1:6 References to the employees shall be deemed to include both male and female, except when the context clearly limits the intent to one sex, and words used in the singular shall include words in the plural as the text so requires.

ARTICLE 2- NEGOTIATIONS PROCEDURE

2:1 The parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws of New Jersey, 1974, in good faith efforts to reach an agreement on matters concerning terms and conditions of employment. The parties shall enter into negotiations in accordance with the rules and regulations of the Public Employment Relations Commission in the calendar year preceding the calendar year in which this Agreement expires.

2:2 The Board shall make available to the Association, upon request, all information of the Hamilton Township School District that is in the public domain, provided such request shall be at no expense to the Board of Education. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in negotiations.

2:3 Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.

2:4 This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing executed by both parties.

2:5 The parties will make an effort during negotiations to mutually agree upon the order of items to be discussed and to adhere to scheduled meeting times.

2:6 Except as this Agreement shall hereinafter otherwise provide, all terms and conditions of employment applicable on the effective date of this Agreement to employees covered by this Agreement as established by the rules, regulations, and/or policies of the Board in force on said date, shall continue to be so applicable during the terms of this Agreement. Unless otherwise provided in this Agreement, nothing contained herein shall be interpreted and/or applied so as to eliminate, reduce, or otherwise detract from any employee benefit existing prior to its effective date.

2:7 During the term of this Agreement neither party shall be required to negotiate with respect to any matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

ARTICLE 3 - GRIEVANCE PROCEDURE

3:1 **DEFINITIONS:**

3:1.1 Grievance-A “grievance” is a claim by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions affecting an employee or a group of employees.

3:1.2 Aggrieved person-An “aggrieved person” is the person or persons or the Association making the grievance.

3:1.3 Party of interest-A “party of interest” is the person or persons making the claim and any person including the Association or the Board, who might be required to take action or against whom action might be taken in order to resolve the claim.

3:1.4 A grievance to be considered under this procedure must be initiated by the employee or group of employees within twenty-five (25) working days from the time the action is taken or when the act is known or should have been known. The Association may process grievances through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

3:2 **PURPOSE:**

3: 2.1 The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

3:3 **PROCEDURE:**

3:3.1 Failure at any step of this procedure to appeal a grievance to the next step within specified time limits shall be deemed an acceptance of the decision rendered at that step.

3:3.2 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved to proceed to the next step.

3:3.3 Any employee who decides either alone or with the assistance of the Association that he/she has a grievance shall discuss it with his/her immediate supervisor in an attempt to resolve the matter informally at that level. The immediate supervisor shall have seven (7) workdays from the date of the discussion within to render a verbal decision. If the matter is not resolved to the satisfaction of the employee, the employee shall have seven (7) days from the date of the verbal decision within which to set forth his/her grievance in writing to his/her principal or other immediate supervisor specifying:

- A. The nature of the grievance and date occurred.
- B. The specific provision(s) of the Agreement alleged to have been violated.
- C. The results of the previous discussions
- D. His/her dissatisfaction with the decisions previously rendered.
- E. Relief sought.

The principal or immediate supervisor shall communicate his/her discussion to the aggrieved and his/her representative, in writing, within seven (7) workdays of receipt of the written grievance.

3:3.4 The employee no later than seven (7) work days after receipt of the principal’s or immediate supervisor’s decision, may appeal the principal’s or immediate supervisor’s decision to the Superintendent of Schools. The appeal to the superintendent must be made in writing, reciting the matter submitted to the principal as specified and the employee’s dissatisfaction with the decisions previously rendered.

The Superintendent shall attempt to resolve the matter as quickly as possible. He or his designee shall hold a hearing concerning the grievance within twenty-five (25) workdays of receipt of the appeal. He or his designee shall render a written decision within fifteen (15) workdays of the conclusion of the hearing.

3:3.45 a. If employee and the Association are not satisfied with the Superintendent's response, they may seek Board review of the grievance by filing a request to the Board in writing within 15 workdays of the Association's receipt of the Superintendent's response.

b. At the time of its filing at the Board level, the employee and the Association shall forward to the Board its initial grievance, the response at the immediate supervisor's level, its appeal to the Superintendent and the Superintendent's response, as well as any other paperwork which the employee and the Association believe are relevant to the Board review of the grievance.

c. The Board, or a committee of Board members, may hold a hearing on the grievance.

d. The Board shall issue its decision on the grievance within 30 workdays of the date when the employee and the Association filed the grievance at the Board level.

