This shall be through collective negotiations in order that more efficient and progressive public service may be rendered.

THIS AGREEMENT shall be binding for the following calendar years subject to the terms and conditions imposed herein: Calendar Years 2008, 2009 and 2010.

ARTICLE I

ASSOCIATION RECOGNITION

A. The City hereby recognizes the Ocean City Lifeguard Association for the purposes of collective negotiations as the exclusive representative of all seasonal Lifeguards and Medics, excluding the Deputy Fire Chief, the Operations Chief, the Senior Lifeguard Lieutenants, the Lifeguard Lieutenants, the Senior Lifeguards, and all other employees of the City.

A. The City hereby retains and reserves unto itself, without limitation, all power, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

United States and ordinances of the City of Ocean City.

B. All personal items that are damaged, destroyed, stolen or lost in the line of duty, which are not covered by insurance, shall be replaced by the City after inspection and certification by the Deputy Fire Chief or the Operations Chief. E. At the commencement of seasonal work, each lifeguard shall be provided the following items at the City's cost and expense:

1. Two white T-shirts with emblem and lettering.
2. One white canvas, full circumference-brim style hat with retaining string.
3. Two pairs of shorts.
4. Two competition-style swimsuits for each female lifeguard.

ARTICLE XIII

1. Death in the immediate family, from the date of death up to and including the day of the funeral, up to a maximum of three (3) days, or five (5) days in the event of travel. The amount of time off is to be determined by the Fire Chief or his designee.

A. Military Leave shall be granted pursuant to State and Federal Statutes and Regulations

ARTICLE XV

LEGAL REPRESENTATION

A. The City shall provide legal representation for all employees for all litigation arising as a result of actions taken by any employee in the course of their duties and within their authority as a City employee.

ARTICLE XVI

GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department.

C. The term "grievance," as used herein, means any controversy arising over the interpretation, application, or alleged violation of the terms and conditions of this Agreement, and may be raised by the ASSOCIATION at the request of and on behalf of an individual or the CITY.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

STEP ONE: The aggrieved party or the ASSOCIATION shall institute action under the provision hereof within seven calendar days after the event giving rise to the grievance has occurred. The aggrieved party shall seek resolution of the situation with his immediate supervisor. In the event that the immediate supervisor is unavailable or is the party with whom the situation concerns then the aggrieved party shall seek resolution with the next highest rank within the chain of command. Failure to act within the said seven calendar days shall be deemed to constitute an abandonment of the grievance.

STEP TWO: If no agreement can be reached orally within five days of the initial discussion with his supervisor, the employee may present the grievance in writing within five calendar days to the Fire Chief or his designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable section of the contract violated, and the remedy requested by the grievant. The Fire Chief or his designated representative will answer the grievance in writing within five calendar days of receipt of the written grievance.

STEP THREE: If the ASSOCIATION wishes to appeal the decision of the Fire Chief,

such appeal shall be presented in writing to the Business Administrator within five calendar days. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Administration's designated representative may agree to meet with the grievance committee upon request to resolve such grievance. The Administration's designated representative shall respond in writing, to the grievance within ten calendar days after such meeting. If no such meeting is held, the Administration's designated representative's response shall be in writing within ten calendar days after the date of submission.

E. The designated ASSOCIATION representatives shall be permitted as members of the grievance committee to confer with employees and the CITY on specific grievances in accordance with the grievance procedure during work hours of employees, without the loss of pay, provided the conduct of said business shall not diminish the effectiveness of the designated representative's division or require the recall of off-duty employees, and provided that permission is granted in advance by the Fire Chief or his designee.

F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not

processed to the next succeeding step in the Grievance Procedure within the time limits prescribed, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the Grievance Procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the Grievance Procedure.

ARTICLE XVII

COMMENDATION

A. One day compensatory time off shall be granted to an employee who has received a commendation from the Mayor.

ARTICLE XVIII

B. All Lifeguards and Medics will retain their seniority and for each year of service will increase their seniority accordingly.

