Evaluation of tenured administrators shall be submitted to the administrators prior to June 1. In both cases, the evaluation conference memo shall be submitted to the administrator within ten (10) working days after completion of the evaluation conference for his review and signature. Said signature will indicate confirmation of receipt of the evaluation but does not necessarily mean agreement with its content. The administrator shall have the right to affix any comments and supporting data to the evaluation form and shall return it to the Superintendent within ten (10) working days of receipt of same.
- C. No material derogatory to an administrator will be placed in his personnel file unless the administrator has had an opportunity to review the material. The administrator shall have the right to submit a written response to such material and his response shall be attached to the document to be placed in the personnel file.

ARTICLE VII- LEAVES OF ABSENCE

A. Sick Leave

1. All administrators shall be granted twelve (12) days of sick leave yearly. All unused sick leave shall be cumulative to be used for additional sick leave in later years.
2. If an administrator because of illness is absent from school for more than three (3) consecutive days, he must present a doctor's certificate to the Superintendent upon his return.
3. Administrators who have been on a leave of absence authorized by the Board shall have all accumulated sick leave restored to them upon return to active service.
4. Administrators shall be given a written accounting of accumulated sick leave days no later than September 30 of each school year.

B. Personal Leave

1. All administrators shall be allowed non-accumulative leave of absence with full pay for personal business up to a maximum of four (4) work days in any contract year. The request for a fourth day of personal leave shall be accompanied by a reason for the request, subject to the approval by the Superintendent.
2. Not more than two (2) administrators may take personal leave on any one day.
3. All leaves of absence referred to in this section are subject to the following conditions-
 - a. Request for Personal Leave Form shall be filed with the Superintendent of Schools at least three (3) working days in advance of the contemplated absence, or such shorter notice as is practical in the event of an emergency. Lacking such notice the absence will be considered unauthorized and the administrator's pay will be deducted at a daily rate of 1/240 of the annual salary.
 - b. Personal days will not be granted the day immediately preceding or following a scheduled school closing except in cases of emergency as approved by the Superintendent of Schools.
 - c. The Superintendent of Schools, in the best educational interest of the school district, is empowered to deny any request for the above days.
4. At the end of each school year, all unused personal leave days provided in paragraph 1 above will be converted to sick leave days and added to the administrator's accumulation.

C. Funeral Leave

1. An allowance of five (5) days will be granted without deduction of salary in case of death of father, mother, sister, brother, husband, wife, son, daughter, father-in-law, or mother-in-law. This time shall not be deducted from the administrator's regular sick leave.
2. An allowance of three (3) days will be granted without deduction of salary in case of death of sister or brother of the husband or wife of an administrator or the administrator's grandchild.
3. An allowance of one day will be granted without deduction in salary to attend the funeral of a grandparent, brother-in-law, or sister-in-law of an administrator's spouse or an uncle or aunt.

D. Anticipated Disability Leave

1. Any administrator who anticipates disability because of a specific future event, such as pending surgery or other medical procedures, shall report that status to the Board of Education as soon as such administrator becomes aware of same. If the anticipated disabling event is childbirth, the administrator who becomes pregnant shall notify the Board at least ninety (90) days prior to the expected date of delivery. At the time of notification, the administrator shall submit a physician's certificate attesting to the pending disabling condition.
2. Requests for disability/sick leave relating to anticipated disability shall include dates of onset and return from such leave.
3. An administrator may request unpaid leave of absence to prepare for an anticipated disabling event. Such requests shall be submitted a minimum of sixty (60) days prior to the onset of the requested leave except in cases of emergency, as determined by the Board, such requests may be submitted less than sixty (60) days prior to the onset of the requested leave.
4. When the requested date of onset of unpaid leave occurs during periods which would substantially interfere with the administration of the school and/or the education of the pupils, the Board may alter the requested dates providing that such change by the Board is not medically contraindicated.
5. The administrator who anticipates a specific disabling event and who does not request unpaid leave of absence prior to the period of actual disability shall become entitled to applicable sick leave benefits. The Board may require certification of such disability. The Board of Education reserves the right to

regulate the commencement and termination dates of anticipated disability leaves in order to preserve educational continuity. When this occurs, an administrator who is placed on an involuntary unpaid leave shall be entitled to all sick leave benefits during the period of actual disability, according to the negotiated agreement and the rules of the insurance carrier. However, time spent on an unpaid leave shall not be counted for accrual of any benefits.