3:3.5 If the Association is dissatisfied with the decision of the Board, and only if the grievance pertains to a violation of the Agreement between the Board and the Association and review by an arbitrator is desired, then within fifteen (15) work days after receipt of the Board's decision the Association shall file with the Public Employment Relations Committee a request for the submission of a panel of arbitrators to hear the particular issue. The parties shall be bound by the rules of the appointing agency. The Association shall notify the Superintendent by certified mail or receipted delivery no later than fifteen (15) days after the receipt of his decision of its intention to proceed to arbitration. Failure to notify the Superintendent within the timelines precludes an arbitrator from hearing and/or resolving the grievance.

Additionally, a grievance may not be submitted to arbitration, which pertains to:

- A. A grievance of a non-tenured certified employee which arises by reason of his/her not being re-employed, or appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required.
- B. No grievance shall be taken to arbitration that infringes upon the right of the Board of Education to appoint, promote, assign, and involuntary transfer.
- C. Any matter for which a method of review is provided for by law or any regulation of the State Board of Education, or the Commissioner of Education, or any matter which according to law is beyond the scope of the Board's authority or limited by law to Board authority alone.

3:3.6 An employee, in order to process his/her grievance to arbitration, must have his/her request for such action accompanied by the written recommendation for such action by the Association which shall represent or approve the representative of said grievant at the arbitration level.

3:4 The arbitrator so selected shall confer with the representatives of the Board and the Association, shall hold hearings promptly, and shall issue his/her decision not later than thirty (30) workdays from the date of the close of hearings.

3:4.1 The arbitrator shall limit him/herself to the issues submitted to him/her and shall consider nothing else. He/she can add nothing to nor subtract anything from the agreement between parties.

3:4.2 The recommendation of the arbitrator shall be binding. His/her decision shall be in writing but he/she shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is a violation of the terms of this Agreement.

3:4.3 The costs for the services of the arbitrator, including per diem expenses, if any and actual and necessary travel, and subsistence expenses, shall be borne equally by the Board and the Association.

3:4.4 If a court stenographer is requested by either party, the cost will be borne by the party requesting the stenographer. However, should the party not requesting the stenographer later request transcripts pertaining to the proceeding, they will then bear the proportionate share of the original cost. Parties requesting transcripts of the proceeding shall bear the cost of said transcripts.

3:5 **GENERAL REGULATIONS:**

3:5.1 All time limits stated within this procedure must be strictly adhered to unless an extension is mutually agreed upon in writing by both parties.

3:5.2 Employees who participate in any matter processed through the grievance procedure or who refuse to participate in such process are assured that neither party to this Agreement shall engage in any reprisals because of their participation or refusal to participate.

3:5.3 The Aggrieved party and his/her representative shall have the right to be present at all hearings conducted at any step of the grievance procedure.

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties of interest, their designated or selected representatives, and necessary witnesses heretofore referred to in this Article.

3:5.4 The right of a staff member to attempt to resolve a grievance directly through normal administrative procedure is not to be abridged in any way.

3:5.5 There will be no suspension of a grievance procedure when schools are not in session except by mutual consent of the parties.

3:5.6 The aggrieved shall have the right to present his/her own appeal or designate representatives of the Association to appeal with him/her or for him/her at any step in his/her appeal through the level of Superintendent. If the aggrieved does not designate a representative, the Association shall be notified that a grievance is in process and shall have the right to be represented at all hearings pertaining to the grievance.

3:5.7 In the event that a grievance results from an action of a school official higher than the rank of principal, the grievant may set forth his/her grievance in writing to the official specifying:

- A. The nature of the grievance and date occurred.
- B. The specific provision(s) of the agreement alleged to have been violated.
- C. The results of the previous discussions.
- D. His/her dissatisfaction with the decisions previously rendered.
- E. Relief sought.

The official to whom the grievance is submitted shall render his/her decision to the employee in writing within seven (7) days of receipt of the written grievance, unless said official is the Superintendent of Schools, in which event the time limits are set forth in 3:3.4. Grievances filed at the advanced level based on an action of the Board of Education shall be initiated and handled at the level of the Superintendent, if applicable.

3:6 All documents, communications, and records during the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any participants.

ARTICLE 4- THE RIGHTS OF THE PARTIES

4:1 Subject to the terms of this Agreement the Board reserves to itself sole jurisdiction and authority over matters of policy and retains the right: (a) to direct employees of the school district; (b) to hire, promote, transfer, assign, and retain employees in positions in the school district and to suspend, demote, discharge, or take other disciplinary action against employees; (c) to relieve employees from duty because of lack of work or for other legitimate reasons; (d) to maintain efficiency of the school district operations entrusted to them; (e) to determine the method, means, and personnel by which such operations are to be conducted; and (f) to take whatever action may be necessary to carry out the mission of the school district in situations of emergency. No employee shall be disciplined, reprimanded, reduced in rank or compensation without just cause. Any such action asserted by the Board, or any agent or representative thereof shall be subject to the grievance procedure herein set forth except as otherwise provided by law or regulation.

