GRIEVANCE PROCEDURE

A. Definitions

A "grievance" is a complaint by which an employee or employees in the negotiation unit and his/her representative may appeal the interpretation, application or violation of this Agreement, Board Policy, and administrative decisions affecting terms and conditions of employment, except that the term "grievance" shall not apply to:

1. Any matter for which a method of review is prescribed by law or which by law is exclusively within the discretion of the Board.
2. Any rule or regulation of the State Department of Education or the State Commissioner of Education having the force and effect of law.
3. Any matter which according to law is beyond the scope of Board authority.

B. Principles

1. A grievance to be considered under this procedure shall be presented by the grievant not later than twenty-one (21) workdays after the occurrence of the grievance. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievances as quickly as possible.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
3. A grievant may present and process his/her grievance personally or through appropriate Association representatives not to exceed three (3) in number. The grievant shall be personally present at all steps of the grievance procedure. Should a grievant want to process his/her grievance personally, he/she may do so; however, the Association shall be so notified by the Superintendent and shall have the right to have a representative present.
4. No reprisals shall be taken by the Board or Administration against any participant because he/she utilizes the grievance procedure.
5. Should a grievance result from action taken by the Superintendent or the Board, a grievant may present his/her grievance initially at the second step of the grievance procedure.

C. Procedures

1. STEP ONE:

- a. A grievant may initially discuss the matter, identified as a grievance, with his/her Administrative Supervisor in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B., Subsection 1.
- b. A grievant shall file his/her grievance in writing by presenting the written grievance to his/her Administrative Supervisor and forwarding copies to the Superintendent of Schools and the Grievance Committee.
- c. At the option of the grievant or the Administrative Supervisor, the grievant and the Administrative Supervisor shall meet in an attempt to resolve the grievance not later than five (5) workdays following the date on which it is filed.
- d. The Administrative Supervisor shall communicate his/her decision in writing to the grievant not later than seven (7) work days following the filing or meeting, whichever is later. A copy of the decision shall also be forwarded at the same time to the Superintendent and Grievance Committee.

2. STEP TWO

- a. If the grievance has not been resolved at Step One of the procedure, the grievant and his/her representative may file the grievance in writing to the Superintendent. This shall be done not later than five (5) workdays following the written decision of the Administrative Supervisor.
- b. The grievant, and his/her representative(s) and the Superintendent shall meet in an attempt to resolve the grievance not later than seven (7) workdays following the date on which the grievance was filed with the Superintendent.
- c. The Superintendent shall communicate his/her decision in writing to the grievant not later than ten (10) workdays after the meeting. A copy of the decision shall also be forwarded to the Grievance Committee.

3. STEP THREE:

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Step Two, or if the Superintendent has not communicated his/her decision in writing to the grievant as provided in Step Two, the grievant and/or his/her representative may request a hearing with the Board or its representative or representatives which shall consist of one or more persons designated by the Board. The Superintendent may be present but shall not act as the Board's designee. The request shall clearly explain the grievance and be made in writing not later than five (5) work days following the Superintendent's decision, or if no such decision has been communicated, then not later than

five (5) work days following the expiration of the ten (10) work days period provided in Subsection c. of Step Two.

- b. At the request of either party the grievant and up to three (3) representatives and the Board and/or its representatives shall meet in an attempt to resolve the grievance not later than fifteen (15) workdays following the date on which the grievance was filed. If this meeting does not occur, the grievant may proceed to the next step.
- c. If this meeting does take place within the fifteen (15) day period, the Board shall communicate its decision in writing to the grievant not later than ten (10) workdays following the last day on which the meeting could have occurred. A copy of the decision shall also be forwarded at the same time to the Superintendent and the Grievance Committee.