6. Requests by administrators for extension of sick leave benefits shall be governed by law under N.J.S.A. 18A:30-6.
7. If the anticipated disabling event is childbirth, the Board shall presume that the pregnant administrator becomes disabled for work four (4) weeks before the anticipated date of childbirth, upon certification of pregnancy by a physician, at which time the pregnant administrator shall become eligible for sick leave benefits to the extent of available accumulated sick leave days. The administrator shall be required to apply for sick leave to the Board of Education which shall grant same for said four (4) week period of time upon submission to the Board of Education of a physician's certificate attesting to pregnancy. This option is granted only to administrators actively employed and not to those administrators on unpaid personal leave. If, as a result of the pregnancy, the employee becomes disabled prior to this four (4) week period said employee may use any sick leave benefits to which she is entitled providing that (1) the administrator's physician provides the Board with a certificate attesting to her inability to continue working and (2) the Board reserves the right to verify the administrator's inability to continue working.
8. The Board may require that an administrator anticipating a disabling event may be placed on sick leave if the administrator's physical condition leads to unsatisfactory performance of assigned duties, and/or the continued performance of those duties impairs the administrator's health. Such incapacity must be established by the following: the Board of Education's physician and the administrator's physician agree that the administrator cannot continue working. If there is a difference of medical opinion between the Board's physician and the administrator's physician, then the two physicians shall agree in good faith on a third impartial physician, who shall examine the administrator and whose opinion shall be conclusive and binding on the issue of physical capacity to continue working.

9. If the administrator's disability is caused by childbirth and such administrator is receiving disability/sick leave benefits, the administrator is presumed to be disabled for a recuperative period of four (4) weeks following childbirth upon submission of a physician's certificate attesting to the date of childbirth, during which time such administrator shall continue to receive sick leave days to which she is entitled under sick leave policy. This applies only to those administrators who have been actively employed prior to childbirth and not to those administrators who have been out on unpaid personal leave.
10. If as a result of pregnancy, an administrator continues to be disabled after this four (4) week period, said administrator may use any sick leave benefits to which she is entitled providing that (1) the administrator's physician provides the Board with a certificate attesting to her inability to resume duties and (2) the Board reserves the right to verify the administrator's disability.
11. If the administrator whose disability is caused by childbirth wishes to return to her duties prior to the expiration of the recuperative period, she must present medical certification of fitness to the Board. The Board reserves the right to verify her medical certification.
12. If the Board of Education's physician and the administrator's physician disagree as to the administrator's fitness, then the two physicians shall agree in good faith on a third impartial physician who shall examine the administrator, and whose medical opinion shall be conclusive and binding on the issue of the administrator's fitness to return to her duties prior to the expiration of the recuperative period.
13. Upon termination of disability an administrator is no longer entitled to receive sick leave benefits for that particular disability. Unpaid personal leave following disability may be requested and shall be subject to the provisions on unpaid personal leave, as set forth under Subsection D.3 herein.
14. In no event shall the Board of Education be obligated to extend a non-tenured administrator's leave of absence beyond the contract year for which the administrator is employed.

E. Child Care Leave

1. Administrators may request a Child Care Leave without pay at least sixty (60) calendar days prior to the commencement of said leave. The Board may grant the request for a Child Care Leave for a period up to the end of the school year in which the birth of the child occurs or to the end of the administrator's contract period, whichever comes first, provided that said leave would not substantially interfere with the administration of the school.
2. The Board, may upon written application made not later than sixty (60) days after the birth of the child or June 30, whichever comes first, grant an extension of the child care leave through the following school year, provided that said leave would not substantially interfere with the administration of the school. This provision shall apply to non-tenured administrators only if the Board grants said administrator a renewal of contract for the following year.