4:2 There shall be no discrimination, interference, restraint or coercion by the Board of Education or any of its representatives against members of the Association because of their membership or lack of membership in the Association. No employee shall be prevented from wearing pins or other identification of membership in the Association or its affiliates. Representatives of the Association and its parent organization shall be permitted to transact reasonable official Association business on school property, provided that this shall not interfere with or interrupt normal school operations.

4:3 The Association shall have the right to use of the school mailboxes and the inter-school mail facilities. A courtesy copy shall be placed in the Board Secretary's mailbox and presented to the Principal or designee. The responsibility for the contents of communications rests wholly with the author. The Association agrees to hold the Board harmless in the event of claims arising out of the distribution of Association material. In the posting of the Association materials and the use of mailboxes, all such material will be published on official Association stationery and dated. Any materials not printed on official HTEA stationery, which the Association wishes to post or distribute, shall contain an attached sheet signed by an Association officer on the advance complimentary copy to the Principal and the Board identifying that document as an HTEA distribution. Such material shall be presumed to be authorized by the President and Executive Committee of the Association. All political flyers, advertisements, or campaign endorsement literature being distributed by way of school mailboxes, shall be either folded or placed in an envelope so that no printed matter is exposed to public view.

4:4 The Association shall have the right to use school facilities and equipment after school hours with prior approval of the building principal. The Association shall supply all materials and supplies and pay for the reasonable cost of any repairs necessitated as a result thereof.

4:5 No grades shall be changed without the prior consultation of the teacher involved, provided the teacher is available. If the teacher is not available, every reasonable effort shall be made to contact said teacher.

4:6 The rights and privileges of the Association and its representatives as set forth in this Agreement shall be granted only to the Association as the exclusive representative of the employees and to no other employee organizations.

4:7 Whenever any employee is required to appear before the Board or committee member, representative or agent thereof concerning any matter which could adversely affect the continuation of that employee in his/her office, position or employment or the salary or any increments pertaining thereto, or for the purpose of issuing a reprimand, then he/she shall be given prior written notice, except in exigent circumstances in which case notice shall be verbal but confirmed subsequently in writing, of the reasons for such meeting or interview and shall be entitled to have representation of the Association present to advise him/her and represent him/her during such meeting or interview. Prior to the conference, the employee shall communicate to the administrator/supervisor his/her intention to have representation. The above requirement shall not apply when the purpose of the meeting is for a professional conference which will not adversely affect the employment status or salary of the employee.

4:8 Any questions or criticism by a supervisor or administrator of an employee shall be performed with all due professional courtesy.

4:9 INFORMATION: The Board agrees to make available to the Association, in response to reasonable requests from time to time, all available information concerning the educational program and the financial resources of the district that are a matter of public record. The Board shall make such information available within a reasonable amount of time following such request.

4:10 BULLETIN BOARDS: The Association shall have, in each school building, the partial use of a bulletin board in each staff lounge. The Association shall also be assigned adequate space on the bulletin board in the school building office for Association notices provided copies are presented in advance for posting to the appropriate building administrator and the Board Secretary. Any materials not printed on HTEA stationery shall be presumed to be authorized by the President and Executive Committee of the Association and dated.

4:11 Pursuant to Chapter 123, Public Laws 1974, the Board hereby agrees that every employee covered by this Agreement shall have the right freely to organize, join, and/or support the Association for the purpose of engaging in collective negotiations. As a duly selected body, exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by Chapter 123, Public Laws 1974; that it shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his/her institution of any grievance, complaint, or proceeding under this Agreement.

4:12 RELEASED TIME FOR MEETINGS: Whenever by mutual consent of the parties, any representative of the Association or any employee participates during working hours in negotiations, grievance proceedings, conferences, meetings, administrative, judicial, or other proceedings scheduled by a third party, he/she shall suffer no loss in pay or time.

4:12.1 The Association shall supply the Superintendent with a list of Association Representatives that work on the second shift. In the event of a Representative Council meeting is held during their work shift, these representatives shall be allowed to attend up to six meetings per year for a period not to exceed two hours at no loss in pay. Representatives shall return to work and complete their assignments.

4:13 Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the majority representative before they are established.

4:14 The Association President shall be entitled to apply for and receive an unpaid leave of absence from the Board to attend to Association business. The Association President shall be compensated through the Board upon reimbursement by the Association for the cost of salary, health insurance, dental and prescription.