C. Each Lifeguard and Medic, who is hired to work on or before July 10th of each year, and who completes a minimum of 35 days of work during the season, will receive a stipend if they remain on staff from August 15th through Labor Day. D. In order to receive a general wage increase and a step increase, each Lifeguard and Medic must have worked a minimum of 35 days from the third weekend in June (the normal zone opening date) through the remainder of the season, during the previous year's season.

ARTICLE XIX

ELIGIBILITY TO RETURN

A. Unless otherwise notified in writing within 90 days of completion of employment for a given year, an employee's job performance for that year shall be deemed acceptable, and that employee shall be eligible to return for the successive year's employment period at the next grade and salary level.

B. If, after the 90 day period in Section A has elapsed, the Fire Chief, or designee, determines that the employee cannot be rehired for reasons other than the employee's work performance during his/her most recent employment period, the Fire Chief, or designee, shall notify both the employee and the Association in writing of its inability to rehire said employee, stating the reasons why it is unable to rehire said employee.

C. Employees must notify the Deputy Fire Chief of their intention to return for the next summer employment period, or the uncertainty of their availability to return for the next summer employment period, in writing on or before May 1st. Failure to notify the Deputy Fire Chief shall be construed as an intention of the employee not to return to work, and shall cause the employee to be removed from the list of Lifeguards eligible to return for employment for that summer employment period.

D. The City will reasonably attempt to hold an employment opening for any employee who notifies the Deputy Fire Chief prior to May 1st of their uncertainty of availability to return for work for that summer employment period until the commencement of tryouts for the first year Lifeguards. Any employee who has notified the Deputy Fire Chief under Section C of the uncertainty of their availability to return for work must notify the Deputy Fire Chief prior to the commencement of tryouts for the first year Lifeguards, May 1st for returning Medics, of their intention to return for that summer employment period. However, no position shall be held open after the commencement of tryouts for the first year Lifeguards.

B. If an employee is required to appear in court on City related business, he/she is expected to be dressed in a suitable fashion.

ARTICLE XXI

MUTUAL COOPERATION PLEDGE

A. The Association hereby covenants and agrees that during the term of this Agreement, neither the Association nor any person acting in its behalf will cause, authorize or support nor will any of its members take part in any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his/her position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employee's duty of employment), work stoppage, slow-down, walkout or other illegal job action against the City. The Association agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, slow-down, walkout or job action, it is covenanted and agreed that participation in any such activity by an O.C.L.A. member shall entitle the City to invoke any of the following alternatives:

1. Withdrawal of dues deduction privileges (if previously granted).
2. Such activity shall be deemed grounds for disciplinary action, up to and including termination of employment, of such employee or employees.

C. The Association agrees that it will take or cause to be taken reasonable and prompt procedures and actions to prevent its members from participating in any strike, work stoppage, slow-down or other activity aforementioned. The Association's actions will include publicly disavowing such activities and ordering all such members who participate in such activities to cease and desist from same immediately and to return to work along with other steps, if any, as may be necessary.

D. Nothing contained in this Agreement shall be construed to limit or restrict the City in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages or both in the event of such breach by the Association or its members.

ARTICLE XXII

MISCELLANEOUS

A. All employees shall have access to their personnel files at reasonable times.

B. All employees shall be notified in writing of any reports or charges made against them. Such employees shall have the right to remain silent until they consult with an attorney, or with the O.C.L.A.

C. Employees shall be entitled to engage in outside employment during off-duty hours, provided that such employment does not conflict with their employment responsibilities as an Ocean City Lifeguard.

D. Included in the physical examination provided by the City, complaints of skin abnormalities will be noted and recommendations for possible consultation conveyed. The City agrees that skin screening is an important preventative health issue for Lifeguards and agrees to continue to explore ways with the Association to provide education and opportunity for access to regular skin screenings.

E. The City shall provide, at its cost and expense, a brand name 20-SPF (or greater) sunscreen lotion to each Lifeguard, as needed.

F. The City recognizes that the parking of lifeguard vehicles in downtown areas at the height of the summer season is a problem, and resolves to work, through the Revenue Collection Division of the Department of Finance and the Fire Chief or designee, with the Association to resolve the issues of parking of lifeguard vehicles during duty hours.

G. The officers of the Association may request and may be granted an annual meeting with the Business Administrator and the Fire Chief or designee, during the summer season to review the Lifeguard Manual, and to discuss other concerns.

