members who use FMLA, NJFLA, or State Disability Insurance shall be subject to Township policy 301, last updated July 2020. If there is any conflict in language between Policy 301 and this Agreement, the contractual provision shall apply.

T. RETIREMENT BENEFITS: Upon retirement, the Employee shall be paid for accumulated sick leave and unused accumulated vacation leave pursuant to the following provisions:

- a) Sick leave payout for the Employee was capped at the benefit level as of December 31, 2020. The Township certified the exact amount of his maximum retirement benefit on December 31, 2020. The Employee agrees that no additional value will accrue to his sick leave retirement benefit over the certified amount attained as of December 31, 2020. There is nothing to preclude the sick leave retirement benefit from being reduced in the future due to utilization of sick leave.
- b) Upon retirement or termination for other than disciplinary reasons, accrued and unused vacation leave can be returned for payment at the Employee's current pay rate with a maximum of 340 hours. Vacation is accrued on a current basis and is therefore prorated when the Employee leaves employment of the Township. If the Employee terminates employment as a result of disciplinary action, he shall not be entitled to compensation associated with accrued unused vacation leave.

APPENDIX B

TOWNSHIP LEAVE POLICY

Township of Evesham

Policy: Leave of Absence	Manual: Human Resources
Effective Date: September 2000	Policy No.: 301
Last Review Date: July 2020	Distribution: All Departments

I. POLICY

It is the policy of the Township of Evesham to provide eligible employees with leaves of absence in the event of certain family or medical circumstances. The provisions of the leave shall be consistent with the provisions of the Federal Family and Medical Leave Act (FMLA), the New Jersey Family Leave Act (NJFLA), the Township of Evesham Code §22-9 and all appropriate Collective Negotiations Agreements. The Township will not interfere with, restrain, or deny the exercise of any right provided by this law. The Township will not discharge or discriminate against any individual for opposing any practice, or because of involvement in any proceeding, related to FMLA or NJFLA. The employee may be eligible for NJ State Temporary Disability benefits during this time, dependent upon the rules of the Temporary Disability program.

Employees who are not eligible for leave under the FMLA or NJFLA may be eligible for a General Leave of Absence at the discretion of the Township, or as required by their respective Collective Negotiations Agreements. Employees should contact the Human Resources Office for more specific information if they have questions.

II. DEFINITION OF TERMS

For purposes of this Policy, a leave of absence shall be defined as a pre-arranged period during which an employee is authorized to be absent from duty. Leaves may be considered either FMLA and/or NJFLA leaves of absence or General Leaves of Absence. Leaves may be either with pay through the use of accrued Sick time and/or accrued Vacation time, or without pay in the absence of sufficient Sick or Vacation time as allowable by law. Whether paid time off is used or not, where appropriate, leave may be counted against an employee's entitlement under the FMLA and/or the NJFLA.

III. EMPLOYEE ELIGIBILITY

Employees shall be eligible for a leave of absence under the FMLA if they have worked for the Township for at least 12 months (does not need to be consecutive) and at least 1250 hours in the 12-month period immediately preceding the commencement of the leave.

Employees shall be eligible for a leave of absence under the NJFLA if they have worked for the Township for at least 12 months (need not be consecutive) and at least 1000 hours in the 12-month period immediately preceding the commencement of leave. (This 1000 hours includes time out on workers' compensation leave and military service).

Employees not meeting the above eligibility requirements may be eligible for a General Leave of Absence at the discretion of the Township or as required by their respective Collective Negotiations Agreement or law.

IV. REASONS FOR LEAVE

A. Leaves of Absence may be granted for the following reasons:

1. The birth of a child, or the placement of a child with the employee for adoption or foster care, and/or to care for the child (referred to as Family Leave under the FMLA and NJFLA);
2. To care for an employee's child, spouse or parent, with a serious health condition (referred to as Family Leave under the FMLA and NJFLA);
3. To care for an employee's parent-in-law, domestic or civil union partner with a serious health condition (referred to as Family Leave under the NJFLA only);
4. For the employee's own serious health condition, including pregnancy or on-the-job illness or injury that makes the employee unable to perform at least one of his/her essential job functions (referred to as Medical Leave under the FMLA only);
5. Because of any qualifying exigency arising out of the fact that the spouse or a son, daughter, or parent of the employee is on active duty (or has been notified of an impending call order to active duty) in the Armed Forces in support of a contingency operation (referred to as Service Member Exigency Leave under the FMLA only);
6. To care for the spouse, son, daughter, parent or next of kin who is a covered service member who needs medical treatment, recuperation or therapy, is otherwise in out-patient status or is otherwise on the temporary disability retired list for a serious illness or injury incurred in the line of duty (referred to as Military Caregiver Medical Leave under the FMLA only).

Where leave is covered under both the FMLA and the NJFLA and the employee is eligible for leave under both laws, time out shall run concurrently against an employee's entitlement under both laws.