4:15 Employees shall be notified of their contract and salary status for the ensuing year no later than June 30.

ARTICLE 5 - PROTECTION OF EMPLOYEES

5:1 The Board of Education and the Hamilton Township Education Association recognize their responsibilities as defined in the N. J. S. A.: 18A: 16-6; 18A: 16-6.1; 18A: 6-1; 18A: 25-2; and 18A: 30-2.1.

5:2 Proper safety equipment shall be provided by the Board. It is understood that employees shall use such equipment when and where appropriate. Equipment shall be kept at the work site when not in use.

5:3 Employees shall immediately report cases of assault suffered by them in connection with their employment to their principal or other immediate supervisor.

5:4 Employees who believe that they are working under unsafe or hazardous conditions or performing tasks which endanger their health or safety may institute a grievance. However, said grievance shall terminate at the level of the Superintendent and shall not be subject to the arbitration provisions set forth in Article 3. Further appeal of concerns relative to this paragraph shall be through the Commissioner of Education or other applicable regulatory agencies.

5:5 At no time shall the Board or any Agent thereof, assign or direct any non-certified employee covered by this agreement, to any other duties outside of the duties appropriate to their position and consistent with their general job description.

5:6 The Board will meet its legal obligation to nurses pursuant to N. J. S. A. 18A:16-6 by providing professional liability insurance to protect against claims arising out of the performance of their duties.

5:7.1 Emergency cell phones will be available at every elementary school. These phones will be available only for use during emergency situations. Employees that use these phones for personal use will be subject to disciplinary action.

5:7.2 Communication devices (walkie-talkies) will be made available for custodial employees working in the secondary division. Employees that misuse the communication devices will be subject to disciplinary action.

ARTICLE 6- SENIORITY: NON-CERTIFIED STAFF

6:1 School district seniority is defined as service to the Hamilton Township School District in the collective bargaining unit covered by this Agreement.

6:2 During the period of employment within this unit, employees shall continue to accrue seniority credit in all lesser unit classifications in which they have been employed.

6:3 An employee shall lose all accumulated School District seniority in the event of involuntary termination, resignation, or voluntary quit and shall not accrue seniority during absence from active work due to disciplinary suspension, leave of absence (in accordance with Commissioner of Education rulings) or layoff.

6:4 In the event of a reduction in force for reasons of economy, individuals shall be laid off/eliminated in inverse order of seniority within the department involved. An employee affected by a reduction in force shall have seniority rights over the most junior employee within his/her current category of employment (as listed in the salary guide). If a rified individual has greater district-wide seniority than an individual remaining in a lesser category the rified individual shall have the option to bump down into the lower category position, assuming he/she holds the requisite qualifications.

- A. The reference to “department involved” refers specifically to eight departments:
 - 1.Custodial Personnel
 - 2.Cafeteria Personnel
 - 3.Personal Care Educational Assistants
 - 4.Classroom Educational Assistants
 - 5.Clerical Educational Assistants
 - 6.Secondary Educational Assistants
 - 7.Lunchroom/Playground Educational Assistants
 - 8.Transportation Personnel
- B. Within the assistants ranks no weight shall be given to the number of hours worked per day nor will weight be given to specific job assignment (i.e. classroom assistant, special education assistant)
- C. Within the cafeteria department no weight will be given to the number of hours worked per day nor to the specific job assignment (i.e. hourly employees, operator, etc.)
- D. Within the custodial department no weight will be given to the number of hours worked per day.

6:5 Seniority shall have no bearing in cases involving termination or non-renewal based upon job performance or other factors unrelated to economic reductions in force.

6:6 When a vacancy occurs, notice of recall shall be given to the most senior employee on lay off, assuming he/she is qualified for the vacant position. Notice of recall work shall be addressed to the employee’s last address appearing on the records of the School District, by certified mail, return receipt requested. Within 10 days from receipt of such notice of recall, the employee shall notify the Director of Human Resources, in writing, whether or not he/she desires to return to the work involved in the recall. If he/she fails to reply or if he/she indicates that he/she does not desire to return to such work, he/she shall forfeit all of his/her seniority and all rights to recall. If he/she indicates that he/she desires to return to the work involved in the recall notice, then he/she shall report to work within 10 working days from such date he/she receives the recall notice or within such period of time as is set forth in a written extension of time signed by the Director of Human Resources. In the event he/she shall fail to report to work, he/she shall forfeit all of his/her seniority and all rights to recall.