4. STEP FOUR:

- a. In the event the grievant is dissatisfied with the determination of the Board of Education, and in the further event that the grievance involved the interpretation or application of this contract, the grievance may be submitted to arbitration. The grievant shall request in writing that the Marlboro Township Education Association (MTEA) submit the grievance to arbitration. If the MTEA decides the grievance is meritorious, it may submit the grievance to arbitration by so notifying the Board in writing, no later than fifteen (15) workdays following the determination of the Board. Failure to request arbitration within said period of time shall constitute an absolute bar to such arbitration unless the Board of Education and the Marlboro Township Education Association shall mutually agree upon a longer time period within which to assert such a demand.
- b. The Board may also request arbitration concerning any dispute regarding the interpretation or application of this contract. The time limits applicable to the Association are also applicable to the Board of Education.
- c. The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this Agreement.
- d. Within ten (10) workdays after the MTEA shall have delivered the written request for arbitration, the Board and the MTEA shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time period, the party requesting arbitration shall request a list of arbitrators from the Public Employment Relations Commission. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

- e. The arbitrator so selected shall confer with the representatives of the Board and the MTEA and hold hearings promptly, and he/she shall issue his/her decision not later than twenty (20) work days from the close of hearings, or if oral hearings have been waived, then from the date that the final statements and proofs are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issue submitted. The decision of the arbitrator shall be submitted to the Board and the Association and shall be binding on both parties.
- f. The cost for the services of the arbitrator, including per diem expenses, if any, and the cost of the hearing room, if any, shall be borne equally. Any other expenses incurred shall be paid by the party incurring such expense.

D. Miscellaneous

- 1. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
- 2. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representative.
- 3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
- 4. Failure by the grievant to progress on a timely basis to any step in the grievance procedure shall constitute an abandonment and waiver.

 - (3) following any difference of medical opinion between the Board's physician and the employee's physician the Board requests expert

consultation in which case a medical society shall appoint an impartial third physician whose opinion shall be conclusive and binding for the issue of medical capacity to continue to perform his/her duties. The "reasonable, usual, and customary" fee for such third opinion and any required examination by an impartial third physician under this paragraph shall be paid by the Board.

2. When the seeking of an extended leave of absence for medical disability can be anticipated, an employee shall file a written request for such leave with the Superintendent ninety (90) or more calendar days prior to the effective date of such leave, or within seven (7) calendar days from the time the employee knew of the necessity of taking the medical disability leave, whichever is later. Said request shall indicate the anticipated date on which the said leave is to terminate (if able to ascertain within reason). Written request shall indicate the anticipated plans of the employee upon termination of the medical disability leave as to their returning to work, resigning, retiring, or applying for another type of leave.
 3. The Board need not grant or extend the leave of absence of any non-tenured employee beyond the end of the contract school year in which the leave is obtained. An employee returning from a medical disability leave shall be entitled to all benefits to which said employee was entitled at the time leave commenced.
 4. No tenured or non-tenured employee shall be barred from returning to work after a medical disability leave on the grounds that not enough time has elapsed during the recovery time. Nothing contained in this paragraph shall be construed to preclude the Board from requiring any employee to produce a certificate from a physician showing that said employee is capable of performing all of his/her assigned duties, provided that if the Board's physician is in disagreement, that conflict of medical opinion shall be resolved in the same manner as is set out in paragraph A. 1. b. Nothing herein contained shall be construed to require the Board to grant tenure to any non-tenured employee who would not have been granted tenure in the absence of this provision or to offer a new contract for a new school year to any non-tenured employee who would not have been offered such a contract in the absence of this provision.
- B. An employee may make application to the Board for a child-rearing leave of absence without pay for a period of up to one year. Said application shall be made to the Superintendent at least sixty (60) calendar days prior to the commencement of the child-rearing leave. The sixty-day advance notice requirement shall be waived in the event such notice is impossible (e.g. adoption with short notice). An employee does not have the right to a child rearing leave of absence for the subsequent school year after he/she has returned to work during the preceding school year following the period of medical disability attributed to the delivery of a child and/or a federal and state family leave of absence.

- C. The exact dates of medical disability and/or child-rearing leaves will be arranged in consideration of both need and administrative feasibility. The Board reserves the right to regulate the commencement and termination dates of such leaves in order to preserve educational and/or job continuity and such regulation may result in the period of leave being longer or shorter than one year. However, no leave shall be lengthened pursuant to this paragraph so as to preclude an employee from acquiring tenure.
- D. In the event an employee fails to return to work upon the expiration of the employee's unpaid leave under the Federal Family and Medical Leave Act or the NJ Family Leave Act is exhausted or expires, the employee shall reimburse the District for the District's share of health, prescription and dental insurance premiums plus any unpaid portion of the employee's required contribution. The amount owed for such benefits shall be deducted through payroll deduction from any sums otherwise due to the employee.
