A grievance shall mean an appeal by a member of the negotiating unit as defined in Article 3, or the Association concerning the application, interpretation or violation of policies, this agreement, or administrative decisions affecting them, except, that the term "grievance" and the procedure relative thereto, shall not be deemed applicable in the following instance:

A complaint by any certificated personnel occasioned by appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.

## B. DECLARATION OF PURPOSE

It is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to grievances of employees through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal.

The Association recognizes that the Board has the responsibility and authority to manage and direct on behalf of the public all operations and activities of the School District to the full extent authorized by law. The exercise of these powers, rights, authority, duties, and responsibilities by the Board and the adoption of such rules, regulations and policies as it may deem necessary, shall be limited only by the specific and expressed terms of this agreement. The processing of all grievances shall be conducted in accordance with law.

## PROCEDURE

1. A grievance to be considered under this procedure must be initiated by the employee or the Association within 30 school days of the occurrence of the instance. If the grievance is not filed within this time limit, the grievance shall be waived.
2. In all stages of the procedure an employee or the Association affected by this agreement may:
  - a. act on his/her own behalf
  - b. be represented by representatives of his/her or its own choosing.
3.
  - a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the Association to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.
  - b. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
4. In the event a grievance is filed at such time that it cannot be processed through all the steps of this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to the grievant, the time limits set forth shall be reduced to calendar days so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
5. All meetings and hearings under this procedure shall not be conducted in public and shall include only the grievant and the Board and/or their designated or selected representatives.

## LEVEL 1

- A. Any employee who has a grievance shall discuss it first with his Principal, Supervisor or most appropriate Administrator in an attempt to resolve the matter informally at that level.
- B. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within 5 school days, he shall set forth his grievance in writing to the appropriate Administrator as discussed in paragraph A above, specifying:
  1. The act or omission giving rise to the grievance and date
  2. The basis for the grievance (i.e., specific reference to contract, policy, or administrative decision)
  3. Relief sought

The appropriate Administrator shall communicate his decision in writing to the employee within 3 school days of receipt of the grievance.

C. The Association shall process all grievances beyond level 1.

#### LEVEL 2

A. The Association on its own behalf or on behalf of the employee, not later than 5 school days after receipt of the appropriate Administrator's decision, may appeal the decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the appropriate Administrator as specified above. The Superintendent shall meet with the concerned parties, and shall attempt to resolve the matter as quickly as possible but within a period not to exceed 10 school days.

The Superintendent shall communicate his decision in writing to the Association and the appropriate Administrator within that 10-day period. Beyond Level 2, a grievance will not be processed if it applies to:

1. Any matter for which a specific method of review is prescribed and which is directly applicable to grievance in point and expressly set forth by law or any specific rule or regulation of the State Commissioner of Education.
2. A complaint of a non-tenure employee which arises by reason of his/her not being re-employed.
  - a. For Custodial and Maintenance Personnel, any employee discharged after the probationary period (6 months from the beginning date of the initial employment contract) shall have the right to file a grievance concerning his/her specific discharge which shall terminate at Level 3 of the grievance procedure.

B. 1. The Superintendent will, however, review with the non-tenure employee the reasons for his/her not being re-employed. At this conference the employee shall be entitled to representation of his/her choice. Said conference shall be held no later than 5 days after notification of employment termination.

2. The Board of Education will affirm or deny the decision of the Superintendent.

#### LEVEL 3

A. If the grievance is not resolved to the Association's satisfaction, no later than 5 school days after receipt of the Superintendent's decision, it may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education.

B. The Board, or a committee thereof, shall review the grievance, hold a hearing with representatives of the Association if requested, and render a decision in writing within 15 calendar days after the holding of the hearing. If a hearing is not requested the Board shall render a decision within 15 calendar days of the receipt of the appeal. Both parties may mutually agree to waive the grievance to arbitration.

#### LEVEL 4

A. Beyond Level 3, grievance shall mean an appeal by the Association processed through Level 3 according to this agreement or an appeal by the Board, concerning the application, interpretation or violation of this agreement. Exceptions noted previously in this grievance procedure are excluded from Level 4. Only grievances based solely on a claimed violation, misapplication, or misinterpretation of the express written terms of this locally written agreement may be submitted to arbitration.

B. In the event the Association or the Board is not satisfied with the statement of the other with respect to a grievance so defined in Paragraph A, Level 4, it may within thirty (30) days after receiving the statement, refer the grievance to arbitration by requesting that an Office of the Public Employee Relations Commission propose the names of seven (7) arbitrators. A copy of such request shall be forwarded to the Superintendent of Schools or the President of the Association.

C. Upon receipt of the names of the proposed arbitrators, a designee of the Superintendent and of the Association shall strike names from the list until one ultimately is designated as the arbitrator.

- D. The arbitrator's decision will be in writing and will set forth his findings, reasonings and conclusions on the issues submitted. The arbitrator will be without the power or authority to make any decision that requires the commission of an act prohibited by law which is volatile of the terms of this Agreement. The decision of the arbitrator shall be final and binding. The arbitrator shall have no power to alter, add to or detract from the provisions of this Agreement. Grievances based upon Article 5D, 15B3 and 24 may not be submitted.
- E. The cost for the services of the arbitrator will be borne equally by the School Board and the Association.

1. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year.

(b) 30 days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid 10 days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion.

4. The Association will indemnify and hold the Board harmless against any liability, claim or suit, of the fee from the last paycheck paid to said employee during the membership year in question.

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

6. Changes

The Association will notify the Board in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than 10 days after the Board received said notice.