H. The City agrees to post all promotional openings via paper and/or electronically, in locations that are accessible to all Lifeguards.

I. The Association agrees to pre-employment drug testing for all Lifeguards and Medics.

J. The Association agrees to adopt the "Policy for Handling Requests for Accommodations" in Appendix A.

ARTICLE XXIII

SEPARABILITY AND SAVINGS

A. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law, or by a Court or other tribunal or competent jurisdiction, such provision shall be inoperative but all other provisions shall not be affected thereby and shall continue in full force and effect.

ARTICLE XXIV

FULLY BARGAINED AGREEMENT

A. This Agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were, or could have been, the subject of negotiations. During the term of this Agreement, neither party will be required to negotiate with respect to any such matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement.

ARTICLE XXV

TRAINING OF ROOKIE LIFEGUARDS

A. The City shall provide, at its cost, a course consisting of not less than 40 hours in Open Water Lifesaving, which meets the curriculum requirements of the United States Lifesaving Association. For successfully completing the required 40 hours of Rookie Training, the first-year Lifeguards shall be compensated at the rate of \$10.09/hour in 2008, \$10.40/hour in 2009, and \$10.70 in 2010. The location for the course will be mutually determined by the City and the Association.

Anyone who does not successfully complete the required 40 hours of Rookie Training shall be compensated at the prevailing minimum wage for the hours attended.

ARTICLE XXVI

DUES DEDUCTIONS

A. The City agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deductions shall be made in compliance with Chapter 310, Public Laws of 1967, N.J.S.A. (RS 52:14-15.9(e)), as amended.

B. If, during the life of this Agreement, there shall be any change in the rate of membership dues, the Association shall furnish the City with written notice 30 days prior to the beginning of the season and shall furnish new authorizations from its members showing the authorized deduction for each employee.

C. The Association will provide the necessary "check-off authorization" form, and the Association will secure the signatures of its members on the forms and deliver the signed forms to the City Finance Director. The Association shall indemnify, defend and save the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the City in reliance upon salary deduction authorization cards submitted by the Association to the City of in reliance upon the notification on the letterhead of the Association and signed by the President and the Secretary of the Association, advising of such changed deduction.

D. The Association agrees that there shall be no discrimination, intimidation, restraint, coercion, harassment or pressure by it or by its officers, agents or members against any employee who refuses or fails to execute an authorization card.

E. Any such written authorization may be withdrawn at any time by the filing of notice of such withdrawal with the City Finance Director. Automatic deductions will begin at the start of the season, or at the date of hire if after July 1st, unless so notified by written authorization. The filing of "notice of withdrawal" shall be effective to halt deductions as of and filed by July 1st next succeeding the date on which notice of withdrawal is filed, in accordance with N.J.S.A. 52:14-15.9(e) as amended.

F. Any employee in the bargaining unit on the effective date of this Agreement, who does not join the Association within 30 days thereafter, and any new employee who does not join within 30 days of initial employment within the unit, and any employee who does not join within 10 days of re-entry into employment with the units shall, as a condition of employment, pay a representation fee to the Association by automatic payroll deduction. This representation fee shall be paid in an amount equal to 85% of the regular

Association dues, fees and assessments, as certified to the employer by the Association. The Association may revise its certification of the amount of the representation fee at any time to reflect changes in the regular Association membership dues, fees and assessments. The Association's entitlement to the representation fee shall continue beyond the termination date of this Agreement, as long as the Association remains the majority representative of the employees in the unit, provided that no modification is made in the provision by a successor agreement between the Association and the employer.

G. The Association agrees to furnish the City a copy of its "demand and return system," which must be established and maintained by the Association in accordance with the law.

This Agreement shall continue in full force and effect from year to year thereafter, unless one party or the other gives notice, in writing, no sooner than 180 days and no later than 150 days prior to the expiration of this Agreement of a desire to change, modify or terminate this Agreement.

IN WITNESS WHEREOF, the parties have hereunto set their hand and seals at the City of Ocean City, New Jersey, on this 19th day of August, 2008.