In the sole discretion of the Township Manager, leaves of absence may be granted for other purposes as deemed in the best interests of the Township or as otherwise required by law or provided by Collective Negotiations Agreement. Leaves granted to employees who are not eligible for FMLA and/or NJFLA, or for purposes not covered by the FMLA and/or NJFLA shall not be deducted from an employee's FMLA and/or NJFLA entitlement. When these leaves are approved and paid, all benefits will remain intact.

V. NOTICE REQUIREMENTS

Where the need for leave is foreseeable, the employee must provide at least 30 days' advance notice (15 days advance notice for a serious health condition of a family member). If such advance notice is not possible, the employee must provide as much notice as is possible. Employees can provide notice to the Township on **Leave Request Forms** (Attachment A) that can be obtained in the Human Resources Office. If the employee does not provide sufficient advance notice, leave may be delayed until proper notice is given, or if leave has already begun, leave may be deemed unauthorized.

Once an employee provides notice of the need for leave, an employee shall be provided with a **Leave Designation/Employee Acknowledgement of Obligations Form** (Attachment B) which the employee should review and return to the Human Resources Office.

In the case of FMLA/NJFLA leave resulting from the serious health condition of the employee or an employee's family member, the employee shall submit a completed **Health Care Provider Certification Form** as soon as possible after the request for leave. Employees must provide the

completed form to Human Resources no later than 15 calendar days from the date the Township provides the form to the employee. Failure to provide the completed Health Care Provider Certification Form in a timely manner may result in delay of requested leave, or if leave has already begun, leave being deemed unauthorized. (The Township maintains separate Health Care Provider Certification Forms for the serious health condition of the employee and the serious health condition of the family member).

The Human Resources Office may contact an employee's (or family member's) health care provider with prior approval of the patient or family member to authenticate or clarify information provided on the Health Care Provider Certification Form. In the event that the Health Care Provider Certification Form is not deemed sufficient, the employee shall be provided with written notice of such deficiency and shall be provided with 7 days to cure the deficiency. Failure to cure the deficiency may result in the denial of leave or the request of a second opinion.

In the event the Township reasonably doubts the validity of the medical certification, the Township may, at its own expense, require the employee to secure a second opinion by a health care provider selected by the Township. If the two opinions differ, the Township may, at its own expense, require a third opinion, by a jointly designated or approved health care provider, which opinion shall be binding on both the Township and the employee.

The Township of Evesham may request recertification of a serious health condition every 30 days or as frequently as required by the initial Health Care Provider Certification. The employer may also request recertification if the circumstances described in the former certification change substantially, or if the Township reasonably doubts the validity of leave.

Employees requesting leave for the birth, adoption or foster care placement of a child may be required to provide proof of birth, adoption or foster care placement.

Employees requesting leave due for Service Member Exigency Leave or Military Caregiver Leave shall also be required to complete forms obtained from Human Resources (Attachments D and E).

VI. LENGTH AND TYPES OF LEAVE

A. FMLA

Eligible employees are entitled to a maximum of 12 work-weeks of leave in a rolling 12-month period. Employees needing Military Caregiver Leave are entitled to a maximum of 26 weeks of leave in a 12-month period. This 26-weeks shall include all FMLA time taken in the 12-month period. The 12-month period begins on the first day an employee begins FMLA leave. FMLA leave is not cumulative and unused FMLA leave cannot be carried over to a future 12-month period.

B. NJFLA

Eligible employees are entitled to a maximum of 12 work-weeks of leave in a 24-month period. The 24-month period begins on the first day an employee begins NJFLA leave. NJFLA leave is not cumulative and unused NJFLA leave cannot be carried over.

C. TYPES OF LEAVE

Employees may take FMLA/NJFLA leave on a continuous, intermittent or reduced leave basis as described below:

1. Continuous Leave is leave which is taken in a single block of time up to the employee's maximum leave entitlement;
2. Intermittent Leave is leave taken in separate blocks of time. The use of intermittent leave must be deemed medically necessary and may be used only for the employee's own serious health condition, the serious health condition of a family member, Service Member Exigency Leave or Military Caregiver Leave. Intermittent leave cannot be used for the birth, adoption or foster care placement of a child.
3. Reduced Schedule Leave is leave which reduces the usual number of working hours or days per week the employee works, must be deemed medically necessary and may be used only for the employee's own serious health condition, the serious health condition of a family member, Service Member Exigency Leave or Military Caregiver Leave. Reduced Schedule leave cannot be used for the birth, adoption or foster care placement of a child.

Employees taking intermittent or reduced schedule leave must attempt to schedule leave so as not to disrupt Township operations. In order to accommodate an intermittent or reduced leave schedule, the Township may transfer an employee to an alternative position with equivalent pay and benefits for the duration of the leave.

D. USE OF ACCRUED PAID TIME OFF

Employees taking leave for the care of a newborn child or a seriously ill family member, or for the adoption or placement of a child, must exhaust all accrued paid vacation and sick time unless the employee is also taking paid leave as provided under New Jersey's Paid Family Leave Law. If an employee is taking paid leave as part of FMLA/NJFLA, the employee shall be required to use 2 weeks of paid vacation until the employee has exhausted his/her 12 weeks' entitlement of NJ Paid Leave (see Section below on NJ's Paid Family Leave Law). Thereafter, the employee shall be required to use his/her accrued remaining vacation and sick time for the remainder of the FMLA/NJFLA period.

