A. The following provisions as to membership, and deduction of Union dues with respect to the employees within the collective bargaining unit, are agreed to for the term of this Agreement provided, however, that they shall be effective only subject to and conditional upon the Union and the employees complying with the applicable provisions and requirements of the Employer-Employee Relations Act, as amended:

#### B. Union Membership

1. Upon receiving the written authorization of an employee in the form provided in this Article 3, which form will be provided to the employees by the Union, the Borough agrees to deduct membership dues and initiation fees in such amounts as shall be fixed pursuant to the By-Laws and the Constitution of the Union during the continued effectiveness of such written authorization.

1. Representation Fee

If a permanent employee does not become a member of the Union during any membership year (i.e., from January 1 to the following December 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Union for that membership year. If the obligation to pay a representation fee as aforesaid does not commence at the beginning of a membership year, the amount of said representation fee shall be pro-rated for members of the Union. The representation fee shall be in an amount equal to no more than eighty-five (85%) percent of the regular Union membership dues, fees, and assessments as certified to each year, the Union will submit to the Borough a list of those employees who have not become members of the Union for the then current membership year. The Borough will deduct from the salaries of such employees, in accordance with Section b. below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Union.

b. Payroll Deduction Schedule

The Borough will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid: (a) ten days after receipt of the aforesaid list by the Borough; or (b) thirty days after the employee begins his or her regular and temporary employment over ninety (90) days in a bargaining unit position.

c. Mechanics of Deduction and Transmission of Fees

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will be the same as those used for the deduction and transmission of regular monthly membership dues to the Union, which shall be deducted on the first pay period of the month.

d. Changes

The Union will notify the Borough in writing of any changes in the list provided for in Section a. above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Borough receives said notice.

e. New Employees

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Borough will submit to the Union a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles, and dates of employment for all such employees.

f. Termination of Employment

If an employee who is required to pay a representation fee terminates his or her employment with the Borough before the Union has received the full amount of the representation fee to which it is entitled under this Article through the last day of the month in which employment ceases, the Borough will deduct the unpaid portion of the monthly fee from the last paycheck paid to said employee during the membership year in question.

g. Indemnification

With respect to dues deductions, representation fee deductions, and the Union's demand return system established pursuant to law, the Union shall indemnify, defend, and hold

the Borough harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of, or by reason of, action taken by the Borough pursuant to the above provisions concerning dues deductions and representation fee. It is furthermore expressly understood that the representation fee provision set forth above shall not be effective unless and until the Union shall have notified the Borough in writing that it has adopted a demand return system which fully complies with applicable statutory provisions.

## ARTICLE 4

### MANAGEMENT RIGHTS

The Union recognizes that the management of the Department of Public Works, the control of its properties, and the maintenance of order and efficiency are solely the responsibilities of the Borough. All the rights, power, and authority possessed by the Borough prior to the signing of this Agreement are retained exclusively by the Borough without limitation, except as may be specifically provided for in writing in this Agreement. In the event either party fails to serve said written notice of desire to arbitrate within ten (10) calendar days of the date of the written decision handed down under the last step of the Grievance Procedure provided for in this Agreement, then the grievance shall be considered as abandoned at the last step of the Grievance Procedure.

2. After receipt of a desire to arbitrate, the aggrieved party may submit the matter to the Public Employment Relations Commission requesting that an impartial arbitrator be selected in accordance with its rules and regulations.

3. The decision of the arbitrator shall be final and binding on both parties and he/she shall set forth the rationale for his/her decision in the award.

4. The arbitrator shall be bound by the provisions of this Agreement, restricted to the applications of the facts presented to him/her involved in the grievance, and limited to the interpretation of the Agreement. The arbitrator shall have no authority to add to, alter, amend, or modify any provision of this Agreement. Furthermore, the arbitrator shall be bound by the laws of the State of New Jersey and shall be without power to advise or direct the omission of any illegal act or acts beyond the legal authority of the parties.

5. The arbitrator's fees and expenses shall be borne equally by the parties to the Agreement. Any other expenses included but not limited to witnesses shall be borne by the individual party incurring same.

6. One member (either the Unit Chairperson or Steward, but not both) shall represent the aggrieved party. The Borough shall pay for all time spent at arbitration for the Unit Chairperson or Steward.

7. Arbitration hearings and conferences shall be held at the Municipal Building.

In no event shall the Borough be required to consider any discharge grievance, which is not presented in writing within five (5) working days after the discharge.