FOR THE ASSOCIATION:

FOR THE CITY:

Appendix A

Policy For Handling Requests for Accommodations

Light Duty vs. Accommodating Restrictions

The City of Ocean City has no Light Duty Policy. Requests to accommodate medical restrictions, both temporary and indefinite (formerly called permanent) will be handled on an individual basis, in accordance with the Americans with Disabilities Act (ADA) and the New Jersey Law Against Discrimination (NJLAD). This policy for handling requests for accommodating medical restrictions will be managed by the Personnel Division.

The Personnel Director will ensure that the appropriate Department Head or their designee, the employee making the request, and the employee's bargaining unit (if the employee is represented and if the employee chooses to involve the bargaining unit) are involved in this process. If the employee does not want to involve their bargaining unit, the Personnel Director will inform the employee of the obligation to inform the bargaining unit, and the Personnel Director will contact the Union President by telephone.

When A Request For An Accommodation Is Received

When an employee makes a request for an accommodation, or when an employee with an occupational injury has been released to work modified duty:

1. The request must be substantiated by a note from their personal physician.
2. The request must be sent to the Department Head, who then sends a copy to the Personnel Director.
3. If the doctor's note does not list the restrictions, and/or Personnel determines that more information is required about the restrictions, Personnel will either call or write the employee's personal physician. A copy of the employee's job description may accompany any such communication with the employee's personal physician.
4. Personnel will also request a projected length of time for the restrictions.
5. Once Personnel has sufficient information on the restrictions, they will schedule a meeting with the employee and their union representative, if the employee is represented and if the employee chooses to have union representation present, and the employee's manager.

Meeting With The Employee

The purpose for this meeting is to ask the employee how they want to be accommodated. Personnel will take notes and will communicate that they will respond to the employee after they have had a discussion with management. How the employee wants to be accommodated will be taken into consideration when making a decision on how to handle this request.

Meeting With Department/Division Management

Once complete information is assembled on the nature of the medical restriction(s), the projected length of time the employee needs to be accommodated, and how the employee would like to be accommodated, Personnel will schedule a meeting with the employee's management. Personnel will ask if the Department/Division has work or a work assignment that can accommodate the employee's medical restrictions and that is a match for the employee's skills and abilities.

In the case of indefinite (permanent) restrictions, Personnel will ask if the Department/Division has a permanent vacancy that can accommodate the employee's medical restrictions and for which the employee is qualified. The law does not require that a job be created to provide such an accommodation, and the City of Ocean City does not want to create jobs for such purpose.

Personnel will also communicate with the other Department/Division Management to ask if they have any work or a work assignment for which the employee is qualified that would accommodate the employee's medical restriction(s).

If There Is No Accommodation

If there is no work or no work assignment that is available to accommodate the employee's medical restriction(s), the employee will stay out (paid leave first, then unpaid) until their personal physician releases them back to work with no restrictions.

During this period of time, when the employee is out because their restriction(s) cannot be accommodated, Personnel will:

1. Send them postings for open seasonal positions for which they are qualified, if the restrictions are indefinite (permanent).
2. Call or write to them if they become aware of work or a work assignment for which the employee is qualified and which would accommodate their medical restrictions, if the restrictions are temporary.

If There Is An Accommodation

If the Division/Department within which the employee works has work or a work assignment that can accommodate the employee's temporary work restriction(s), and for which the employee is qualified, the employee will return to work on that basis. The employee is obligated to keep management apprised of their medical progress and to see their personal physician for re-evaluation prior to the conclusion of the period of time that their physician projected that their restriction(s) would be in effect.

If There Is An Accommodation But In A Different Bargaining Unit

If work or a work assignment exists for which the employee is qualified and would accommodate their restriction(s), but it is governed by a different collective bargaining agreement from that covering the employee requesting the accommodation, the Personnel Director will schedule a meeting with representatives of both bargaining units. The purpose of the meeting is to begin to negotiate an agreement that will be satisfactory to both bargaining units, to management, and to the employee.

Ensuring That The Accommodation Is Within The Employee's Restriction(s)

If there is any question as to whether the work, that is about to be assigned in order to provide the accommodation, is permissible within the employee's medical restrictions, the work assignment can be sent to the employee's personal physician and/or a City Physician for approval.
