ARTICLE I—RECOGNITION

- A. The Parsippany-Troy Hills Board of Education hereby recognizes the Union as the sole and exclusive bargaining agent for all employees now employed or to be employed in the Maintenance, Custodial, and Driver classifications excluding Supervisory, Office and Clerical employees of the Parsippany-Troy Hills Board of Education, in all those matters specifically provided for herein pertaining to wages, hours and conditions of employment.
- B. Wherever used herein the term “Employees” shall mean and be construed only as referring to members of the bargaining unit covered by this Agreement, and references to male employees shall include female employees.

ARTICLE II

SALARY GUIDE

- A. There will be a salary freeze of all Local 1 members 2009-2010 salary for the 2010-2011 school year. The Board and Local 1 agree to re-open the contract in years two and three of this Agreement to negotiate salary and benefits.

Placement of a custodian or maintenance worker upon movement to the Head/Lead/Working/Forman Guide will be to the next higher salary amount, regardless of step.

Due to the nature of their work the Board and Local 1 recognize the need to develop separate contractual language and a separate salary guide for bus drivers. It is understood, however that drivers maintain all rights, privileges and protections, unless otherwise specified, as outlined in the Collective Bargaining Agreement between the Board and Local 1.

- B. New employees shall be hired on a probationary basis for one hundred and fifty (150) calendar days. During the period of probationary employment the employee’s salary shall be established at four hundred dollars (\$400) less than the hiring range placement. Upon successful completion of one hundred fifty (150) days of employment the individual shall be issued a contract for the remainder of the school year at the appropriate hiring range placement. Providing a new employee has been in the employment of the Board for at least six (6) months of the school year, (including the probationary period) and received the recommendation of the Superintendent of Schools, he/she shall be granted a pay raise in accordance with the Agreement.

- C. All increments and/or guide adjustments shall be in accordance with Board Policy and require the recommendation of the Superintendent of Schools.
- D. Management discretion in placement of new hires based on related experience with no cap. Union reserves the right to question placements it deems inconsistent with experience.

ARTICLE III DRIVERS

Types of Drivers

To/From school drivers are assigned to school packages.

Trip drivers are assigned to various field trips and athletic trips.

Hours of Work/Assignment of Routes

Six (6) hour drivers will be guaranteed a minimum of six hours work each day.

Eight (8) hour drivers will be guaranteed eight hours work each day.

The Board will organize regularly scheduled daily runs into packages that include an A.M. route set, mid-day route set and P.M. route set, and drivers will select such packages prior to the commencement of school in order of seniority. Regular daily runs and packages will be optimized by the Transportation Coordinator so as to (a) ensure the most efficient use of the busses (b) enable as many drivers as possible to receive the maximum number of working hours possible and (c) ensure that we have adequate coverage and that all students can be transported in a safe and timely manner. A driver must work all runs, including midday and late runs that are part of the package selected by the driver.

Once each year, bus drivers may pick their to/from school run package in order of seniority. When they make this selection they are obligated to perform such work and there are no returns once accepted. Should a preferential package become available drivers, based on seniority may select said package. The new driver (if a new hire occurs) will be assigned to the vacated package. Any additional changes will be at the discretion of the Transportation Coordinator. Management reserves the right to change a driver from his or her package, or part thereof, if it is deemed to be in the best interest of the student(s) on the run.

Non-regularly scheduled runs shall be distributed as equally as practicable among the employees qualified and capable of performing the work available. These runs shall be offered to employees in order of seniority on a rotating basis.

Non-regularly scheduled runs, offered to but refused by an employee shall be counted as runs worked for the purpose of determining the equitable distribution of runs.

Athletic/Educational/Field Trips that fall during any recess of three or more consecutive school days will be posted in the transportation office and will be rotated among the drivers signed up to cover during that time.

Currently there are two types of trip packages and drivers, to/from school packages/drivers and trip packages/drivers. Request for change in assignment either from a to/from school package or trip package may be made within the period of time a position becomes available. Such changes will only be made when positions become available. Trip packages will have first selection rights given to those drivers who are currently hired for and holding these positions. If a to/from driver wishes to choose a trip package they can do so only if a position becomes available, i.e.: a trip driver resigns or chooses to opt for an available to/from school package.

In the event that a trip is cancelled upon arrival, the driver will be paid for a minimum of two hours, which will include the pre and post trip inspection of vehicle.

The Board will guarantee that all drivers will be paid a minimum of two hours when reporting for any assignment set. Assignment sets include am, mid-day, pm school routes; field trip; sports trip, and includes pre and post trip inspections.

A layover is a period of time between assignments. If one assignment ends and another begins within 59 minutes of the first assignment, the time is paid. If the break between assignments is 60 minutes or more, the time is not paid.

Drivers will conduct pre and post trip bus inspections for each run. Drivers will maintain all safety records, mileage reports, and any other paperwork mandated by state law or departmental procedures in accordance with schedules provided by the Transportation Coordinator.

Failure to maintain accurate and up to date records, or conduct pre and post trip inspections will be grounds for disciplinary action.
