2. EXCLUSIVE REMEDY

However, the procedures hereinafter set forth are the sole and exclusive means of resolving contractual grievances between the parties.

3. INITIATION OF GRIEVANCES

- a. Written Complaints: All grievances shall be in writing, signed by the aggrieved party, and shall clearly set forth the allegations upon which it is based.
- b. Service: All grievances shall be personally delivered to the Borough Clerk and a Grievance Chairperson within twenty (20) days of the occurrence from which the grievance arose.
- c. Representation: Any aggrieved party may either present his own case, designate an Association member to present his case, or employ legal counsel for his representation. Should the member choose to employ legal counsel he shall do so at his own or the Association's expense, if it chooses.
- d. Waiver: Failure to serve a written complaint citing a grievance within 20 days of its occurrence shall constitute a waiver of any and all rights to pursue said grievance.

- e. Extensions of Time: Any extension of time requirements contained in the grievance article may only be extended by the written consent of the Police Committee and the one filing the grievance.
- f. Attendance: Any member whose attendance may be necessary to resolve a grievance shall attend any meeting or hearing. However, if any meetings or hearings are scheduled during a member's normal work shift the member will not be compensated for such time.

4. GRIEVANCE PROCESS:

a. STEP 1: Chief of Police

A member or the Association or their representative on behalf of a member(s) or a group or the unit may file a written grievance with the Chief of Police or his designee within twenty (20) days of when they have become aware of an alleged violation. A copy of the written grievance shall also be filed with the Borough Clerk. The Chief of Police shall have fifteen (15) days to meet with the grieving party or their representative and respond. In the absence of the Chief of Police, the grievance shall proceed to Step 2.

b. STEP 2: Police Committee

If the grievance is not resolved at Step 1, the grievance shall be presented to the Chairperson of the Police Committee or their designee, within fifteen (15) calendar days from the date the grievance was denied. The Committee shall investigate the alleged grievance and attempt to resolve it. The Committee shall, within twenty (20) calendar days from the receipt of the grievance, provide a hearing and a written decision to the employee and/or the Association, either answering the grievance or setting forth the terms of settlement which has been agreed to by all parties.

c. STEP 3: Borough Council

If the grieving party is not satisfied with the decision rendered in Step 2, he shall submit his grievance to the Borough Council or its designated representative within fifteen (15) calendar days from the date the Committee renders or should have rendered a decision. Said request for a Step 3 hearing shall be filed with the Borough Clerk. The Borough Council shall afford a hearing and present a decision, in writing, within thirty-one (31) calendar days after receipt of the written grievance.

d. STEP 4: Arbitration

If the grieving party is an individual and not the Association and he is not satisfied with the decision, he shall have fifteen (15) days to file in writing a request with the Association. The grieving party shall set forth in the request for arbitration the basis

for the appeal and shall include the relief requested, copies of the grievance and any decisions below:

(1) If the Association is not satisfied with the decisions rendered in Steps 1 through 3, it may submit the grievance to an arbitrator for final resolution of the grievance. Only the Borough or the Association may demand arbitration. A request for such arbitration must be made within thirty (30) calendar days from the date the Borough Council renders or should have rendered a decision. The arbitrator shall be selected pursuant to the rules of the Public Employment Relations Commission.

(2) The arbitrator shall be bound by the provisions of this Agreement and will restrict his opinion to the application of facts presented to him involving the grievance. The arbitrator shall in no way have authority to add to, modify, detract from, or alter in any way any of the provisions of this Agreement or any amendment or supplement thereto.

(3) Decisions rendered by the arbitrator shall be final and binding on all involved, consistent with applicable law. The award must be in writing with factual findings and conclusions.

(4) The arbitrator shall hold the hearing at a time and place convenient to the parties and shall attempt to issue his decision within thirty (30) days after the close of the hearing.

(5) The time limits set forth herein shall be reasonably adhered to. If any grievance has not been initiated within the time limit specified, the grievance shall be deemed to have been waived. If any grievance is not processed by the grieving party to the next succeeding step in the grievance procedure within the time limits prescribed, then the disposition of the grievance at the prior step shall be deemed conclusive and shall not be subject to appeal. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.

(6) The parties agree that for purposes of this Article the normal adherence to the chain of command shall not be a requirement.

(7) Costs of Arbitration.

(a) In the event the grieving party is a member of the Association, the costs of the arbitration shall be shared equally by the Borough and the Association.

(b) In the event the grieving party is not an Association member at the time of the occurrence of the action complained of, then the Association shall not by virtue of this Agreement be responsible for the arbitration costs and the grieving party shall pay half the costs.

(c) Any expenses incurred by the parties beyond the cost of the arbitrator shall be the respective party's responsibility.

