- A. A "grievance" shall mean a complaint by an administrator (1) that there has been as to him a violation, misinterpretation or inequitable application of any of the provisions of the within Agreement; or (2) that he has been treated unfairly or inequitably by reason of any act or condition which is contrary to established policy or practice governing or affecting administrators; provided, however, that the term "grievance" and the procedure relative thereto as hereinafter set forth shall not apply to the following matters:
1. Matters for which a method of review is prescribed either by law or by any rule or regulation of the State Commissioner of education;
 2. In matters where the Board is without authority to act;
 3. Any matter which, according to law, is exclusively within the discretion of the Board;
 4. A complaint of a non-tenured administrator which arises by reason of his not being re-employed;
 5. A complaint by any administrator arising from appointment to or lack of appointment to, retention in or lack of retention in, any position for which tenure is either not possible or not required.
- B. In order for a grievance to be considered under this procedure, initial processing of said grievance must be commenced by the administrator within thirty (30) calendar days of either its occurrence or notice thereof to the aggrieved administrator.
- C. An administrator with a grievance shall first discuss it with his immediate supervisor directly with the objective of resolving the matter informally.
- D. If the aggrieved administrator is not satisfied with the disposition of his grievance after discussion as provided in Paragraph C above, or if the immediate supervisor has failed to render a decision upon said grievance within five (5) school days after presentation thereof to him by the aggrieved administrator, the aggrieved administrator may file a grievance in writing to his immediate supervisor within five (5) school days thereafter, setting forth his grievance in writing and specifying:

 2. The nature and extent of the injury, loss or inconvenience;
 3. The remedy which the administrator seeks;
 4. The administrator's dissatisfaction with the decision previously rendered; and
 6. Whether or not the aggrieved administrator desires a hearing.

In the event that the aggrieved administrator shall fail to request a hearing in said written grievance, his right to a hearing at this level shall be deemed to have been waived; provided, however, that nothing herein shall serve to prohibit the immediate supervisor from initiating a request for an informal hearing in connection with said grievance. At such hearing, whether requested by the aggrieved administrator or the immediate supervisor, the aggrieved administrator shall have the right to be accompanied thereat by the

Association's designated representatives, who shall be permitted to participate therein on his behalf. Within ten (10) school days after the receipt by the immediate supervisor of the written grievance, the immediate supervisor shall prepare and render to the aggrieved administrator his decision in writing with respect to said grievance, unless a hearing has been requested in which event the decision shall be rendered within ten (10) school days after the hearing. If the aggrieved administrator desires a hearing a written request thereafter shall accompany the filing of the grievance and in the event the aggrieved administrator shall fail to request a hearing with the filing of said written grievance, his right to a hearing at this level shall be deemed to have been waived; provided, however, that nothing herein shall serve to prohibit the next immediate supervisor from initiating a request for a hearing in connections with said grievance. At such hearing, whether requested by the aggrieved administrator or the next immediate supervisor, the aggrieved administrator shall have the right to be accompanied thereat by the Associations' designated representative, who shall be permitted to participate therein on his behalf. At any such hearing the next immediate supervisor shall have the right to have in attendance the supervisor who rendered the decision below and/or any member of his staff with knowledge of facts pertaining to said grievance in order to assist the next immediate supervisor in making a determination thereon. These levels of supervisor shall include the Superintendent of Schools and shall terminate with the Board of Education. Each request for review shall be filed within five (5) school days after the decision was rendered at the next level of supervision, or should have been rendered, and said request for review shall be submitted in writing to each successive level of supervisor. The Board of Education shall finally review the grievance and may, at its option, conduct a hearing in connection with said grievance. In the even the Board shall conduct such a hearing, the aggrieved administrator shall have the right to be accompanied thereat by the Association's designated representative, who shall be permitted to participate therein on his behalf and at such hearing the Board shall have the right to have in attendance the Superintendent and the supervisor who rendered the decision below and/or any members of the staff with knowledge of facts pertaining to said

grievance. Within thirty (30) calendar days after the receipt by the Board of the request for review of said grievance or thirty (30) calendar days after the date of a hearing, if one is held, the Board shall prepare and render to the aggrieved administrator its decision, in writing, with respect to said grievance and its reasons therefor.

- G. If the aggrieved administrator is not satisfied with the depositions of his grievance at the Board level as described in Paragraph F herein, or if no decision has been rendered within thirty (30) days after filing of said written request for review of said grievance, the aggrieved administrator may request, in writing, to the Board through the Superintendent the appointment of an Advisory Fact-finder/Mediator within four (4) school days after the decision of the Board together with all prior decisions and summaries rendered in connection with said grievance. Within four (4) school days from the filing of said request for appointment of an Advisory Fact-finder/Mediator with the Superintendent, the parties hereto will submit a joint request for a list of arbitrators to the Public Employment Relations Commission. The parties agree to follow rules set by PERC for the selection of an arbitrator. After the selection has been made, said arbitrator shall endeavor to mediate the grievance in an effort to resolve the matters in difference between the parties before conducting hearing thereon. In the event that an arbitrator, after attempt at mediation, shall conclude that further mediation would serve no useful purpose, the arbitrator shall conduct a formal hearing with respect to said grievance for the purpose of making findings of fact and recommendations for settlement based thereon to the parties. In the event that the parties hereto shall fail to accept the recommendations for settlement of said grievance and shall fail to otherwise resolve the matters in difference between them with respect to said grievance, the arbitrator shall have the power to publish his findings of fact and recommendations for settlement. The costs incurred in the appointment of an arbitrator and for the services thereof, if any, shall be borne equally by the Board and the Association, and any other expenses incurred in connection with the processing of a grievance as herein above set forth shall be borne by the party incurring same.
- H. If the grievance as presented by the arbitrator is not resolved by him to the satisfaction of the parties thereto, then either party shall be free to exercise any and all remedies and procedures provided by statutory law or applicable rules and regulations of the State Commissioner of Education.
- I. Following the filing of a formal written grievance, any aggrieved administrator may be represented at all stages of the grievance procedure by himself and, at his election, a representative of his choosing and a representative of the Association.
- J. No reprisals of any kind shall be taken by the Board or by any member of its administrative staff against any administrator by reason of his participation in the processing of a grievance as herein above set forth.
- K. In the event that a grievance shall involve more than one administrator, those administrators desirous of processing that grievance shall comply with the procedure herein above set forth in the same manner as though processed by a single administrator except that the grievance shall comply with the procedure herein above set forth in the same manner as though processed by a single administrator except that the grievance shall commence at the Superintendent level, if there is not a common supervisor for all of the grievants.

- L. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
- M. No administrator shall have the right to refuse to follow an administrative directive or Board policy upon the grounds that he has instituted a grievance, and all administrators including the aggrieved administrator, shall continue to comply with directives of Board policies as requested by the Superintendent and/or administrators regardless of the pendency of any grievance until said grievance is properly and finally determined.
- N. If, at any level of the grievance procedure as herein set forth, the aggrieved administrator shall fail to proceed to the next level within the time period herein specified, said grievance shall be deemed to have been abandoned and the most recent decision thereon shall be considered to be binding upon the aggrieved administrator.
- O. All hearings conducted under this grievance procedure shall be conducted in private and in confidence.
- P. The aggrieved administrator shall have the right to legal counsel at all stages of the grievance procedure after a formal grievance has been filed. Legal counsel for the Board may likewise be in attendance at any stage of the grievance procedure after a formal grievance has been filed upon the request of the Superintendent of the Board of Education.