6:7 Those employees laid off shall be given the opportunity to elect to be placed in the substitute pool. Substitute work shall be offered to laid-off employees within the substitute pool before it is offered to substitutes who are not on lay-off. Substitute work shall be offered on a rotational basis using a seniority list from top to bottom.

ARTICLE 7- EMPLOYMENT PROCEDURES

Section A Non-Certified Staff

7:1A Probationary Period-All new permanent employees shall initially work a ninety day probationary period. During this period the Board is free to judge the performance of an employee and, if necessary, terminate the employee without notice and without recourse to the grievance procedure. Once an employee satisfactorily completes his/her probationary period, his/her seniority shall be recorded from his/her date of hire. Prior length of service in a comparable position within or from outside the Hamilton School District may be credited where applicable for the purpose of initial salary placement only.

7:2A Promotions- An employee shall be probationary for the first 60 days on a new job and shall retain his/her seniority in his/her previous position during this probationary period.

7:3A Salary Scale- An employee hired prior to January 1 for twelve-month personnel and February 1 for 10 month personnel of any school year shall be given full credit for one full year for increment purposes only. There shall be no part-year increments granted.

7:4A Resignation- An employee who is resigning from his/her position shall give two weeks notice. Earned vacation shall be paid according to the proportion of full months worked to the total contract year, unless proper notice has not been given.

Section B - Employment and Promotion Procedures-Certified Staff

7:1B Opportunity will be given to any certified employee meeting qualifications as prescribed to apply for and receive fair consideration for administrative and supervisory positions which may become open. Such positions shall include those in the administrative and supervisory field for which there is a designated salary schedule and such other positions carrying an administrative or supervisory responsibility for which there is a salary differential above that of a certified employee.

7:2B Notice of any administrative or supervisory opening as previously defined will be publicized within the school system, not less than two (2) weeks before the deadline for application. Applications in writing will be accepted from within and outside the school system. The notice will include such information as the position to be open, certification requirement, the date that the certification must be in effect, required qualifications, desirable qualifications, salary, and salary range, and the deadline date for application. Applications will be acknowledged.

7:3B Final decision on administrative and supervisory positions shall be the prerogative of the Board of Education. There shall be no abridgment of the right to fill vacancies on a temporary basis when warranted by particular circumstances. While every effort will be made to comply with the procedure as outlined, flexibility may be needed in unusual circumstances for the proper operation of the school system.

7:4B If an opening occurs during the summer recess a letter of notification of vacancies shall be sent to the Association President and the Association shall be responsible for notifying staff during the summer months.

7:5B All candidates from within the district who meet the basic requirements for the position shall be granted an interview by the Superintendent or his designee. Such interview need not be granted, however, if the candidate has been granted an interview for any other administrative or supervisory vacancy or opening within the preceding twelve (12) months.

ARTICLE 8- TRANSFERS AND REASSIGNMENTS

8:1 Employees who desire to transfer to another position or building may file a written transfer request statement with the building principal/supervisor and the Human Resources office. Such statement shall be made on the District form.

8:1.1 Employees who desire to transfer to another position within their building may file a written request statement with the building principal. Such statement shall include the position(s) to which he/she desires to be transferred in order of preference.

8:2 All requests for transfer and reassignment shall be placed in the official files in the personnel office and kept for a period of one year and when an opening occurs the employee shall be considered for the position in accordance with this article.

8:3 A notice of all non-certificated vacancies shall be posted in each work site fifteen (15) days before the final date when applications must be submitted, unless circumstances require that faster action be taken. A copy of the job posting shall be given to the President of the Association at the time of posting.

8:4 The notice shall include the title of the position, the work site, the qualifications, and the rate of compensation. A copy of the job description shall be available upon request.

8:5 The schedule of employees who are assigned to more than one (1) work site shall be arranged so that no such employee shall be required to engage in an unreasonable amount of inter-school travel. Such employees shall be notified of any changes in their schedules as soon as possible.

8:6 All employees shall be given written notice of their work assignments for the forthcoming year not later than June 1, when administratively feasible.

ARTICLE 9- EVALUATION

9:1 All monitoring of the work performance of an employee shall be conducted openly and with full knowledge of the employee.

9:1.1 Certified employees shall be evaluated consistent with NJ Administrative Code.

9:1.2 Non-certified employees shall be evaluated at least once during each work year. The evaluation shall be completed prior to June 1, to be followed in each instance by a written evaluation report and by a conference between the employee and the evaluator for the purpose of identifying strengths, deficiencies and extending assistance for their correction. No teacher shall be required to attend more than 21 after school day meetings per year and no more than three (3) meetings per month, except in case of emergency. The staff shall normally have not less than forty-eight (48) hours notice of all regularly scheduled meetings.