Employees taking leave for their own serious health condition must exhaust all accrued paid sick and vacation time as part of the leave period. If employees are also receiving other partial pay supplementation, the use of paid time shall be used as a supplement. The remainder of the leave will be unpaid.

An employee who is on a General Leave of Absence may be required to use all accrued Sick and Vacation time. Donated Leave may be requested and will count towards "paid leave."

In all cases, up to 5 days accrued vacation may be reserved for use upon return to work.

E. EFFECT OF LEAVE ON SENIORITY AND PAY ANNIVERSARY DATE

An employee who is on leave status will retain all seniority rights and the leave shall not serve as a break in service. However, an employee shall not continue to accrue additional benefits while on unpaid leave.

An employee who is on leave will not be given a performance review until the employee returns from leave. The performance review date shall thereafter be changed to reflect completion of 12 months of service.

Employees shall be entitled to any and all salary increases to which they would have been entitled to but for the taking of leave; for example, non-merit based across-the-board increases.

VII. BENEFIT CONTINUATION

A. BENEFIT ACCRUAL

Although a leave under the FMLA/NJFLA shall not constitute a break in service, employees shall not accrue additional benefits while on an unpaid leave. Employees utilizing vacation or sick time as part of the leave period shall continue to accrue benefits in accordance with Township policy.

B. INSURANCE BENEFITS

Health, Prescription, Dental, and Life Insurance coverage shall be continued while an employee is on an approved leave or as may otherwise be required by applicable Collective Negotiations Agreements. Employees using paid time off concurrently with a leave described herein shall also have his/her benefits continued for the duration of the use of paid leave.

Employees on FMLA leave are responsible for paying their employee share of health insurance premiums, as well as any voluntary contributions they wish to maintain. If employees are using accrued paid leave as part of the FMLA leave period, the employee's premium share will be deducted from paid leave wages. If an employee is on unpaid FMLA leave, the employee shall be required to submit payments to the Township's Human Resources office, on or before dates set by the Township, for his/her regular premium share.

In the event of the failure of the employee to make timely payments, the Township may terminate coverage if the payment is more than 30 days late. The employer will provide written notification 15 days prior to the loss of coverage.

Once FMLA leave has expired, unless an employee is on an approved leave with pay, the employee's paid benefits shall stop and the employee will be responsible for the entire premium for health, prescription and dental coverage. Such employees shall be provided with appropriate COBRA notifications.

Group Term Life Insurance benefits shall continue at Township expense during approved leaves of absence for up to six months of leave.

VIII. RETURN FROM LEAVE

- A. Upon return from approved FMLA/NJFLA leave, an employee shall be reinstated to the same or an equivalent position to that the employee held prior to the leave, unless the employee would not otherwise have been employed at the time of reinstatement; i.e., if the employee would have been laid-off or terminated for performance reasons. Return from a General Leave of Absence may not be guaranteed, and an employee may not be returned to the same or an equivalent position unless

otherwise required by law or applicable Collective Negotiations Agreement. Employees who are deemed "key employees" may also be denied reinstatement. Employees deemed "key" shall be so notified at the beginning of their leave and shall be advised in writing of their status and its impact on reinstatement rights.

- B. Employees must give at least 2 business days' notice of return from leave, if such return date is different from the return date approved in the original leave request. Employees needing an extension of leave must provide as much advance notice as possible of the need for additional leave. The failure to give advance notice may be deemed reason to deny continued leave or deem continued leave unauthorized.
- C. An employee returning to work because of the employee's own serious health condition is required to provide a return to work note from his/her Health Care Provider stating that the employee is able to perform the essential functions of his/her position with or without accommodation. If an accommodation is needed, the Health Care Provider must indicate the type of accommodation needed and the duration of the needed accommodation. If the employee is in need of accommodation to perform his/her duties, the Township shall determine whether such requested accommodations are reasonable and if reinstatement can be made without undue hardship. The Township shall provide the employee with a copy of his/her job description or the essential functions of the position. An employee shall not be returned to work without a medical return to work release.
- D. An employee requesting an extension of leave must provide appropriate documentation to justify the need for the extension. If the employee has FMLA/NJFLA leave available, leave extension requests shall be as required by the FMLA/NJFLA. If FMLA/NJFLA leave entitlements have been exhausted, leave requests shall be made in the discretion of the Township or as may be required by Collective Negotiations Agreement or by law.
- E. An employee who fails to return to work as scheduled and does not request a timely extension or such extension is denied, shall be deemed to have resigned his/her position with the Township. Employees will be deemed to have resigned in good standing only if they provide notice to the Township and cannot return to work due to a documented serious health condition and/or other reason beyond their control.
- F. An employee who fails to return to work at the end of an approved leave, may be required to repay any insurance premiums paid by the Township on the employee's behalf during the period of leave.