ARTICLE VIII - HOURS OF WORK AND SCHEDULING

1. The times of the daily tours of duty (shifts) shall be established by the Chief of Police or his designee.
2. The Borough and the Association recognize the value of scheduling more than one police officer per shift, however, nothing contained in this agreement shall be construed as to require the Borough to meet any minimum staffing requirement and this paragraph shall not be subject to grievance or arbitration.
3. The normal pay period for full-time officers shall consist of 84 hours. Members will work the 12 Hour Pitman Schedule.
4. The Chief of Police or his designated representative may assign certain officers alternate duties and hours of work schedules at his discretion, not to exceed or fall below the 84 hour pay period.
5. It is agreed that a serious attempt will be made to establish equitable scheduling for full-time officers.
6. Off-Duty Employment
 - a. Effective April 15, 2021 off-duty employment shall be paid at a rate of \$85 per hour per-officer. Any agreement with a vendor in place prior to April 15, shall be honored at the \$75 rate. New agreements shall pay the officer the \$85 rate.
 - b. Off-duty employment shall be paid at a rate of \$45.00 per hour for any Camden County roadway project with any additional fee for borough vehicle or administrative processing fee added and retained by the Borough of Gibbsboro.
 - c. Borough of Gibbsboro, school district, or other events designated by the Borough Council as sponsored activities shall be considered regular duty assignments and paid at the officer's regular hourly rate. If this assignment results in the 84 hours in a pay period being exceeded, then members will be paid their overtime (1 ½) rate for all hours in excess of 84 hours.
 - d. No employee shall be authorized to report for any off-duty assignment unless an executed contract is on file with the Borough of Gibbsboro and sufficient escrow is deposited with the Borough in advance. Emergencies must be approved by the Chief of Police and the Borough Clerk prior to any officer reporting for off duty employment. In the absence of, or unavailability of the Borough Clerk, the Mayor, Council President or a member of the Police Committee, in that order, may approve for the Borough Clerk. Violation of these terms will result in an officer not being paid.
 - e. Recognizing that wages paid for off duty employment are derived from a third party and not the Borough of Gibbsboro, it is agreed that those wages shall not

- be subject to sick time, PTO or overtime payments. (For example, an employee scheduled for off duty assignment that calls out sick shall not be paid PTO.)
- f. It is agreed that a serious attempt will be made to establish equitable scheduling for all outside employment/off-duty assignments.
7. Resignation
- a. Resignations shall be submitted to the Chief of Police and the Borough Clerk. The date of resignation shall be considered the date received by the Borough Clerk. The Borough Clerk shall acknowledge receipt of resignations in writing.
 - b. To ensure a smooth transition, employees shall work at least two calendar weeks from the date the resignation is received by the Borough Clerk, and may not use sick time or PTO.
 - c. An employee may not use PTO once a resignation is tenured and may be required to supply documentation for absences within two weeks of submission of a resignation to be deemed resigning in good standing.
 - d. Any vested PTO shall be paid to an employee resigning in good standing.
 - e. The employee's last date on patrol will be used as the final date of employment for calculating benefits.
 - f. The employee's final pay check shall not be issued until the employee has checked out with the Chief of Police and returned all Borough owned equipment, identification (including badges), and uniforms. Upon certification of checkout and return of equipment in writing by the Chief of Police to the Borough Clerk, the final check will be issued.

ARTICLE IX - OVERTIME

1. Overtime is to be defined as all hours or portions of hours that an employee works in excess of 84 hours in a pay period. For purposes of determining overtime pay, the 84 hours worked excludes any off-duty employment, PTO, sick time, or Jury Duty.
2. In the event overtime may be scheduled, then the overtime shall be offered among those eligible without regard to the employee's rank, pay rate, or seniority. The Chief of Police or his designee shall retain a log of all overtime assignments in order to ensure that scheduled overtime is equally assigned.
3. Any hours worked more than 84 hours in a pay period shall be paid at the members overtime rate, which is one- and one-half times the regular hourly rate.
4. In the event that a shift is uncovered because another employee is unable to work, the current officer on duty shall be the first employee offered the overtime to cover that shift. If the current officer is unable to cover that shift, then that overtime shall be offered to those employees in order of next in line on the Chief's overtime log as defined in section 2 above. The Borough will strive to avoid situations in which officers are required to work more than 18 straight hours. In circumstances where a member of the Association is required to report for duty to an unscheduled event (for example

to process a DWI arrest, an accident or emergency), the employee shall receive at least two (2) hours pay at the prevailing rate.

ARTICLE X - MEDICAL BENEFITS

- 1. Health Insurance - All full-time employees who are members of this bargaining unit shall be entitled to enroll in medical health insurance. The plan shall be the Patriot V Plan, or equivalent, with \$25 co-pays for employees and dependents.
 - a. Dependents — The employee may elect coverage for eligible dependents as defined in the Borough's Personnel Policy.
 - b. Payment in lieu of coverage — If the employee is covered by another health insurance plan, the employee may opt for a payment in lieu of coverage. Such payment shall be equal to the payment offered other Borough employees as defined in the Borough's Personnel Policy. Payment shall be made in accordance with the Borough's Personnel Policy. The employee must provide proof of insurance to elect this option.
- 2. Prescription Drugs - All full-time employees who are members of this bargaining unit shall receive a prescription drug plan with the following co-pays:

Employee contributions shall be deducted each payroll period. The Borough shall pay the remainder of the premium for medical and prescription insurance.
- 5. Taxes - Any tax on health care imposed by the state of New Jersey or federal government shall be borne by the employee (e.g. Cadillac tax).
